

KIA.SEDONA

## Your family deserves the best.

The Sedona is the perfect minivan to help your family enjoy life from dawn to dusk and beyond. You'll be delighted with its spacious interior and remarkable head- and legroom. It offers some of the latest technological advances, including an available navigation system with voice route guidance, standard Bluetooth® wireless technology<sup>1</sup> and, for a variety of choices in music and entertainment, standard SIRIUS® Satellite Radio.<sup>2</sup> Sophisticated active and passive safety systems combine to provide you not only with protection, but with peace of mind — and that's something you'll appreciate every time you take your family out for a drive. Like every Kia, Sedona also comes with an industry-leading 10-year/100,000-mile warranty program.<sup>5</sup>

**ANTI-LOCK BRAKING SYSTEM (ABS)**

The foundation of an active safety system, ABS helps to provide greater vehicle control when stopping in difficult conditions like wet or slippery roads.

**ELECTRONIC STABILITY CONTROL (ESC)**

ESC provides you with improved directional stability, which helps you maintain better control in difficult driving situations. ESC monitors and assists in the control of key vehicle functions. It then brakes individual wheels and reduces engine power accordingly to attempt to help you bring the vehicle back on its intended course.

**TRACTION CONTROL SYSTEM (TCS)**

The advanced Traction Control System can sense wheel spin during acceleration. When it does, it uses a combination of engine power and brake force to transfer power to the wheels that have the most traction. This provides increased control and enhanced responsiveness.

