The Road car version is intended for use as a road going passenger car and for use in non-competition track day events. USE IN A COMPETITIVE MANNER, INCLUDING TIMED LAPS OR RUNS WILL INVALIDATE THE 12 MONTHS MOTORSPORT NEW VEHICLE WARRANTY. Participation in track day events other than competitive events or timed laps or runs will not invalidate the New Vehicle Warranty, unless the vehicle is hired to participate in such events on a commercial basis.

The Race car version is for competition use only and is NOT covered by the standard manufacturer’s warranty. Different service and maintenance procedures apply from the standard products. Engines and transmission are subject to specialised servicing and maintenance schedules; please refer to service notes for details, additional costs apply. Any type of timed, competitive vehicle use requires that a suitably qualified specialist applies expert levels of servicing and maintenance. Customers are responsible for ensuring their vehicle is compliant with specific race regulations.

Lotus reserves the right to modify prices, specifications and options without prior notice. Please consult your local Lotus dealer for more information. Verification of performance results should not be attempted on public roads. Lotus recommends that all local speed and safety laws must be obeyed and safety belts worn at all times. Errors and omissions excepted. Imagery for illustration purposes only. Actual specifications may vary. Warranty: 12 months or 6,000 miles.
