A Mercedes-Benz coupe is never a mere two-door sedan. Its unique magic captures the passion of driving and the romance of the road. Infuse it with the character of an SUV and the soul of an AMG sports car, and you’ll have the GLE Coupe. There may be no end to the doors it can open.

Let’s get right to it: With four doors, a power liftgate and a commanding stance, “coupe” is probably not the first word that comes to mind when you see this out-of-the-box reimagining of the GLE. But if you think about the qualities that have long defined a Mercedes-Benz coupe, you’ll realize the term is a tailor-fit: It’s a fusion of racing-bred performance and finely tailored luxury. A sleek profile with a tautly arching roof. And a feeling of driving enjoyment that can be shared by all aboard.

The GLE Coupes embody this spirit even more strongly because they are part of the Mercedes-AMG bloodline—born from a stable of thoroughbreds and raised to carry on a tradition of ever-advancing performance. From the small German orchard town of Affalterbach, AMG has been conquering tracks and earning trophies for nearly half a century. The people of AMG are more than racers. They’re dreamers, visionaries and perfectionists. They develop technologies that heighten power, like patented NANOSLIDE® cylinder walls that slash friction and wear. They shatter limitations, creating rear-biased all-wheel drive that’s tenacious yet nimble. They break Formula 1® records. They’re far and away the most winning name in the DTM (German Touring Car Championship). And they turn victory into vehicles that conquer the streets of the world, and win the hearts of its most passionate drivers.

While the GLE is not a traditional coupe or SUV, it takes both to new dimensions: Versatile room with racing-bred verve. A supple cabin on a rugged, capable chassis. And a coupe that’s notable not for how many doors are on it, but for how it takes tradition and blows its doors off.
### PERFORMANCE

- Thoroughbred performance with the AMG pedigree.
- Air suspension and multiple drive programs for varying loads and roads.

### DESIGN

- The confident stance of a Mercedes-Benz SUV.
- The toned muscle and wind-honed lines of a Mercedes-AMG Coupe.

### SAFETY

- Groundbreaking safety systems that watch the road ahead, and all around.
- Active and semi-autonomous systems to assist you.

### LUXURY

- Sumptuous, supportive seating. Impeccably tailored cabin appointments. And a giant glass Panorama roof to bring the sky indoors.

### TECHNOLOGY

- User-friendly innovations to keep you connected, engaged and in charge.
- Intuitive controls to keep your world within reach.

---

**KEY FEATURES**

- **AMG-enhanced V6 biturbo or handcrafted AMG V8 biturbo engine**
- **AMG DYNAMIC SELECT drive modes**
- **AMG Performance 4MATIC® all-wheel drive with rear bias**
- **Self-leveling, height-adjustable AMG AIRMATIC® sport suspension**

- **Bold SUV strength with the athletic stance of a coupe**
- **21" or 22" wheels**
- **Active LED headlamps and LED taillamps**
- **Aero-aggressive AMG body styling**
- **Generous room for 5 adults, or up to 60.7 cu ft of cargo**

- **Radar-based Active Brake Assist collision mitigation**
- **ATTENTION ASSIST®**
- **PRE-SAFE®**
- **Intelligent Drive active safety suite including Distance Pilot DISTRONIC®**
- **Surround View camera system**

- **Heated, ventilated* and massaging* front seats**
- **Reclining and split-folding rear seats, power liftgate**
- **Power tilt/sliding Panorama roof**
- **Multicolor LED ambient lighting***
- **Two choices in surround sound**

- **COMAND® with 8" color screen and touchpad**
- **Mercedes me with smartphone app, Remote Start, and in-car Internet**
- **Apple CarPlay™ and Android Auto**
- **ACTIVE CURVE SYSTEM**
- **KEYLESS-GO®**

---

**IT CAN TURN POWER, GRIP AND UNMISTAKABLE AUDACITY INTO PROWESS, GRIT AND UNDENIABLE AUTHORITY**
*Optional or not available on some models. Please see back of brochure.
Nobody admires a might-do attitude. A GLE Coupe converts can-do into done well. More than just an attitude, it has the aptitude to wield its massive torque with precision, and to turn agility and ability into accomplishment. Might is not a word in the GLE Coupe's lexicon. But mighty is.

Lurking beneath the twin power domes of a GLE Coupe hood is a performance legacy that AMG keeps driving into the future. Advanced technologies yield greater power from less displacement, and instantly dispatch it to the wheels that can best turn torque into traction.

