The rewards of striving to be the best are even more meaningful in the development of our youth than they are in automobiles. That's why Mercedes-Benz USA is committed to educating and empowering the next generation of diverse leaders. To help equip them with the tools for success, MBUSA partners with two national organizations that invest in the futures of young people in communities across the country. As a Mercedes-Benz driver, you become a part of this effort to give hundreds of thousands of youth a better life today, and all of us a brighter tomorrow.

Learn more about how Mercedes-Benz USA gives back at MBUSA.com/community

A nationwide network of youth sports programs, Laureus Sport for Good USA is focused on improving the health, education, employment and social cohesion of youth in underserved communities. Since 2012, Laureus USA has helped nearly half a million young people in 150 cities, and has supported the training of more than 8,000 coaches who serve as mentors in their communities. To learn more, visit laureususa.com

Johnny Mac Soldiers Fund helps to honor military service and sacrifice by providing scholarships to veterans and military family members, particularly the children of our nation's fallen and disabled. Since 2014, Johnny Mac has awarded over $7.5 million in scholarships to more than 1,000 students. To learn more, visit johnnymac.org
2019

GLA

If there's only one reason to drive an SUV, you might say "capability." And there may be no SUV as capable as the 2019 Mercedes-Benz GLA. Can it climb trees, swim across the ocean, and seat an entire soccer team? Of course not. But it has a powerful ability to seduce you with its taut, muscular body, and satisfy you with turbo torque. Its nimble size and sporty handling are ideal for carving through canyons and cities alike. Its radar technology is virtually superhuman as it watches traffic ahead. And when your GLA can whisk you to work in stylish comfort, then join you on weekend adventures without missing a beat, ask yourself: What other SUV can do all this, at this price? And that's even before you factor in all the benefits of Mercedes-Benz ownership. The GLA's engineers covered more than a million miles—from the Alps to the Nürburgring to a test site for tanks—to develop its capability. With that came the reason to drive not just any SUV but this one: Character.

THE MOST COMPACT MERCEDES-BENZ SUV STILL HAS TO MEASURE UP TO ITS FAMILY VALUES. THE GLA IS PROOF THAT YOU CAN FILL BIG SHOES WITH A SMALL FOOTPRINT.

TAUT, TONED AND TURBO-FED, A GLA LOVES TO FLEX ITS MUSCLE ON ANY ROAD. WHILE YOU CAN FIT A LOT INTO ITS FLEXIBLE CABIN, ITS STYLE FITS IN – AND STANDS OUT – EVERYWHERE.

FLUID lines slice the wind and define the cut muscle of its athletic shape. With turbo power, an agile chassis and available 4MATIC® all-wheel drive, it moves like it looks: confidently. Ideally sized for traffic or trailheads, it’s engineered to balance ruggedness and refinement.

SOLID credentials assert its lineage, with advanced luxury, safety and tech. An 8" high-res screen, power liftgate and radar-based forward collision mitigation are standard. Options include Apple CarPlay™ and Android Auto, a hands-free tailgate, and active cruise control.

GLA MODELS
GLA 250 and GLA 250 4MATIC
208-hp inline-4 turbo
Front-wheel drive, or variable-torque 4MATIC® all-wheel drive
18" alloy wheels1

AMG GLA 45
Handcrafted 375-hp inline-4 turbo
Variable-torque AMG Performance 4MATIC all-wheel drive
20" alloy wheels1

Please see endnotes at back of brochure.
YOU CAN RECONFIGURE ITS SEATS, DRIVETRAIN AND EVEN ITS AMBIENT LIGHTING TO SUIT YOUR MOOD. THE GLA TAKES SUV VERSATILITY TO SOME NEW DIMENSIONS.

Standard DYNAMIC SELECT fine-tunes the throttle, 7-speed shift points and more—from ECO to Sport—with just the push of a dashboard button or twist of a console knob.

MULTICOLOR AMBIENT LIGHTING lets you accent the cabin in any of 12 hues.* The giant power Panorama roof* can bring the sun, stars and breezes to all five seats.

