The perfect getaway vehicle

With bold exterior styling and the impressive performance of an available 3.3L GDI V6 engine and Dynamax™ fully active all-wheel drive,* the 2017 Kia Sorento is ready for a night on the town or an exhilarating getaway. Its available premium interior and seating for seven* provide exceptional comfort, while a range of available technologically advanced features* enhance everyday convenience. Like all Kia models, Sorento comes with an industry-leading, 10-year/100,000-mile warranty program† — a testament to its outstanding reliability.
Spacious and adaptable

A spacious and comfortable interior is complemented by a wide variety of seating configurations. Available third-row seats* allow Sorento to accommodate up to seven passengers or fold flat for increased cargo area. In addition, thoughtful features such as available sound-insulating acoustic glass* help provide an exceptionally quiet ride.

1. DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL*
   To create personalized climate zones for both the driver and front passenger, the available dual-zone automatic temperature control has individual temperature settings. Rear-seat passengers have their own rear vent.

2. SPLIT-FOLDING SEATS*
   The second- and third-row seats both have a split-folding design that lets you easily carry longer items3 as well as passengers.

3. RECLINING/SLIDING SECOND-ROW SEATS4*
   Reclining second-row seats with a fold-down center armrest allow passengers to sit back and relax. On models with available third-row seats, the second-row seats also slide forward, giving you easy access to the third row.

CLUSTER IONIZER*
   The available dual-zone air-conditioning system includes a cluster ionizer. It works silently and efficiently to help purify air in the cabin.

PANORAMIC SUNROOF*
   The available panoramic sunroof creates a feeling of spaciousness and features a convenient power sunshade.

NAPPA LEATHER SEAT TRIM*
   Available premium Nappa leather seat trim on all three rows of seats provides a soft, luxurious feel for exceptional comfort.

3, 4. *See Features and Specifications pages for availability and limitations. Not all optional features are available on all trims. Simulated screen shown. Image #1 shown for illustration only.
MORE OF A GOOD THING

A spacious and easy-to-access cargo area makes Sorento remarkably versatile. A variety of roomy, well-designed storage compartments help you keep miscellaneous items organized and securely in place.

1. SMART-POWER LIFTGATE™
An available programmable-height Smart-Power Liftgate® opens automatically if you simply stand behind it for three seconds with the available Smart Key™ in your possession — which is especially helpful when you have your hands full.

2. POWER LIFTGATE CLOSE* A touch of a button will close the available Smart-Power Liftgate™.

3. 110-VOLT POWER INVERTER* A handy available 110-volt power inverter lets you plug electronics — anything from a laptop computer to a camcorder — right into an electrical power outlet.

4. LARGE CENTER CONSOLE STORAGE
The center console features a padded flip-up armrest. Inside, it has a large sliding tray and storage compartment, along with a rapid-charge USB outlet.

5. THIRD-ROW AIR-CONDITIONING CONTROL* Available controls let third-row passengers adjust the airflow or turn it on/off.

6. CONCEALED STORAGE* Store items out of sight with a spacious compartment hidden beneath the cargo floor. You may also keep loose items neatly organized with the available tray.

REAR POWER OUTLETS
Second-row passengers have quick and easy access to 110-volt, USB, and 12-volt power outlets located on the back of the center console.

STAIN-RESISTANT CLOTH SEATS
Cloth seat trim with YES Essentials® fabric treatment on the L and LX features anti-soil surfaces for added durability and easy cleaning.

SX LIMITED SHOWN

Remarkably refined

Sorento is designed to provide a luxurious driving experience. A long list of available premium features, including a voice-command navigation system that delivers updated highway conditions from SiriusXM Traffic, also enhance everyday convenience.

1. VENTILATED FRONT SEATS* Stay cool on hot summer afternoons, thanks to available ventilated driver and front-passenger seats that circulate cool air through perforations in the seat leather.

2. HEATED SEATS* For comfortable driving in cold weather, heated front seats and second-row outboard seat cushions are available.

3. HEATED STEERING WHEEL* Sorento’s premium features include an available heated steering wheel that is especially appreciated on cold winter days.

4. PUSH-BUTTON START* For everyday driving convenience, you can start or stop the engine with the push of a button, and open a locked door with the available Smart Key remote — even when you have it in your pocket or purse.

