## Maximize your mileage.

### 2.5L I-4

**Fuel Efficiency.** Prefer to sip? Milan is committed to your cause. For starters, its new 2.5L I-4 engine can be teamed with one of 2 efficient 6-speed transmissions. Choose the standard 6-speed manual or the available 6-speed automatic, depending on how shifty you feel. With the automatic, you'll achieve up to 34 mpg on the highway, best in its class.<sup>1</sup> And great satisfaction along the way.

### I-4 Facts

- Employs intake variable cam timing (iVCT) to increase power, improve efficiency
- Advanced sensors in the Electronic Throttle Control compute optimal throttle position

### 3.0L V-6

**Responsible Power.** Born to zip? Experience the pull of Milan Premier's available 240-hp 3.0L V-6 Flex Fuel (FFV) engine. It's mated to an efficient 6-speed SelectShift Automatic™ transmission,<sup>2</sup> making Milan the first midsize sedan to offer all 6-speed transmissions. A techno-wonder, SelectShift gives you the power to shift for yourself if you prefer, or automatically chooses the optimal gear for any situation.

### V-6 Facts

- V-6 Flex Fuel (FFV) engine runs on E85, gasoline or any blend of the 2
- An industry-first, Cam Torque-Actuated intake variable cam timing (iVCT) technology improves tip-in performance feel and fuel economy

### 2.5L I-4 HYBRID

**Fully Hybrid.** Ready for a new trip? How does 41 mpg<sup>3</sup> city/36 hwy. sound? The all-new Milan Hybrid is powered by a 2.5L I-4 engine that uses Atkinson-cycle combustion to get the most from each drop of gas. An electronically controlled Continuously Variable Transmission (eCVT) keeps shifts smooth. Behind the rear seats, a 275-volt sealed nickel-metal-hydrate (NiMH) battery pack lets it operate solely in pure electric mode at speeds of up to 47 mph, recharging itself every time you brake.

### Hybrid I-4 Facts

- City driving range on a single tank of gas is over 700 miles<sup>4</sup>
- Smaller, lighter battery pack (shown above) produces 20% more power than the one in Mercury's first hybrid system
- Smarter climate control system monitors cabin temperature and runs the gas engine only as needed to heat the cabin; the electric air conditioning compressor provides cold air even when the gas engine isn't running

<sup>1</sup>EPA-estimated 23 mpg city/34 hwy., Milan I-4 automatic with Rapid Spec 100A. Midsize class per R.L. Polk & Co. Non-hybrid. <sup>2</sup>EPA-estimated 18 mpg city/27 hwy. with 3.0L V-6 engine and 6-speed SelectShift Automatic transmission (FWD). <sup>3</sup>Based on EPA-estimated 41 mpg city/36 hwy. Actual mileage will vary. Midsize class per R.L. Polk & Co. <sup>4</sup>Based on EPA-estimated 41 mpg city. Actual mileage will vary.

## 2010 Milan+Milan Hybrid

Gauge your choice.

### MILAN

**Ice Blue™ Instrumentation.** As bold as ice. Thanks to new Ice Blue lighting on the instrument cluster gauges, center console controls, door lock and window switches, and steering wheel controls, all are highly visible in Milan. Radiating a crisp, cool glow, Ice Blue lighting makes quite an impression – especially at night. In addition to making gauges and switches easy to find and operate, Ice Blue lighting brings harmony to the interior and pleases the most important instrument of all: your eyes.

### MILAN HYBRID

**Liquid Crystal Displays.** You're the Chief Information Officer in Milan Hybrid. Its exclusive new SmartGauge™ with EcoGuide features 2 customizable 4.3" Liquid Crystal Display (LCD) screens that flank the luminous speedometer, supplying as much (or as little) information as you'd like to guide you on your hybrid experience. Choose from one of 4 modes to Inform, Enlighten, Engage or Empower yourself. Settings for both screens are controlled by switches on the steering wheel.

**Efficiency Forest.** Turn over a new leaf. Again. And again. And again. Watch more efficiency leaves grow on the brightly lit vine the longer you keep Milan Hybrid in Electric Drive. In this mode, you can run on electric power alone and achieve your best mileage. More leaves = more mpg (up to 41 mpg city). After shutdown, the system even reviews your performance and gives kudos for outstanding achievement.