**BRAKE ASSIST SYSTEM (BAS)**

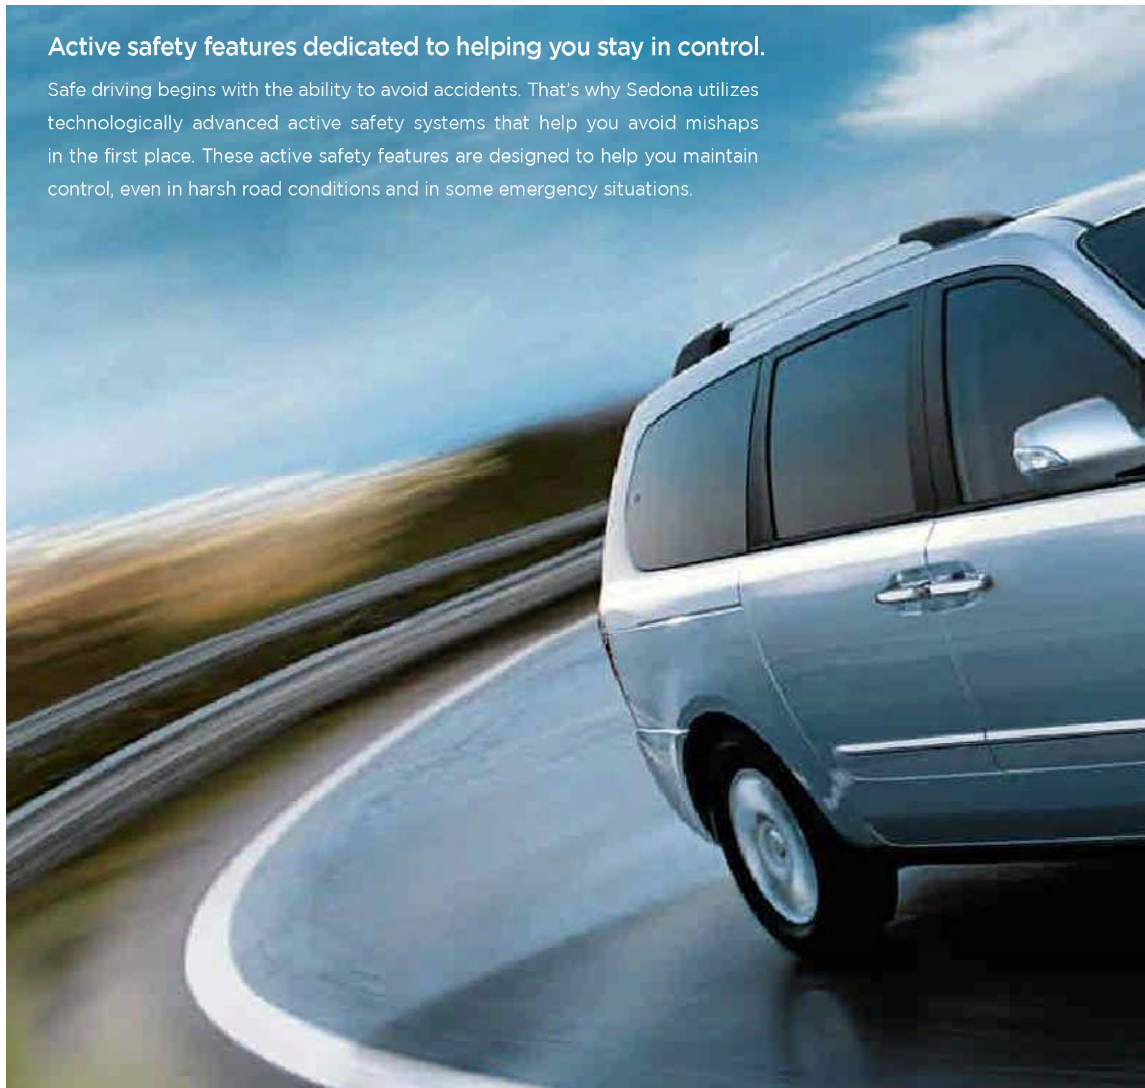

The Brake Assist System operates based on the force that's applied to the brake pedal. For example, if you need to brake aggressively, BAS will help to control the stop by applying the necessary braking pressure.

**ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)**

The Electronic Brake-force Distribution system senses the vehicle's load and weight distribution, then applies the necessary braking pressure at each wheel. This helps to enhance your control.

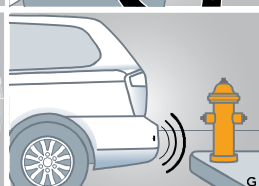

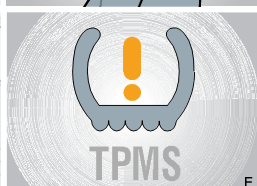

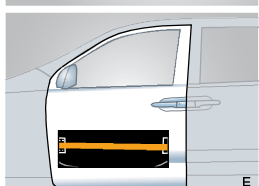

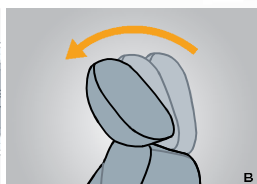

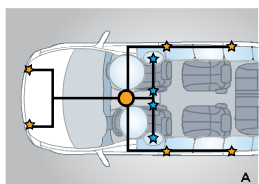

**Active safety features dedicated to helping you stay in control.**

Safe driving begins with the ability to avoid accidents. That's why Sedona utilizes technologically advanced active safety systems that help you avoid mishaps in the first place. These active safety features are designed to help you maintain control, even in harsh road conditions and in some emergency situations.

**Passive safety systems to help enhance everyone's well-being.**

Sedona is equipped with a range of technically advanced passive safety systems that are designed to help minimize injuries when an accident is unavoidable.

<sup>4,5</sup>See Specifications page for endnotes.

EX LUXURY PACKAGE SHOWN

#### **ADVANCED AIRBAG SYSTEM**

Six airbags placed throughout the cabin are designed to help protect occupants. They include dual front advanced, dual front seat-mounted side and full-length side curtain airbags.<sup>4</sup>

#### **A. AIRBAG & SEAT-BELT SENSORS**

The advanced front airbag system monitors the severity of a frontal impact, the presence of a front passenger and seat-belt use, and then controls airbag inflation accordingly.<sup>4</sup>

#### **B. FRONT ACTIVE HEADRESTS**

In the event of certain collisions, the front active headrests move up and forward, helping to reduce the likelihood of neck injury.

#### **C. FRONT SEAT-BELT PRETENSIONERS**

Pretensioners have been designed to tighten the seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries.

#### **D. CHILD-SEAT LATCH SYSTEM**

Lower Anchors and Tethers for Children (LATCH) make it easy and convenient to secure child seats.

#### **E. REINFORCED BODY DESIGN**

Doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. Both the A and B pillars are reinforced to help minimize damage.

#### **F. TIRE-PRESSURE MONITORING SYSTEM**

This monitoring system includes air-pressure sensors located at each wheel. If a tire reaches a specified low air pressure, a warning light will alert you.<sup>5</sup>

#### **G. BACK-UP WARNING SYSTEM**

When certain objects are behind you, ultrasonic sensors detect them and alert you with a series of beeps. The system helps to prevent you from hitting hard-to-see objects.<sup>6</sup>

#### **H. FRONT & REAR 3-POINT SEAT BELTS**

Three-point seat belts are standard for all seven seating positions.

### Welcome to the great indoors.

Sedona has a remarkably spacious interior with generous head- and legroom for all passengers. Its roomy seating for seven includes captain's chairs in both the 1st and 2nd rows, and a comfortable bench seat for three in the 3rd. It's also well equipped with features that enhance your comfort — from air conditioning that has separate controls for rear passengers to available power adjustable front seats.

