### Emissions control - Three-way catalytic converter. Euro IV emissions compliant with full On Board Diagnostics (OBD).

### Transmission - C64 Gearbox, aluminium lightweight construction, 6-speed, close ratio, constant mesh helical gears and open differential.

### Brakes - Track tuned 4-channel Anti-lock Braking System (ABS) with Lotus/AP-Racing twin-piston fixed aluminium alloy front brake calipers, Brembo single-piston sliding rear calipers and 282 mm diameter, 26 mm thick front and rear cast-iron ventilated and cross-drilled discs.

### Chassis - Lotus designed lightweight structure of epoxy bonded aluminium alloy extrusions with integral steel seat-belt support structure and lightweight steel rear subframe.

### Steering - Solidly mounted mechanical rack and pinion steering box with 2.8 turns lock-to-lock.

### Suspension - Fully independent sport suspension utilising unequal length wishbones, BfStein mono-tube gas damper, Elbach coaxial coil spring at each corner and front anti-roll bar.

### Handling - 2-way adjustable suspension dampers, Adjustable front anti-roll bar.

### Warranty: Please refer to your dealer for manufacturer's warranty details (subject to terms and conditions).

### Cost options
- Air Conditioning
- Metallic Paint
- Custom Paint
- Extreme Paint
- Touring Pack
- Performance Pack

### Performance Pack***
- Alcantara/Carbon effect sport seats with Exige logo, 4-point harnesses (track use only), Cross-bar, Acrylic dipped door panels, Carbon effect door inserts, Twin oil coolers†

### Lotus Sport can offer the following track aftermarket accessories for the Exige
- Safety
- Performance
- Handling

### Lotus Sport: Please refer to the price list for full details of optional equipment and pricing. Please refer to the price list for full details of optional equipment and pricing.
