Welcome to the unsurpassed off-road capability and impressive on-road manners of the 2015 Jeep® Patriot. The world of Patriot is defined by a unique attitude of accessibility and power. Patriot is unlike any other SUV in its class, with its signature seven-slot Jeep grille and authentic design. Climb on board and join those who crave an adventure-filled lifestyle that’s fueled by comfort, confidence and value.
PATRIOT OFFERS THE BEST OF ALL WORLDS. YOU’LL ENJOY THE CAPABILITY OF A SUV ALONG WITH THE EFFICIENT PERFORMANCE OF A COMPACT CAR. THOSE WHO CRAVE IMPRESSIVE JEEP BRAND POWER WILL OPT FOR THE AVAILABLE 2.4L I-4 ENGINE MATCHED TO THE SIX-SPEED POWERTECH AUTOMATIC TRANSMISSION FOR A SMOOTH, CAR-LIKE GLIDE. OR, CHOOSE THE AVAILABLE FIVE-SPEED MANUAL TRANSMISSION, AND YOU CAN TAKE TO THE ROAD UNDER YOUR OWN TERMS AND SHIFT SCHEDULE. AS ALWAYS WITH PATRIOT, YOU’LL ENJOY THE DISTINCT ADVANTAGE OF THE HIGHER RIDE OF A SUV.

2.0L DOHC 16V DUAL VARIABLE VALVE TIMING (VVT) I-4 ENGINE
The standard 2.0L DOHC 16V dual VVT I-4 engine mated with the five-speed manual transmission delivers an outstanding 4x2 EPA-estimated 30 mpg on highways and 23 mpg* in the city and shows off with 158 hp and 141 lb-ft of torque. It can also be paired with the available CVT2 automatic transaxle. With numbers like these, you have the freedom to extend the adventure and travel more than 400 miles on a full tank of gas.

2.4L DOHC 16V DUAL VVT I-4 ENGINE
This available engine also pairs with the five-speed manual transmission for a brilliant mix of an EPA-estimated** 4x4 fuel economy of 23 city/28 highway with 172 hp and 165 lb-ft of torque.

SIX-SPEED AUTOMATIC TRANSMISSION
Pair the available six-speed PowerTech automatic transmission to Patriot’s 2.4L engine for a smoother, quieter ride regardless of whether you’re traveling on road or trail. The six-speed has a low first gear for quicker takeoffs and a tall top gear for relaxed highway cruising. A stepped shift schedule across all six gears is designed for optimal city fuel efficiency. The fact that the transmission fluid’s fill-for-life design helps reduce maintenance costs just adds to the pride of ownership.

FREEDOM DRIVE II® FOUR-WHEEL-DRIVE SYSTEM
This available system gives Patriot its Trail Rated® chops with features like full-time 4WD with LOCK mode, Off-Road mode with Hill Descent Control and brake traction control. Torque is adjusted on demand for added fuel efficiency. Patriot’s all-weather capability expertly handles more difficult off-road situations, as well as deeper snow, mud and up to 19 inches of water.*

CONTINUOUSLY VARIABLE AUTOMATIC TRANSAXLE II (CVT2)
The available CVT2 with AutoStick uses a 30-mm high-strength multilayer steel drive belt and two active V-pulleys to vary vehicle speed, resulting in an easy-gliding, quiet ride. The AutoStick shifter puts optimal vehicle performance under your command — a driver interactive manual control with six simulated stepped-gear ratios.

The available CVT2L system found on the Freedom Drive II Off-Road Group boasts a low range that provides the torque multiplication needed for water fording®, steep grades and crawling slowly in off-road conditions. Includes an Off-Road mode that delivers an off-road capable 19:1 crawl ratio.

*Based on 2014 EPA-estimated 23 city/30 hwy mpg when equipped with a 2.0L engine and five-speed manual transmission, 4x2. Actual mileage may vary.

**Based on 2014 EPA-estimated 23 city/28 hwy with 2.4L engine and five-speed manual transmission, 4x4. Actual mileage may vary.
TRAIL RATED® BADGE
This badge of honor is bestowed only after mastering a series of grueling tests on the toughest of terrain in five distinct categories.