**POWER ADJUSTABLE PEDALS\***

Available power adjustable accelerator and brake pedals allow for custom ergonomics.

**HEATED FRONT SEATS\***

EX models offer available heated front seats — a comforting feature you'll appreciate on chilly mornings.

**6-WAY ADJUSTABLE DRIVER'S SEAT**

A 6-way power adjustable driver's seat with lumbar support and a 4-way power adjustable front passenger's seat are standard on EX models.

**FRONT AND REAR AIR CONDITIONING**

Sedona's standard features include front and rear air conditioning with separate controls for the front and rear passenger areas. Tri-zone air conditioning, which is standard with the EX Luxury Package, includes an advanced, ionized air-filtration system.

\*Available as optional equipment on EX. See Features and Specifications pages for availability.

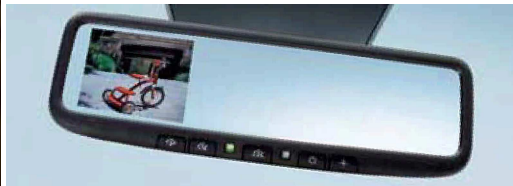

EX PREMIUM ENTERTAINMENT PACKAGE WITH NAVIGATION SHOWN

## There's more than one way to enhance your drive.

Sedona is not only stylish and comfortable, it also offers a wealth of amenities that make every drive a pleasure. A navigation system with voice route guidance, available with EX models, leads you to your destination. Standard USB/auxiliary input jacks let you plug in practically any kind of MP3 player.<sup>7</sup> With our accessory cable, you can even use the stereo to operate an iPod<sup>®</sup> mobile digital device.<sup>7</sup> In addition, a complimentary trial subscription to SIRIUS<sup>®</sup> Satellite Radio<sup>2</sup> provides even more choices for music and entertainment and makes every drive that much more enjoyable.

### REAR-CAMERA DISPLAY\*

The available rear-camera display helps you spot things behind your vehicle that you might not see when you look over your shoulder.<sup>5</sup>

### BLUETOOTH<sup>®</sup> WIRELESS TECHNOLOGY<sup>1</sup>

Enjoy convenient, hands-free use of your compatible Bluetooth wireless technology-enabled cell phone.

### SIRIUS SATELLITE RADIO<sup>2</sup>

SIRIUS Satellite Radio delivers over 130 channels, including 69 channels of 100% commercial-free music, plus sports, news, talk and entertainment.

### POWER CONTROLS

You'll enjoy the convenience of standard power windows, door locks and outside mirrors.

### PREMIUM ENTERTAINMENT PACKAGE\*

Available DVD system includes an 8" monitor, Infinity<sup>®</sup> surround-sound speakers and wireless headsets.

### ADVANCED AUDIO SYSTEM

The standard audio system with AM/FM/CD/MP3 also comes with SIRIUS Satellite Radio<sup>2</sup>

1, 2, 5, 7, 8 \* See Features and Specifications pages for availability and endnotes.  
2 Available as optional equipment.

## Whatever your day holds, Sedona can accommodate.

Count on Sedona to be as flexible as you are. The easily adjustable second- and third-row seats allow multiple configurations for carrying passengers, cargo — or combinations of both. It's also designed to be remarkably convenient, with dual sliding doors that make getting in and out from either side quick and easy. With Sedona EX, you can automatically open these dual sliding doors, or the rear liftgate, at the touch of a button on the instrument panel. Or you may open them from outside with the remote keyless entry.

### FLEXIBLE CONFIGURATIONS

The Sedona allows a wide variety of 2nd- and 3rd-row seating- and-cargo configurations.

### CONVENIENT 2ND-ROW SEATS

The 2nd-row captain's chairs are spaced apart to give each passenger plenty of room. They can also slide and fold forward for easy access to the 3rd row. The seatbacks recline for added comfort, or fold over flat when not in use. To increase the rear cargo space, 2nd-row seats can flip-and-fold forward, or they can be completely removed.

### MAXIMUM CARGO SPACE

The 60/40 split 3rd-row seats fold into the floor to create a large, flat cargo area. The seats also fold down individually to create additional cargo options.<sup>9</sup>

<sup>9</sup>See Specifications page for endnote.

