Freedom riders with fuel-efficient sensibilities can have it all, thanks to the available Jeep® Active Drive 4x4 systems. Take on tough trails and icy roads alike in four-wheel drive, then actively transition to an efficient front-wheel drive by putting the system’s Selec-Terrain® dial in Auto mode. Get in and get going.

THE MOST CAPABLE SMALL SUV EVER.
ROOM TO BRING IT ON. This spacious interior volume (118.6 cu. ft.) lets you accommodate all the things you need to make every trip all-inclusive, including gear, people and pets. The available 80/20 split-folding rear seat with pass-through can be configured to fit life’s necessities and extras.

EFFICIENT, RESPONSIVE AND SMOOTH. That’s how you describe Renegade’s class-exclusive1 available 9-speed automatic transmission. Economies are maximized and performance is always optimal. Matched to the powerful 2.4L Tigershark® engine, quick takeoffs and a consistently refined performance are assured.

LIGHT UP THE CORNERS. Class-exclusive1 available cornering front fog lamps send more illumination into the area that you’re turning toward, exposing curbs, potential potholes, ice patches and other driving hazards. Turn the steering wheel or activate the turn signal and the corresponding fog lamp automatically goes on, helping drivers to safely navigate dark corners.

THERE’S AN ADVENTURE AROUND EVERY TURN WHEN YOU LIVE THE LIFE OF A RENEGADE.
FIND THE PATH TO YOUR DREAMS, FULFILLED.
It’s about going the distance, without losing ground. It’s about seeking what you find, and finding something more. Redefine convention. Drive to the beat of your own drum with Renegade®.

It’s the opposite of feeling cramped and quartered, like you do in other smaller vehicles. Rear-seat passengers can let their feet breathe and stretch, thanks to the wide track of the front seats.

DUAL-ZONE AUTOMATIC CLIMATE CONTROL. Air vents are positioned to send streams of warmth, or air conditioned comfort, toward the driver and front passenger, and can be set at two different temps. When the front row is all good, then everyone is all good. Available.

CUSHIONED WHERE IT COUNTS. Standard premium cloth or available leather-trimmed seats are contoured and cushioned for cruising, and accented with eye-catching contrast stitching. Upgrade to the available eight-way power-adjustable driver seat with four-way lumbar adjustment, and enjoy top-notch bottom-line comfort. Additional seats available.

PLENTY OF HEAD ROOM. The sculpted interior gives rise to plenty of personal space, and there’s plenty to go around. It’s the opposite of feeling crowded, and a great place to stretch out. Headroom is ample for both the first and second row. Choose standard premium cloth seats or available leather-trimmed seats. The second row offers best-in-class first- and second-row headroom. It’s no crunch, and there’s enough space for everyone to feel comfortable in all good. Available.

Trailhawk® with leather trimmed seats in Black.
JEEP® ACTIVE DRIVE 4x4. This authentic, available Jeep® brand-engineered system features a rear axle disconnect function that seamlessly switches between two- and four-wheel drive, helping Renegade® achieve remarkable fuel efficiencies. In challenging situations, Active Drive can keep you moving forward, even when just one wheel has traction. When this occurs, the system automatically and seamlessly adjusts to thrust up to 100% of the engine’s available power and torque to the wheel(s) that need it most. This allows Renegade to really grab on and keep you moving forward.

JEEP ACTIVE DRIVE LOW. Delivers best-in-class14 4x4 capability, with Hill Descent Control that helps ensure safe downhill travel. Jeep® brand engineering puts you in charge of a 20:1 crawl ratio that can overcome virtually any obstacle. Available exclusively on Renegade Trailhawk®.