5. MEMORY SETTINGS* An available memory system remembers two drivers’ seating preferences, recalling stored positions for the driver’s seat and outside mirrors.

6. POWER SEAT-CUSHION EXTENSION* An available power-adjustable driver’s seat-cushion extension is a welcome luxury, providing extra support and allowing drivers to select their own custom comfort settings.

7. SECOND-ROW SUNSHADES* Rear-seat passengers can enjoy a more comfortable ride with available side-window sunshades.

8. ELECTRONIC PARKING BRAKE* For convenient operation, the available electronic parking brake is automatically released when you shift out of Park.

DID YOU KNOW?

To help block road noise for a quieter ride and improve airflow, Sorento has large aerodynamic panels that line the underbody.

INTERIOR FEATURES
Advanced technology at your command

Sorento features an impressive array of technologically advanced systems. They are designed to enhance your confidence on the road, increase your entertainment options, and provide a steady stream of information designed to help you make better, more timely driving decisions.

1. UVO — SHORT FOR “YOUR VOICE”®
   The available UVO eServices Infratmation System provides you with an easy, hands-free way to connect to your Sorento by seamlessly integrating your compatible smartphone* with your vehicle. UVO eServices® lets you stream music, download apps from the App StoreSM or Google PlayTM. An available free app, downloaded through myUVO.com with a computer.

2. APPLE CarPlay™
3. ANDROID™ AUTO
   Apple CarPlay® and Android Auto let you take full advantage of the available UVO eServices™ Infotainment System by simply connecting your compatible smartphone® with a USB cable. You can then use it to navigate to your destination, make phone calls and retrieve voicemail, receive text messages and respond to them verbally, and more. Plus, compatible apps are displayed onto the touch screen.

4. UVO eSERVICES APP
   An available free app, downloadable at the App Store™ or Google Play™. Store.® lets you use a compatible smartphone® to access UVO eServices™ features. Or access UVO eServices™ through myUVO.com with a computer.

5. HD HEADLIGHTS™
   Available High-Intensity Discharge (HID) headlights with Auto-Leveling and Dynamic Bending Light automatically maintain proper level of projection and pivot to follow the curves of the road to help enhance visibility. Dynamic Bending Light automatically adjusts the intensity of the headlight beams to follow the curve of the road, ensuring that drivers can see at all times.

6. SMART WELCOME®
   Sorento is smart enough to know when you’re coming and greets you with a warm welcome. When you approach your vehicle and it detects the presence of the available Smart Key remote®, the available Smart Welcome® system illuminates the power-folding mirrors and turns on the interior and door-handle lights. To help you see things behind your vehicle, the available Surround-View Monitor utilizes four cameras to provide a view around the vehicle — which is especially helpful when parking.

7. AUTONOMOUS EMERGENCY BRAKING®
   This available system is designed to detect and monitor vehicles traveling ahead of you. If it then works to automatically apply the brakes if it determines a crash might be imminent, helping to avoid a collision or mitigate the effects if it cannot be avoided.

8. LANE DEPARTURE WARNING®
   This available feature warns the driver of the potential impact, encouraging the driver to decelerate. If the driver does not respond, Forward Collision Warning System activates and alerts when the vehicle detects objects immediately ahead that may cause a potential impact, encouraging the driver to decelerate.

9. ADVANCED SMART CRUISE CONTROL®
   Available Advanced Smart Cruise Control uses radar to maintain a predetermined distance from the vehicle directly ahead, automatically slowing or accelerating your Sorento when appropriate.

10. FORWARD COLLISION WARNING SYSTEM™
    Available Forward Collision Warning System actively and alerts when the vehicle detects objects immediately ahead that may cause a potential impact, encouraging the driver to decelerate.

11. BLIND-SPOT DETECTION WITH LANE-CHANGE ASSIST™
    An available radar system helps detect vehicles in the driver’s blind spot and then provides audio and visual alerts. Lane-Change Assist helps detect vehicles approaching from behind.

12. REAR CROSS-TRAFFIC ALERT™
    This available system is designed to detect and monitor vehicles traveling ahead of you. If it then works to automatically apply the brakes if it determines a crash might be imminent, helping to avoid a collision or mitigate the effects if it cannot be avoided.