WATER FORDING
Traverse streams with confidence, knowing your Patriot has additional electrical and body seals, plus a high air-intake location. You'll enjoy the capability to safely manage in up to 19 inches of water.* Always inspect all waterways before proceeding, just to make sure there are no unforeseen pitfalls.

TRACTION
The available Trail Rated® traction helps you maintain controlled forward motion on snowy back roads and over icy urban bridges. You can climb steep sand dunes and master muddy two-tracks. Others may fear untamed terrain, but your available Trail Rated Patriot has the traction within to master all kinds of topography and driving conditions.

MANEUVERABILITY
Every Patriot is born with the athletic ability to navigate narrow gaps, handle emergency situations and avoid cosmetic damage to underbody sills, thanks to precision steering and optimized wheelbases.

ARTICULATION
Patriot’s suspension system enhances on- and off-road performance by maximizing flexibility, axle articulation and wheel travel. This standard indicates that, when one or more wheels are elevated, available Jeep® 4x4 systems help the other wheels stay on the ground longer to keep you moving forward.

GROUND CLEARANCE
Head out knowing your available Trail Rated Patriot has optimized approach, departure and breakover angles designed to clear logs, rocks and uneven ground. The undercarriage is protected too, with forged skid plates that cover the vehicle’s most valuable underbody elements.

SHOW NO FEAR
YOUR 4x4 TRAIL RATED PATRIOT INSTILLS THE CONFIDENCE TO HELP CONQUER THE MOST CHALLENGING ROAD CONDITIONS

your romance with mother nature just got serious
Properly secure all cargo.

TRAIL RATED® GETS YOU THERE
URBAN INVITATION

Present a distinctive profile with Patriot Altitude. It slips into view with unique Gloss Black exterior details, as well as unique badging, wheels, roof rails and rear bumper. With Altitude’s cool factor in play, you’ll always leave an impression.

THE DESTINATION IS ONLY HALF THE STORY

An inviting interior style adds even more polish to Patriot High Altitude, in the form of standard premium leather-trimmed seats with a 6-way power driver’s seat, one-touch open power sunroof, as well as Bright Chrome roof rails and attention-getting Mineral Gray aluminum wheels. Powered by the sturdy 2.0L dual VVT I-4 engine and CVT transmission or the beefy 2.4L dual VVT I-4 engine with six-speed PowerTech automatic transmission on 4x4 models, Patriot High Altitude expertly navigates with authentic Jeep® brand confidence. Inside, soft-touch surfaces and quality materials are a welcome addition, while an optimally arranged instrument panel puts vehicle data front and center. For the comfort and convenience of all passengers, air conditioning, power windows, power locks, power heated exterior mirrors, fog lamps, Remote Keyless/Illuminated Entry, illuminated cup holders and cruise control are standard.

PATRIOT
HIGH ALTITUDE

STRETCH YOUR BOUNDARIES AND SEE WHAT YOU’LL FIND. HERE, THE JOURNEY IS AS IMPRESSIVE AS THE DESTINATION. PATRIOT’S CAPABILITY EXPANDS YOUR OPTIONS. TRAVEL UNEXPLORED BYWAYS TO REACH YOUR OWN SPECIAL NICHES THAT’S FAR BEYOND THE ORDINARY

PATRIOT ALTITUDE

PATRIOT HIGH ALTITUDE

HIGH ALTITUDE SHOWN IN DEEP CHERRY RED CRYSTAL PEARL
YOU CAN DEPEND ON THE AMAZING POWER OF JEEP PATRIOT TO TAKE YOU TO INCREDIBLE PLACES.
YOU CAN COUNT ON PATRIOT FOR GREAT VALUE, AS WELL. WITH A ROBUST LIST OF STANDARD AND AVAILABLE OPTIONS, AVAILABLE TRAIL RATED® 4x4 CAPABILITY AND FUEL ECONOMY OF UP TO 30 MILES PER GALLON,* YOUR 2015 PATRIOT IS WELL PREPARED FOR EVERYDAY ADVENTURES IN ADDITION TO THE EXTRAORDINARY ONES YOU WRITE HOME ABOUT.

