An impressive combination of style, comfort, and versatility

Presenting the 2016 Kia Sedona. Striking exterior styling promises that this is a new kind of vehicle that delivers an unexpected combination of sophisticated design and extensive capabilities. Its stylish interior is thoughtfully designed to give an exceptional driving experience for both driver and passengers. Spacious, available eight-passenger seating* and multiple seating configurations make Sedona remarkably comfortable and versatile. A wealth of technologically advanced features, including available systems like Smart Cruise Control* and Blind-Spot Detection with Lane-Change Assist,* inspire confidence and enhance everyday convenience. Sedona includes advanced safety features that have helped it earn a 2015 Top Safety Pick by the Insurance Institute for Highway Safety (IIHS) and a 5-Star Safety rating from the National Highway Traffic Safety Administration (NHTSA). Like all Kia models, Sedona comes with an industry-leading, 10-year/100,000-mile warranty program* — a reflection of its outstanding quality and reliability.

1, 2, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Cover and this page: SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.
Spacious and adaptable

Sedona’s interior adapts to your lifestyle, beginning with a choice of available seven- or eight-passenger seating.* Either way, you can configure the second- and third-row seats to carry passengers in comfort or stow extra cargo. Available tri-zone automatic temperature control* lets you select separate climate zones, while an available 12-way power-adjustable driver’s seat* and available 8-way power-adjustable front passenger seat* provide added comfort.

Spacious eight-passenger seating* With available eight-passenger seating, the second row features an easily removable center seat. This unique design allows the second row to be configured for even more spacious seating and convenient access to the third row, or for an additional passenger.

Slide-N-Stow™ seat design When you need more cargo area, you can take advantage of the second-row seats’ innovative Slide-N-Stow™ design. Instead of removing the seats from the vehicle, simply flip a lever to stand the seats upright, where they stay locked in place.

Fold-in-the-floor third-row seats Third-row seats conveniently fold down into the floor of the Sedona, allowing you to quickly create a spacious rear cargo area. They also feature a versatile 60/40 split-fold design, giving you the option of carrying a combination of passengers and cargo.*

Tri-zone automatic temperature control* Available temperature control allows the driver and front passenger to adjust their settings to create individual climate zones. Both the second- and third-row passengers can also adjust separate ventilation outlets. In addition, the temperature control system includes a cluster ionizer that works silently and efficiently to help purify air in the cabin.

* See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims.

FOLD-IN-THE-FLOOR 3RD-ROW SEATS*
SPLIT 3RD-ROW STOWED AND 2ND-ROW CENTER SEATBACK FOLDED*
SLIDE-N-STOW™ SPLIT 2ND ROW
SLIDE-N-STOW™ SPLIT 2ND-ROW AND SPLIT 3RD-ROW STOWED*
FOLD-IN-THE-FLOOR 3RD-ROW SEATS*
2ND-ROW SLIDE-N-STOW™ SEAT DESIGN
Sedona is remarkably versatile, with a spacious cargo area and a number of innovative features designed for everyday convenience. An available Smart-Power Liftgate™ opens automatically if you simply stand next to it for three seconds with the available Smart Key® in your possession — which is especially helpful when you have your hands full. Plus, the Liftgate automatically retracts if it meets resistance, and you can set it to open and hold at different heights.

**1. PORTABLE RECHARGEABLE FLASHLIGHT** An available rechargeable flashlight in the cargo area has dual functions. Mounted in its place, it automatically lights the cargo area when the hatch is opened. It is also easy to detach for use as a portable flashlight.

**2. CONVERSATION MIRROR** A specially designed rearview mirror in the upper console allows driver and front passenger to clearly see rear-seat passengers without having to turn around in their seats.

**3. PADED CENTER CONSOLE** The large center console features a padded flip-up and sliding armrest. Inside, it has a large, removable sliding tray and a storage compartment that is deep enough for a tablet computer, along with a 12-volt outlet and an available Rapid-Charge USB charging port.

**4. DUAL GLOVE BOXES** An available large, cooling glove box lets you keep beverages chilled on long drives, while a second glove box provides additional storage space.

