Drive your Ambition

> WE'LL OBSESS OVER THE DETAILS. YOU ENJOY THE RIDE.

At Mitsubishi Motors, we're obsessed with achieving perfection. In fact, there's a Japanese word for this sort of obsession: Kodawari, which means "in pursuit of perfection." The three main pillars of the Kodawari discipline are passion, persistence and precision. To harness Kodawari and realize our ideals, we apply these pillars to each and every vehicle we create.

Why do we yearn for perfection? Why do we hold ourselves to such high standards? What inspires our attention to detail? The answer is simple: you. Our customers. The people who drive our cars. Those who appreciate uncompromising craftsmanship and a pioneering spirit. The ones who don't mind being a bit unconventional, if it means breaking the mold. Some call it idealistic, but for us, it's simply **Kodawari**.

> KODAWARI

**PASSION IS A FIRE FROM WITHIN, AN INNER
CONVICTION THAT SOMETHING IS WORTHWHILE.
THE MIRAGE IS THE RESULT OF THAT PASSION,
THE DESIRE TO REFINE OUR WORK AND HONE
OUR CRAFT.**

THE 2021 MIRAGE & MIRAGE G4

> THE REAL DEAL.

The 2021 Mirage hatchback and Mirage G4 sedan bring Mitsubishi Motors' ambitions to life. Sporting sleek available LED headlights, a 1.2L three-cylinder engine and Active Stability Control¹, Mirage's lightweight body can turn on a dime, taking tight corners with precision and control. Adding generous standard features to the equation, it also puts smart technology and advanced safety at your fingertips. Part urban cruiser and part compact commuter, its winning combination of flare and functionality make entry level look like the big league. Plus, with a combined 39 MPG for the Mirage² and 37 MPG for the Mirage G4³, you'll enjoy a minimal footprint and class-leading mileage from one of the most fuel-efficient cars in America.

Such style, comfort and convenience make the Mirage a driver's dream come true.

> **01 FUEL EFFICIENT AT EVERY TURN.**

Mirage is a compact car with big impact. With a lighter body weight that optimizes fuel efficiency, you get **39 Combined MPG² for the Mirage** and **37 Combined MPG³ for the Mirage G4**. At the same time, the sharp turning radius makes it ideal for navigating narrow city streets and maneuvering curves and corners. For more road responsiveness, **Active Stability Control** uses sensors to monitor the grip of your tires. If one of the wheels starts to slip, the system works with Mirage's **Anti-Lock Braking** to help you maintain traction and control.⁴

> **READY, STEADY, GO.**

Featuring a **1.2L engine with 78HP**, both Mirage models perform with a perfect balance of speed and efficiency. Choose between two transmission options to customize your driving style - the **5-speed manual transmission** gives you hands-on control, while the ultra-efficient **Continuous Variable Transmission (CVT)** offers a more carefree drive.⁴

> **ONWARDS AND UPWARDS.**

**EXPLORE
MIRAGE
PERFORMANCE**

**EXPLORE
MIRAGE G4
PERFORMANCE**

Going uphill? **Hill Start Assist**⁵ is there to help increase your confidence and prevent your Mirage from rolling backwards. If you're stopped on an incline, activate this feature to help maintain the vehicle's position.

It will apply the brake pedal to all your wheels for approximately two seconds while you switch to the accelerator.

> 02 INTERFACE FORWARD.

Keep everything on your radar. The **7" Smartphone Link Display Audio System** in the Mirage and Mirage G4 lets you intuitively control your smartphone right from the high-resolution touchscreen. The seamless experience makes your drive smart and better-connected, so you can jam to playlists, find your way with real-time navigation and access all your favorite apps. Compatible with **Android Auto™⁶** and **Apple CarPlay®⁷** and featuring an easy-to-reach Front USB port, the Mirage keeps your entire crew effortlessly informed, entertained and connected.

> **HIGH-KEY CONVENIENCE.**

Built to make every day just a little easier, Mirage is full of thoughtful details like the available **FAST-Key Entry System**. Instead of fumbling for your keys, simply push the handle once to unlock the driver side door or twice to unlock them all.

