RISE TO THE ADVENTURE.
No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. SiriusXM service requires a subscription, sold separately, after 12-month trial included with vehicle purchase. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at siriusxm.com. Programming subject to change. Sirius satellite service is available only to those at least 18 and older in the 48 contiguous U.S.A. D.C. and P.R. (with coverage limitations). SiriusTraffic available in select markets. See siriusxm.com/traff for more information. Sirius, XM and all related marks and logos are trademarks of SiriusXM Radio Inc. Be sure to follow all instructions in Owner’s Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. Do not attempt water fording unless depth is known to be less than 30 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. Always be properly dressed with the head restraint properly adjusted. Never place anything in front of the head restraint. This advanced front air bag in this vehicle is certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. Phone must support Bluetooth Phone Book Access Profile (PBAP). Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully.