**5. 15-VOLT POWER INVERTER** With Sedona’s handy, available 15-volt power inverter, you can plug electronic devices — from your laptop computer to a portable camcorder — right into an electrical power outlet.

**6. SECOND- & THIRD-ROW SUNSHADES** Rear-seat passengers can enjoy a cool and comfortable drive with available side-window sunshades.

**RAPID-CHARGE USB CHARGING PORTS** Sedona features available Rapid-Charge USB charging ports that provide higher ampereage output to charge your portable digital devices quickly and conveniently.
Sedona's cabin is designed to provide the driver with superb ergonomics. The shift lever is located in the center console to give the driver ready access to the Sportmatic® transmission. Everything from the steering-wheel-mounted controls5 to the available voice-command navigation system15 is intuitively placed for convenient operation. In addition, an abundance of upscale soft-touch material throughout the interior surrounds driver and passengers alike with sophisticated styling.

Confidence-inspiring technology

Sedona features an array of technologically advanced features and innovative systems dedicated to providing an exceptional level of comfort, control, and convenience. Advanced, available systems like Front and Rear Park Assist, Rear-Camera Display, and Smart Welcome system make everyday driving a pleasure.

Highly intelligent features

Sedona is equipped with impressive systems that monitor your driving environment. Innovative available features include Smart Cruise Control, Rear Cross-Traffic Alert, and Blind-Spot Detection with Lane-Change Assist, which utilizes a radar system to detect vehicles in the driver’s blind spot and recognize those approaching from behind.

1. FRONT & REAR PARK ASSIST SYSTEM
An available sonar system is concealed in the front and rear bumpers. When you’re parking, it gives an audible warning if it detects certain objects close to your vehicle.

2. REAR-CAMERA DISPLAY
To help you see things behind your vehicle that you might not see by looking over your shoulder, Sedona features an available Rear-Camera Display with a large, bright screen.

3. VOICE-COMMAND NAVIGATION
The convenient, available voice-command navigation system features a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic.

4. INFINITY AUDIO SYSTEM
The available premium Infinity audio system includes eight speakers, an external amplifier, and a subwoofer. It provides exceptional audio entertainment and crisp, balanced sound.

5. HEATED & VENTILATED SEATS
Enjoy optimal comfort in warm weather with available ventilated driver and front-passenger seats. An available heated steering wheel with available heated second-row seat outboard cushions help ensure comfortable driving in cold weather.

6. LCD SUPERVISION METER CLUSTER
The available Supervision meter cluster’s 3.5-inch LCD screen has sharp, high-contrast color graphics for outstanding readability of the speedometer, tachometer, and other gauges.

7. SMART WELCOME
The available Smart Welcome system is activated by the available Smart Key remote. When you get close to your Sedona, interior and door-handle lights go on and the power-folding mirrors unfold.

8. STAIN-RESISTANT SEATS
YES Essentials cloth seating features repel-and-release technology for stain resistance so even messy spills clean up easily. Plus, advanced fibers help eliminate lingering smells that moisture can leave behind.

9. BLIND-SPOT DETECTION WITH LANE-CHANGE ASSIST
The available radar system helps detect vehicles in the driver’s blind spot and provides alerts. Lane-Change Assist helps detect vehicles approaching from behind.

10. REAR CROSS-TRAFFIC ALERT
Available Rear Cross-Traffic Alert warns the driver of cross-traffic while the vehicle is in reverse by activating audible and visual alerts to help reduce the likelihood of a collision.

11. LANE DEPARTURE WARNING SYSTEM
The available radar system helps encourage the driver to decelerate that may cause a potential impact.

12. SMART CRUISE CONTROL
Available Smart Cruise Control uses radar to help maintain a predetermined distance from the vehicle directly ahead, automatically slowing or accelerating your Sedona when appropriate.

13. SURROUND-VIEW MONITOR
Available Surround-View Monitor utilizes four cameras, located at the front, rear, and sides, to provide visibility all around the vehicle. This helps enhance the driver’s view when maneuvering into parking spaces.