An AMG-enhanced biturbo V6 can rush the AMG GLE 43 from 0 to 60 mph in 5.6 seconds. Under its distinctive engine cover, high-pressure Direct Injection and rapid-multispark ignition team up to optimize performance with millisecond speed and molecular precision. Higher turbo boost helps the compact 3.0L V6 output 362 hp and 384 lb-ft of torque. An AMG-enhanced 9G-TRONIC 9-speed puts all that power at your feet, or fingertips.

A handcrafted AMG 5.5L biturbo V8 thrusts the 577-hp GLE 63 S to 60 in 4.1 seconds. An AMG SPEEDSHIFT® PLUS 7G-TRONIC expertly channels the V8's torrent of torque (561 lb-ft) over a wide span of revs (from 1,750 to 5,250 rpm), for a rush of response in any situation.

AMG Performance 4MATIC® all-wheel drive sends 60% of either coupe’s torque to the ultrawide rear tires on 21” or 22” wheels. It’s a setup engineered to balance all-season SUV confidence with legendary AMG agility.
There’s even more to the GLE than its fusion of a coupe soul and SUV muscle. Its cabin offers the spaciousness and finery of a Mercedes-Benz luxury sedan. The commanding view from the heated front seats can be further enhanced with cooling ventilation as well as multicontour adjustment with a massage feature. Upholstery is finely tailored in an array of colors, materials and sew patterns. The rear seat is among the widest in class, with seatbacks that can be heated and recline to several positions. The standard power Panorama roof lets all five passengers take in the sun and stars via a heat-rejecting tinted glass panel that tilts up or slides open.

Power-open the GLE Coupe’s sloping liftgate and you’ll find 23 cubic feet of richly carpeted space under its removable cargo cover. That’s virtually the same as the GLE SUV—one of the roomiest in its class. The rear seats fold down in a 60/40 split, nearly tripling the cargo capacity to 60.7 cubic feet. The cargo area features a side parcel net, grocery bag hooks, and a 12V power port. There’s also a household-style 115V power outlet in the rear seating area, useful for keeping your devices charged on the go. It’s also ideal for plugging in a game console or other device, especially if you opt for the dual-screen, multiple-input Rear Seat Entertainment system.

The excitement of driving a GLE Coupe starts before you even get in. To acknowledge your anticipation, its illuminated entry system shines a Three-Pointed Star on the pavement from each side mirror. Once underway, the GLE Coupe’s arching white LED Daytime Running Lamps help get you noticed—both by oncoming drivers and admiring pedestrians. By night, active LED headlamps generate whiter, brighter light that’s more like natural daylight. They also adapt their beams to your steering actions and to traffic ahead, to shine more light where you need it, without creating glare for other drivers. Wide, wraparound LED taillamps leave a lasting impression.

An advanced network of radar, cameras and other sensors, the assists of Mercedes-Benz Intelligent Drive can help make driving safer, less stressful and more enjoyable. Active Brake Assist helps detect if you’re approaching a vehicle ahead too quickly. It can alert you to brake, and initiate braking if you don’t. Distance Pilot DISTRONIC® cruise control* adapts to the traffic flow—even stop-and-go—while Steering Pilot helps keep you centered in your lane. Active Blind Spot* and Lane Keeping Assists* help ease driving on multilane roads. Other systems can alert you to cross-traffic or pedestrians in your path, or help prepare for an impending rear collision.*
*Optional or not available on some models. Please see back of brochure.
*Optional or not available on some models. Please see back of brochure.
Want a straight answer on how well an SUV drives? Throw it a curve. The GLE Coupe will be quick to respond, with an advanced 4-wheel independent, electronically controlled, multimode, height-adjusting air suspension. It not only has the brawn to rise to the occasion. It also has the brains to tower. And the confidence to let you decide.

With the GLE, Mercedes-AMG has raised the performance coupe to a higher power, and a higher standard. Its muscular body rides on an even more athletic chassis that converts pressure into poise.

At each corner is a substantial 21" or 22" wheel—10" wide at the front axle and no less than 11" wide at the rear—plus a sizable disc brake and a multimode air spring–strut. The AMG Sport Suspension based on AIRMATIC® adapts instantly to driving dynamics. It firms up in corners, lowers to enhance stability and efficiency at speed, and lets you adjust its ride height. With five modes, AMG DYNAMIC SELECT lets you vary the suspension, steering, throttle, shifting, ESP® and even the exhaust sound with a twist of a console control.