13. REAR PARK ASSIST SYSTEM™
    An available radar system helps detect vehicles in the driver’s blind spot and then provides audio and visual alerts. Lane-Change Assist helps detect vehicles approaching from behind.

14. REAR-CAMERA DISPLAY™
    This available system is designed to detect and monitor vehicles traveling ahead of you. If it then works to automatically apply the brakes if it determines a crash might be imminent, helping to avoid a collision or mitigate the effects if it cannot be avoided.

15. SURROUND-VIEW MONITOR™
    The available Surround View Monitor utilizes four cameras to provide a view around the vehicle — which is especially helpful when parking.

The power to get away

Go ahead and let your imagination soar. Sorento’s outstanding performance and available Dynamax™ fully active all-wheel drive (AWD)™ allow you to chase life’s adventures wherever the road leads. At the heart of the AWD system is an intelligent control unit that anticipates road conditions and applies torque vectoring when necessary for increased control. Plus, its unibody design and independent suspension provide an exceptionally smooth ride along with precise handling that you’ll enjoy through every twist and turn.
Dedicated to making safety a top priority

Sorento’s technologically advanced systems are engineered to give you greater confidence on the road and help you maintain control, even in harsh road conditions and some emergency situations. In addition, these systems are designed to function automatically, freeing you to focus on safe driving.

ACTIVE SAFETY

1No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly.

VEHICLE STABILITY MANAGEMENT (VSM)

For additional steering-direction-control capability, the VSM system intervenes in appropriate situations to help the driver regain control of the vehicle.

ELECTRONIC STABILITY CONTROL (ESC)

ESC provides improved directional stability to help maintain better control in difficult driving situations. During emergency maneuvers, it works to control the engine and brakes to help keep your Sorento on course.

TRACTION CONTROL SYSTEM (TCS)

When TCS senses wheelspin during acceleration, it uses a combination of both engine power and brake force to help transfer power to the wheels that have the most traction.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

To help maintain more consistent braking as vehicle loads and weight distribution change, the EBD system automatically adjusts the front-to-rear balance of brake pressure.

BRAKE ASSIST SYSTEM (BAS)

If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

HILL-START ASSIST CONTROL (HAC)

When starting off on a steep hill, HAC automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

ANTI-LOCK BRAKING SYSTEM (ABS)

ABS is the foundation of an active safety system and helps contribute to driver confidence. The system helps provide greater vehicle control when stopping in difficult conditions like wet or slippery roads.
Advanced engineering for your protection

At Kia, the process of improving all aspects of safety is relentless. As a result, continuous engineering advances and breakthroughs in material design have led to Sorento's exceptionally strong body construction, strategically placed airbags, and advanced sensors, all of which help to increase your peace of mind.

**ADVANCED AIRBAG SYSTEM**
As a first line of defense, an advanced airbag system helps protect driver and passengers with dual front, front seat-mounted side, and full-length side-curtain airbags.16

**AIRBAG & SEAT-BELT SENSORS**
This advanced system monitors the severity of certain impacts, the presence of a front passenger and seatbelt use, and then controls airbag inflation accordingly.16

**FRONT SEAT-BELT PRETENSIONERS**
Sorento's advanced safety features include pretensioners that have been designed to tighten the front seat belts in the event of certain collisions. This can help to reduce the likelihood of injuries.

**HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS**
The front height-adjustable seat-belt anchors allow the driver and front passenger seat belts to be raised and lowered for a proper fit, helping ensure effective operation.

**FRONT & REAR CRUMPLE ZONES**
Both front and rear crumple zones are engineered to help absorb and disperse impact energy, helping to preserve the basic structural integrity of the vehicle's passenger compartment in certain collisions.

**ROLLOVER SENSOR**
If the airbag sensors detect an impending rollover, this system can deploy the side airbags, side curtain airbags, and seat-belt pretensioners.

**SIDE-IMPACT DOOR BEAMS**
All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. In addition, the A and B pillars are also reinforced, further helping to strengthen the body of the vehicle.

**LATCH SYSTEM**
Sorento features the easy-to-use Lower Anchors and Tethers for Children (LATCH) system. It is engineered to let you securely install a compatible child seat at either end of the second-row seat.