14. HDI HEADLIGHTS WITH AUTO-LEVELING & HIGH-BEAM ASSIST
Available High-Intensity Discharge (HID) headlights are auto-leveling and provide bright, crisp lighting. To help ensure courteous driving, High-Beam Assist can automatically dim to low when oncoming traffic is present.

15. PUSH-BUTTON START
To make everyday driving more convenient, the available Smart Key remote lets you start or stop the engine with the push of a button, even when you have the key fob in your pocket or purse.

16. VOICE-COMMAND NAVIGATION
The convenient, available voice-command navigation system features a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic.
Sedona is available with the innovative UVO eServices™ Infotainment System with voice-command navigation. It provides you with an easy, hands-free way to connect to your vehicle by seamlessly integrating your compatible smartphone® with your Sedona. UVO eServices™ also lets you stream music, download apps from the App Download Center, monitor your vehicle’s driving habits, access 911 Connect® or Enhanced Roadside Assist® and check maintenance requirements with Vehicle Diagnostics® on the large 8-inch capacitive touch screen. Additionally, there are no subscription fees5 to enjoy all these benefits. 

ADVANCED VOICE RECOGNITION®
UVO eServices™ advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free use of your phone — with simple, intuitive verbal commands. 

LOCAL SEARCH POWERED BY GOOGLE™
UVO eServices™ can access Local Search powered by Google® and is connected wirelessly to an Internet hotspot.5 

MY POINTS OF INTEREST®
UVO eServices™ allows you to use a web-enabled computer to send locations that you find on Google Maps™ mapping service to the navigation system for route guidance. 

PARKING MINDER™
ParkingMinder can record your vehicle’s location whenever you park. Then you can use your compatible smartphone® to help find your car. It also lets you take pictures of the surrounding area for reference, write a reminder note, or set an alarm if you’ve parked at a meter. 

911 CONNECT®
In the event that an airbag is deployed, 911 Connect automatically initiates a call to emergency services. In some circumstances, UVO eServices™ can also transmit your vehicle’s location to the emergency services operator. 

ENHANCED ROADSIDE ASSIST®
You can call for roadside assistance by touching an icon on the smartphone® app screen. UVO eServices™ then sends your location to the Call Center and connects you to an operator. 

VEHICLE DIAGNOSTICS®
Vehicle Diagnostics lets you perform a diagnostics check at any time or schedule one to occur on a monthly basis. Diagnostics Trouble Code (DTC) automatically alerts you to schedule an appointment or request roadside assistance if the system detects a critical powertrain issue. 

UVO eSERVICES APP®
An available free app allows you to integrate your compatible smartphone® with your vehicle — and make the most of UVO eServices™. This app can be downloaded at the App Store® and Google Play™ Store. 

MY CAR ZONE®
My Car Zone provides Curfew, Speed, and Geo-Fence alerts based on your targeted presets. You may also use the touch screen to check driving habits — including the history of preset violations for curfew time, speed limit, or geographical radius parameters. 

VOICE-COMMAND NAVIGATION®
The available color command navigation system has a vivid 8-inch color screen and delivers continuously updated Highway conditions from SiriusXM Traffic®. 

MyUVO.com WEB/MOBILE®
MyUVO.com lets you check Vehicle Diagnostics® and schedule service appointments with your preferred or nearby Kia retailer using your home computer or mobile device. 

APP DOWNLOAD CENTER®
Wirelessly connect to an Internet hotspot® and download available apps to your Sedona. 

APPLE® Siri®-COMPATIBLE®
UVO eServices® enables you to access your iPhone®’s Siri® with the vehicle’s steering-wheel-mounted controls. 

It’s nice to be well connected.
A higher standard of comfort

Sedona SX Limited provides truly luxurious accommodations. Premium two-tone, Nappa leather seat trim\textsuperscript{†} is elegant and extraordinarily comfortable. Reclining second-row, first-class lounge seats\textsuperscript{16} slide forward and backward as well as side to side for remarkable adjustability. They also feature aviation-style, contoured headrests and adjustable armrests and footrests for exceptional comfort.

\textbf{DUAL SUNROOF}\textsuperscript{*}

Front and rear sunroofs on Sedona SX Limited\textsuperscript{†} let you enjoy a feeling of spaciousness and fill the cabin with fresh air. They also feature dual sliding sunshades that are easy to open and close.

