

2012 Lancer Evolution

Your definition of performance is about to evolve.

Behold the 2012 Lancer Evolution. Featuring 291 turbocharged ponies, 18" aluminum alloy wheels and an available 6-speed Twin Clutch Sportronic® Shift Transmission, this is a car that doesn't just raise a few eyebrows. It raises the bar. Add an aggressive stance, race-proven Brembo® brakes and an available suspension featuring Eibach® springs and BILSTEIN® shock absorbers and you'll never look at other sports sedans the same way again. And since it all starts at just \$34,495,¹ this is one instance where performance doesn't come at a price.

Performance is nothing without confidence.

When you're bred to win World Rally Championships, confidence becomes as important as horsepower. That's why we equipped the Lancer Evolution with Super All-Wheel Control (S-AWC) as standard equipment, along with confidence-inspiring RECARO® sport seats and our innovative FUSE Hands-Free Link System™ that lets you keep your hands on the wheel while making calls or selecting your favorite tunes. And to help you get where you're going with confidence, we also gave it an available HDD Navigation System featuring real-time traffic information and a built-in 40GB music server.

It just makes sense: Our vehicles are different than any other on the road, so why shouldn't our warranties be a cut above as well? At Mitsubishi, we're so confident in the quality, reliability and durability of the Lancer Evolution that we back it with extensive warranties designed to give you thousands of miles of worry-free driving. This list is headed by a 5-year/60,000-mile Powertrain Limited Warranty and also includes a 3-year/36,000-mile, New Vehicle Limited Warranty, a 7-year/100,000-mile Anti-Corrosion/Perforation Limited Warranty and 5-year/Unlimited miles Roadside Assistance. It's all about giving our drivers some serious peace-of-mind, and the security in knowing that their Lancer Evolution is engineered for the long-term, with a warranty designed to keep it on the road long into the future. All coverage is fully transferable to subsequent owners.

⁴ Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, always wear your seatbelt, sit upright in the middle of the seat and do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear facing infant restraint in the front seat. See your owner's manual and instructions provided with your child restraint for additional information.