**AIRBAG & SEAT-BELT SENSORS**
This advanced system monitors the severity of certain impacts, the presence of a front passenger and seatbelt use, and then controls airbag inflation accordingly.16

**FRONT SEAT-BELT PRETENSIONERS**
Sorento's advanced safety features include pretensioners that have been designed to tighten the front seat belts in the event of certain collisions. This can help to reduce the likelihood of injuries.

**HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS**
The front height-adjustable seat-belt anchors allow the driver and front passenger seat belts to be raised and lowered for a proper fit, helping ensure effective operation.

**FRONT & REAR CRUMPLE ZONES**
Both front and rear crumple zones are engineered to help absorb and disperse impact energy, helping to preserve the basic structural integrity of the vehicle's passenger compartment in certain collisions.

**ROLLOVER SENSOR**
If the airbag sensors detect an impending rollover, this system can deploy the side airbags, side curtain airbags, and seat-belt pretensioners.

**SIDE-IMPACT DOOR BEAMS**
All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. In addition, the A and B pillars are also reinforced, further helping to strengthen the body of the vehicle.

**LATCH SYSTEM**
Sorento features the easy-to-use Lower Anchors and Tethers for Children (LATCH) system. It is engineered to let you securely install a compatible child seat at either end of the second-row seat.
Discover world-class quality

Kia is committed to producing exceptional vehicles with superb quality and reliability to suit most every driving need. From compact to crossover, every Kia delivers an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems.

COMMITMENT TO AMERICA
Kia Motors has invested over $11 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant has produced over 2 million vehicles since 2009. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant. Together with an on-site analytical lab, the Georgia facility is responsible for the creation of more than 7,000 jobs in West Point and the surrounding areas. It’s all part of Kia Motors’ commitment to America—a commitment that is sure to grow and strengthen in the years ahead.

INDUSTRY-LEADING WARRANTY PROGRAM
Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.

10-year/100,000-mile limited powertrain warranty
5-year/60,000-mile limited basic warranty
5-year/100,000-mile limited anti-perforation warranty
5-year/60,000-mile 24-hour roadside assistance

TAKING ON THE COMPETITION
The Kia racing team has gone head-to-head with world-class rivals—and won. Motorsport is an proven test bed for reliability, durability, and performance, and the knowledge gained on the racetrack helps Kia manufacture award-winning vehicles that perform beyond your expectations. In six years of racing, Kia won a total of seven championships with three models—Rio 5-Door, Forte Koup, and Optima.

INDUSTRY-LEADING WARRANTY PROGRAM
Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.

10-year/100,000-mile limited powertrain warranty
5-year/60,000-mile limited basic warranty
5-year/100,000-mile limited anti-perforation warranty
5-year/60,000-mile 24-hour roadside assistance

COMPELLING DESIGN
Under the direction of President and Chief Design Officer Peter Schreyer, Kia vehicles have captured worldwide attention for their interior and exterior styling. The passionate collaboration of Kia’s designers has created a look that makes every model as bold as it is distinctive.

Actual exterior and interior colors may vary from printed brochure. ©2017 Kia Motors America.

PACKAGES

LX CONVENIENCE PACKAGE

- Heated steering wheel
- Ventilated front seats
- Electronic parking brake
- HID headlights with auto-leveling & dynamic bending light
- Lane departure warning system
- Forward collision warning system
- Autonomous emergency braking system
- Supervision meter cluster with TFT color LCD
- Push-button start with smart key remote
- Smart-power liftgate
- Black or beige leather (1st & 2nd rows only)
- 10-way power-adjustable driver’s seat (includes lumbar support)
- Rear cross-traffic alert
- Blind-spot detection
- Auto-up/down safety window (front & rear passenger)
- Power-folding mirrors
- 110-volt power inverter
- Auto-on/off headlights (2.4L only)*
- Auto-dimming rearview mirror
- Rear park assist sensor
- Dual-zone automatic temperature control
- Superintention meter cluster with TFT color LCD
- 3rd-row air-conditioning control (V6 only)*
- Supercruise cruise control
- Superintention meter cluster
- Superintention meter cluster
- Panoramic sunroof (EX only)*
- Chrome roof rails (EX only)*

