

2015
LINCOLN MKS

Beauty is more than skin deep.

Inside and out, MKS is full of special touches. A signature Lincoln split-wing grille flows up the elegant front end and into HID headlamps, which enhance an already attractive exterior. A flowing interior is highlighted with rich, leather-trimmed seats and premium woods, and a dual-panel moonroof¹ lets the outside in to give everyone a clear view. Beauty. You are the beholder.

Small changes can make a big difference.

We put an emphasis on details – like chrome accents that sparkle just so in the light, and strong lines that give an element of confidence and grace from every angle. We also know that even the slightest changes to those details can be very impactful. It's evident in the way a newly redesigned rear decklid gives MKS a refined and refreshed look. The enhanced angle is designed to give you a better grip while closing it, and the relocated release button makes opening it easier too. Minor change? Yes, but it's made a big difference.

Power play.

Choice is the greatest power.

Sometimes, in order to discover your full potential, you have to push your limits. The same can be said about MKS. The 3.5L EcoBoost® V6 engine¹ is designed to give you the fuel economy you need² – and the performance you desire. Or explore what can happen when you experience the 3.7L Ti-VCT V6 with Active Grille Shutters that automatically open and close to help improve aerodynamics and fuel efficiency.³ Active noise control¹ picks up on unwanted engine sounds, then uses your audio system to send opposing sound waves in order to cancel them out – giving you refined interior acoustics to help make music or conversation even more enjoyable. The choice is yours.

¹Available feature. ²EPA-estimated rating: 17 city/25 hwy/20 combined mpg, 3.5L EcoBoost V6, AWD. Actual mileage will vary.
³EPA-estimated rating: 19 city/28 hwy/22 combined mpg, 3.7L V6, FWD. Actual mileage will vary.

Adaptation is key.

MKS believes in embracing change – and makes it easy. For example, Lincoln Drive Control with continuously controlled damping lets you select between 3 drive modes – Normal, Comfort or Sport – to match your driving style. And, because road surfaces are always fluctuating, the system reads inputs every 2 milliseconds, and then quickly adjusts to make sure your car and the road are in unison. Electric power-assisted steering gives the right amount of steering assistance for your driving situation. While Torque Vectoring Control automatically adjusts the speed between your front wheels for enhanced cornering and agility, so you can adapt to your surroundings without missing a beat.

Inner peace.