Crosswind Assist seamlessly helps negate the effects of side gusts or passing trucks. And the ACTIVE CURVE SYSTEM* employs electrohydraulically variable front and rear stabilizer bars. In hard corners, they tighten to minimize body lean—even more so in the Sport modes of AMG DYNAMIC SELECT. In gentle turns or straight-ahead driving, they relax to enhance ride comfort. Curvy roads to heavy loads, a GLE Coupe takes it on with strength, and in stride.
AMG GLE 43 COUPE
AMG-enhanced 3.0L V6 biturbo engine
362 hp / 384 lb-ft of torque
AMG-enhanced 9G-TRONIC transmission

## OPTION PACKAGES

- **Premium 1 Package**
  - Blind Spot Assist
  - Lane Keeping Assist
  - KEYLESS-GO
  - COMAND navigation w/touchpad controller
  - No-charge navigation map updates for 3 years
  - SiriusXM Radio w/6-month All Access trial
  - SiriusXM Traffic and Weather w/5 years of service
  - Voice control w/learning feature
  - In-dash DVD/CD player
  - Apple CarPlay and Android Auto
  - Household-type 115-volt AC power outlet

- **Premium 2 Package**
  - Rear center-armrest pass-through
  - Multicolor ambient lighting
  - Heated and cooled front cupholders

- **Premium 3 Package**
  - All items in Premium 2 Package
  - Standard on AMG GLE63 S
  - All items in Parking Assist Package
  - Standard on AMG GLE63 S
  - Active Blind Spot Assist
  - Active Lane Keeping Assist
  - Speed Limit Assist

- **Parking Assist Package**
  - Also included in Premium 3 Pkg.
  - Parking Pilot
  - Surround View System

- **AMG Night Package**
  - Gloss Black grille crossbar trim
  - Standard on AMG GLE43
  - Gloss Black front air-dam "A–wing" insert
  - Gloss Black rear diffuser insert
  - Gloss Black side mirrors
  - Standard on AMG GLE43
  - Gloss Black side-window trim
  - Standard on AMG GLE43
  - Black chrome exhaust tips

## INDIVIDUAL OPTIONS

- **ACTIVE CURVE SYSTEM**
  - **AMG Performance Exhaust System**
  - **Trailer hitch**

- **Soft-close doors**
  - **illuminated brushed aluminum running boards**
  - **MAGIC VISION CONTROL™ heated wiper/washer system**

- **Power front passenger seat w/3-position memory**
  - **Multicontour front seats w/massage and comfort head restraints**
  - Requires leather or designo Exclusive Nappa leather upholstery on AMG GLE43

- **Vented front seats**
  - Requires leather or designo Exclusive Nappa leather upholstery on AMG GLE43
  - Heated outboard rear seats

- **Heated steering wheel**
  - **AMG Performance steering wheel w/DINAMICA side grips**
  - Topstitched MB-Tex dashboard trim

- **Air Balance cabin-air purification system**
  - **3-zone climate control**

No-charge option
Mercedes me makes it easy to stay connected to your car, and your life. It can make any trip easier, more enjoyable, or more entertaining. And it'll bring you a world of rewards for being part of the family.

CHANGING WHAT’S REMOTELY POSSIBLE

Any time, any place
Life is better when you’re connected. You don’t have to leave your world behind when you’re in your Mercedes-Benz. And you can have access to your car even after you park and walk away. It’s all possible with Mercedes me.

Convenience at your fingertips
The Mercedes me website and smartphone app let you control features of your vehicle, interact with your dealer, and more. Your own homepage and the free app for Android and iPhone make it easy to plan ahead or be spontaneous.

Your car in your pocket
With the Mercedes me app, you can remote-start your car, lock or unlock its doors, and keep an eye on it if you valet-park. And you can look up a destination or address and send it to your car’s navigation system, all from your phone.

INSPIRING THE JOURNEY

Be part of something special
When you drive a Mercedes-Benz, you’re part of the family. Mercedes me lets you follow along on featured road trips, learn about special events, and find out how you can join in on them.

Get the Star treatment
Get exclusive perks at world-class resorts when you stay at a partner hotel of Mercedes me. Visit MBUSA.com/mercedesme to find out more.

