BY DEFINITION, ANY SUV WORTH ITS SALT CAN PROVIDE YOU WITH SOME DEGREE OF
UTILITY, VERSATILITY AND CONVENIENCE. BUT ONLY ONE SUV DARES TO COMPLEMENT
THESE MORE COMMON CHARACTERISTICS WITH A FAR RARER, MORE EXHILARATING
QUALITY CALLED ZOOM-ZOOM. THE MAZDA TRIBUTE. IT’S BLESSED WITH A LEAN,
CLASSIC PROFILE ALL ITS OWN. AN INSIGHTFUL INTERIOR DESIGN. PLUS
THE REMARKABLE ABILITY TO MAKE OTHER SUVS FEEL CLUMSY AND BORING BY
COMPARISON. ADD TO THAT ITS SUPERB VALUE, AND IT’S EASY TO SEE WHAT
MAKES TRIBUTE SUCH A GREAT CHOICE TO AFFORD YOURSELF MORE FREEDOM.
Leave it to Mazda to put the “Sport” back in Sport Utility Vehicle with a handsomely chiseled design that’s as quick and exhilarating as it is versatile. No oversized, under-powered or awkward-handling box here. Instead, the Mazda Tribute is an intelligent size and a joy to drive. A handsome, responsive performer that delivers crisp agile handling regardless of its surroundings. And equally adept at striding down steep mountain roads, sliding through rush-hour traffic or slipping into tight parking places. Better still, with available features like a 200-hp V6, 4-speed automatic transmission, and electronic 4-wheel drive (4WD), there’s a Mazda Tribute tailor-made to help you tame even the nastiest of weather and terrain.
In a Mazda Tribute, the fun doesn’t end just because the asphalt does. For impressive traction and all-season capability, consider the available Active Torque Control Coupling (ATCC) 4-wheel drive system that electronically directs the ideal amount of torque to front and rear wheels. Or add the optional Tow Package—with a frame-mounted Class II hitch—to a V6-powered Tribute and tow up to 3,500 pounds. Up top, a handy roof rack with adjustable crossbars is standard.* And inside, the rear seatback folds forward to create a conveniently flat load floor with a generous 66.8 cubic feet of cargo space. Which makes it perfect for hauling everything from bikes and building supplies to sports equipment and camping gear. Whatever gets your engine racing, the Mazda Tribute’s impressive capacity for both fun and cargo has a way of growing on you.

*The amount and placement of cargo can significantly affect vehicle handling. Roof rack payload limited to 150 pounds. See owner’s manual for more information. Please remember to properly secure all cargo.
MEETS ALL DRESS CODES.
Reflecting its sports-car heritage, the Mazda Tribute’s well-crafted cockpit positions all critical controls within easy reach to minimize driver distractions. To your right, a sporty center console intelligently integrates shifter, storage compartments and cup holders. While an array of other features—including a tilt steering wheel; power windows, outside mirrors and door locks; a 100-watt AM/FM/CD stereo; and air conditioning—also contributes to the driver-centric design. For more fun down the road, you can even add an available SIRUS Satellite Radio* receiver. But then, Mazda Tribute doesn’t just invite driver input. It rewards it.

All Genuine Mazda Accessories installed by your Mazda dealer, prior to or at initial vehicle delivery, carry the same new-vehicle limited warranty as your new Mazda. See your dealer for details.

COMMITTED TO YOUR PEACE OF MIND.

Every new 2006 Mazda is covered by one of the industry’s most comprehensive new-vehicle warranties, the Mazda Driver’s Assurance Plan. It includes a 48-month/50,000-mile, “bumper-to-bumper” Limited Warranty, plus 24/7 Emergency Roadside Assistance. And should your Mazda Tribute require a warranty repair, the Mazda Service Transportation Solution can typically provide another vehicle to drive. After all, we want your new Mazda to be a source of pride, exhilaration and peace of mind for years to come. See your Mazda dealer for details.

REDISCOVER THE EMOTION OF MOTION.

With 13 exhilarating models, Mazda makes it easier than ever to satisfy your practical needs. And your emotional ones. So treat yourself to the Mazda Test-Drive Experience. Put the Mazda Tribute of your choice through its paces. Down local streets, on-roads, highways, and off-roads. Through straightaways, S-curves and corners. Discover the responsive acceleration and steering, superb braking and sunfooted handling that set every Mazda apart. And in the process, rediscover that elusive emotion of motion—that fun, connected-to-the-road feeling that we like to call “zoom-zoom.”

### PLASTIC USA.com
ALL CHILDREN INSTINCTIVELY KNOW IT.

A FEW ADULTS STILL REMEMBER IT.

ONE UNIQUE CAR COMPANY REFUSES TO OUTGROW IT.

IN GROWN-UP LANGUAGE, IT MEANS THE EXHILARATION AND

LIBERATION THAT COMES FROM EXPERIENCING SHEER MOTION.

BUT AS USUAL, CHILDREN PUT IT MUCH BETTER.

AND SIMPLY CALL IT ZOOM-ZOOM.

WE PRACTICE IT EVERY DAY.

IT'S WHY WE BUILD THE KIND OF CARS WE DO.

MAZDA. ALWAYS THE SOUL OF A SPORTS CAR™.
