Does driving matter?

Does a long, winding road or an empty freeway on Sunday morning matter if the car you’re in doesn’t take advantage of the moment?

Does safety, technology, efficiency or even beauty matter, if a car doesn’t feel right in your hands?

If you build Mazdas, driving is what matters most.

That’s why everything we do makes driving better.

Like safety technology that inspires confidence.

Like engine technology that makes our cars and SUVs more fuel-efficient. Yet still responsive.

And designs that capture motion, even when the car isn’t moving.

What’s better than a great driving car?

A car company that won’t build anything less.

MAZDA: DRIVING MATTERS
THE CAR THAT MADE HISTORY NOW DEFINES THE FUTURE.

Born from a passion for driving, the spirit of the Mazda MX-5 Miata is built into the heart and soul of every Mazda. It’s this unrelenting belief that Driving Matters that makes a Mazda a Mazda. It’s why the original MX-5 became a world-renowned icon and what inspired an entirely new concept: the MX-5 Retractable Fastback. With every new vehicle we produce, our conviction that Driving Matters lives on.

THE FIRST-EVER MAZDA MX-5 MIATA RF

How do you top a classic? You create something entirely new. The MX-5 Retractable Fastback. Not just a convertible. Not just a hardtop. But both. It’s everything you love about the classic MX-5, plus a remarkably innovative fastback design that’s unlike anything else from Mazda. You get all the advantages of a hardtop with the spontaneous exhilaration of a convertible.

THE ICONIC MAZDA MX-5 MIATA

It’s the car that defined the modern roadster. The car that rekindled our passion for the classic British-style roadsters of the 1960s. Lightweight. Nimble. Intuitive. Yet extraordinarily fun to drive. The iconic MX-5. Even now, after more than a million produced, it remains the best-selling roadster of all time.
In one simple, intuitive and ergonomic step, the convertible top can be unlocked and dropped for pure driving enjoyment. Without having to leave the driver’s seat, the release is quick, smooth and effortless—and only requires one hand thanks to its integrated “assist spring” mechanism.

Our first-ever ingenious power retractable roof operates in a mere 13 seconds. Press a button and the fastback side pillars raise, the two overhead roof panels retract, and the rear window lowers itself behind the seats. The two fastback pillars return into place to retain the sleek fastback style.
To achieve "oneness" between a vehicle and its driver, Mazda engineers were inspired by the Japanese concept of Jinba Ittai, or "horse and rider as one." When a vehicle becomes an extension of the driver, only then is perfect harmony possible. That's why every Mazda MX-5, from throttle response and driver-centric cockpits to agile steering, delivers this feeling of Jinba Ittai. It's a time-honored belief in modern application. Achieved because Driving Matters.
OUR INSPIRATION.
KODO: "SOUL OF MOTION" DESIGN.

To infuse the dynamic movements of the KODO: "Soul of Motion" design language into every curve, corner and detail of the MX-5, artists and craftsmen created an unrestricted form. Recognized as the Speed Form, this sculptural exploration is nothing less than pure energy. Through the prioritization of an object’s elements, the Japanese aesthetic can be realized. Designers use this harmonious, creative process to shape and develop the look, allowing the visionary to change the smallest creases and curves to deliver optimal proportions. It’s no less than a passionate pursuit of excellence.
WHEN A CAR IS AN EXTENSION OF YOUR BODY, DRIVING IS AN EXTENSION OF YOUR SOUL.

The concept of Jinba Ittai, or “horse and rider as one,” is the inspiration for the MX-5. That a horse and its rider communicate by being instinctively in tune with each other—achieving effortless communication. To complete that same communication behind the wheel of an MX-5, Mazda engineers used multiple electromyograms and G sensors to analyze a driver’s interaction with the vehicle. From determining the exact location of the shift lever, to which muscles and precisely how much effort they need to shift, every aspect of the drive is engineered to not just connect you with your MX-5, but make you one with it.
AMENITIES AND INFOTAINMENT OPTIONS THAT KEEP YOU CONNECTED.

MAZDA CONNECT™ DISPLAY SYSTEM

The available 7-inch full-color touch screen display is your window to the world. Pair your mobile device via Bluetooth® to connect your MX-5 to streaming media, music and social content from Facebook and Twitter feeds. Let the factory-integrated navigation system on Grand Touring models keep you on course with voice-guided commands and advanced lane guidance and warning systems.