MERCURY

## 2010 Milan+Milan Hybrid

MILAN HYBRID: LEATHER TRIM. CONTRAST STITCHING. ICE BLUE LIGHTING.

### Indulge your designer.

**Interior Arrangements.** Your inner designer, that is. Depending on the model, seats in Milan are covered in premium cloth, monotone or two-tone leather trim with contrast stitching, or elegant Cashmere-colored leather trim with tone-on-tone stitching in Milan VOGA. It's a pity you can only choose one. Soft-feel surfaces wrap pleasingly around you, while Ice Blue™ interior lighting accentuates its graceful lines. Standard on Premier and Hybrid, Ambient Lighting casts a glow – in your choice of 7 colors – in the front cupholders and front and rear footwells.

MILAN HYBRID: UP TO 41 MPG<sup>1</sup> CITY

<sup>1</sup>Based on EPA-estimated 41 mpg city/36 hwy. Actual mileage will vary. Midsize class per R.L. Polk & Co.

MERCURY

# 2010 Milan+Milan Hybrid

## Link your life.

**Voice-Activated Navigation with SIRIUS Travel Link.™** Check movie listings and showtimes. See if an accident lies ahead. Find the cheapest fuel. Handle all this and more from the massive 8" touch screen of the available Navigation System – thanks to Milan's class-exclusive SIRIUS Travel Link<sup>1</sup> with introductory 6-month subscription. Get real-time traffic updates. See current and forecasted weather, complete with radar images. Even check the scores and schedules of your favorite teams. This information-rich data stream only enhances an easy-to-use voice-activated Navigation System that plots your course as soon as you state your destination. In Route Guidance mode, upcoming street names are called out – in male or female voice. A bird's-eye view includes major landmarks for additional reference. And with nearly 10 gigabytes of hard drive storage, you can also store photos for your "home" screen and rip entire CDs or just your favorite songs (up to 2400 of them). This multifunctional system even lets you watch DVDs on-screen when Milan is in "Park." That's one powerful driving companion.

<sup>1</sup>Real-time traffic monitoring available in select markets. Some features are unavailable while driving. Service available in the 48 contiguous states and Washington, D.C.  
<sup>2</sup>Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a trademark of the Bluetooth SIG, Inc. <sup>3</sup>The vehicle's electrical system (including the battery), the wireless service provider's signal, and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be turned on, connected to SYNC, and the 911 Assist feature enabled in order for 911 to be dialed. <sup>4</sup>These SYNC services not available with Navigation System. See your dealer for details.

**Mercury SYNC® with 911 Assist.™** Enter Milan with your paired Bluetooth®-enabled phone, or plug your digital media player or thumb drive into its USB port, and available Mercury SYNC<sup>2</sup> knows you're there. Press a steering wheel button, say, "Call home," and it follows your commands. New this year: SYNC can make an emergency call from your phone if any airbag deploys.<sup>3</sup> And unlike other systems, SYNC connects you directly to a 911 operator. The latest version features up-to-the-minute weather, traffic alerts, turn-by-turn directions and more.<sup>4</sup> Developed in concert with Microsoft®, SYNC with class-exclusive 911 Assist also lets you request a Vehicle Health Report that can be viewed online. How's that for staying connected?

**SIRIUS® Satellite Radio.** With over 130 channels of crystal clear, digital-quality sound, available SIRIUS Satellite Radio<sup>1</sup> offers an amazing range of 100% commercial-free music, plus sports, news, talk and entertainment – and includes a 6-month introductory subscription to the SIRIUS service.

**Sony® 5.1 Surround Sound.** Featuring surround sound and DSP processing, the available Sony Audio System features Dolby® Automotive Entertainment Program (DAEP) 5.1 Surround Sound to bring the home theater performance of Dolby Pro Logic® II into Milan. With 390 watts of continuous power, 12 high-quality speakers and 2 amplifiers working together, Sony's unique, rich sound is more than delivered.