*Based on 2014 EPA-estimated 23 city/30 hwy mpg when equipped with 2.0L engine and five-speed manual transmission. Actual mileage may vary.

LIMITED SHOWN IN BLACK.
LIMITED INTERIOR SHOWN IN DARK SLATE GRAY MCKINLEY LEATHER TRIM WITH LIGHT SLATE GRAY ACCENT STITCHING

GATEWAY TO ADVENTURE

This is where it begins. In an atmosphere of soft-touch surfaces, rich, textured fabrics, a three-spoke steering wheel, available premium leather-trimmed seats and brushed chrome instrument panel accents. All designed to assist with your escape from the everyday. Unexpected conveniences like illuminated front console cup holders and available steering wheel-mounted controls that operate features like an available Bluetooth® enabled phone, navigation, radio and cruise control keep your focus on the road ahead and your hands safely on the wheel.

GREAT STYLE CAN BE PRACTICAL, TOO

CARRY ON WITH CUBBIES, CUPS AND POCKETS

Traveling well means traveling smart. With all kinds of storage and cubby areas, Patriot helps keep maps, devices, spare change and all sorts of items cleverly at hand. The front dash offers a nicely sized passenger cubby above the glove box. The center console holds two illuminated cup holders, plus two smaller cubbies and center armrest storage. Second-row passengers have two cup holders all their own. And all four doors have places to put things, too. Did we mention the rear cargo area* with a cubby inset? With all of these storage areas, there’s every reason to take everything you like along for the ride.

*Properly secure all cargo. Shown with Mopar® Premium Cargo Mat.
LIMITED INTERIOR SHOWN IN DARK SLATE GRAY MCKINLEY LEATHER WITH LIGHT SLATE GRAY ACCENT STITCHING

Patriot offers plenty of room for guests and gear. Up to three backseat passengers will enjoy the ride just as much as those up front, thanks to Patriot’s impressive rear-seat leg room. Configure the standard rear 60/40 split-folding reclining seats (reclining not available on Sport) to carry the perfect combination of guests and gear. When hauling bigger loads, fold the entire rear seat down for 53.5 cu ft of cargo room. For those who need to bring bigger toys, Patriot lets you tow up to 2,000 lb, when properly equipped.
STANDARD SUPPLEMENTAL FRONT-SEAT MOUNTED SIDE AIR BAGS

Each side air bag has its own sensor to autonomously trigger the air bag on the side where the impact occurs.

ADVANCED MULTISTAGE FRONT AND SIDE-CURTAIN AIR BAGS

These air bags provide nearly instantaneous occupant protection by matching air bag output to crash severity.

POWER HEATED EXTERIOR MIRRORS

Melt snow and ice off your sideview mirrors as you simultaneously warm up your interior. This available power-adjustable feature also helps to keep your mirrors icicle-free as you drive.

ELECTRONIC STABILITY CONTROL (ESC)

An advanced system designed to assist drivers in maintaining control of their vehicle at all times. It integrates the antilock brake system (ABS) with hydraulic Brake Assist, all-speed traction control and Electronic Roll Mitigation (ERM) to constantly monitor driver input against the vehicle’s actual course. When needed, the system automatically helps provide braking to the appropriate wheels and reduces engine power when overly sharp steering and/or impending wheel lift is detected.

MORE THAN 30
STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES
ARE ENGINEERED TO GIVE YOU PEACE OF MIND

TIRE PRESSURE MONITORING SYSTEMS

Embedded sensors continuously monitor the pressure in the tires and will immediately notify the driver when levels drop below the minimum acceptable level.

HALOGEN HEADLAMPS AND FOG LAMPS

These bright sources of light improve down-road visibility at night or during inclement weather.