AUTOMATIC CLIMATE CONTROL

Driven with the top down and the wind in your hair is exhilarating. But even with the top up, you can still control the air in your MX-5. Grand Touring models feature automatic climate control. Just set the temperature and let the system maintain your cabin comfort. Sport and Club models allow for manual operation of the heating and cooling.

SHORT THROW SHIFTER

The distinctive Jinba Ittai experience is fully realized behind the wheel in the MX-5’s precise and ultra-responsive short-throw, close-ratio 6-speed manual gearbox. With a flick of your wrist, shifting from gear to gear is rapid and precise. Working harmoniously, the shifter, accelerator and clutch orchestrate a tempo with the driver that is unparalleled.

COMMANDER CONTROL

Navigating the options displayed on your available full-color display has never been easier. Just use the multifunction Commander control conveniently located on the center console to scroll through your infotainment choices.

SPORT SEATS

Heated leather-trimmed bucket seats with three comfort settings on Grand Touring models are designed to conform to your every curve and adjust to your specific driving position. To reduce vibration and improve holding capabilities of the driver, even in corners, the MX-5 seatbacks and cushions feature lightweight netting materials.

1Don’t drive while distracted. Even with voice commands, only use MAZDA CONNECT™/other devices when safe. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply.
YOUR OWN PRIVATE AMPHITHEATER.

The top is down. The sun is glistening. But even with outside noise, your tunes are crisp and clear. That’s because in Club and Grand Touring models, the Bose® Premium Sound System creates an individual sonic experience. With 9 speakers, including two 45mm UltraNearfield™ speakers positioned in each of the MX-5’s headrests, sound is as clear as day. From bass to treble, audiophiles can enjoy pure sound quality from their MP3s through two USB audio inputs. Only the roar of the MX-5’s engine will penetrate the cabin thanks to Bose® AudioPilot® 2 Noise Compensation Technology. Now unwanted noise is left where it belongs—outside.

ALWAYS PRECISELY IN BALANCE.

Even after 27 years, the engineers at Mazda remain passionate about the MX-5’s near-perfect 50/50 front-to-rear weight distribution. The quality-obsessed engineers who imagined and built the latest-generation MX-5 Miata and the MX-5 RF held fast to one simple philosophy: Preserve and innovate the front-midship engine and rear-wheel drive layout. Sustaining the deep-rooted belief that the MX-5 is not perfectly balanced until you, the driver, are literally sitting in the driver’s seat.
The respected and fundamental driving dynamics of the Mazda MX-5 are fueled by the need to build a sports car that’s lightweight, strong and a total blast to drive. All simply because Driving Matters. It’s in our DNA to build cars that are responsive and faithful, which is why it’s no wonder the MX-5 inspired a holistic approach to building our vehicles, called SKYACTIV TECHNOLOGY. SKYACTIV TECHNOLOGY makes for a lighter, stiffer and safer vehicle. And it is at the heart of the MX-5. Or is it the other way around? It’s the foundation for a strong, lightweight platform with a powerful-yet-efficient drivetrain that maximizes driving enjoyment with every drop of fuel. While you may not think about these aspects when you’re tearing it up on a canyon curve, it matters to us that you get the most out of your sports car.
“THE FASTBACK YOU’VE BEEN WAITING FOR, ONLY BETTER.”

–CarandDriver.com, March 2016
AFTER MORE THAN A MILLION PRODUCED, THERE'S STILL ONLY ONE.
MAZDA MX-5 ACCESSORIES.
IT'S YOUR MAZDA—MAKE IT YOUR OWN.
CARGO TRAY
This flexible, durable Cargo Tray protects against damage and spills by elevating your cargo on top of grooves designed to help divert and catch any messy liquids. Removes easily for quick cleanup.

CARGO NET
No one likes stuff rolling around in their trunk. Use our Cargo Net to secure your groceries, sports equipment and other loose items while keeping them handy for easy access.

INTERIOR LIGHTING KIT
Bring on the night. This feature brings an elegant, understated white accent lighting to the cockpit of your MX-5.

AERO KIT
Give your MX-5 a more aggressive stance with our Aero Kit. It features a front Air Dam, Rear Diffuser, Spoiler and Side Sill Extensions.