MERCURY

## 2010 Milan+Milan Hybrid

### Improve your grip.

**AdvanceTrac® ESC.** According to a National Highway Traffic Safety Administration (NHTSA) study,<sup>1</sup> electronic stability control (ESC) reduced single vehicle crashes among passenger cars by 35% when compared to similar models without this technology. So what is it, exactly?

With sensors to measure oversteer and yaw, Milan and Milan Hybrid's standard AdvanceTrac ESC<sup>2</sup> constantly monitors vehicle speed, throttle position and steering wheel angle. If it senses wheel slip or loss of traction, the system automatically modulates engine power or selectively applies the brakes to individual wheels to help keep Milan on its intended path.

**Intelligent All-Wheel Drive (AWD).** When rain turns to snow, formerly smooth blacktop is now very slick. As adrenaline floods your body to keep you alert, the optional Intelligent All-Wheel-Drive (AWD) system on Milan V-6 models reacts as well, seamlessly distributing more torque to the wheels with the best grip. Between front and rear axles and side to side on each axle, torque moves automatically to help maintain traction. As you reach your unplowed side street, traction is reduced to one wheel, so Intelligent AWD sends most torque there to help keep you moving forward. Up the driveway. Into the garage. Power off. Home.

<sup>1</sup>U.S. Dept. of Transportation study, September 2004 ([www.nhtsa.gov](http://www.nhtsa.gov)).

<sup>2</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

MERCURY

# 2010 Milan+Milan Hybrid

## Raise your awareness.

**BLIS® (Blind Spot Information System) with Cross Traffic Alert.** You want to change lanes. You check your sideview mirror. As you move over, a sharp horn beep from another driver lets you know the lane is occupied. To help make you more aware of those vehicles, radar sensors in Milan's available class-exclusive<sup>1</sup> BLIS (Blind Spot Information System) with Cross Traffic Alert are constantly scanning your blind spots. As soon as the sensors detect a vehicle there, the system flashes an amber light in your driver-side or passenger-side sideview mirror to help warn you. Additionally, the Cross Traffic Alert function sounds a warning when the sensors detect a vehicle approaching from either side as you back Milan out of a parking spot.

**Rear View Camera.** The "thunk" of a bicycle against your rear bumper. Not the best way to start your morning. Milan's Rear View Camera, part of the available Driver's Vision Package, uses a tiny, rear-mounted camera to deliver a big, full-color image on the 8" screen of the available voice-activated Navigation System, or in the rearview mirror (in models not equipped with the Navigation System). It's always worth a second look. An available Reverse Sensing System can also help. When you're slowly backing up, its sensors help alert you (with audible signals) to certain objects behind the vehicle so you can avoid contact.

<sup>1</sup>Class is Midsize Sedans.

MERCURY

## 2010 Milan+Milan Hybrid

### Savor your surroundings.

**Seat Yourself.** Surrounded by volumes of airy room, it's hard to feel anything other than soothed in Mercury Milan. A hidden dash-top storage bin is the perfect place to store your cell phone, change, toll road tickets and more. The front center console features two-tiered storage and doubles as an armrest. And because the front-passenger seat and 60/40 split-folding rear seat fold down,<sup>1</sup> you can fit items almost 9' long into Milan's spacious interior. An available power tilt-and-slide moonroof is the perfect finishing touch.

<sup>1</sup>Because of its 275-volt battery pack, the rear seat does not fold down in Milan Hybrid.

MERCURY

## 2010 Milan+Milan Hybrid

### Peak your performance.

**Highway Cruiser.** Is much of your day spent on the road? Do you travel long distances for your job? If so, the 2.5L I-4 engine on Milan or the available 3.0L V-6 Flex Fuel engine on Milan Premier will answer the call. These gasoline-powered engines are teamed with 6-speed manual or 6-speed automatic transmissions to smartly balance performance with fuel efficiency.

**City Driver.** You'll find a soul mate in the all-new 2010 Milan Hybrid. In stop-and-start city driving, Milan Hybrid excels. Its full-hybrid system enables the vehicle to travel at speeds up to 47 mph on the electric motor alone. That's why city mileage (41 mpg) is higher than highway mileage (36 mpg)<sup>1</sup>. This requires a whole new way of thinking – and driving. Gentle acceleration, consistent brake pressure, and the fine art of coasting will help you get the most from Milan Hybrid's full-hybrid system.

