

LINCOLN MKX
2013

MKX

How should a luxury CUV behave? With respect and authority. In this driver's seat, surrounded by fine materials and backed by the latest features, you feel the commitment. Lincoln MKX slips through traffic with 305 hp and 280 lb.-ft. of torque, accelerating smoothly to highway speed quickly thanks to its highly advanced 3.7L Ti-VCT V6 engine with twin independent variable camshaft timing.

At the same time, it delivers best-in-class fuel efficiency: 26 mpg hwy/19 city.¹ How? Thoughtful engineering. An example: When you open up Lincoln MKX on a straightaway and then back off on the gas pedal, the engine shuts off fuel flow during deceleration. This very precise timing technique gives you seamless power without consuming unnecessary drops of fuel to do it. New rules of engagement are now in effect.

CONSIDER IT THE LINCOLN CODE OF CONDUCT.

Ingot Silver Metallic. Available equipment.

¹EPA-estimated, FWD. Class is Luxury Midsize Utilities, non-diesel/non-hybrid vs. 2012 competitors.

LINCOLN MKX
2013

LINCOLN.COM

WHERE WILL YOU BE WHEN IT STRIKES?

Clouds suddenly appear overhead. The surface gets slick. You're prepared. Lincoln MKX can react to changing road conditions by transferring torque to the wheels with the best traction. Experience confident grip and solid response as you take corners and change lanes in a variety of road conditions. Feel free to venture out.

Intelligent all-wheel drive¹

A spectacular curve unfolds before you. You sense the urge to take over. Feel free with Lincoln MKX. It invites you to upshift and downshift right on the steering wheel. You get the convenience of an automatic with the exhilarating control of a manual. You choose.

6-speed SelectShift Automatic® transmission with paddle activation

Ingot Silver Metallic. Available equipment.

¹Available feature.

LINCOLN MKX

LINCOLN.COM

It's easier to connect in here. Conversation flows. Worries fade. With SYNC®, there's no phone to find. No MP3 player to fumble. There is only the ease and elegance of open communications controlled by your voice commands and touch. SYNC with MyLincoln Touch™ puts it all together, seamlessly.

This intuitive onboard system integrates your calling, contacts, music, information, climate controls, and even your personal choices, and makes them easy to access: Just say the word or touch a button. Information displays on the vibrant MyLincoln Touch 8" LCD touch screen. So you can choose your course and focus on your driving.

LET FREEDOM RING, THEN PICK UP THE CALL WITHOUT EVEN PICKING UP THE PHONE.

Dial and talk, hands-free. Check your personalized stocks, weather, news and more, before you reach the office (with SYNC Services). Scroll through playlists from all your music sources, right on the center screen. Then, say the name of the song you want to hear. And it plays it. The system automatically mutes volume to ensure you don't miss an incoming call - or a beat.

Phone and entertainment services¹

Use MapQuest® to send your destinations to your car. Ask SYNC Services for a 411 business search, or say a specific address. Turn-by-turn directions appear on your screen. Lincoln MKX is always looking out for you. It can alert you to traffic delays along your route. And, if an airbag deploys, it uses your own phone to call for help - if you can't.²

Directions and 911 Assist®¹

¹Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. SYNC Services is complimentary for 3 years for owners of new vehicles. Subscription fees apply after 3 years. Traffic alerts and turn-by-turn directions available in select markets. Message and data rates may apply. Not all features are compatible with all phones. ²The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed.

Day in and day out, Lincoln MKX surrounds you in genuine olive ash¹ or walnut swirl wood,¹ and rich Bridge of Weir™ leather trim.¹ Feel the wheel: It warms to take the edge off.¹ Breeze into your front seats - they're perforated and cooled. Dial in the perfect position in 10 different ways, including lumbar. Memory settings for 2 ensure that even if you share with another driver, you'll feel as if Lincoln MKX is tailored just for you.

When you choose to transport others, its generous space pleases everyone. A panoramic Vista Roof®¹ opens the entire cabin to enormous views of the passing clouds. Let them watch the city lights while heat emanates through the front and rear-outboard¹ seating positions. And, if need be, take along even more cargo. The 2nd-row seats fold down for additional rear cargo space. Lincoln MKX always puts on its best.

SPOILS YOU 10 WAYS TO SUNDAY.

LINCOLN.COM

The traffic ahead ebbs and flows for miles,
yet the cruising is as smooth as the conversation.

In spite of slows and starts in front of you,
your vehicle is designed to maintain a preset gap,
keeping pace with the changing speeds ahead of you!

YOU ENJOY THE INTIMACY. WE'LL HELP YOU KEEP YOUR DISTANCE.

Premium Medium Light Stone leather. Available equipment.

¹Available feature.

LINCOLN MKX

LINCOLN.COM

With the accuracy of invisible radar waves,
Lincoln MKX can measure and monitor your surroundings, then react.

Without a word from you.

NO "PLEASE" OR "THANK YOU" REQUIRED.

Cruising on the highway in an unpredictable stream of cars, Lincoln MKX can change its speed to maintain a preset gap from the car ahead.

Adaptive cruise control¹

If the car ahead of you slows suddenly, Lincoln MKX can flash an alert on your windshield to get your attention. It also pre-charges the brakes to prepare for a sudden stop. Save the moments that make your heart race for the best things in life.

Collision warning with brake support¹

What's around the next corner? Ease and illuminate night driving with bright, brilliant headlamps that actually point in the direction you turn the steering wheel. They're more intense than halogens.

Adaptive HID headlamps¹

Ingot Silver Metallic. Available equipment.

Invisible waves¹ accompany you wherever you travel with Lincoln MKX. Equipped with this radar power, you have help on your journey.