TUNNEL UNDER BARS
Our Tunnel Under Bars are designed to integrate perfectly with your standard MX-5 crossover to suppress unwanted body flex and twisting caused by cornering. It gives you more traction and improved handling performance, allowing you to keep momentum through turns.

ALL-WEATHER FLOOR MATS
Protect your car from the elements, as well as a spilled coffee on your way to work. Our specially fitted All-Weather Floor Mats are designed to hold a healthy amount of liquid, making spills easier to deal with.

INDOOR CAR COVER
Protect your MX-5 from dust and scratches with our red Indoor Car Cover. The cover fits like a glove thanks to lightweight, soft-backed material that stretches to the shape of your MX-5.

FRONT STRUT TOWER BRACE
Brace yourself! Cornering and spirited driving can create chassis flex due to extra loads on your suspension, which can result in diminished traction and reduced steering feel. Our Front Strut Tower Brace adds rigidity to your MX-5 which reduces chassis flex, and helps ensure that your tires are kept on the road to deliver maximum traction and steering precision.

ALLOY PEDALS
Add a powerful look and improve pedal grip in your MX-5 with our high-quality Alloy Pedals and Footrest.

ALL-WEATHER FLOOR MATS
No one likes stuff rolling around in their trunk. Use our Cargo Net to secure your groceries, sports equipment and other loose items while keeping them handy for easy access.

ALLOY PEDALS
Add a powerful look and improve pedal grip in your MX-5 with our high-quality Alloy Pedals and Footrest.
SATIN CHROME AIR VENT BEZEL
Cool is in the details. Give your interior an edge with our satin chrome finish Air Vent Bezels (sold individually).

ALCANTARA DOOR PANEL CENTER TRIM
Elegant and sophisticated, soft and comfortable, this high-end suede-like material is pleasing to both the touch and the eyes. Door Panel Center Trim (shown). Other pieces include: Instrument Panel Lower Trim, Parking Brake Boot, Center Console Lid, Shift Boot (A/T), Shift Boot (M/T). Sold separately.

SPLASH GUARDS
Don’t let your journey end with a trip to the paint shop. Help protect your MX-5’s finish from rocks and other road debris with our durable front and rear Splash Guards.

DOORSILL TRIM PLATES (previous page)
These gleaming accents are a stylish capping to both a welcome entry and a graceful exit. It’s just another of those little flourishes sure to prove your MX-5 will always be a cut above the rest.

OUTDOOR CAR COVER
Keep the finish on your MX-5 looking new with an Outdoor Car Cover. Customized to fit the MX-5, it features a rear license plate window, weather-resistant fabric, and a custom bag for easy storage.

FRONT MASK
It’s a rough world out there. Maximize protection against nicks and scratches with Mazda’s custom-tailored Front Mask.

OIL FILLER CAP (previous page)
Even under the hood, your MX-5 gets a touch of attitude. Add our anodized Soul Red Oil Filler Cap to your engine compartment.

Customize your new Mazda MX-5 with Genuine Mazda Accessories. When installed by your Mazda Dealer, they carry the same New Vehicle Limited Warranty as your new Mazda. Ask your dealer for details.

Accessories not shown:
- 3.55mm Audio Cable
- Car Cover Cable Lock

Crystal White Pearl Mica
Artic White

**Even the paint is innovative.**

Machine Gray Metallic: a signature paint from Mazda offering the luster and depth reserved for concept vehicles. Conceived by the creative minds of our designers, this rich hue is the result of a myriad of spray processing innovations. Aluminum paint flakes align in a uniform pattern to the surface of the MX-5 RF’s body panels for dramatic hues with intense luminosity and a reflective liquid-like quality.

Because feeling safe and being confident behind the wheel of a sports car matters, our available i-ACTIVSENSE® suite of safety technologies provides the ultimate sense of security and driving confidence. The advanced systems alert you to potential hazards to help avoid collisions in the first place, or even lessen their impact. i-ACTIVSENSE is there when you need it, without encumbering your driving experience.

WE'RE COMMITTED TO OUR DRIVERS.

Every new 2017 MX-5 is protected by a:
• 3-year / 36,000-mile New Vehicle Limited Warranty
• 3-year / 36,000-mile 24/7 Emergency Roadside Assistance Program
• 5-year / 60,000-mile Limited Powertrain Warranty
• 5-year / unlimited-mileage Warranty Against Body Rust-Through (Anti-Perforation Limited Warranty)

Whatever comes first.

