

THE ALL-NEW BORREGO

KIA MOTORS
The Power to Surprise™

EX V8 shown. See Owner's Manual for towing instructions.

An SUV that makes you stop and stare. Introducing the all-new 2009 Borrego. Its sleek styling grabs your attention. Its exceptional performance ensures that every drive is a pleasure. Borrego's standard V6 or available V8 engine delivers class-leading horsepower* for outstanding all-around capabilities. A spacious interior provides plenty of room for your family and friends. The Borrego also offers a level of refinement that promises driver and passengers remarkable comfort and convenience. Its long list of standard amenities makes every model surprisingly well-equipped.

*Based on comparison to 2008 models like Toyota 4-Runner, Nissan Pathfinder and Ford Explorer.

EX shown with optional packages

Expansive interior, smart features, room for seven — and the power to take you to the height of adventure. Its standard three-row seating gives everyone room to relax. Available comfort features include front and rear air conditioning and a power-tilt, telescopic steering column. Features like SIRIUS Satellite Radio and a USB jack for an MP3 player enhance your on-road experience. A navigation system and a rear-camera display provide unsurpassed convenience. To make every journey as smart as it is enjoyable, a 6-speed automatic transmission improves fuel efficiency. So hit the road and enjoy Borrego's impressive capabilities, which include Torque-On-Demand 4WD® and the class-leading towing capacity* that comes standard on the V8 engine.

Features may be optional and are subject to change. "SIRIUS" is a registered trademark of SIRIUS Satellite Radio Inc. Reception requires a subscription, sold separately (a three-month subscription is included with vehicle purchase). Not available in Alaska and Hawaii. For full Terms & Conditions, visit sirius.com. *Based on comparison to 2008 models.

Engineered for safety from every angle to give you more confidence behind the wheel. The Borrego is well-equipped with class-leading safety features.* Passive features such as dual front advanced airbags; front, seat-mounted side airbags and full-length side curtain airbags with rollover sensor instill peace of mind. The V8 model adds a driver's knee airbag. Active safety features, including an Anti-lock Braking System with Brake Assist, a Traction Control System and Electronic Stability Control, help you maintain control in a variety of road conditions. Additionally, Downhill Assist Control and Hill Assist Start deliver sure-footed agility on steep hills.

*Based on comparison to 2008 models.