HIGHLIGHTS

2.0L inline-4 turbo engine, 208 hp (GLA 250) or 375 hp (GLA 45)
Variable-torque 4MATIC® all-wheel drive* or AMG Performance 4MATIC
DYNAMIC SELECT driving modes from ECO to Sport, plus a custom Individual program you can set up
Off-Road display, driving mode, and Downhill Speed Regulation (DSR)* (GLA 250 4MATIC)
60/40 split-folding seats, for up to 43.6 cu ft of carpeted cargo room*

*Optional or not available on some models. Please see back of brochure.
THOUGH IT'S MINIMIZED ON THE OUTSIDE, THE GLA CABIN IS IN NO WAY MINIMALISTIC. LUXURY IS STANDARD, AND AIMS TO SET A STANDARD FOR THOUGHTFULNESS.

POWER FRONT SEATS let you fine-tune your lumbar and thigh support. Sport seats — standard on the GLA 45 and included with the GLA 250's leather*—feature integrated head restraints with LED downlighting underneath.

STYLISH TRIM OPTIONS let you adorn the winglike dash with satin or matte wood, or sleek aluminum. AMG exclusives include genuine carbon fiber or black DINAMICA—a rich fabric with the look and feel of suede.

HIGHLIGHTS
Power front seats with memory
60/40-split folding rear seats* with center armrest and cupholders
Sport seats* or AMG Performance front seats,* both with racing-style integrated head restraints
Dual-zone climate control with dust/pollen and activated charcoal filters, aircraft-style dash vents with metallic rings, and rear-cabin air vents
Amber or 12-color* LED ambient lighting including head restraints
Heated front seats*
KEYLESS-GO* with HANDS-FREE ACCESS foot-activated liftgate*
Hand-fitted MB-Tex, DINAMICA microsuede* or leather* upholstery

*Optional or not available on some models. Please see back of brochure.
**SAFETY**

FROM THE ENGINEERS WHO HAVE PIONEERED COUNTLESS SUV SAFETY BREAKTHROUGHS, THE GLA’S ADVANCED TECH LOOKS OUT FOR YOU BY LOOKING AHEAD.

Standard **RADAR AND CAMERA** systems keep a virtual eye on the road ahead, and help you back up more safely. Radar-based **Active Brake Assist** can help mitigate forward collisions. **Active steering guidelines** enhance the standard **rearview camera**.

The GLA is available with **ADVANCED DRIVER ASSISTS** to help make driving less stressful, from stop-and-go traffic to changing lanes, and in open-road cruising or tight parking. The multiview **Surround View System** offers a “birdseye” view.

**HIGHLIGHTS**

- Standard Radar-based Active Brake Assist, rearview camera, and ATTENTION ASSIST® driver drowsiness detection
- Parking Assistance Package* including hands-free Active Parking Assist and Surround View System
- Driver Assistance Package** with Active Distance Assist DISTRONIC® cruise control and Lane Keeping Assist†
- Blind Spot Assist***

**TECHNOLOGY**

WHETHER KEEPING YOU CONNECTED OR HELPING YOU GET AWAY FROM IT ALL, CONTROL IS AT YOUR FINGERTIPS, OR AS CLOSE AS YOUR VOICE.

An intuitive click-turn controller on the console and **8" SCREEN** with animated menus make it easy to access audio and comfort settings. Two navigation options are available: COMAND with an advanced voice control system, or Garmin’s MAP PILOT.

From standard HD Radio® stations and Bluetooth® audio streaming, to available nationwide SiriusXM Radio® and global TuneIn Radio, an available harman/kardon surround sound brings them to life. In-car WiFi is available via **Mercedes me connect**.