Even after your vehicle warranty has expired, Mazda Extended Confidence provides nearly all the same parts and components covered under your New Vehicle Limited Warranty. Accepted nationwide and utilizing only Genuine Mazda Parts (where available), Mazda Extended Confidence gives you peace of mind for miles beyond your expectations.

FINANCING WITHOUT THE FUSS.

Whether you’re buying or leasing a new Mazda, a Certified Pre-Owned Mazda or a used vehicle, Mazda Capital Services® can help make the financing process more convenient and satisfying. One of the largest auto lenders in America, Mazda Capital Services is known for first-class customer service, a wide range of financing options and highly competitive rates.

To find out which purchase or lease plan is right for you, talk with your Mazda Dealer or visit MazdaUSA.com.

1 High Beam Control helps the driver see better at night by maximizing opportunities to use the high beams. The system automatically switches to the low beams when it detects oncoming traffic and/or a vehicle ahead.

2 Lane Departure Warning System is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your Owner’s Manual for further details. Always check your mirrors. Be aware of the traffic around you. There are limitations to the range and detection of the system. Please see your Owner’s Manual for further details.

3 Rear Cross Traffic Alert®
When backing up, this system detects a vehicle approaching from the side and promptly alerts the driver with an audible warning, as well as a visual warning in both side mirrors.

4 Blind Spot Monitoring®
Radar sensors detect objects in your left or right blind spots and then alert you with a warning light that appears in the corresponding side mirror. If you signal a lane change while an object is there, the light blinks and a cabin warning chime sounds.

5 Lane Departure Warning System is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your Owner’s Manual for further details.
MX-5 MIATA SPORT

Includes the following features in addition to or in place of Mazda MX-5 Miata Sport

- Bluetooth® hands-free phone and audio streaming
- 6 speakers, including driver's headrest speakers
- Tilting steering column
- Leather-wrapped shift knob
- Audio and cruise controls
- Power windows with driver and passenger one-touch-down feature
- (Standard on AT models. Option on MT models)
- Remote keyless entry (MT models)
- Power door locks
- Black cloth sport seats
- Air conditioning
- Black cloth convertible top with glass rear window
- Daytime running lights
- Dual front air bags and side-impact air bags
- Glossy black seat back trim

The passion to race starts long before the flag drops and stays with you for life. And when we can bring together those who share the same passion and create a worldwide community, everyone wins. At the 2016 Global Mazda MX-5 Invitational Cup at Mazda Raceway Laguna Seca, our overseas friends took the wheel of identically prepped MX-5s. Competition was fierce, but American racer Nathaniel Sparks claimed the honor of champion. The spirit of racing was felt in every corner of the globe—all from the vehicle that is road-raced in the United States more than any other car—the Mazda MX-5 Miata. Whether it's a grassroots effort, or the big stage of Indy, racing is where the Driving Matters ethos is fueled from—a pure love for driving. It's where the connection between man and machine counts more than anything. And where the heart of every Mazda is built. Read more about our comprehensive racing programs at MazdaMotorsports.com.
EVERY MAZDA IS Meticulously designed and carefully crafted because driving matters.
To Mazda, there’s only one thing that means as much as driving: giving back.

The Mazda Drive for Good® Event is our annual charitable program that allows us to give back to those in need. But we don’t do this alone. For every purchase of a Mazda, drivers like you have helped us raise millions of dollars for both national and local charities. But what’s even more significant is that for every test drive taken during the event, we pledge one hour of community service to local worthy causes across the country. And to date, we’ve pledged more than 200,000 hours of volunteer time to those who need it most. All thanks to people like you who simply took a test drive.

Our Mazda Dealers have a long history of giving back both time and money to their communities. And their efforts truly define our Mazda values. Mazda Drive for Good is just one of the many charitable programs that has allowed Mazda to donate to worthy causes across the United States since 1992.

Because we believe giving back matters.

InsideMazda.mazdausa.com/drive4good

It’s a responsibility we don’t take lightly. It’s why we work hard every day to make sure your customer service experience exceeds your expectations, in every way. From the factory to your first test drive and to every drive you’ll ever make in a Mazda, we’re here because Driving Matters.
