With the 2015 Kia Sorento, your options are unlimited. It provides an outstanding combination of design and performance, featuring sophisticated styling along with an available 290-hp 3.3L Gasoline Direct Injection (GDI) V6 engine. With available third-row seating* and a spacious interior, Sorento can comfortably accommodate up to seven people. Technologically advanced available features include Blind-Spot Detection† and the impressive UVO eServices‡ Infotainment System with voice-command navigation. The Sorento is also equipped with advanced safety features designed to ensure your peace of mind. Reflecting Kia's commitment to America, the Sorento is proudly built in West Point, Georgia.††

††Kia Sorento assembled in the United States from U.S. and globally-sourced parts. 1, 2, 3, * See Features and Specifications pages for availability and restrictions. Not all optional features are available on all trims. †No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. ©2013 KIA MOTOR CORPORATION. This page for V6 WITH TOURING PACKAGE SHOWN.
Enjoy extraordinary comfort and luxury features

Sorento’s fine craftsmanship and luxury features let you travel in style and comfort. The interior is remarkably spacious, with generous legroom for second- and third-row passengers. Available third-row seating* allows up to seven people to relax in first-class comfort. In addition, available acoustic windshield glass* features a layer of sound-absorbing material to help provide an especially quiet ride.

1. **VENTILATED FRONT SEATS** You'll stay cool on hot summer afternoons thanks to available ventilated driver and front-passenger seats that circulate cool air through perforations in the seat leather.

2. **HEATED FRONT SEATS** For comfortable driving in cold weather, heated front seats and second-row seat outboard cushions are available.

3. **DRIVER’S MEMORY SEAT** Available memory with presets allows two drivers to lock in their personal settings for the driver’s seat and outside rearview mirrors.

4. **DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL** Available temperature control lets the driver and front passenger adjust temperature settings to create their own climate zones. Rear-seat passengers can adjust a separate ventilation outlet.

5. **SECOND-ROW SUNSHADES** Rear-seat passengers can enjoy protection from the sun with available sunshades.

Enjoy a feeling of spaciousness and fill the cabin with fresh air with the available panoramic sunroof. It includes a power sunshade that makes its operation quick and convenient.

*See Features page for availability. Not all optional features are available on all trims. LIMITED SHOWN.
Versatile and cavernous cargo space for every need

Kia Sorento’s spacious cargo area⁴ provides exceptional versatility. Its 40/20/40 split-folding second-row seats and available 50/50 split-folding third-row seats* let you conveniently carry passengers, cargo, or both. Roomy, easy-to-reach storage compartments help you keep everything well organized and in its place.

1. POWER LIFTGATE® For conveniently loading or unloading cargo, open the available power liftgate using the key fob or a button on the liftgate. 2. PROGRAMMABLE LIFTGATE HEIGHT® For added convenience, you may set the available power liftgate to open to any height you wish. 3. CONCEALED STORAGE Store items out of sight with a spacious compartment hidden beneath the cargo floor. Keep loose items neatly organized with the available removable tray.

4. * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. LIMITED SHOWN.

4. FOLD-DOWN THIRD-ROW SEATS® For increased cargo area, the available third-row seats fold down.

5. SPLIT- FOLDING SECOND & THIRD ROWS The split-folding design provides the versatility to carry larger items in addition to passengers.*
Indulge in the benefits of advanced technology

Sorento is equipped with technologically advanced features dedicated to enhance your driving experience. Available features include a voice-command navigation system<sup>2</sup> with a Rear-Camera Display<sup>5</sup>, Blind-Spot Detection<sup>1</sup> and push-button start,<sup>*</sup> providing you with a superb combination of control and convenience.

1. **Blind-Spot Detection**<sup>1</sup>*: An available radar system helps to detect when a vehicle is in the driver’s blind spot. It then notifies the driver with an audible alert and warning indicator in the side mirrors.

2. **Rear-Camera Display**<sup>5</sup>: Available Rear-Camera Display helps you conveniently see things behind your vehicle that you might not see by looking over your shoulder.

3. **Backup Warning System**<sup>6</sup>*: An available sonar sensor system is concealed in the rear bumper. It activates a distinct audible warning when it detects certain objects behind your vehicle.

4. **Heated Steering Wheel**<sup>3</sup>: For comfortable driving during cold weather, the Sorento Limited includes a heated steering wheel.

5. **Push-Button Start**<sup>*</sup>: Start or stop the engine at the push of a button with the available Smart Key remote, even with the key fob in a pocket or purse.

