### Disclaimers

1. EPA Estimates are to be used as a standardized comparison with other vehicles. Your actual mileage will vary depending on how you drive and maintain your vehicle.
2. Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, all occupants must be properly restrained and seated well back, upright and in the middle of the seat. Do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear-facing infant restraint in the front seat. See your owner’s manual and instructions provided with your child restraint for more information.
3. All doors must be closed and latched.

It just makes sense: Our vehicles are different than any on the road, so why shouldn’t our warranties be a cut above as well? At Mitsubishi, we’re so confident in the quality, reliability and durability of Eclipse that we back it with one of the best Limited Powertrain Warranties in the business: 10 years or 100,000 miles. It’s just one in a number of extensive warranties that come with the Eclipse—a list that includes a 5-year/60,000-mile fully transferable bumper-to-bumper New Vehicle Limited Warranty.

3 All coverage terms are from the original in-service date. The 10-year/100,000-mile Limited Powertrain Warranty applies only to the original owner of new, retailed 2010 models purchased from an authorized Mitsubishi dealer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5 years/60,000 miles.
