HEAD FOR YOUR “GO-TO” PLACE.

It’s waiting for you when you live the #JeepLife.

High Altitude in granite Crystal metallic.
FIND FREEDOM — in every spirited adventure with Jeep Compass.

Available unsurpassed off-road capability

FREEDOM DRIVE I
Differential Lock
Available

FREEDOM DRIVE II
4WD off-road capable

30 MPG* 1
EPA-estimated 23 city/30 hwy mpg with 2.0L engine and 5-speed manual transmission, 4x2. Actual mileage may vary.

Latitude in Deep Cherry Red Crystal Pearl.
Head out in an available 4WD Compass and you’ll have the confidence to go Anywhere, Do Anything.® Challenging terrain and inclement weather will have no hold over your drive.

Enjoy the value of driving an SUV that delivers an efficient performance that’s comparable to that of a compact car. When properly equipped, Compass can deliver an outstanding 2016 EPA-estimated 23 city and 30 hwy mpg. *

The signature seven-slot Jeep® brand grille and traditional trapezoidal wheel wells tell the world you are backed by a legend. Express your personality with unique trims: Sport, Sport Latitude and High Altitude.

*Based on 2016 EPA-estimated 23 city/30 hwy mpg with 2.0L engine and 5-speed manual transmission, 4x2. Actual mileage may vary.

The one thing that improves a great view is the road you take to get there.
Like you, Compass is a multitasker, commuting from city streets to the sun-soaked shore without any fuss. Because Compass carries people and cargo with equal skill, and can tow up to 2,000 lb when properly equipped, you don’t have to compromise. It’s time to stop planning and start doing.

BE CREATIVE. TAKE THE LONGEST WAY HOME.
DESTINATION: EVERYWHERE.

Get noticed while you’re getting there.

Turn heads with every turned corner. Explore with a new perspective. Up your game with style and capability.

Put yourself in the driver’s seat of an authentic freedom machine engineered to keep going — rain, shine or with icy streets. Each journey can include the iconic Jeep® Grand Cherokee and authentic Jeep® brand available 4WD systems to choose from. Compass Sport SE offers it all in a size that adds an efficient performance that’s crafted to stand out and impress.
The six-speed automatic transmission available on Compass glides quietly along, with a low first gear that helps achieve quicker takeoffs and a tall top gear for relaxed highway cruising.

Look ahead, illuminate with bright halogen headlamps, along with projector fog lamps and available daytime running lamps, and improve visibility at night or during inclement weather. Automatic headlamps are conveniently standard on Compass Latitude and High Altitude.

More to appreciate: Smart oil pressure monitoring, 18-inch aluminum wheels and stainless-steel exhaust tips, a sound system with eight speakers, a ParkView® rear back-up camera, and a Garmin® navigation system make a subtle premium impression. Standard acoustic windshield glass holds excess cabin noise at bay.

Soft red, red 2-Coat Pearl.

Sport All in Motion. Rich & Grand Feel.
LISTEN: TO MUSIC, TALK SHOES

Access a variety of genres, and save your favorite artists and songs with SiriusXM satellite radio. A one-year All Access trial subscription included.

HEAR: IN THE AIR

Host a virtual meeting. Present favorite music with audio output from the vehicle. Join your friends in the future and engage in real-time discussions.

START: WHERE YOU ARE

Listen to SiriusXM on the go and online — included with your in-vehicle unit, plus access to special offers and new features that make it easier and faster than ever to create a completely personalized experience your way. And you can get it all on the go online at siriusxm.com. SiriusXM you don’t just listen to what you love, you live it.

SPEAK UP: AND BE HEARD

Speak out loud while driving safely and clearly, and enjoy a unique hands-free phone experience.

NAVIGATE: TO ADVENTURE

SEE: INTO THE FUTURE

See the future with SiriusXM. Stay up to date with traffic, weather, sports, music, and more — all included in your subscription. See it all with the SiriusXM app and online.

HOST: FROM AFAR

Get your engine running, unlock your door or flash your headlamps — all from anywhere. Available.

HOST A WELCOME PARTY

Upload and download, post and search. Uconnect® with Wi-Fi available through mopar®. Let your devices connect to the Web. Available.

High Altitude in Bright White. *Available with Uconnect and/or Uconnect Access.

Welcome to the 2021 Jeep® Cherokee! At Jeep, every day is a unique opportunity to experience the world differently. And with an extensive array of advanced technology options to choose from, your next adventure can be tailored to your every whim. Whether you’re exploring the wilderness or navigating through the city, the 2021 Jeep® Cherokee is designed to help you get the most out of every journey.