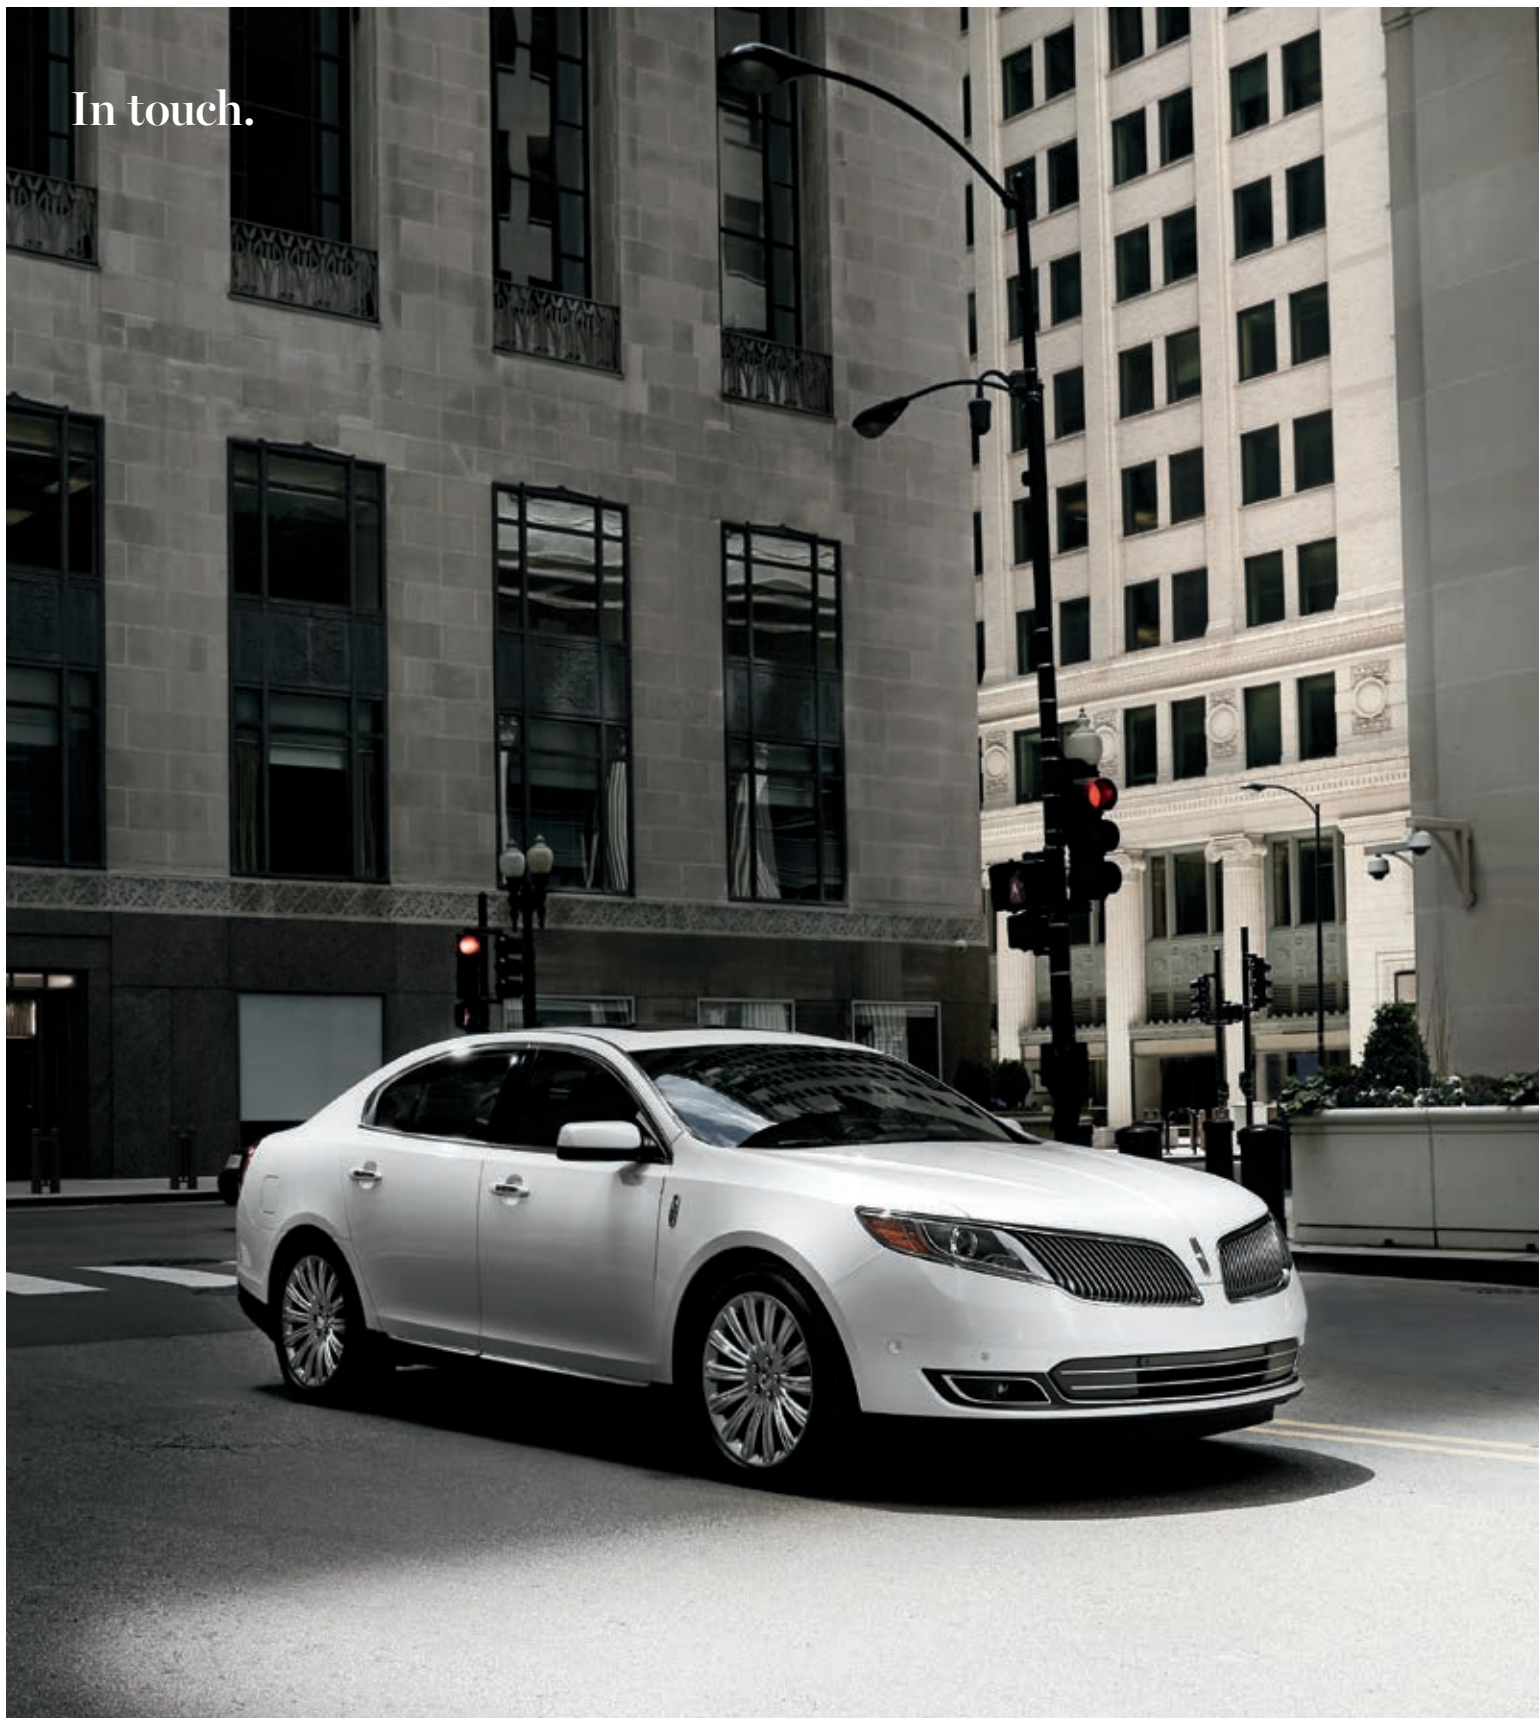

Comfort zone.

Take a seat inside MKS, and experience all it has to offer. Beginning with the multicontour front seats with Active Motion^{®1} that are heated and cooled, leather-trimmed, and designed to help relieve fatigue in your upper legs and lower back. And a curved steering wheel that's warmed with the touch of a button¹ – just like the heated, outboard rear seats.¹ And, if you find peace in the great outdoors, MKS gives you a bit of that too, with a dual-panel moonroof¹ that brings a touch of the outside, in. It's time to get comfortable.

¹Available feature.

In touch.

Second nature.

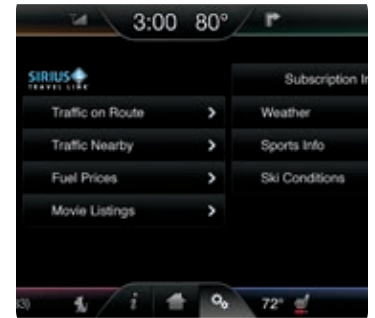

With MKS, parallel parking is easy thanks to active park assist.¹ Ultrasonic sensors measure open spaces, and help you find a parking spot as small as 1.2 times the length of your vehicle. Then, the system guides you into it, while you control the brake, shifter and accelerator, helping to make parallel parking almost unparalleled.

BE AWARE. When you're backing out of – or into – a parking spot or garage, the standard Reverse Sensing System uses sensors on the rear bumper and a warning sound to help alert you, while a rear view camera gives you a view of what's behind you.

THINK AHEAD. The Forward Sensing System on MKS uses sensors on the front bumper to detect objects that are in front of you, and then sounds an audible tone if something is there. It's just one more way we're helping you stay ahead of it all.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

Personal connections.