**HIGHLIGHTS**

- 8" display with central controller
- Hands-free Bluetooth®, dual USB ports, and an SD card reader
- COMAND® navigation and voice control with learning feature,* or accessory Garmin MAP PILOT® SD card-based navigation
- Apple CarPlay™ and Android Auto*3
- 450-watt harman/kardon LOGIC7® surround sound system**

*Optional or not available on some models. Please see features and endnotes at back of brochure.
SMARTLY GROUPED OPTIONS MAKE IT EASY TO CREATE A GLA TO SUIT YOUR STYLE AND FIT YOUR LIFE PERFECTLY.

While every GLA is generously outfitted, a wide variety of options lets you heighten its functionality, further sharpen its looks, and make it even more fun to drive. The most popular options are grouped into easy-order packages, some of which are shown here. With just a few steps, they let you configure a GLA that easily satisfies your must-haves and indulges your wish list.

Package contents and standard equipment vary by model. See page 25 for full list of options and packages.

- AMG DINAMICA Interior Package: AMG DINAMICA Performance steering wheel, AMG Black DINAMICA dash trim

(Available on AMG GLA 45 only)

AMG AERODYNAMICS PACKAGE

- AMG Gloss Black rear wing spoiler (also available separately)
- Larger front splitter in Gloss Black
- Front apron flics in Gloss Black

(Available on AMG GLA 45 only)
It takes ingenuity to fit so much into a compact package, but if anyone is well-known for that, it’s Mercedes-Benz engineers. The GLA 250’s engine matches turbocharged response with 4-cylinder efficiency. The 7-speed transmission features a racing-inspired dual-clutch design but no clutch pedal—it’s an automatic that you can paddle-shift whenever you’re in a manual mood. The available 4MATIC® all-wheel drive sends torque to the rear wheels in precise response to driving conditions.

The standard leather-wrapped steering wheel puts you in charge of a sporty chassis and a long list of conveniences, from hands-free Bluetooth® to a multifunction display between the gauges. A turn-and-click controller on the console and 8” screen bring you a world of entertainment, customizable settings and two navigation options. Add in its refined appointments, and you have an SUV with a luxurious soul and the heart of a sports car. In other words, a Mercedes-Benz. The GLA is not just cleverly packaged. It’s the whole package.

With 208 hp and 258 lb-ft of torque, the 2.0L INLINE-4 TURBO engine delivers big thrust without big-engine thirst. State-of-the-art Direct Injection and multispark ignition self-tune every few milliseconds, to help keep performance at its peak.

Standard OFF-ROAD ENGINEERING for the GLA 250 4MATIC includes a one-touch driving mode for rugged terrain, and Downhill Speed Regulation to maintain a preset “crawl speed.” A graphic display can show your steering angle, tilt, incline grade, and more on the central screen.

Five different 18” OR 19” WHEELS are available. Choose either of two 18” styles at no charge. The 19” options include two AMG® multispoke designs—silver with grey inlays for the AMG Line Exterior, or bold black spokes as part of the Night Package.

HOW MUCH YOU CAN GET INTO A GLA MAKES IT A PRACTICAL SUV.

THE DRIVING FUN AND SATISFACTION YOU’LL GET OUT OF IT MAKE IT A MERCEDES-BENZ SUV.

Please see endnotes at back of brochure.
The AMG DYNAMIC PLUS PACKAGE sharpens the agile sport suspension to a track-tuned edge with multimode AMG RIDE CONTROL — also available on its own — and a limited-slip front differential. Additional performance options include aero enhancements, an active exhaust, racing-style front seats, and a steering wheel with side grips clad in DINAMICA microsuede.

With the most powerful 4-cylinder in production, the 375-HP AMG GLA 45 has the will and the wiles to leave others in its dust.

Class-leading turbo boost (26.1 psi) and torque-vectoring AMG Performance 4MATIC® apply the power of its handcrafted engine via all four of its standard 20" wheels. The GLA 45 can run 0–60 in 4.3 seconds.

The AMG DYNAMIC PLUS PACKAGE sharpens the agile sport suspension to a track-tuned edge with multimode AMG RIDE CONTROL — also available on its own — and a limited-slip front differential. Additional performance options include aero enhancements, an active exhaust, racing-style front seats, and a steering wheel with side grips clad in DINAMICA microsuede.