SiriusXM on the app and online — included with your subscription, you can take your favorite music, talk shows, sports, and news wherever you go. Plus, get access to special offers and new features that make it easier and faster than ever to create a completely personalized experience, your way. And you can get it all on the go online at siriusxm.com. SiriusXM you don’t just listen to what you love, you live it.

Take a closer look at the features you’ll love most. Discover what makes the 2016 Jeep Compass everything you need.
YOU have the freedom to extend the adventure and perform with 165 horsepower and 141 lb-ft of torque. It can also be paired with a five-speed manual transmission, 4x4. Actual mileage may vary.

The available engine also pairs with the Continuously Variable Transaxle II® (CVT). With numbers like these, you have the freedom to extend the adventure and travel more than 30 miles on a full tank of gas.

**EPA-estimated 30 HWY MPG**

**AUTHENTIC CAPABILITY THROUGH AND THROUGH.**

**HILL-START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC)**

HSA prevents unwanted rolling when starting on an uphill grade. HDC limits the speed near zero to safely navigate steep slopes.**

**ALL-WEATHER CAPABILITY GROUP**

When the weather gets tough, this group gives you the confidence to safely get where you're going. Includes tow hooks, engine block heater, all-season floor mats, chrome running boards, all-terrain tires and 17-inch aluminum wheels, available on LED.

**TRAIL RATED**

**TRACTION:**

The available Trail Rated® feature couples underrun protection, electronic limited-slip differential and lockable axles with Hill Descent Control.10

**MANEUVERABILITY:**

Every Compass has independent front and rear suspension, plus front and rear anti-roll bars, for precise steering and minimum body roll. The standard 16-inch wheels allow for maximum ground clearance.

**ARTICULATION:**

This system is used for off-road traction, and a coordinated handling package with an optimized wheelbase. It provides increased articulation. Tight, fat tires help the other eight wheels grip the ground.

**GROUND CLEARANCE:**

Your available Trail Rated Compass has an optimized approach, departure and breakover angle. The rugged, tubular underbody chassis has protection by plated side plates.
**Heated Front Seats**: These warmed front seats bring welcome comfort on cool days. Both passenger and driver have two selectable settings that provide just the right amount of heat where it really counts. Standard on Latitude and High Altitude models.

**Remotely Start**: Just press the button on your key fob a few minutes prior to takeoff and you’re ready to roll with a nicely heated or cooled cabin. Available when equipped with an automatic transmission.

**Premium Audio System**: Tune in to the Premium Sound System that includes a nine-speaker Boston Acoustics® sound system with subwoofer. Two powerful flip-down liftgate speakers act as a portable sound system. Just open the rear hatch, swing down the speaker unit and set your music free for all to enjoy. Audio controls are conveniently located on the available leather-wrapped steering wheel. Available on Latitude and High Altitude models.
PHONE: Talking on the phone while driving has never been easier — or more responsible. Connect Phone is the in-vehicle, near-automated communication system that allows one to talk to your Bluetooth®-compatible phone virtually hands-free. This clever system is also smart enough to synchronize with your Bluetooth compatible phone’s contact list — up to 1,000 entries — every time you get into your vehicle.

NAVIGATION: Provides turn-by-turn directions and lane guidance to notify you of a turn, a stop, or any other required action. Use your voice to select what route you want to travel and hands-free steering is available. Standard on all models.

STANDARD VOICE COMMANDS®: It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. For your ease of use, Siri® voice commands at SiriusXM® Satellite Radio®, phone call, and radio calls can be managed all of your needs.

REAR VIEW: You’ll have several ways to access audio. Select the sound going via CDs, DVDs, Bluetooth® streaming audio, SiriusXM® Satellite Radio® (your first year of service is included) and Bluetooth streaming audio.

SiriusXM® TRAVEL LINK

SIRIUSXM TRAVEL LINK: Boasts National Weather Service issued emergency alerts for flooding, winter weather, tornados and more. Weather radar provides information on current direction, speed and track for a range of nearest weather conditions. Current conditions and five day forecasts help you adjust travel plans accordingly. Your first five years of SiriusXM® Travel Link® are included. Available.

PARK®: Rear Back-Up Camera: Displays an accurate visual display of what is behind your vehicle when in Reverse. Available on all models.

CARAVAN STRENGTH: Unique structural cues of sturdiness with a strong foundation of mold wet-strength construction. Standard on all models.

THE PREMIERE MONITORING SYSTEM: Sensors continuously monitor tire pressure and will immediately notify the driver when any tire drops below the minimum acceptable level. Tire pressure warning lamp is standard and tire pressure displays with the Security and Cargo Convenience Group on Latitude and High Altitude models.