Enjoy the personal touch
Beyond its advanced, user-friendly technology, Mercedes me is a team of helpful people who genuinely care. Expert concierges are always on call to help you—from reservations to travel plans to assistance with virtually any request. And you can reach them anytime from wherever you use your smartphone.

SMOOTHING THE WAY

Ownership, simplified
From managing your Mercedes-Benz Financial Services account to reaching out to your dealer, Mercedes me makes it easy. Even if you have more than one Mercedes-Benz, you can access them all from the same app.

Technology, demystified
Get the most from the innovative features in your vehicle with helpful how-to videos and downloadable manuals—from your computer or the mobile app. You can even reach out to your dealer’s expert Product Concierge.

Service, on your side
Is it time for service or maintenance? You can make an appointment right from the Mercedes me app. Flat tire, dead battery, or out of fuel? You can summon Mercedes-Benz Roadside Assistance to your side, 24/7, with a few taps.

TOGETHER WHEREVER: mbrace

It’s perfectly natural to develop an emotional attachment to your Mercedes-Benz. With mbrace, enjoying a technological connection is just as easy.

Mercedes-Benz mbrace puts the power of Mercedes me to work for you—from apps to WiFi—when you’re in your car, and remote vehicle features when you’re not. Four mbrace packages let you tailor its many benefits to fit your life.

5 years of mbrace Connect included
Every new Mercedes-Benz comes with five years of mbrace Connect at no additional charge. It’s the core mbrace package but it’s far from basic, with remote features and in-car Internet.

Mercedes me app includes:
- Remote Start
- Remote Door Lock/Unlock
- Remote Horn & Lights
- Send2Benz™
- Valet Protect
- Vehicle Finder
- Curfew Minder
- and more

In-car features include:
- Gas Stations & Fuel Prices
- HERE Local Search
- Remote Diagnostics
- Roadside Assistance
- Point-of-Interest Download
- Traffic Cameras
- Weather
- and more

mbrace Secure 6-month trial included
Peace of mind comes from automatic SOS calling after an accident, stolen vehicle tracking, and other security benefits.

Features include:
- Automatic Alarm Notification
- Automatic Collision Notification
- SOS/Emergency Call
- Stolen Vehicle Location Assistance
- Agent-assisted Remote Door Lock/Unlock
- Agent-assisted Vehicle Information
- Safe Ride
- and more

mbrace Concierge 3-month trial included
Live assistance from trained professionals, from tickets to a show to travel planning. An expert can even help you find a point of interest, and then guide you there, turn-by-turn.

Features include:
- Mercedes-Benz Concierge
- Point of Interest Destination Download
- Turn-by-Turn Route Assistance
- Location-based Traffic and Weather

mbrace Entertain 3-month trial included
Streaming audio and in-car WiFi for you and your passengers.

Features include:
- iHeartRadio
- TuneIn® Radio
- In-vehicle WiFi
GENUINE ACCESSORIES

Genuine Mercedes-Benz Accessories are engineered to exacting standards of quality, appearance and fit. They help make your vehicle more of what you want or need it to be—from grille to liftgate, wheels to roof racks, cabin to cargo area. There’s no better way to make your SUV all your own, while keeping it 100% Mercedes-Benz.

GLE Coupe Accessories include:
- Illuminated Star  NA with Premium 3 Package
- Cargo net
- Telescoping cargo bars
- Rear bumper protector
- Chrome hood pins

ENDNOTES

* Item is optional or not available on some models. See Packages and Options listing in this brochure or visit MBUSA.com for more information.

1 Unscrewed cargo can become hazardous in a collision. Always secure cargo using the hose-mounted bow down.

2 Mercedesme and Mercedes-Benz® services operate only where cellular and GPS satellite signals are available, which are provided by third parties, and not within the control of Mercedes-Benz USA, LLC. Five years of the mbconnect package are included with new-vehicle sales and leases at an authorized Mercedes-Benz dealer. Subscription Agreement is required for service to be active. Mercedes and Entertain services require acceptance of the complimentary mbconnect Services, and paid subscriptions after their trial periods. Some services are only available on select vehicles. Your RN is required to use certain services. WiFi and streaming apps require an mbconnect Entertain subscription. Connection may be limited by cellular signal. Apps may be updated, updated or deleted at any time, and may also require a vehicle software update. Some services may be limited or restricted in some areas. Drive is responsible for complying with traffic and other laws. Mobile app is compatible with Apple® devices running iOS 7.0 or later, and Android-based phones running OS 2.3 or later. See your dealer or MBUSA.com for details.