HILL START ASSIST (HSA)

This system works to prevent your Patriot from rolling away when starting the vehicle on an up- or downhill gradient. It holds the vehicle stationary for two seconds after the driver’s foot is removed from the brake pedal, allowing time to apply the throttle. Standard on manual transaxle models and included with the available Trail Rated Freedom Drive II Off-Road Group.

FRONT-SEAT ACTIVE HEAD RESTRAINTS

In the event of a rear-end collision, the head restraints move forward and upward to decrease the space between the headrest and the occupant’s head, thereby helping to reduce the chance of injury.

YOUR KEYS TO PEACE OF MIND

The Sentry Key Theft Deterrent System makes it virtually impossible for anyone without a valid key to drive your vehicle. An available Remote Keyless Entry system lets you lock or unlock your vehicle doors and liftgate from up to 66 feet away. If equipped, the illuminated entry system will also turn on. Plus, the available Remote Start feature lets you activate and start your vehicle from up to 300 feet with just the touch of a button on the keyless entry fob.
ENTERTAINMENT
Manage all of your media. You’ll have several ways to access audio. Get the sound going via CDs/DVDs, MP3s, remote USB port, audio jack input, hard-disc storage, Voice Command®, SiriusXM® Satellite Radio® (your first year of service is included) and Bluetooth® Streaming Audio.

PHONE
Talking on the phone while driving has never been easier — or more responsible. Uconnect® Phone is the in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth® compatible phone virtually hands-free. This clever system is also smart enough to synchronize with your Bluetooth compatible phone’s contact list® — up to 1,000 entries — every time you get into your vehicle.

NAVIGATION
Provides turn-by-turn directions and lane guidance to nearby restaurants, shopping, hospitals or local points of interest.

VOICE COMMAND®
It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations or SiriusXM Satellite Radio® channels or make calls.

WEB
Put the power of high-speed Internet in your vehicle with Mopar® Web®. Effortlessly connect any WiFi enabled device to the Internet at broadband speeds, making your vehicle a mobile hotspot. Passengers can use multiple devices at the same time. There’s no need for cell cards or software with this unique Authentic Accessory by Mopar — it’s all wireless. Subscription required. Sold separately.

SMART TECHNOLOGY THAT’S MASTERFULLY SIMPLE

GARMIN® NAVIGATION
Head out in the right direction with Garmin, the most recognized name in GPS wayfinding. It features Garmin’s intuitive user interface and navigation with lane guidance, bringing the popular handheld experience to a factory-in-dash screen.

SIRIUSXM TRAVEL LINK®
Access a wealth of information at your fingertips, including national and local weather reports, local gas prices, in-game and final sports scores, weekly movie times, even local ski slope conditions. Subscription is required after 5-year trial service.
EXPRESS YOUR TRUE NATURE
Uncover an extensive line of fun that’s been developed exclusively for the Jeep® brand enthusiast. From authentic wearables to unique gifts, all items are crafted for rugged performance and extreme durability. There’s more to life when you can express what really moves you. A. Roof Box Cargo Carrier*
Tough, locked thermoplastic carrier keeps cargo dry and secure. Carrier features quarter-turn installation and gas cylinder opening system. Available in two sizes. Mounts to Sport Utility Bars, sold separately.

B. Door Sill Guards
Durable guards are constructed of brushed stainless steel to enhance the style of your vehicle and protect all four interior door sills from scratches. Front door guards prominently feature the Patriot name.

C. Slush Mats
These custom-fit, heavy-duty mats feature deep grooves to help prevent water, snow and mud from damaging your vehicle’s carpet. Sold as a set of four. Mats are available in Slate Gray or Pebble Beige.

jeep.com/gear
(1) Based upon latest available competitive information from Ward’s Small Cross/Utility segmentation. Jeep equipped with optional Freedom Drive II Off-Road Package. (2) Based upon Edmunds.com website, SUV category, four-wheel drive, starting at MSRP in ascending order. (3) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (4) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (5) Phone must support Bluetooth Phone Book Access Profile (PBAP). (6) Mopar Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully.