6. **Power-Folding Outside Mirrors**<sup>7</sup>: Easily tuck in the available power-folding outside mirrors using a door-mounted switch or key fob.

7. **Trip Computer**<sup>6</sup>: A trip computer provides information such as fuel efficiency and remaining fuel range.

ADVANCED VOICE RECOGNITION™
UVO eServices™ advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free use of your phone — with simple, intuitive verbal commands.

MY PORTS OF INTEREST™
UVO eServices™ allows you to use a web-enabled computer to send locations that you find on Google Maps™ mapping service to the navigation system for route guidance.

PARKING MINDER™
Parking Minder can record your vehicle’s location wherever you park. Then you can use your compatible smartphone™ to find your car: Parking Minder also lets you take pictures of the surrounding area for reference, write a reminder note or set an alarm if you’re parked at a meter.

911 CONNECT™
In the event that an airbag is deployed, 911 Connect automatically initiates a call to emergency services. In some circumstances, UVO eServices™ can also transmit your vehicle’s location to the emergency services operator.

ENHANCED ROADSIDE ASSIST™
You can call for roadside assistance by touching an icon on the smartphone™ app screen: UVO eServices™ then sends your location to the Call Center and connects you to an operator.

VEHICLE DIAGNOSTICS™
Vehicle Diagnostics automatically triggers checks if the system detects a critical powertrain issue, alerting you to schedule an appointment or request roadside assistance. You may perform a diagnostics check at any time or schedule checks on a regular basis.

UVO™ — short for “your voice.” Sorento is available with the innovative UVO eServices™ Infotainment System with Voice-command navigation. It provides you with an easy, hands-free way to connect to your vehicle by seamlessly integrating your compatible smartphone™ with your Sorento. UVO eServices™ also lets you stream music and gives you large-capacity digital storage for your favorite songs. Its many advanced capabilities include the ability to connect with 911 Connect or Enhanced Roadside Assist and monitor maintenance requirements with Vehicle Diagnostics. Additionally, there are no subscription fees to enjoy all these benefits.

911 Connect allows you to connect to emergency services. In some circumstances, UVO eServices™ can also transmit your vehicle’s location to the emergency services operator.

VOICE-COMMAND NAVIGATION
The available voice-command navigation system has a vivid 8-inch color screen and delivers real-time highway conditions from SiriusXM Traffic.

MYUVO.COM WEB/MOBILE™
MyUVO.com lets you check Vehicle Diagnostics and schedule appointments with your preferred or nearby Kia retailer using your home computer or mobile device.

DIGITAL MUSIC STORAGE™
The easy-to-use digital music storage system with in-dash, large-capacity digital storage for your favorite music lets you load your songs and sort them by either title or artist.

It’s nice to be well connected.
Performance that inspires a passion for driving

Sorento’s 191-hp 2.4L Gasoline Direct Injection (GDI) engine and available 290-hp 3.3L GDI V6 both deliver outstanding performance. A 6-speed automatic transmission operates with seamless efficiency, while its Sportmatic® design allows you to choose between automatic shifting or sporty clutch-free manual shifting. Sorento also provides an exceptionally smooth, quiet ride and precise handling, thanks to its unibody design and independent suspension.

INCREASED ENGINE PERFORMANCE The 2.4L GDI 4-cylinder engine and the available 3.3L GDI V6 engine both include Continuously Variable Valve Timing (CVVT), which automatically adjusts valve timing to increase power and reduce exhaust emissions. 1. FLEXSTEER® SYSTEM™ To suit your style of driving, FlexSteer™ tunable electronic steering on Sorento EX, SX and Limited models allows a choice of standard, sport or comfort settings.

TORQUE VECTORING CORNER CONTROL (TVCC) All-wheel-drive models feature TVCC, which applies braking force to the inside corner wheel for increased cornering stability and control. 2. HD HEADLIGHTS™ Available High-Intensity Discharge (HID) headlights are self-leveling and provide bright, crisp lighting. LED ACCENT LIGHTING® Available LED taillights and front LED accent lights combine style and functionality. SUPERVISION GAUGES® An available Supervision meter cluster features brilliant 7-inch LCD gauges.

*See Features page for availability. Not all optional features are available on all trims. SX SHOWN.
Advanced safety systems to help handle unexpected conditions

Sorento features advanced safety systems that help give you peace of mind every time you drive.† Each system is engineered to help you maintain control, even in challenging road conditions and in some emergency situations. These safety systems are designed to function automatically, leaving you free to focus on the road ahead.

