TODAY IS THE DAY YOU COMMIT TO GREATNESS. NOW IS THE TIME TO GIVE PURPOSE TO YOUR DRIVING PASSION. EVERY MINUTE. EVERY SECOND. NOTHING IS GREATER THAN WHAT LIES AHEAD. THE 2014 JEEP GRAND CHEROKEE DEFINES ACHIEVEMENT. HERE, YOU CAN ACHIEVE IT ALL.
GRAND CHEROKEE SUMMIT.
WITH THE BEST, YOU BECOME THE BEST.

Summit Shown in deep cherry red crystal pearl.
Harsh weather is worry-free with Grand Cherokee’s expansive menu of capabilities. Designed to work together in true harmony, they usher you over and through most any challenge Mother Nature lays before you. Experience legendary Jeep® brand DNA in its most elegant of forms.

**Authentic Capability**

Confidence in Go Anywhere. Do Anything® is built and bred in every Jeep® brand transfer case. Choose from three authentic four-wheel-drive systems: Quadra-Trac® I, Quadra-Trac® II, and Quadra-Drive® II with an Electronic-Limited-Slip Differential (ELSD). Each is engineered to help safely usher you through severe all-weather challenges.

**Electronic Stability Control®**

Vehicle-wide sensors help keep you moving forward securely, instantly providing aid in stressed and extreme situations.

**Independent Suspension**

Independent front and rear suspension systems with isolated cradles help stabilize travel over challenging terrain. Standard.

**Quadra-Lift® Air Suspension System**

Gain ultimate control of your system, raise up to a best-in-class ground clearance of 11.5 inches above rocks and snowbanks. Lower it 1.6 inches for easier entry, exit, and loading. Available.

**Select-Terrain® Traction System**

Maintain a strong grip on your driving surface. Select from five different “modes,” and engage the new Select-Speed® for incredible speed control on steep inclines and declines. Coordinates 12 different vehicle management systems. Available.

**Premium Exterior Lighting**

Come rain or snow, foggy nights or sunny mornings, Daytime Running Lamps are well-known to raise the visibility of your vehicle. Add the optional Signature LED lights and the profile of your Grand Cherokee will raise to very impressive heights. Available Adaptive HD Headlamps follow your cue as you turn the wheel, illuminating road curves for safer visibility. Headlamp washers are available to help maintain visibility during slushy, muddy conditions. A high-pressure spray of washer fluid helps keep your headlamps safely crystal-clear.
Passion flows within every touch is sumptuously soft. every stitch a masterstroke.

Summit interior DaSh Stitching Detail Shown in Grand Canyon-Jeep® Brown

Summit leather-trimmed seat Shown in Grand Canyon-Jeep® Brown
THE MOST LUXURIOUS SUV IN ITS CLASS

Grand Cherokee Summit achieves the most premium status by delivering an experience that is truly first-class. No other similarly-sized SUV presents a more extensive list of inviting features. Summit owns this benchmark of exclusivity.

INSPIRED DESIGNER PALETTE

Summit’s available Jeep® Brown interior is inspired by the warm tones that grace the majestic walls of the Grand Canyon. Copper-colored bezels and accent stitching continue the homage to this world wonder.

ELEGANT TOUCH POINTS

Premium Nappa Plus leather is featured on Summit’s leather-trimmed seats, console, lower instrument panel, and door panels. Real open-pore wood in Summit Brown adorns the instrument panel and door trim. A soft, suede-like headliner adds to the rich appeal of Summit’s unique interior design.

SEATING IN FIRST CLASS

All first- and second-row seats are heated for comfort in every climate, and front seats are ventilated and power-adjustable eight ways, with tri-zone automatic climate control.

HIGH TECH MEETS HIGH EXPECTATIONS

Amazingly brilliant, the available Uconnect® 8.4-inch touch screen treats you to a wealth of intuitive features like voice recognition, navigation, climate control, and so much more. And the customizable 7-inch Multi-View Display offers a quick and easy glimpse at a myriad of vehicle systems and driving information.

LUXURY FOR AUDIOPHILES

For those who appreciate the world-class sound design, Harman Kardon® sound engineers have designed an available state-of-the-art system that sends 825 watts of power surging into 19 carefully placed speakers.
multi-view data control

hand-free voice command control for bluetooth enabled phone, audio, climate, navigation, and more.