On the road, Milan Hybrid's 2.5L I-4 engine works with the electric traction motor to create 191 net hp. That motor captures kinetic energy during Regenerative Braking and uses it to recharge the 275-volt sealed battery pack. The battery pack completes the cycle by supplying energy to start the engine, to drive at low speeds, and to boost acceleration.

<sup>1</sup>Based on EPA-estimated 41 mpg city/36 hwy. Actual mileage will vary. Midsize class per R.L. Polk & Co.

MERCURY

# 2010 Milan+Milan Hybrid

Elements of sophistication.

**Preparation.** Never have power when you need it? Now you do. To power laptops, digital media players, portable gaming systems and more, a convenient 110-volt outlet is always at the ready in Milan Hybrid.

**Automation.** As the sprinkles turn into a downpour, Milan's speed-sensitive wipers can maximize visibility by speeding up on their own, allowing you to keep your hands on the steering wheel. You're free to focus on the road while other drivers are fumbling for their wipers.

**Integration.** Milan's LED taillamps use less energy and illuminate more quickly than conventional bulbs. On Milan and Milan Hybrid, they're further accentuated by an available rear spoiler.

**Organization.** Ultimate control comes to those who keep their worlds uncluttered. To help, Milan's spacious trunk includes a storage net that's perfect for holding items that are prone to "rolling." Not shown: A dash-top storage bin that keeps items at your fingertips at all times, as well as 6 bottle/beverage holders in Milan's interior.

**Illumination.** An automatic headlamps feature on Milan Premier and Milan Hybrid turns the headlamps on and off automatically based on ambient light conditions.

**Activation.** On models equipped with Milan's available voice-activated touch-screen Navigation System, the Dual-zone Electronic Automatic Temperature Control can be operated 2 ways: by voice (say "Temperature Up" or "Temperature Down"); or by touching the up or down arrows on the Navigation System's Climate screen.

**Invitation.** Green. White. Yellow. Aqua. Red. Blue. Purple. To give your 2010 Milan Premier or Milan Hybrid an inviting glow, Ambient Lighting allows you to scroll through these 7 different colors to create the mood you desire – illuminating from within the front cupholders and from the front and rear footwells.

## Specifications

### BASE MODEL DIMENSIONS

Wheelbase 107.4"  
 Length 189.0"  
 Width (excl. mirrors/incl. mirrors) 72.2"/80.1"  
 Height 56.9"  
 Front track 61.7"  
 Rear track 61.3"  
 Head room (front/rear) 38.7"/37.8"  
 Shoulder room (front/rear) 57.4"/56.5"  
 Leg room (front/rear) 42.3"/37.1"

### CAPACITIES

Fuel capacity  
 FWD: 17.5 gal.  
 AWD: 16.5 gal.  
 Cargo volume  
 Milan: 16.5 cu. ft.  
 Milan Hybrid: 11.8 cu. ft.  
 Seating capacity 5  
 Total passenger volume  
 Milan: 100.3 cu. ft.  
 Milan Hybrid: 99.8 cu. ft.

### HORSEPOWER, TORQUE AND 2010 EPA-ESTIMATED FUEL ECONOMY 2.5L iVCT DURATEC® I-4 ENGINE

Horsepower 175 @ 6000 rpm  
 Torque 172 lb.-ft. @ 4500 rpm  
 6-speed manual  
 22 mpg city/31 hwy.<sup>1</sup>  
 22 mpg city/29 hwy.<sup>2</sup>  
 6-speed automatic  
 23 mpg city/34 hwy.<sup>1</sup>  
 22 mpg city/31 hwy.<sup>2</sup>

### 3.0L iVCT DURATEC V-6 FFV ENGINE<sup>3</sup>

Horsepower 240 @ 6550 rpm  
 Torque 223 lb.-ft. @ 4300 rpm  
 6-speed SelectShift Automatic™ (FWD)  
 18 mpg city/27 hwy.  
 6-speed SelectShift Automatic (AWD)  
 18 mpg city/25 hwy.

