

The background of the image consists of several broad, wavy, diagonal bands of color. The colors range from a deep, dark blue to a light, ethereal purple. The bands are separated by darker, almost black, spaces, creating a sense of depth and movement. The overall effect is reminiscent of light reflecting off a liquid surface or perhaps the folds of a heavy, draped fabric.

2000 MITSUBISHI DIAMANTE

THERE ARE NO WRONG TURNS. ONLY EXTENDED DRIVES.

Model: Diamante LS with All-Weather Package

3.5-liter V6

It's true. You never grow tired of the finer things in life. And, as a short test drive will show, the Diamante is one  of those things. With impeccable  styling. A plush, sumptuous interior with all the amenities and appointments you expect at this level. But the Diamante isn't just a luxury car. It's a driver's car.

With a 3.5-liter, 24-valve SOHC V6 that's the largest in its class.* A sophisticated, 4-wheel independent suspension. And, for a little driving music, an available 8-speaker Mitsubishi/Infinity* audio system with an optional, 6-disc, in-dash CD changer. Can you say road trip?

*Import Near-Luxury segment as defined
by *Automotive News '99 Market Data Book*

**205 hp with CA/NLEV vehicles.

†Heated front seats only.
