It’s the start of something big. Introducing the all-new 2012 Kia Rio, available as both a sedan and 5-door. It’s engineered to provide the best of both worlds, with a Gasoline Direct Injection (GDI) engine that delivers class-leading\(^1\) horsepower plus class-leading\(^1\) fuel efficiency of 30 mpg city/40 mpg highway.\(^2\) With precise, agile handling, the Rio is also remarkably fun to drive. For your convenience and for personalized audio entertainment, it has available advanced features including Bluetooth\(^\circledR\) wireless technology\(^*\) and UVO* — an in-vehicle infotainment system. Like all Kia models, the Rio comes with an industry-leading 10-year/100,000-mile warranty program.\(^4\)

\(^1, 2, 3, 4, 5, *\) See Features and Specifications pages for availability and endnotes. *Not all optional features are available on all trims. RIO SX WITH PREMIUM PACKAGE SHOWN.
EXCEPTIONAL EFFICIENCY
An Active Eco System is included on automatic transmission models. With a push of the Eco button, the system automatically adjusts the engine and transmission to optimize fuel efficiency.²

CLASS-LEADING PERFORMANCE
A 1.6L, 138-hp Gasoline Direct Injection (GDI) engine delivers class-leading horsepower and fuel efficiency.¹ An available 6-speed automatic transmission provides crisp shifting and improved fuel efficiency.²

ADVANCED TECHNOLOGY
Available push-button start* provides convenient operation. An available rear-camera display** lets you see things behind your vehicle that you might not see by looking over your shoulder.

PEACE OF MIND
Rio features a full range of advanced active and passive safety systems. These include six airbags, Electronic Stability Control (ESC), Hill-start Assist Control (HAC) and Vehicle Stability Management (VSM).
**Spacious and adaptable.** The Rio 5-door delivers an ideal combination of unique styling and impressive versatility. It has the same class-leading performance\(^1\) and all the technologically advanced features that the Rio sedan has, plus the added convenience of a hatchback. Its fifth door gives you quick and easy access to its roomy cargo area. The Rio 5-door also lets you conveniently carry passengers, cargo or a combination of both, thanks to its easily adjustable seating configurations.

\(^1, 6, *\) See Features and Specifications pages for availability and endnotes. *Not all optional features are available on all trims. RIO 5-DOOR SX WITH PREMIUM PACKAGE SHOWN.
The cargo cover allows you to store your valuable items safely out of sight.

**60/40 SPLIT-FOLDING SEATS**
Split-folding rear seats give you the flexibility to conveniently carry passengers or cargo.²

**COVERED CONSOLE**
Convenient features include dual cup holders and a storage bin with sliding armrest* for your personal items.

² Split-folding rear seats give you the flexibility to conveniently carry passengers or cargo.
Remarkable cabin space — first-class comfort. The interior of the all-new Rio is both stylish and comfortable. EX and SX models feature sleek metal-paint interior trim, and the SX includes refinements such as available leather seat trim. Rio also has a spacious cabin, versatile seating configurations and a 6-way adjustable driver’s seat, so driver and passengers alike can relax and travel in comfort.

RIO 5-DOOR SX WITH PREMIUM PACKAGE SHOWN.
3 See Specifications page for footnote. RIO SX WITH PREMIUM PACKAGE SHOWN.
STRIKING INTERIOR DESIGN
Rio features sleek, contemporary styling. Rio SX has a leather-wrapped steering wheel and gearshift knob, an upscale soft-touch dash plus metal pedals.

EASY-TO-READ GAUGES
The instrument panel is stylish and functional, with gauges designed for easy reading. A Supervision meter cluster on the SX enhances readability.

EXCELLENT ERGONOMICS
The Rio EX and SX feature steering-wheel-mounted controls that let you conveniently operate the audio system, your Bluetooth® wireless technology-enabled devices and cruise control. Rio EX and SX also have power windows with driver-side one-touch automatic up and down operation.