WITH GRAND CHEROKEE’S BEST-IN-CLASS FUEL ECONOMY, YOUR QUEST FOR EXCELLENCE HAS BEEN REALIZED.
Introducing the 3.0L V6 engine

**Best-In-Class:**
- **30 MPG Fuel Economy**
- **730-Mile Driving Range**
- **420 LB-FT of Torque**
- **7,400-LB Maximum Towing**

When you tell them your grand Cherokee traveled 730 highway miles without refueling once, you’ll probably have to tell them twice.

Thirty miles per gallon? True story. Grand Cherokee’s new, available 3.0L EcoDiesel V6 engine delivers best-in-class economies that treat your fuel budget with respect, while its reduced CO₂ emissions display reverence for the environment. Proudly, the EcoDiesel meets and even exceeds the low emissions requirements in all 50 states. Best-in-class fuel economy arrives with an estimated 22 city/30 hwy mpg, and a driving range of more than 730 highway miles per tank. That’s because, compared to gasoline, a gallon of diesel fuel converts to a greater amount of usable energy. So you can leave Detroit, MI, with a full tank and arrive in New York City without ever stopping to refuel. And with its command of 240 hp and a hefty 420 lb-ft of torque, the EcoDiesel provides a surge of towing strength that can haul up to 7,400 lb when properly equipped. Stats so good, they’re worth repeating every chance you get.

3.6L V6 Pentastar® engine

Three times named one of Ward’s 10 Best Engines, the flex-fuel Pentastar now boasts an increase in fuel economy. Paired with the new 8-speed automatic transmission, it achieves 290 hp, an EPA estimated 17 city/25 highway mpg, and cranks out enough power to tow up to 6,200 lb when properly equipped—a 24 percent increase in pulling power. Standard.

5.7L V8 engine

This available workhorse churns out best-in-class maximum towing power of up to 7,400 lb when properly equipped. It boasts 360 hp and a brawny 390 lb-ft of torque, while also employing additional fuel-saving efficiencies thanks to Variable Valve Timing (VVT), Fuel Saver Technology, and the new 8-speed transmission. Available.

Eco mode

This new, selectable feature constantly works to maximize your fuel economy by automatically modifying the shift schedule of the 8-speed transmission and torque converter and gently lowering your idle speed to gain precious mpg. The Multi-Vue Display in your instrument panel can inform you just how efficiently Eco mode is performing every mile along the way.
ALL-NEW
8-SPEED AUTOMATIC TRANSMISSION

It glides with a smooth and quick efficiency, consistently using energy to its best advantage. This is Grand Cherokee’s new standard 8-speed automatic transmission. Its construction provides additional gears with no gain in weight, enhanced acceleration with reduced fuel consumption, and increased torque with added strength to pull. This is a revelation at automotive counterparts. SUV motorists who desire a premium driving experience paired with an efficient performance, this new structure can implement a gear change tuning can elevate ride quality to levels sedans. There’s excitement as well, by paddle shifters when you want to support lower engine rpm driving. Best possible fuel economies can be attributed to a wide ratio spread that supports low engine rpm driving in both city traffic and on the highway. When equipped with a two-speed transfer, crawl ratio is improved by 46 percent; enhancing Grand Cherokee’s legendary prowess. Shift into the available Sport mode and your shift schedule and engine power are both adjusted to hand over a sportier driving experience. It all adds up to a ride that delivers powerful strength without compromise.
WHY STOP AT SIMPLY RAISING THE BAR? THIS IS HOW TO MOVE AHEAD WITH AN AIR-CUSHIONED, ADJUSTABLE RIDE HEIGHT THAT SMOOTHS ON-ROAD HANDLING, INCREASES FUEL EFFICIENCY, EASES ENTRY AND LOADING, AND LIFTS GRAND CHEROKEE TO BEST-IN-CLASS GROUND CLEARANCE ... ALL WITH FINGER-TOUCH CONTROL.

Why stop at simply raising the bar? This is how to move ahead with an air-cushioned, adjustable ride height that smooths on-road handling, increases fuel efficiency, eases entry and loading, and lifts Grand Cherokee to best-in-class ground clearance ... all with finger-touch control.

OFF-ROAD 2

OFF-ROAD 1

AERIAL

PARK

OFF-ROAD 1

OFF-ROAD 2

AERO

• PARK / EASIER ENTRY, EXIT, AND LOADING

In park mode, this closed-type air suspension system gently lowers Grand Cherokee 1.6 inches below normal ride height to allow for a more graceful entrance and exit as well as for loading cargo.