- **Electronic Stability Control (ESC)**
  ESC provides improved directional stability, which helps you maintain better control in difficult driving situations. During emergency maneuvers, it can control the engine and brakes to help keep your Sorento on course.

- **Traction Control System (TCS)**
  When TCS senses wheel spin during acceleration, it uses a combination of engine power and brake force to help transfer power to the wheels that have the most traction.

- **Brake Assist System (BAS)**
  If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

- **Electronic Brake-Force Distribution (EBD)**
  To help maintain more consistent braking as vehicle loads and weight distribution change, EBD adjusts the front-to-rear balance of brake pressure.

- **Hill-Start Assist Control (HAC)**
  To help keep you from rolling backward when starting on a steep hill, HAC automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

† See Specifications page for details. To understand the risks involved with all automobiles, always drive responsibly, allowing ample stopping distance for all situations. Always obey all traffic rules and laws. Make all necessary facilities available to maintain braking efficiency.

**NHTSA Five-Star Crash Safety Rating**

2013 Top Safety Pick

INSURANCE INSTITUTE FOR HIGHWAY SAFETY FOR THE 2015 SORENTO
Sorento is equipped with passive safety systems† designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front-seat-mounted side and side curtain airbags for both front and second-row seating.¹⁶

ENGINEERED TO HELP PROTECT DRIVER AND PASSENGERS

FRONT ACTIVE HEADRESTS
In the event of certain rear collisions, the active headrests move forward, helping to reduce the likelihood of injury.

ADVANCED AIRBAGS
Dual front airbags, front-seat-mounted side airbags and side curtain airbags for both front and second-row seating positions are managed by an advanced sensor system that can respond even in certain rollover situations.

AIRBAG & SEAT BELT SENSORS†
An advanced sensor system manages six airbags by monitoring the severity of an impact, presence of passengers, and seat belt use, and then controls airbag inflation accordingly.

ROLLOVER SENSORS
If the airbag sensors detect an impending rollover, this system can deploy the side airbags, side curtain airbags and seat belt pretensioners.

FRONT SEAT BELT PRETENSIONERS
Pretensioners tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

SIDE-IMPACT DOOR BEAMS
All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The A and B pillars are also reinforced to help strengthen the body of the vehicle.

FRONT & REAR CRUMPLE ZONES
Front & rear crumple zones are specially engineered to help absorb and disperse impact energy, helping to preserve the structural integrity of the passenger compartment in certain collisions.

16 See Specifications page for outside. This system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. Inflated airbags are shown for illustration only. ©2022 S.M.I.
Kia is committed to producing world-class vehicles to suit most every driving need. This promise has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features and advanced safety systems. Kia's dedication to quality and value has also been widely recognized — one reason why Kia has been honored as a top 100 brand in Interbrand's Best Global Brands 2013 report.

The Kia Racing team is dedicated to competing against world-class competition — and winning. That dedication is part of Kia’s belief that the knowledge gained in competition can be applied to the entire Kia lineup to provide you with vehicles that perform beyond your expectations. The Kia Racing team includes championship-winning drivers with a proven track record, and during the 2013 racing season they kept the momentum going. That means you can look for Kia drivers in the winner’s circle at racetracks across America in the months ahead.

Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners as well as Kia’s designers with pride.

Commitment to America
Kia Motors has invested over $1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant recently produced its one millionth vehicle after less than four years of operation. The Sorento crossover and certain Optima models are currently being built at this plant. Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 6,000 jobs in West Point and the surrounding area. It’s all part of Kia Motors’ commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

Delivering on a promise
Kia is committed to producing world-class vehicles to suit most every driving need. This promise has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features and advanced safety systems. Kia’s dedication to quality and value has also been widely recognized — one reason why Kia has been honored as a top 100 brand in Interbrand’s Best Global Brands 2013 report.

Industry-leading warranty program
Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail gives Kia the confidence to back every model with an industry-leading warranty program.

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/60,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance

DonorsChoose.org
Kia is committed to providing assistance to those in need. That’s why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. To date, the “Double Your Impact” campaign — which began with Kia’s $1 million donation — has resulted in contributions from more than 21,000 “citizen philanthropists” and has benefitted nearly 500,000 public school students. In 2013, Kia launched a major funding campaign that will raise the total impact to $5 million in just two years.
**PACKAGES**

**LX/LX V6 CONVENIENCE PACKAGE**