TRIP COMPUTER
A trip computer lets you monitor trip distance, distance to empty and average miles per gallon. It also provides a readout of current mpg performance.
Kia UVO*7 Powered by Microsoft.®9 Technology keeps giving us new ways to be entertained, stay in touch and be kept informed. Getting to enjoy this, however, can be complicated, especially while driving. UVO, short for “your voice,” is an in-vehicle infotainment system available on EX and SX models.8 Kia and Microsoft9 have teamed up to provide this voice-activated system. Developed on a Windows®9 Embedded Automotive platform, it lets you manage your music conveniently and enjoy hands-free use of your phone.³ UVO has an intuitive touch screen and Microsoft advanced voice-activation technology that actually recognizes your own speech pattern and voice inflection.

**COLOR TOUCH SCREEN**
UVO’s vivid 4.3-inch color LCD touch screen delivers direct access to radio stations, music on your MP3 player or USB media drive, your phonebook from a compatible cell phone³ and vehicle information.

**ADVANCED VOICE CONTROL**
Microsoft speech technology can learn the speaking patterns of multiple users and it responds quickly to long phrases. Even with Rio’s multiple music-source options, finding a song is as easy as saying its title.

**DIGITAL JUKEBOX**
UVO’s in-dash digital storage is large enough to hold up to 700 megabytes of your favorite music. The system lets you load your tunes into personal MyMusic folders and sort them by either title or artist.

**REAR-CAMERA DISPLAY**³
Whenever you shift into reverse, an image from an integrated rear camera is displayed on the UVO screen. It lets you see things behind your vehicle that you might not see by looking over your shoulder.³
Advanced technology at your command. The new Rio has a long list of state-of-the-art features that give you access to your own personal audio entertainment and make driving more convenient. These include an integrated USB/auxiliary jack for your MP3 player,¹⁰ SiriusXM Satellite Radio¹¹ and available features such as push-button start with Smart Key remote,* a voice-command navigation system⁸ with real-time highway conditions from SiriusXM Traffic™*¹¹ and Bluetooth® wireless technology.*³

**POWER SUNROOF***
The SX offers an available tinted sunroof so you can enjoy plenty of fresh air. It has a tilt-and-slide design for convenient operation.

**USB/AUXILIARY JACK FOR MP3 AUDIO PLAYERS**
An integrated USB/auxiliary jack lets you listen to your favorite tunes right from your own music library.¹⁰

**HEATED LEATHER SEATS***
To enhance your comfort during cold weather, the SX is available with heated driver’s and front passenger’s seats with leather trim.

**NAVIGATION SYSTEM***
Voice-command navigation⁸ available on the SX includes a color touch screen and real-time highway conditions from SiriusXM Traffic™¹¹

**PUSH-BUTTON START***
The available Smart Key remote lets you start or stop the engine with the push of a button — even with the key fob in your pocket or purse.

**POWER-FOLDING MIRRORS***
Available power-folding side mirrors let you conveniently tuck the mirrors in close to the vehicle’s body for easy parking in a garage or in tight spaces.

**SIRIUSXM SATELLITE RADIO**
Get over 130 channels, including commercial-free music, plus the best sports, news, talk, comedy and entertainment.¹¹

**BLUETOOTH® WIRELESS TECHNOLOGY***
Available Bluetooth®³ wireless technology allows you to enjoy convenient, hands-free use of your compatible cell phone.
Take charge wherever you go. The all-new Rio is designed to deliver class-leading\(^1\) horsepower combined with class-leading\(^1\) fuel efficiency.\(^2\) It features a Gasoline Direct Injection (GDI) engine with 138 horsepower and an available 6-speed automatic transmission that enhances fuel efficiency.\(^2\) For even sportier performance, the Rio SX features a sport-tuned suspension and 17-inch alloy wheels.