SAFETY AND SECURITY

ELECTRONIC STABILITY CONTROL (ESC®): Its advanced system designed to assist drivers in maintaining control of their vehicle at all times. It utilizes the available brake system (ABS) and hydraulic Brake Assist, all-speed traction control and Electronic Roll Mitigation (ERM) to continuously monitor driver input against the vehicle’s actual course. When needed, the system automatically helps provide braking to the appropriate wheels and reduces engine power when overly steep cornering and/or impending wheel lift is detected. Standard on all models.

4-WHEEL ALTILOGIC® BRAKE SYSTEM: (ABS): This system includes Brake Assist and all-speed traction control to help maintain vehicle control during emergency braking. Standard on all models.

FRONT-SEAT ACTIVE HEADRESTS*: In the event of a rear-end collision, the headrests move forward and upward to decrease the space between the headrest and the occupant’s head, thereby helping to reduce the chance of injury. Standard on all models.

AUTOMATIC HEADLIGHTS*: See and be seen. These headlamps turn on in an effort automatically on exterior light levels and when the headlamps are turned on or off. Available on Sport and Sport 4X4 when packaged with the Power Value Group. Standard on Latitude and High Altitude models.

REMOTE KEYLESS ENTRY*: Locks, unlocks and starts your vehicle from up to 16 feet away. If equipped, the illuminated entry system will also turn on the POWER HEATED EXTENSION MIRRORS. This power-adjustable feature helps keep your mirrors clear and lets free or use the snow brush. Both features available in Sport and Sport 4X4 when packaged with the Power Value Group. Standard on Latitude and High Altitude models.

SMART TECHNOLOGY THAT’S MASTERFULLY SIMPLE.

THE CONNECT® SYSTEM BRINGS A RANGE OF COMMUNICATION AND ENTERTAINMENT SERVICES STRAIGHT INTO YOUR VEHICLE, BUNDLED INTO ONE EASY-TO-USE INTERFACE WITH 50 CONVENIENT OPTIONS TO CHOOSE FROM. LOOK HOW YOU WOULD LIKE TO CONNECT AT DRIVECONNECT.COM
The road to legendary freedom starts here. Which path will you choose? Every Compass model comes with a range of resources to help turn dreamers into doers.

MOPAR OWNER CONNECT: For CONNECT. Your Jeep brand vehicle ownership gives you the foundation for access to exclusive vehicle information, owner and maintenance records, recall notifications, and special offers through enhanced owner support — computers,smartphones or tablets. Register your Jeep brand vehicle at owners.jeep.com or download the Jeep Owners app for free at either the Apple or Google Play stores.

AUTOMOBILITY: The FCA US LLC Automobility Program provides aftermarket reimbursement incentives to adaptive vehicle owners to help increase safe and reliable vehicle modifications, enhancing accessibility for all people. For more information, call (800) 255-9877 or visit chryslerautomobility.com.

JEEP WATERSHED: Earn 3 points per $1 on qualifying purchases made in FCA US LLC dealerships. 1 point per $1 on qualifying travel purchases and 1 point per $1 on qualifying purchase everywhere else with the new Jeep MasterCard. Points may be redeemed at your local dealership for cash off your next vehicle; accessories, parts or service; including your next oil change. Or choose from hundreds of other rewards, including travel, each back to your account, merchandise or gift card. For more information or to apply, visit jeepcard.com.

THE JEEP BRAND OFFERS SOME OF THE BEST OWNERSHIP SUPPORT PROGRAMS AVAILABLE ANYWHERE.
Based upon latest available competitive information from Ward's Small Cross/Utility segmentation. Jeep brand vehicle equipped with optional Freedom Series II® Trail Package. (2) No system, no matter how sophisticated, can replace the laws of physics, or exercise complete driving control. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always wear your seat belt. (3) Always look before proceeding. All electronically controlled are not insubstitutes for conscientious driving. Always be aware of your surroundings. (4) Requires media phone equipped with the Bluetooth® Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (5) SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, your subscription will automatically renew, and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. (6) SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, your subscription will automatically renew, and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. (7) Voice Text Reply and Voice Texting features require a compatible smartphone, a compatible Internet connection, and the use of a compatible hands-free device. (8) Requires the use of a compatible smartphone and carrier plan. Users are responsible for message and data rates. (9) Requires a data subscription package. (10) Do not attempt water fording unless depth is known to be less than 12 inches. Always drive carefully. (11) This brochure is a publication of FCA US LLC.
