ONCE YOU HAVE IT, OUTFIT IT ACCORDINGLY.

One of the best things about owning a Tribute is personalizing it with Genuine Mazda Accessories, which carry the same new-vehicle warranty as your new Tribute when installed before or at initial retail delivery. Ask your Mazda Dealer for details.

1. All-Weather Floor Mats.
Not just for bad weather anymore. These “Whatever” floor mats are the perfect accessory to protect your Tribute’s interior from not only water, mud, sand and snow but crumbs, spills, grass and anything else that lands in your Zoon-Zoom driveway day by day.

2. Auto-Dimming Rearview Mirror.
Tribute’s available auto-dimming rearview mirror with compass and HomeLink® automatically dim to reduce bright glare from vehicles behind you. Also features a bright LED compass readout and the convenience of HomeLink®, which only your Mazda can come pre-engaged. Easy to install and very popular.

Side steps make getting in and out easier.

Keep smaller items from bouncing around in your cargo area. Easily installed and removable.*

5. Roof Rack.
Expand your storage possibilities with a functional roof rack. Add any of our customized attachments to transport your kayak, bike, cargo, surfboard, luggage, snowboard and more.

6. Front Mask.
Bugs, nicks and scratches are out there waiting. Protect your Tribute with a custom-tailored front mask.

Head Bug Deflector
Windshield Sunscreen
Roof Cargo Box
Roof Luggage Basket
License-Plate Frame
Chrome Trailer Hitch
Trailer-Hitch-Mounted Bike Carrier
Rear Spoiler
Car Cover
Car-Cover Cable Lock
Touch-Up Paint
Wheel Locks

With its confident, broad-shouldered stance, versatile design and proven reliability, it’s easy to see why the Mazda Tribute remains a favorite of the traditional SUV crowd. Powered by a spirited 171-hp 2.5L MZR 4-cylinder or a powerful 240-hp, 3.0L DOHC V6 and equipped with precise, variable-assist rack-and-pinion steering, 4-wheel independent suspension and dual stabilizer bars, Tribute tackles daily commutes, weekend projects and spontaneous adventures with equal skill. For even greater road capability, the Tribute’s Grand Touring offers up to 3450 lb of towing capability and a frame-mounted Class II trailer receiver hitch. And on most models, an Active Torque Control Coupling 4-wheel-drive (4WD) system is available. All because we think you shouldn’t have to choose between value and versatility. Or performance and practicality. Not when the 2011 Mazda Tribute has it all. Zoom-Zoom.

The roster of safety features standard on every 2011 Mazda Tribute includes:
• Advanced dual front air bags†
• Front side-impact air bags†
• Side-impact air curtains with rollover protection†
• Auto door lock/unlock
• LATCH rear-seat child-safety-seat anchors
• Roll Stability Control (RSC)
• Dynamic Stability Control (DSC)‡
• Traction Control System (TCS)
• Anti-lock Brake System (ABS)
• Electronic Brakeforce Distribution (EBD)
• Daytime Running Lights
• Tire-Pressure Monitoring System (TPMS)

† Always wear your seat belt and secure children in the rear seats in appropriate child restraints. ‡ Dynamic Stability Control (DSC) is an electronic system designed to help the driver maintain control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether DSC will be effective in preventing loss of control. Please see your owner’s manual for further details.
1. Fold down the Tribute’s 60/40 Split Fold-Down Rear Seatback and presto! You’ve got 67 cu ft of cargo space available for whatever you please. Touring and Grand Touring models include a retractable cargo cover that keeps valuables out of sight.*

2. Tribute Grand Touring models feature a One-Touch Power Sliding-Glass Moonroof with interior sunshade, along with a handy storage console, dual map lights and garage door opener.

3. Tribute’s Multifunction Center Console/Armrest provides a covered storage compartment big enough to accommodate a laptop, plus removable storage bins and two pairs of cup holders for front and rear passengers.

4. It might look like a normal rearview mirror, but shift into reverse, and the Grand Touring’s Rearview Camera with Auto-Dimming Mirror Display provides a clear picture of what’s behind you.

* Remember to properly secure all cargo.

The Tribute Grand Touring’s broad-shouldered stance might look all business, but inside it’s a driver’s pleasure. Cockpit displays and controls are strategically placed for optimal convenience and operating ease. The leather-trimmed 6-way power-adjustable driver’s seat and leather-wrapped tilt steering wheel make finding your ideal driving position effortless. And the Grand Touring’s comprehensive list of standard creature comforts includes handy steering-wheel-mounted stereo and cruise control switches. Heated and leather-trimmed front seats. A one-touch power sliding-glass moonroof. Air conditioning. Power windows and door locks. Dual power-operated heated outside mirrors. A 190-watt 7-speaker AM/FM/CD/audio system with in-dash 6-disc CD changer and auxiliary audio input jack. A versatile 60/40 split folding rear seatback that helps provide ample room for five. Plus a free six-month subscription to SIRIUS Satellite Radio.

So why wait? Test-drive a Grand Touring soon. You won’t want to settle for anything less.