It's checking because there are some things you may not be able to see. Fortunately, Lincoln MKX can help detect them.

IS IT ON YOUR RADAR? JUST IN CASE, WE'RE CHECKING OURS.

Ingot Silver Metallic. Available equipment.

¹Available feature.

LINCOLN MKX
2013

LINCOLN.COM

A motorcycle is in your blind spot. Without a little assistance, you may not know it's there. Lincoln MKX sends out radar to help detect these drivers, then flashes a visual alert in your sideview mirror.¹ When all is clear, you're ready to proceed. Save the surprises. BLIS® (Blind Spot Information System)²

A vehicle crosses behind you as you back from a parking space. You may not see it, but your vehicle can detect it. An icon glows in your sideview mirror, and an audible alarm alerts you. Don't back up. Watch in your rear view camera² and you'll see the passing vehicle. Smart move, not to move. Cross-traffic alert²

Keep moving forward, even in Reverse. The graceful approach: Glance at your 8" color LCD screen. A vivid image of the scene behind you - projected from a tiny liftgate-mounted camera - helps guide you whenever you shift to R. Your garbage can and mailbox thank you. Rear view camera²

Ingot Silver Metallic. Available equipment.

¹BLIS replaces standard integrated blind spot mirrors. ²Available feature.

LINCOLN MKX
2013

LINCOLN.COM

Lincoln MKX surrounds you with a solid structural safety cage, 6 airbags – including full side curtains, and our Personal Safety System™, which deploys the front airbags in dual stages to help protect the driver and front passenger. If any airbag deploys or a safety belt pretensioner activates, the SOS Post-Crash Alert System™ unlocks doors automatically, and flashes the hazard lights and sounds the horn to attract attention.¹ And to help prevent spinouts on slippery roads or in emergency maneuvers, Lincoln MKX includes our AdvanceTrac® with RSC® (Roll Stability Control™) to help keep you on your intended course.²

PREPAREDNESS IS THE BEST PEACE OF MIND.

Tuxedo Black Metallic. Available equipment.

¹SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. Try to avoid water higher than the bottom of the hubs and proceed slowly. Refer to your Owner's Guide for detailed information regarding driving through water.

LINCOLN MKX
2013

LINCOLN.COM

Make every drive more entertaining, and reward your rear-seat passengers as they play video games or view DVDs with crisp images and outstanding sound. Includes 1 remote and 2 wireless headphones.

Dual head restraint DVD by INVISION™^{1,2}

Listen to music, sports, comedy, talk, news, entertainment and more, coast-to-coast, without the hassle of commercials, CDs or playlists with a 6-month trial subscription. Live traffic information, weather, fuel prices, sports scores and movie times are continuously updated.

SiriusXM Satellite Radio and SiriusXM Traffic and Travel Link^{1,3}

Experience theater-quality sound and astounding clarity specifically designed and acoustically engineered for Lincoln MKX with 650 watts of power, a 13-channel amp, and 14 speakers including a subwoofer.

THX® II Certified Audio System¹

¹Available feature. ²Lincoln Licensed Accessory. ³Requires optional Navigation System.

Adjust the volume and fan settings more easily than with a knob. With 10 distinct touchpoints within each slider, simply swipe to quickly set your personal settings.

Touch-sensitive slider controls

Access your music, browse through photos and even watch videos via 2 USB ports, an SD card reader and audio/video input jacks.¹ Passengers can even surf the Internet by plugging in a Wi-Fi[®] card.

SYNC[®] with MyLincoln Touch[™]

Quickly take the chill from your hands with a simple touch of the screen. Select from 6 different temperature settings with standard heated and cooled front seats.

Heated steering wheel² and heated and cooled front seats

Back up with confidence. A clear, full-color image of the area behind your vehicle is displayed on the 8" screen whenever Lincoln MKX is placed in Reverse.

Rear view camera²

With your key in your pocket, simply touch the door handle to quickly and easily unlock the doors. Lincoln MKX even starts with the push of a button. Just buckle up and press the brake pedal.

Intelligent Access with push-button start

¹Some features are only available when the vehicle is in Park. ²Available feature.

STANDARD FEATURES: Equipment Group 100A

ENGINE

- 3.7L Ti-VCT 24-valve aluminum V6
305 hp @ 6,500 rpm/280 lb.-ft. of torque @ 4,000 rpm

- Cargo volume (behind rear seats) 32.3 cu. ft.

LINCOLN AUTOMOTIVE FINANCIAL SERVICES Choose the vehicle you want. Whether you decide to lease or finance, you'll find the choices that are right for you. Ask your Lincoln Dealer for details.

INSURANCE SERVICES Get Lincoln quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-866-329-4367 for a no-obligation quote.

LINCOLN EXTENDED SERVICE PLAN For a purchase or lease, the Lincoln Extended Service Plan [ESP] gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Lincoln ESP, the only service contract backed exclusively by Lincoln and honored at all Lincoln dealerships.

GENUINE LINCOLN ACCESSORIES will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Lincoln Licensed Accessories [LLA] are warranted by the accessory manufacturer's warranty. LLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Dealer for details and/or a copy of all limited warranties.

ROADSIDE ASSISTANCE for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Dealer will provide complete details.

LINCOLN COMPLIMENTARY MAINTENANCE In addition to being one of the most technologically advanced and luxurious vehicles on the road, the new 2013 Lincoln MKX includes no-charge, 4-year/50,000-mile maintenance. Coverage consists of a maximum of 8 regularly scheduled maintenance services including an oil and filter change, tire rotation and multi-point inspection at each visit at no additional charge. See dealer for complete details.

LINCOLN WARRANTIES Additional peace of mind comes from a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable. See dealer for limited warranty details.