3 Stated rates of acceleration are estimated based upon manufacturer’s track results and may vary depending on model, environmental and road surface conditions, driving style, elevation and vehicle load.

4 While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system’s audio cues while driving and should only consult the map or visual displays once the vehicle has stopped in a safe place. Maps do not cover all areas or all routes within an area. Online features require a subscription and one or more mbconnect Packages.

5 Active Brake Assist may not be sufficient to avoid an accident. It does not react to certain stationary objects, nor recognize or predict the curvature and/or lane layout of the road or every movement of vehicles ahead. It is the driver’s responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to react to traffic and road conditions.

6 Distance Pilot DISTRONIC® adaptive cruise control is not a substitute for active driving involvement. It does not adapt cruising speed in response to stationary objects, nor does it predict the curvature and lane layout of the road ahead or the movement of vehicles ahead. It is the driver’s responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to react to traffic and road conditions. Drivers are cautioned not to wait for the system’s alerts before braking, as that may not afford sufficient time and distance to brake safely.

7 Blind Spot Assist may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It must not be used as a sole substitute for driver awareness and checking of surrounding traffic conditions. See Operator’s Manual for system’s operating speeds and additional information and warnings.

8 Drifting while drowsy or distracted is dangerous and must be avoided.

9 ATTENTION ASSIST® and/or Lane Keeping Assist may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury. See Operator’s Manual for system’s operating speeds and additional information and warnings.

10 System cannot prevent a collision, and does not alert the driver of an impending collision or system activation. It does not intervene. Failure to brake, or failure to apply the brakes if the driver is accelerating, if active Park Assist is operating.

11 An Operator’s Manual before towing. In some states, aftermarket trailer brakes are required. See dealer for details.

12 Rearview camera and Surround View System do not audibly notify driver of nearby objects and are not a substitute for actively checking the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice or snow on the camera.

SiriusXM Traffic and SiriusXM Satellite Radio subscriptions are included with SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Satellite Radio subscriptions are sold separately or as a package after trial period. If you decide to continue your subscription after your trial, the plan you choose will automatically renew and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.

14 Apple CarPlay® is a product of Apple Inc. Android Auto is a product of Google Inc. Device and apps providers’ terms and privacy statements apply. Requires compatible compatible device and data plan. Apps, content and features are selected solely by their providers. Connection to apps and streaming services may be limited by the device’s network connection. Data usage is routed through device and subject to fees, charges and restrictions under your wireless plan. Vehicle’s factory audio/information interface, including COMAND® navigation and the apps of Mercedes-Benz me® may not be able to work simultaneously with Apple CarPlay® or Android Auto. When Apple CarPlay or Android Auto is in use, the steering-wheel voice control button accesses Siri® or Google voice recognition for voice commands.

15 Steering wheel options may not be ordered together. Heated steering wheel replaces power steering pump on certain manual transmission models.

16 Spare tire is replaced with TIREFIT™ sealant and a portable air pump.

17 Roadside Assistance repairs may require charges for parts, service and towing. See your Limited Warranty. Depending upon country/region, these services may be provided by an outside provider, courtesy of Mercedes-Benz of North America. Roadside Assistance availability and vehicle accessibility may limit our ability to provide services to you. For full details, eligibility requirements, and limitations/exclusions of Sign and Drive services, as well as the Roadside Assistance Program, please see your dealer.

The personal rewards of striving to be the best are even more meaningful in the development of young people than they are for automobiles. Instilling the values of leadership, goal-setting, discipline and teamwork in youth is an investment in everyone’s future. It’s why Mercedes-Benz USA is collaborating with the Laureus Sport for Good Foundation, with an ongoing commitment to train and place hundreds of coaches for after-school and in-school sports programs in communities around the country. Sports offer kids more than the chance to be physically active and have fun. It’s also an opportunity to have a mentor who can guide them, help them learn how to deal with major life issues, and help them grow stronger not just physically but in their character. As a Mercedes-Benz driver, you become a part of this effort to give hundreds of thousands of kids a better life today, and all of us a brighter tomorrow. Learn more about how Mercedes-Benz USA believes in giving back at MBUSA.com/community