With MKS, it's simple. Say a command and stay in touch without taking your hands off the wheel with hands-free calling. Traffic alerts on major accidents, construction and road closings from SiriusXM® Traffic and Travel Link® services¹ with a 6-year subscription let you know you'll be on time. And 3D maps¹ from SYNC® with MyLincoln Touch™² help guide you there. Or touch the signature 8" color LCD screen, and your favorite song from your MP3 player will play through your vehicle speakers. The sound will fade automatically so you don't miss a call or incoming text. Here, staying connected is a breeze.

EXPERIENCE THE DIFFERENCE. The THX® II Certified Audio System¹ gives every passenger a front-row seat to the concert. Specialized sound processing technology combined with 16 speakers and 700 watts of power brings the feel of a live show to your everyday commute.

¹Available feature. ²Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

A sense of awareness.

BE MINDFUL. Your MKS has features that are designed to help you see things that might otherwise be out of view. BLIS® (Blind Spot Information System)¹ uses radar sensors to help you detect when a vehicle is in your blind spot, and then alerts you with a light in the corresponding sideview mirror. And cross-traffic alert¹ lets you know when a vehicle is crossing behind you as you slowly back out of a parking spot, and alerts you with a glowing icon in your sideview mirror and an alarm.

STAY THE COURSE. MKS can help you stay centered. The Lane-Keeping System^{1,2} can alert you with a steering wheel vibration if it senses you drifting out of your lane, and can then apply steering wheel torque to help direct you to steer back into it. And the Driver Alert System displays a coffee cup icon in your gauge cluster if it detects that you need to take a break from driving.

BE PREPARED. Adaptive cruise control and collision warning with brake support¹ adjusts to fit your driving style. Using radar to constantly scan for slower vehicles in front of you, it can automatically change your speed to maintain your preset gap – and can even pre-charge the brakes to help prepare you for a sudden stop.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Lane-Keeping System does not control steering.

Safe travels.

MKS helps keep you on course. With adaptive HID headlamps that automatically adjust to high beams when needed to help illuminate your path, and AdvanceTrac® with Curve Control that helps you stay on that path.¹ The SOS Post-Crash Alert System™ can unlock doors and flash lights to let others know you need help.² And airbags – front and side – help make all of your travels safe ones.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

LINCOLN AUTOMOTIVE FINANCIAL SERVICES

Whether you decide to purchase or lease, you'll find a plan designed to fit your individual needs. Visit LincolnAFS.com or your Lincoln Dealer to explore your financing options.

LINCOLN EXTENDED SERVICE PLAN

For a purchase or lease, Lincoln Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Whether looking for additional mechanical, prepaid maintenance or tire protection plans, Lincoln ESP has you covered. Ask your dealer for Lincoln ESP, the only service contract backed by Lincoln and honored at all Lincoln dealerships in the U.S. and Canada.

Comparisons based on competitive models (class is Luxury Full-Size Sedans), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Lincoln reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Lincoln Dealer is the best source of the most up-to-date information on Lincoln vehicles.

After trial period expires, SiriusXM Satellite Radio, SiriusXM Traffic and Travel Link subscriptions are sold separately or as a package and are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. SiriusXM Traffic and Travel Link available in select markets. This is our promise – The Lincoln Pledge.

It's the collective promise of everyone at the Lincoln Motor Company – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we'll be there for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN LIMITED WARRANTIES²

You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable.

LINCOLN COMPLIMENTARY MAINTENANCE³

We are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation scheduled to accommodate your busy life.

LINCOLN ROADSIDE ASSISTANCE FOR LIFE³

Help is only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing to the closest Lincoln dealership – or to your preferred Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services 24/7 for as long as you own the vehicle – at no charge.

COMPLIMENTARY CAR WASH⁴

At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle that looks just as beautiful as the day you bought it. It's just another shining example of our commitment to you.

COMPLIMENTARY LOANER⁴

Should your Lincoln require warranty service, you can count on us to be there for you with a complimentary loaner vehicle. It's just one more way to let you know that we'll be here for you.

SERVICE PARTS WARRANTY

We'll stand behind our service – and you – with a 2-year, unlimited-mile warranty on both parts and labor.

LINCOLN CLIENT RELATIONSHIP CENTER

When you own a Lincoln, you can take comfort in knowing that we'll be by your side from beginning to end. Our caring agents are empowered to handle your concerns – no matter how big or small they might be.