\(^1, 2\) * See Features and Specifications pages for availability and endnotes. * Not all optional features are available on all trims. RIO SX WITH PREMIUM PACKAGE SHOWN.
PERFORMANCE AND EFFICIENCY
Rio’s 1.6L, 4-cylinder Gasoline Direct Injection (GDI) engine delivers class-leading horsepower plus class-leading fuel efficiency of 30 mpg city/40 mpg highway.²

ADVANCED ENGINEERING
The GDI engine’s advanced technology includes dual Continuously Variable Valve Timing (CVVT). CVVT automatically adjusts valve timing for increased power and improved fuel efficiency.²

OPTIMIZED PERFORMANCE
Automatic transmission models have an Active Eco System. With a push of the Eco button, it adjusts the engine and transmission to optimize fuel efficiency.²

SMOOTH AND PRECISE HANDLING
The Rio features a MacPherson-strut front-suspension system that is tuned for a remarkably smooth and comfortable ride. The SX features sleek 17-inch alloy wheels, complemented by a sport-tuned suspension and low-profile tires for precise, sporty handling.
**Prepared for the unexpected.** Rio’s active safety systems are engineered to help you avoid accidents,† and its passive systems are designed to help minimize injuries when they are unavoidable. Dual front airbags, front-seat-mounted side airbags and side curtain airbags for both front and rear seating positions are managed by an advanced sensor system.¹² Front seat-belt pretensioners have been designed to tighten the seat belts in the event of certain collisions, helping to reduce the likelihood of injuries. Rio wraps all of this — and you — in a protective, high-strength steel-reinforced body that uses a “halo” construction design.

---

12, 13 See Specifications page for endnotes. †No system, no matter how advanced, can prevent all accidents. Always drive safely at a reasonable speed.
The standardized LATCH (Lower Anchors and Tethers for Children) system makes it easier to securely install a compatible child seat in the two ends of the rear seat.

**AIRBAG & SEAT-BELT SENSORS**
This advanced system monitors the severity of an impact, the presence of a front passenger and seat-belt use, and then controls airbag inflation accordingly.\(^2\)

**FRONT SEAT-BELT PRETENSIONERS**
Pretensioners have been designed to tighten the seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries.

**REINFORCED BODY**
A "halo" construction design includes a safety hoop for the center pillar and high-strength roof rail. The center roof rail, side sill and seat members are also reinforced to help protect in case of a side collision.

**TIRE-PRESSURE MONITORING SYSTEM**
This system includes air-pressure sensors located at each wheel. If a tire reaches a specified low air pressure, a warning light will alert you.\(^\text{1}\text{3}\)

**LATCH SYSTEM**
The standardized LATCH (Lower Anchors and Tethers for Children) system makes it easier to securely install a compatible child seat in the two ends of the rear seat.

Inflated airbags are shown for illustration only. RIO SX WITH PREMIUM PACKAGE SHOWN.
A passion for excellence. For decades, Kia Motors has focused on building vehicles that reflect a commitment to quality, durability and product innovation. Today, we offer models to suit most every driving need. The value found in every Kia vehicle has been widely recognized, and Kia Motors has been one of the fastest-growing automotive brands in America for the past five years.\(^\text{14}\)

**COMMITMENT TO AMERICA**

Kia Motors has invested over $1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant is capable of producing 360,000 vehicles a year. The Sorento crossover and Optima midsize sedans are currently being built at this plant.\(^\text{7}\) In addition to producing high-quality vehicles, more than 3,000 new jobs were created at the facility plus 7,500 additional jobs in the surrounding area. It’s all part of Kia Motors’ commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

**PRIDE OF QUALITY**

Kia Motors designs and develops vehicles and rigorously puts them to the test at high-tech facilities and proving grounds worldwide. The result is a full line of vehicles with world-class quality.

**SELLING STRONG**

In 2010, Kia Motors sold its 3 millionth vehicle in the U.S.A., and it took less time to reach that milestone than Toyota.\(^\text{15}\) In fact, Kia has recently outsold Lexus, Subaru, Volkswagen and Mazda.\(^\text{16}\)