LX ESSENTIALS PREMIUM PACKAGE (V6 only, requires LX convenience package)

- Black or beige leather (1st & 2nd rows only)
- Smart-power liftgate
- Push-button start
- Autonomous emergency braking system
- Lane departure warning system
- Forward collision warning system
- Autonomous emergency braking system
- Lane departure warning system
- LED headlights
- Power sunroof (EX only)*
- Leather-wrapped steering wheel & gearshift knob
- 10-way power-adjustable driver’s seat (includes lumbar support)
- 3rd-row air-conditioning control (V6 only)*
- Auto-on/off headlights (2.4L only)*
- Auto-dimming rearview mirror
- Rear parking assist sensor
- Dual-zone automatic temperature control
- Heated front seats
- UVO eServices infotainment system
- 7” touch screen, Apple CarPlay & Android Auto
- Supervision meter cluster
- Rear cross-traffic alert (V6 only)*
- Blind-spot detection
- Lane change assist (2.0T only)*

LX ADVANCED TECHNOLOGY / EX ADVANCED TOURING PACKAGE (requires LX convenience or EX premium package)

- Autonomous emergency braking system
- Advanced smart cruise control
- Forward collision warning system
- Lane departure warning system
- Electronic parking brake
- Supervision meter cluster with TFT color LCD
- Panoramic sunroof (EX only)*
- LED interior lighting (EX only)*
- Chrome roof rails (EX only)*

EX PREMIUM PACKAGE

- Smart-power liftgate
- Power-folding mirrors
- Auto-up/down safety window (front & rear passenger)
- 110-volt power inverter
- Rear cross-traffic alert (2.0T only)*

SX ADVANCED TECHNOLOGY PACKAGE

- Autonomous emergency braking system
- Advanced smart cruise control
- Forward collision warning system
- Lane departure warning system
- Electronic parking brake
- Ventilated front seats
- Heated steering wheel

* Optional on select EX engines as indicated.

6, 12, 15, 16 See Specifications page for endnotes. Simulated screens shown. Images shown for illustration only.
### FEATURES

#### MECHANICAL & EXTERIOR

- 2.0L Turbocharged 4-cylinder gasoline engine
- 6-speed transmission
- 19” tires w/chrome-finish alloy wheels
- 10-way power-adjustable driver’s seat w/seat extension
- Traffic,7 Apple CarPlay™ & Android Auto
- Autonomous Emergency Braking
- Side curtain airbags (1st and 2nd rows)
- Smart-Power Liftgate™ w/sensor
- Surround-View Monitor
- Height-adjustable front seat-belt anchors
- Cruise control
- Blind-Spot Detection w/Lane-Change Assist
- Rear-Camera Display
- UVO eServices Infotainment System w/8” touch transmission
- 110-volt power inverter
- Air conditioning
- Supervision meter cluster w/7” TFT color LCD w/auto defog system & cluster ionizer
- Vehicle Stability Management (VSM)
- Windshield wiper w/de-icer (w/AWD only)
- Heated steering wheel
- Leather-wrapped steering wheel & gearshift knob
- reclining 2nd-row seats
- Rear air-conditioning control (3rd-row seats only)
- Dual-zone automatic temperature control

#### INTRUINER & CONVENIENCE

- Multi-function swivel-and-glide steering wheel
- Dual-zone Automatic Headlighting
- Voice Recognition system
- Smart Power Liftgate™/Tailgate
- Push-hand control tailgate
- Smart Access

#### SEATING & TRIM

- Cloth seats/US Essentials™ fabrics treatment
- Leather-trimmed 1st and 2nd row seats
- Premium Nappa leather seat trim
- Heated rear seats
- Dual-zone climate controlled front seats
- Ventilated front seats
- Heated wiper de-icer and rear window wiper/washer control
- Driver’s power lumbar support
- Heated steering wheel w/steering wheel control

#### RESTRAINT & SAFETY SYSTEMS

- Dual front airbags
- Dual front seat-mounted side airbags
- Side curtain airbags (1st and 2nd rows)
- Driver and passenger 2-stage full-time front airbags
- Electronic Stability Control (ESC)
- Anti-lock Braking System (ABS)
- Electronic Brake-Force Distribution (EBD)