TWO ENGINE OPTIONS. The available 2.4L Tigershark® I-4 delivers impressive power and torque while lowering fuel consumption and emissions. The standard 1.4L MultiAir® Turbo puts power, performance and efficiency to work. Both engines deliver an efficient 31 hwy mpg. *

*2015 EPA estimated 24 city/31 highway mpg with 1.4L and 6-speed manual transmission (4x2) and EPA estimated 22 city/31 highway mpg with 2.4L engine and 9-speed automatic transmission (4x2). Actual mileage may vary.

NATURAL SELECTION. Selec-Terrain® Traction Management System. Every Renegade® equipped with an available 4x4 system arrives with a Jeep® Selec-Terrain system, giving you the power to master Mother Nature’s toughest conditions. The Selec-Terrain dial offers up to five selectable settings that deliver ultimate driving stability by coordinating various vehicle systems, including throttle control, transmission shifting, traction control and Electronic Stability Control (ESC). Choose from Auto, Snow, Sand, Mud and, exclusive on Trailhawk®, Rock.
Renegade Trailhawk® arrives with everything you need to test your will against Mother Nature’s — and win. Every Trailhawk proudly wears a Trail Rated® badge indicating it has been tested to perform masterfully in five categories. You’re fully equipped to reach brand-new heart-pounding heights.

Trailhawk® traction helps you maintain controlled forward motion in snowy, slick sand and over icy bridges. Other wet or winter conditions are no match for your Trailhawk Renegade but the transmission within is masterful at handling topography and driving conditions.

Renegade Ultrapro Chrome with the athletic ability to navigate narrow gaps or handle emergency situations whilst maintaining an excellent grip in the cold. Precision steering is light turning radius and an optimal suspension offers the proper averaging elements and ground contact all around.

Renegade’s purpose is to increase on- and off-road performance by maintaining flexible, such articulation and self-centering. The adjusted articulation that makes your wheels spin is balanced by shifting the center of the vehicle, one of the greatest factors in your enjoyment.

Trailhawk® traction helps maintain ground clearance along with self-diagnosing shock absorbers and frame-mounted sensors. A self-diagnosing system is vigilant to ensure both safety and comfort to give you more on- and off-road performance.

See life from a new perspective. Appreciate what lies in the rearview mirror. Purposefully take the long way home. For those who yearn for the sky, when you live the #JeepLife, you’ll find so much more than the sun.

Renegade® expands your world with open-air freedom, like only an authentic Jeep® vehicle can. Option My Sky® and its two roof panels are easily removed and stored on top of the height-adjustable rear cargo floor. Choose from two options: power retractable and manual removable® or manual removable®. Power retractable opens the front My Sky panel with the push of a button; manually removable® lets you take each 10-lb panel off with your very own hands, easy-peasy for one person to handle.

RUN WILD. RUN FREE.
Become exactly what you’re meant to be.
PRECISION-TUNED. From rural roads to the most modern highways, Renegade® delivers a ride that’s smooth and quiet, with solid road-hugging handling. Integrated KONI® selective damping front and rear strut systems work together to lend over a distinctive, premium driving experience. Standard.

STAY IN YOUR LANE. LaneSense® lane departure warning with Lane Keep Assist (LDW+)11 monitors your lane position using a camera mounted on the rearview mirror. Should you drift outside your lane, torque is applied to the steering wheel. If the driver continues to drift out of the lane, a message appears on the Driver Information Display (DID). Available.

KEYLESS ENTER ’N GO™ keep that forward motion intact. Pocket the system’s fob and when the traveling bug strikes, climb in your Renegade, depress the brake or clutch pedal, press a button, shift into gear and take off running. Never fumble for keys again. Available.
No matter what challenges you face, keep moving ahead and stay true to your heart.

Explore the world with confidence. Move forward with resourceful skill. Enjoy fuel-efficient economies as well as bold capabilities. Relish a smooth car-like ride and a cabin that’s chock-full of cubbies, comfort and helpful technology. Comfortably carry passengers and plenty of cargo with equal ease. These are the rules of a Renegade.

FOLLOW THE RULES OF A RENEGADE.