• OFF-ROAD 1 / HELPS CLEAR OBSTACLES

When you find yourself negotiating deep snow, mud, or two-track trails, switch Quadra-lift to off-road 1 mode for an added vehicle height of 1.3 inches, giving your capability a serious lift.

• OFF-ROAD 2 / BEST-IN-CLASS CLEARANCE

When treading on elusive rock outcroppings, switch Quadra-lift to off-road 2 mode for an added vehicle height of 2.6 inches, giving your capability a legendary lift.

• AERO / OPTIMAL FUEL EFFICIENCY

When traveling at cruising speeds, Quadra-lift® automatically lowers the vehicle 0.6 inches below normal ride height to aero mode. This, in turn, improves aerodynamics and fuel efficiency.

• PARK / EASIER ENTRY, EXIT, AND LOADING

In park mode, this closed-type air suspension system gently lowers Grand Cherokee 1.6 inches below normal ride height to allow for a more graceful entrance and exit as well as for loading cargo.

• OFF-ROAD 1 / HELPS CLEAR OBSTACLES

When you find yourself negotiating deep snow, mud, or two-track trails, switch Quadra-lift to off-road 1 mode for an added vehicle height of 1.3 inches, giving your capability a serious lift.

• OFF-ROAD 2 / BEST-IN-CLASS CLEARANCE

When treading on elusive rock outcroppings, switch Quadra-lift to off-road 2 mode for an added vehicle height of 2.6 inches, giving your capability a legendary lift.

• AERO / OPTIMAL FUEL EFFICIENCY

When traveling at cruising speeds, Quadra-lift® automatically lowers the vehicle 0.6 inches below normal ride height to aero mode. This, in turn, improves aerodynamics and fuel efficiency.
WHEN YOUR POTENTIAL IS ONLY OUTWEIGHED BY YOUR CAPABILITY, ANYTHING IS POSSIBLE.
SAND
Traction control operates with aggressive response to wheel spin. The suspension raises for optimal performance. Deeper wheel-slip antilock brake settings and off-road-tuned Electronic Stability Control (ESC) are among the primary systems engaged.

MUD
Quadra-Lift® Air Suspension system raises to off-road 1 mode, traction control operates with sensitive response to wheel spin, and torque is tuned for optimal performance.

SNOW
Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this Mode include antilock brakes and traction control.

ROCK
Raises the vehicle to the maximum ground clearance of 11.5 inches; the transfer case, differential, and throttle coordinates to provide low-speed control. ESC is tuned appropriately for off-road conditions.

SELEC- TERRAIN TRACTION MANAGEMENT

SELEC-TERRAIN TRACTION SYSTEM
Five selectable settings give ultimate driving confidence by coordinating 12 vehicle systems, including throttle control, transmission shifting, differential, traction control, and Electronic Stability Control (ESC) to optimize performance from Sand, Mud, Auto, Snow, and Rock. In Auto, Select-Terrain does all the work, automatically adjusting vehicle dynamics to best suit the terrain.

SELEC-SPEED CONTROL
Select-Speed adds hill Descent Control to the Select-Terrain system for added control over off-road conditions. ESC engages the differential to help maintain stable low-speed control during descent. 188 G-random units and physical braking are integrated to help maintain control over going downhill.

JEEP 4x4 CONFIDENCE
Choose from three available 4wD systems:
- QUADRA-DRIVE® offers a two-speed low transfer case to distribute power to the axle with the most traction.
- QUADRA-TRAC® offers all-speed traction control via a two-speed low transfer case that can quickly distribute power to the axle with the most traction.
- QUADRA-TRAC II® is fully automatic, offering a continual balance of torque distribution; if slippage occurs, torque is transferred to the axle with the most traction. Available.

TRAIL RATED® CAPABILITY
Excel in extreme conditions like mud, sand, snow, and ice with the Trail Rated Badge. Off-road capability is enhanced by adding an authentic Trail Rated system, which includes an authentic Trail Rated badge indicating testing and mastery in five performance categories: Traction, Ground Clearance, Maneuverability, Articulation, and Water Fording.
The view exceeds extraordinary expectations.