\textbf{HEATED STEERING WHEEL}\textsuperscript{*}

Sedona SX and SX Limited include a wide variety of luxurious features designed to provide comfortable driving all year long. The available heated steering wheel is especially nice on cold winter mornings.

\textbf{DUAL SUNROOF}\textsuperscript{*}

Front and rear sunroofs on Sedona SX Limited\textsuperscript{†} let you enjoy a feeling of spaciousness and fill the cabin with fresh air. They also feature dual sliding sunshades that are easy to open and close.

\textbf{DRIVER’S MEMORY SEAT & MIRRORS SYSTEM}\textsuperscript{*}

Available memory settings for two drivers are located on the driver’s door. They provide the luxury and comfort of personalized ergonomics for the available 12-way power-adjustable driver’s seat and outside mirrors.

\textbf{PREMIUM NAPPA LEATHER SEATS}\textsuperscript{*}

With premium full-grain Nappa leather seat trim for both first- and second-row seating, the Sedona SX Limited\textsuperscript{†} combines an elegant feel and upscale styling for traveling in extraordinary comfort.

---

\textsuperscript{16} See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. Test available on SX Limited 8-Passenger Technology Package. SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.
Sedona features a 3.3-liter Gasoline Direct Injection (GDI) V6 engine that generates 276 horsepower. It’s tuned for outstanding midrange torque for impressive acceleration.

**SPORTMATIC® TRANSMISSION**

The six-speed automatic transmission provides smooth, seamless shifting. Its Sportmatic® function allows you to choose between automatic mode or, for even sportier driving, clutch-free manual shifting.

**REFINED SUSPENSION**

MacPherson-strut-front and multi-link-rear suspension systems offer exceptional handling, directional stability, and smooth operation.

**HIGH-TENSILE STEEL BODY CONSTRUCTION**

To help create a more rigid body structure, Sedona incorporates advanced high-strength and press-hardened steel. The result is more precise handling characteristics, along with reduced weight, noise, and vibration. In addition, the body includes an isolated rear-suspension sub frame that results in a smoother ride for rear-seat passengers.

**DRIVE MODE SELECT SYSTEM**

To suit your style of driving, available Drive Mode selectable electronic steering and powertrain control allows a choice of normal, ECO, or comfort settings.

**STRONG TOWING CAPACITY**

The 3.3-liter Gasoline Direct Injection (GDI) V6 engine produces 248 lb.-ft. of torque, giving Sedona a towing capacity of 3,500 lb.

**SMOOTH, QUIET RIDE**

Rough road conditions are no problem for Sedona. Four-wheel independent suspension features available high-performance shock absorbers for a smooth ride even over most bumpy roads. Plus, extensive interior insulation helps provide an exceptionally quiet ride.
Sedona features advanced standard safety systems designed to help give you peace of mind every time you drive. Each one is engineered to help you maintain control, even in harsh road conditions and in some emergency situations. These safety systems are designed to function automatically, leaving you free to focus on safe driving.

**Cornering Brake Control (CBC)**
CBC provides side-to-side brake-pressure proportioning using the Electronic Brake-force Distribution system, resulting in optimized vehicle deceleration and stability when braking into a turn.

**Traction Control System (TCS)**
When TCS senses wheelspin during acceleration, it uses a combination of engine power and brake force to help transfer power to the wheels that have the most traction.

**Electronic Brake-Force Distribution (EBD)**
EBD automatically adjusts the front-to-rear balance of brake pressure.

**Electronic Stability Control (ESC)**
ESC provides improved directional stability, which helps you maintain better control in difficult driving situations. During emergency maneuvers, it can control the engine and brakes to help keep your Sedona on course.

**Brake Assist System (BAS)**
If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

**Hill-Start Assist Control (HAC)**
To help keep your Sedona from rolling backward when starting off on a steep hill, the HAC system automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

**Insurance Institute for Highway Safety**
For the 2016 Sedona 2015 Top Safety Pick NHTSA Overall 5-Star Crash Safety Rating

**Advanced safety systems — because life is full of curves**

No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. See Specifications page for details.