EASY ACCESS 3RD-ROW SEATING

ALL SEATS RECLINE

FOLD-IN-THE-FLOOR 3RD-ROW SEATS

STOWABLE 3RD AND FOLD/FLIP 2ND ROW\*

FLAT-FOLDING 2ND-ROW SEATBACKS WITH TRAYS

EX LUXURY PACKAGE SHOWN

EX LUXURY PACKAGE WITH NAVIGATION SHOWN†

## It's open to all kinds of adventure.

No matter the occasion, you'll soon discover that Sedona can handle whatever you and your family have in mind. Its spacious, easily accessible cargo area lets you pack everything you need for a family outing. For weekend getaways or longer vacations, standard roof rails let you carry extra cargo.<sup>10</sup> To give you easy access to the things you need, Sedona boasts a variety of clever and useful storage areas throughout the cabin.

### CENTER STORAGE CONSOLE

Keep your CDs or other items close at hand with this flip-down compartment.

### SUNGLASSES HOLDER

You'll always have a handy place to store your sunglasses.

### CENTER FOLDING TRAY

A center tray located between the front seats folds up and features four cup holders.

### THIRD-ROW STORAGE BIN

A compartment with flip-up lid gives third-row passengers a spot to store small items.

### IN-FLOOR STORAGE COMPARTMENT

When the 3rd-row seats are folded down, an in-floor storage compartment provides extra space.

### FOLD-IN-THE-FLOOR 3RD-ROW SEATS

With a simple pull of a strap, the 3rd-row seats fold down to provide a variety of cargo options.<sup>9</sup>

<sup>9, 10</sup> See Specifications page for endnotes.

## Performance you can count on for the long haul.

Sedona's 3.5L V6 engine offers outstanding performance and 3,500 lbs. of towing capacity<sup>11</sup>. All models come standard with a 6-speed Sportmatic<sup>®</sup> transmission that gives you a choice between traditional automatic mode and manual, clutch-free gear shifting. It's operated by simply tapping the gearshift lever forward or back to change gears. Sedona is also engineered for exceptional performance on the highway. Its MacPherson-strut-front and multi-link-rear suspension systems provide an ideal combination of precise handling and a comfortable ride.

### THE POWER YOU'RE LOOKING FOR

Exceptional power is yours, thanks to a 3.5-liter 24-valve DOHC V6 engine. It delivers 271 horsepower, 248 lb.-ft. of torque and 3,500 lbs. of towing capacity<sup>11</sup> for dependable performance wherever you're heading.

### SMOOTH, PRECISE HANDLING

Sedona's MacPherson-strut-front and multi-link-rear suspension systems offer exceptional handling, directional stability and smooth operation on the highway.

### SPORTMATIC<sup>®</sup> TRANSMISSION

The 6-speed Sportmatic transmission provides smooth, seamless shifting.

### BRAKE PERFORMANCE

4-wheel disc brakes with ABS help prevent wheel lock-up and help maintain steering control.

<sup>11</sup>See Specifications page for endnote.

EX SHOWN<sup>®</sup>

### THE KIA HERITAGE

For years, our focus has been on building quality vehicles that combine the style and performance you want with the safety and value you need. Today, Kia Motors Corporation has manufacturing facilities spanning the globe and produces more than 1.3 million vehicles a year for drivers worldwide. In 2010, Kia sold its 3 millionth vehicle in the U.S.A., and it took less time to reach that milestone than Toyota.<sup>12</sup> In fact, Kia has outsold Lexus, Subaru, Volkswagen and Mazda.<sup>13</sup>

14

### THE CHOICE IS YOURS

We offer a full line of 11 models, many of which have earned top awards or ratings in safety and customer satisfaction. We back every model with an industry-leading 10-year/100,000-mile limited warranty program.<sup>14</sup> It's a lineup in which you're sure to find the style, driving excitement and value you're looking for.

### KIA.COM

You can experience 360° interior and exterior views, get price quotes — even calculate your monthly payment and find out which of our around 700 retailers is nearest to you. If you prefer, simply call us at 1-800-333-4KIA.

<sup>14</sup>Assembled in the United States from U.S. and globally-sourced parts.

<sup>12</sup> <sup>13</sup> <sup>14</sup> See Specifications page for endnotes.

## The Kia commitment to America.

Kia Motors has reached a special milestone: the opening of a brand-new \$1-billion state-of-the-art manufacturing facility in West Point, Georgia. At full capacity, the plant can produce up to 300,000 vehicles a year. Production of the new 2011 Sorento is currently underway there, making it Kia Motors' first-ever vehicle to be built in the U.S.A.\* The plant will generate more than just high-quality vehicles. Over 2,500 new jobs are expected to be created at the facility and up to 7,500 additional jobs in the surrounding area. It's all part of Kia Motors' commitment to America — a commitment that is sure to grow and strengthen in the years ahead.