Timeless grandeur

Heritage runs deep within the DNA of Overland, beginning with its name, long associated with the revered Willys-Overland, a legendary vehicle that stands at the forefront of Jeep brand history. Today, Overland carries the legendary torch of strength and honor, with astounding enhancements that take it to a brand-new level of comfort and luxury. A long list of standard features such as leather-stitched dashboard and dual-pane sunroof and available features like 4Wd with standard Quadra-Lift® Air Suspension come together to distinguish the name of Overland once again.
INSPIRED DESIGNER PALETTE
Available for Overland®; this interior color scheme of Indigo Blue and Jeep® Brown is crafted from luxurious Nappa leather trim, open-pore Zebrano wood trim, and Silver-colored bezels. Bright accent stitching adds to the stunning impact.

DISTINCTIVE AND PLUSH
Overland arrives with a standard CommandView® dual-pane panoramic sunroof, and a vibrant 8.4-inch Uconnect® touch screen with voice operation for navigation, communication, voice-activated and entertainment services. First- and second-row leather-trimmed heated seats are designed for the utmost in cushioned comfort and style. Even more, first-row seats are also ventilated. Unique contrast stitching adds glamour to the leather-trimmed dashboard. There’s so much to experience with Overland’s long list of premium features.

ALPINE® PREMIUM AUDIO
Welcome to the Alpine® Surround Sound System, standard in Grand Cherokee Overland and Limited. This premium audio system utilizes a high-powered, 13-channel, 506-watt amplifier powering nine speakers and a subwoofer, optimally placed throughout the cabin.

CLIMATE CONTROL VIA UCONNECT
Create a comfortable cabin using the HVAC controls on the available 8.4-inch touch-screen radio with voice commands. You can say “set driver temp to 72 degrees” to adjust dual-zone temperatures (when equipped), engage the defrost system, or turn on the heated and ventilated seats, all without ever taking your hands off the wheel.

MASTERFULLY SIMPLE.

WITH THE AWARD-WINNING AND INTUITIVE UCONNECT® SYSTEM, YOU’RE ALWAYS CONNECTED, INFORMED, ENTERTAINED, AND MORE PRODUCTIVE. YOU CAN ALSO VOICE YOUR CHOICE TO CONTROL NEARLY EVERY FEATURE HANDS-FREE WITH THE LATEST AVAILABLE VOICE RECOGNITION TECHNOLOGY. THIS IS HOW YOU ADVANCE YOUR WORLD IN A WORLD THAT’S VERY ADVANCED.

UCONNECT ACCESS A NEW LEVEL OF INNOVATION

THIS NEW SUITE OF UCONNECT® FEATURES AND SERVICES REPRESENTS THE NEXT GENERATION OF IN-VEHICLE CONNECTIVITY. WITH THE SIMPLICITY OF VOICE COMMAND AND FINGERTIP CONTROL, YOU CAN NOW ACCESS ALL OF THESE BRILLIANT OFFERINGS:

- **9-1-1 CALL** In the event of an emergency, a button on your rearview mirror connects you with local authorities.

- **ROADSIDE ASSISTANCE CALL** Flat tire or need a tow? Just push a button on your rearview mirror connects you to roadside assistance, which automatically knows your vehicle and location. Additional fees may apply.

- **STOLEN VEHICLE ASSISTANCE** If your vehicle is ever stolen, Uconnect can provide its location to aid police recovery.

- **THEFT ALARM NOTIFICATION** Choose to receive a text or email when triggered. (Your alarm is activated when you start the vehicle and lock all doors.)

- **VOICE TESTING** Powerful. Choose voice testing on compatible Bluetooth® devices by saying “Start voice testing.”

- **VOICE COMMAND** It matters where you're going. Just ask and your hands-free Uconnect lets you easily answer or reject phone calls, fast-forward or rewound music, and much more.

- **PHONE/TEXT** Plans can change en route. Safely spread the word with a hands-free phone call or use your voice to send out a text. Pair up to eight Bluetooth® enabled phones, and voice commands allow you to easily “call Judy” or “redial” as you negotiate midtown traffic.

- **VOICE TEXTING** Voice Texting on compatible Bluetooth® phones lets drivers hear a text or read and dictate an original message. Hands stay on the wheel, eyes stay on the road, and drivers stay safely connected.

- **WIFI HOTSPOT** Create a mobile, on-demand hotspot in and around your vehicle, so passengers can stay securely connected wirelessly on their personal devices.