†No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. See Specifications page for details.
Sedona is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front seat-mounted side, and full-length side curtain airbags.18

Sedona is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front seat-mounted side, and full-length side curtain airbags.18

ISO-STRUCTURE™
Sedona features a uniquely engineered body that combines various high-tensile strength steel alloys. This body structure helps provide crash protection, better driving dynamics, and is the foundation for a quieter ride.

AIRBAG & SEAT-BELT SENSORS
This advanced system monitors the severity of certain impacts, the presence of a front passenger, and seat-belt use, and then controls airbag inflation accordingly.18

FRONT SEAT-BELT PRETENSIONERS
Pretensioners have been designed to tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS
The front height-adjustable seat-belt anchors allow the driver and front passenger seat belts to be raised and lowered for a proper fit.

FRONT & REAR 3-POINT SEAT BELTS
Three-point seat belts are standard for all seating positions, so that each person is protected with both an over-the-lap and shoulder seat belt.

SIDE-IMPACT DOOR BEAMS
All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. In addition, the A and B pillars are also reinforced, further helping to strengthen the body of the vehicle.

FRONT & REAR CRUMPLE ZONES
Both front and rear crumple zones are specially engineered to help absorb and dissipate impact energy, helping to preserve the basic structural integrity of the passenger compartment in certain collisions.

LATCH SYSTEM
Sedona features easy-to-use Lower Anchors and Tethers for Children (LATCH) system. It is engineered to let you securely install a compatible child seat in the second row and passenger-side third row.

Designed to help protect driver and passengers
Sedona is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front seat-mounted side, and full-length side curtain airbags.18

No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly.
Delivering on a promise

Kia is committed to producing world-class vehicles to suit most every driving need. This commitment has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems. Kia’s dedication to quality and value has been widely recognized — one reason why Kia has been named as a top 10 brand in Interbrand’s 2014 Best Global Brands report.19

TAKING ON THE COMPETITION

The Kia Racing team is dedicated to competing against world-class competition — and winning. Motorsport is a proven test bed for reliability, durability, and performance, and the knowledge gained on the race track helps Kia manufacture award-winning vehicles that perform beyond your expectations. In only its third season of competition, the Kia Racing team won the 2014 Pirelli World Challenge GT class Manufacturer Championship with two turbocharged Optimas — scoring 13 podium finishes, including five wins, during the 16-race season, and leading more on-track miles than any other brand.

INDUSTRY-LEADING WARRANTY PROGRAM

Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.

• 10-year/100,000-mile limited powertrain warranty
• 5-year/60,000-mile limited basic warranty
• 5-year/100,000-mile limited anti-perforation warranty
• 5-year/60,000-mile 24-hour roadside assistance

• 5-year/60,000-mile 24-hour roadside assistance

COMMITMENT TO AMERICA

Kia Motors has invested over $1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant produces its one millionth vehicle after less than four years of operation. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant. Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 15,000 jobs in West Point and the surrounding areas. It’s all part of Kia Motors’ commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

COMPELLING DESIGN

Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaboration of designers who have created a look that makes every Kia as bold as it is distinctive.

Today, the lineup consists of vehicles that fill owners, as well as Kia’s designers, with pride.

B.R.A.K.E.S. PRO-ACTIVE DRIVING SCHOOL FOR TEENS

Kia understands that teaching teenagers safe driving skills can save lives. To accomplish this goal, Kia has formed a partnership with the B.R.A.K.E.S. (Be Responsible And Keep Everyone Safe) Pro-Active Driving School for Teens (www.PutOnTheBrakes.org), with support including a fleet of 32 vehicles. B.R.A.K.E.S. provides teenagers 15-19 nationwide with no-cost, hands-on defensive training on a closed course in a controlled environment to respond to real-world driving scenarios.

DONORSCHOOSE.ORG

Kia is committed to providing assistance to those in need. That’s why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. Together with thousands of citizen philanthropists, Kia has raised more than $7 million to fund nearly 15,000 projects across all 50 US states, impacting more than 1 million high-need public-school students in just three years.