### 2.5L iVCT ATKINSON-CYCLE I-4 ENGINE WITH PERMANENT-MAGNET AC-SYNCHRONOUS ELECTRIC MOTOR

Net horsepower 191  
 Electronically controlled Continuously Variable Transmission (eCVT)  
 41 mpg city/36 hwy.

### STANDARD FEATURES

#### POWERTRAIN/FUNCTIONALITY

4-wheel disc Anti-lock Brake System (ABS)  
 Front-wheel drive (FWD)  
 Short- and Long-Arm (SLA) independent front suspension  
 Multilink independent rear suspension  
 Power rack-and-pinion steering

#### EXTERIOR

Chrome exhaust tips  
 Easy Fuel™ capless fuel filler  
 Light-Emitting Diode (LED) taillamps  
 Power, heated body-color sideview mirrors with security approach lamps  
 Solar-tinted glass

#### INTERIOR

Audio input jack  
 Cabin air filtration system  
 Dash-top storage bin  
 Front center console with armrest, two-tiered storage and 2 beverage holders (non-Hybrid only)  
 Ice Blue™-lit instrument panel cluster  
 Leather-wrapped steering wheel with cruise and audio controls  
 Message center  
 Power door locks with child-safety rear door locks  
 Power remote trunk release  
 Power windows with one-touch-up/-down driver-window feature  
 SIRIUS Satellite Radio includes satellite receiver, antenna and introductory 6-month subscription  
 Tilt/telescoping steering column

#### SECURITY/SAFETY

Personal Safety System™ for driver and front passenger with dual-stage front airbags<sup>4</sup>, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver-seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System  
 3-point safety belts for all seating positions  
 AdvanceTrac® electronic stability control with Brake-Actuated Traction Control  
 Front-seat side airbags<sup>4</sup>  
 Lower anchors and tether anchors for child-safety seats (LATCH)  
 Perimeter anti-theft alarm  
 SecuriCode™ keyless-entry keypad  
 SecuriLock® passive anti-theft ignition system  
 Side-curtain airbags<sup>4</sup>  
 Side-intrusion door beams  
 SOS Post-Crash Alert System™<sup>5</sup>  
 Tire Pressure Monitoring System (excludes spare)

## Build Your Milan

### MILAN – Rapid Spec 100A

Includes all the standard features, plus:

2.5L DOHC Duratec® I-4 engine with iVCT

6-speed manual transmission

16" 5-spoke painted-aluminum wheels

P205/60R16 all-season rolling resistance tires

Halogen headlamps

6-way power driver seat with manual lumbar

2-way manual fold-down front-passenger seat

60/40 split-folding spring-assisted rear seat (non-hybrid only)

AM/FM stereo/single-CD player with MP3 capability

Single-zone manual air conditioning

### AVAILABLE OPTION GROUPS

**Rapid Spec 102A** – 6-speed automatic transmission, carpeted front and rear floor mats, 17" 5-spoke-design steel wheels with silver-painted covers, and P225/50R17 all-season tires

**Rapid Spec 103A** – 6-speed automatic transmission, carpeted front and rear floor mats, 17" 5-spoke-design steel wheels with silver-painted covers, P225/50R17 all-season tires, fog lamps, rear spoiler, and **Sun & SYNC Package**, which includes power tilt-and-slide moonroof, auto-dimming rearview mirror with microphone and compass, and Mercury SYNC® voice-activated, in-vehicle communications and entertainment system

### AVAILABLE OPTIONS AND PACKAGES

**Rapid Spec 101A** – 6-speed automatic transmission

All-weather floor mats

Auto-dimming rearview mirror<sup>1</sup> with microphone and compass

Carpeted front and rear floor mats

Mercury SYNC<sup>1</sup> voice-activated, in-vehicle communications and entertainment system

Red Candy Metallic Tinted clearcoat paint

Remote start systems<sup>2</sup>

Reverse Sensing System<sup>3</sup>

**Sun & SYNC Package**<sup>1</sup>

White Platinum Metallic Tri-Coat paint<sup>3</sup>

### MILAN PREMIER – Rapid Spec 200A

Includes all the standard features on Milan, plus:

6-speed automatic transmission

17" 7-spoke painted-aluminum wheels

P225/50R17 all-season tires

Automatic halogen headlamps

Fog lamps

8-way power driver seat with manual lumbar

6-way power fold-down front-passenger seat

Leather-trimmed seats

Heated front seats

Carpeted front and rear floor mats

Ambient Lighting

Dual-zone Electronic Automatic Temperature Control

Auto-dimming rearview mirror with microphone and compass

Mercury SYNC voice-activated, in-vehicle communications and entertainment system

### AVAILABLE OPTION GROUPS

**Rapid Spec 201A** – Rear spoiler, Reverse Sensing System, and **Driver's Vision Package**, which includes BLIS® (Blind Spot Information System) with Cross Traffic Alert and Rear View Camera

**Rapid Spec 202A** – Rear spoiler, Reverse Sensing System, **Driver's Vision Package**, and **Moon & Tune Package**, which includes power tilt-and-slide moonroof and Sony® Audio System with DAEP 5.1 Surround Sound, AM/FM stereo/6-disc in-dash CD changer, MP3 capability and 12 speakers

### AVAILABLE OPTIONS AND PACKAGES

3.0L Duratec V-6 FFV engine with iVCT and 6-speed SelectShift Automatic™ transmission

18" Luster Nickel wheels

All-weather floor mats

Intelligent All-Wheel Drive (AWD) system (3.0L V-6 only)

Hard drive-based, voice-activated Navigation System features SIRIUS Travel Link™ (with introductory 6-month subscription) and about 10 gigabytes of digital storage for pictures and music; includes Sony Audio System with DAEP 5.1 Surround Sound, AM/FM stereo/single-CD/DVD, MP3 capability and 12 speakers

**Moon & Tune Package**<sup>5</sup>

Premium floor mats

Rear spoiler

Red Candy Metallic Tinted clearcoat paint

Remote start systems

Reverse Sensing System

**VOGA Package** includes chrome-accent finishes on grille, rear decklid appliqué and rear badging; 17" 8-spoke chrome wheels with VOGA center caps; unique VOGA exterior badging; unique floor mats with embroidered VOGA logo; Cashmere-colored door-trim inserts; Cashmere-colored leather-trimmed seats with tone-on-tone Cashmere stitching; and VOGA embroidered on front seatbacks (available only with Tuxedo Black or White Suede exterior colors and Dark Charcoal interior)

White Platinum Metallic Tri-Coat paint

### MILAN HYBRID – Rapid Spec 300A

Includes all the standard features on Milan Premier, plus:

2.5L iVCT I-4 Atkinson-cycle engine with Permanent-Magnet AC-synchronous electric motor

Electronically controlled Continuously Variable Transmission (eCVT)

275-volt sealed nickel-metal-hydride (NiMH) battery

Regenerative Braking System

17" 15-spoke painted-aluminum wheels

Reverse Sensing System

SmartGauge™ with EcoGuide instrument cluster with 2 configurable LCD screens and message center

110-volt AC power outlet

**Driver's Vision Package** includes BLIS (Blind Spot Information System) with Cross Traffic Alert and Rear View Camera

**Moon & Tune Package** includes power tilt-and-slide moonroof and Sony Audio System with DAEP 5.1 Surround Sound, AM/FM stereo/6-disc in-dash CD changer, MP3 capability and 12 speakers

### AVAILABLE OPTIONS AND PACKAGES

All-weather floor mats

Hard drive-based, voice-activated Navigation System features SIRIUS Travel Link (with introductory 6-month subscription) and about 10 gigabytes of digital storage for pictures and music; includes Sony Audio System with DAEP 5.1 Surround Sound, AM/FM stereo/single-CD/DVD, MP3 capability and 12 speakers

Remote start systems

White Platinum Metallic Tri-Coat paint

<sup>1</sup>Requires Rapid Spec 102A. <sup>2</sup>Requires Rapid Spec 101A, 102A, or 103A. <sup>3</sup>Requires Rapid Spec 102A or 103A. <sup>4</sup>Requires Rapid Spec 202A. <sup>5</sup>Single-CD Sony Audio System when paired with Navigation System.

Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations.