- **EMERGENCY HELP** From a local police station to roadside assistance, your Uconnect’s 9-1-1 button connects you with emergency help.

- **UCONNECT ACCESS APP** From virtually anywhere, use your computer or the custom smartphone app to remotely lock or unlock your vehicle, start the engine to warm up or cool down the interior, or sound the horn and flash the lights.

- **INSTANT IN-VEHICLE ASSIST** Enjoy the features of your vehicle, such as SiriusXM®, on-demand real-time local search to find restaurants, coffee shops, and other businesses sorted by rating and location.

- **CONNECTED SEARCH** Conduct a real-time search to find restaurants, coffee shops, and other businesses sorted by rating and location.

- **NAVIGATION** Pioneer navigational systems are embedded in Uconnect, and turn-by-turn directions are provided. User-friendly displays enable easy entry of your destination, and voice command is integrated.

- **ENTERTAINMENT** Tonight’s soundtrack? It can change, moment by moment, and Uconnect follows your lead. Listen to your favorite playlist, then flip to a news or comedy station, or get the latest sports scores. SiriusXM® lets you tag, rewind, and play your favorite songs or artists. You’ll get 160 channels from the available SiriusXM® Satellite radio, or connect your own device.

- **WEBCAM** Uconnect® with available WiFi links compatible devices to the web. Your office is as mobile as you are. Connect web-enabled devices, and passengers can stay in play.

- **PHONE/TEXT** Plans can change en route. Safely spread the word with a hands-free phone call or use your voice to send out a text. Pair up to eight Bluetooth® enabled phones, and voice commands allow you to easily "call Judy" or "redial" as you negotiate midtown traffic.

- **VOICE TEXTING** Voice Texting on compatible Bluetooth® phones lets drivers hear a text or read and dictate an original message. Hands stay on the wheel, eyes stay on the road, and drivers stay safely connected.

- **WIFI HOTSPOT** Create a mobile, on-demand hotspot in and around your vehicle, so passengers can stay securely connected wirelessly on their personal devices.
WHAT A BEAUTIFUL WAY TO STAY CONNECTED. UCONNECT PUTS YOU IN FULL CONTROL WITH AN AVAILABLE 8.4-INCH TOUCH SCREEN CONVENIENTLY POSITIONED FRONT AND CENTER. HERE, CONTROLS AND DATA ARE DISPLAYED IN CRYSTAL CLARITY. WELCOME TO COMMAND CENTRAL.

NAVIGATION WITH 3-D MAPPING. Use your voice to enter a complete address in one step. Uconnect® will provide mapping on its 8.4-inch touch screen, as well as audible turn-by-turn directions. You’ll see full-color three-dimensional modeling of urban destinations to help identify landmarks and street junctions. This feature is available with the Uconnect® 8.4AN radio.

HANDS-FREE PHONE. Uconnect easily connects with your compatible phone, and allows quick access to your stored contacts. With Voice Command, you can say who you want to call or text. A standard feature on all radios.

(8) 2012 Ward's Mid-Size Sport Utility Vehicle segmentation (excludes Chrysler Group LLC vehicles). 3.0L V6 Diesel 4x2 @ 30 mpg.

(9) Late availability.

(10) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

(11) FCW system is solely an alert system for the front of the vehicle which does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions.

(12) ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions.

(13) Chrysler estimated 30 highway mpg. 3.0L Turbo EcoDiesel V6 engine and 8-speed transmission. Final EPA mileage not available at time of publication. Use for comparison purposes only.

(14) Do not attempt water fording unless depth known to be less than 20 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

(15) SiriusXM service requires a subscription, sold separately after 12-month trial included with vehicle purchase. If you decide to continue your SiriusXM service at the end of the trial subscription, the plan you choose will automatically renew and bill at the current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at siriusxm.com. Sirius satellite service is available only to those at least 18 and older in the 48 contiguous United States, D.C., and P.R. (with coverage limitations). SiriusXM Traffic available in select markets. See siriusxm.com/traffic for more information. Sirius, XM, and all related marks and logos are trademarks of SiriusXM Radio Inc.

(16) Always look before proceeding, electronic drive aid is not a substitute for conscientious driving, always be aware of your surroundings.

(17) The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly.

(18) Always check visually for vehicles prior to changing lanes.