**Genuine Accessories**

Genuine Mercedes-Benz Accessories let you personalize your vehicle beyond its factory equipment. A range of items let you enhance its convenience, versatility, or appearance—almost without compromising its legendary quality, safety or style.

From the Illuminated Star to carbon-style mirrors, they're stylish. Whether helping you manage cargo, enjoy your electronic devices, or protect your car's finishes, they're functional. And they all fit like they're engineered for your car. Because they are. To see the line of accessories for your vehicle, visit MBUSA.com/accessories

---

**Mercedes-Benz**

1. Lower-aspect-ratio tires and accompanying wheels provide substantially increased treadwear, but are not available on all models.
2. Item is optional or not available on some models. See Packages and Options listing in this brochure or MBUSA.com/mercedesme for details.
3. Apple CarPlay™ is a product of Apple Inc. Android Auto is a product of Google Inc. Device and app interface, including COMAND® navigation, may not be used simultaneously with Apple CarPlay or Android Auto. When Apple CarPlay or Android Auto is in use, the driving wheel status control button displays a star icon.
4. **Roadside Assistance** repairs may involve charges for parts, service and towing. Vehicle must be roadworthy, drivable and accessible from main roads. Depending on the circumstance, these services may be provided by a third party (identified by Surprise.) Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in dry, smooth conditions.
5. Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-downs.
6. Vehicle must be roadworthy, drivable and accessible from main roads. Depending on the circumstance, these services may be provided by a third party. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in dry, smooth conditions.
7. 1 For SiriusXM Satellite Radio service, see your dealer or visit siriusxm.com. All fees and programming subject to change.
8. Parking assistance systems are not substitutes for driver attention to the immediate surroundings, as well as any other people, vehicles or objects approaching the vehicle's trajectory using camera, radar or ultrasonic sensors. Systems cannot determine if a space is regularly occupied by a stationary object or a person. System performance and ability to detect stationary objects and persons is affected by conditions such as lighting, weather, and the color or contrast of the object. 
9. Vehicle must be roadworthy, drivable and accessible from main roads. Depending on the circumstance, these services may be provided by a third party (identified by Surprise.) Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in dry, smooth conditions.
10. **Active Distance Assist DISTRONIC** is not a substitute for active driving involvement. It does not adapt to changing speed to respond to stationary objects, nor does it predict the curvature and layout of the road ahead in time. The vehicle can be slowed to avoid a collision if the driver does not react in time. However, keeping the vehicle below the speed limit helps to avoid traffic and road conditions that may not afford sufficient time and distance to brake safely. Being effective for busy urban roads as well as on freeways, drivers must remain attentive and check their surroundings to ensure their safety and the safety of those around them.
11. **Keep assist** is a feature of the vehicle's navigation system and is intended to support the driver of lane drift and cannot be relied on to avoid an accident or serious injury. See Operator's Manual for system's operating speeds and additional information and warnings.
12. **Traffic Sign Assist** is a feature of the vehicle's navigation system and is intended to support the driver of lane drift and cannot be relied on to avoid an accident or serious injury. See Operator's Manual for system's operating speeds and additional information and warnings.
13. **Visual Lane Tracking** is a feature of the vehicle's navigation system and is intended to support the driver of lane drift and cannot be relied on to avoid an accident or serious injury. See Operator's Manual for system's operating speeds and additional information and warnings.
14. Requires Mercedes me connect with Wi-Fi plus Multimedia Package.
15. This system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in dry, smooth conditions.
16. Standard features are designed based upon manufacturer's book values and may vary depending on model, equipment, and market conditions. See MBUSA.com/mercedesme for additional information and warnings.
17. When equipped with MultiMedia Package, the sound system is replaced by the navigation system.
18. SiriusXM® satellite radio reception may be affected by traffic, weather, and other conditions beyond the satellite provider's control.
19. **With your dealer or MBUSA.com/mercedesme for additional information, tips and warnings.**