> **A CAR FOR ALL SEASONS.**

Too hot? Too cold? No matter what the weather app says, Mirage will feel just right. With **Automatic Climate Control**, you can adjust the in-cabin temperature to perfectly suit your personal preference – whether that's warm, cool, or something in between.

> **EASY START.**

**EXPLORE
MIRAGE
TECHNOLOGY**

Our push-to-start system makes starting the ignition on your Mirage simple and straightforward. With your foot on the brake, you can power up and go with the mere push of a button.

**EXPLORE
MIRAGE G4
TECHNOLOGY**

> 03 A SENSE FOR SAFETY.

Equipped with our latest advanced safety features, the 2021 Mirage and Mirage G4 offer peace of mind on rough roads and in tough conditions.

Forward Collision Mitigation system with Pedestrian Detection⁷

monitors the road, letting you know when it senses something up ahead. If you don't respond when the system issues an alert, it attempts to apply the brakes, to help avoid a potential collision.

Mirage's airbag system⁹ delivers a stronger sense of safety too. Its

Advanced Dual Stage Front, Side Curtain and Driver Knee airbags

join forces to keep you protected. Plus, on top of the six standard airbags, the Mirage also adds a seventh airbag underneath the driver's side dashboard for an extra safeguard. In the event of a collision, the **Reinforced Impact Safety Evolution (RISE)** body construction is designed to help route and absorb energy for greater protection.

These crumple zones and other strategic reinforcements at key points reduce the force of impact and complement the vehicle's side-impact door beams, giving it a more stable, secure base.

> **STAY THE COURSE.**

Hold the line with Mirage's available **Lane Departure Warning**¹⁰ system. It continually monitors your position in the lane to keep you on track. If the system thinks you could be unintentionally drifting, it lets you know by providing an audible and visual alert.

> TAKE THE PRESSURE OFF.

EXPLORE
MIRAGE
SAFETY

EXPLORE
MIRAGE G4
SAFETY

Low pressure tires can turn into high pressure situations in the blink of an eye. That's why Mirage will let you know if your tires are running low on air. The **Tire Pressure Monitoring System** uses sensors to measure the air pressure inside your tires and lights up with a warning if they're under-inflated.

> **KODAWARI**

**PERSISTENCE IS AN ABILITY TO KEEP GOING.
THE DEDICATION AND COMMITMENT THAT
DOESN'T BACK DOWN FROM A CHALLENGE.
THE 2021 MIRAGE AND MIRAGE G4 PUSH
BEYOND EXPECTATIONS AT EVERY TURN.**

> 04 STYLE IN SPADES.

Whether you go for the Mirage or the Mirage G4, both models deliver handsome, contemporary styling with a streetsmart attitude. Distinctive updates to the exterior design include new front and rear bumpers, while the available **15" alloy wheels** add to its bold aesthetic. Available body-colored folding side mirrors offer a sense of how Mirage balances form with function. Every line and curve on the vehicle emphasize its fluid body shape, conveying movement and athleticism. The dynamic front shield and sporty rear spoiler round out the overall effect, hinting at the road-ready warrior within.

> **SEE THE ROAD AHEAD.**

Make your vehicle's presence known with a brighter, clearer light. Sleek available daytime-running **LED Headlights** give Mirage an extra measure of style and safety, while the available **Fog Lights** offer better visibility in cloudy conditions. Available **Automatic High Beams (AHB)** brighten and dim automatically to reduce glare for other drivers while safely enhancing your view of the road.

> THE CARBONITE EDITION.

MIRAGE
EXT. DESIGN

EXPLORE
MIRAGE G4
EXT. DESIGN

Mitsubishi Motors' signature attention to detail hits new heights with the **Mirage Carbonite Edition**. From the newly streamlined front bumper design to the carbon pattern trim under the grille, it looks every inch the urban sophisticate. Carbon effects add to the sporty styling and the B Pillar carbon pattern graphics give it a youthful, playful feel. Its aerodynamic body lines are accented by front, side, and rear effects, while an array of special edition colors are sure to make you stand out.

> 05 THE INSIDE STORY.

Enjoy your personal space. Despite its compact size, the Mirage G4's interior cabin feels spacious, delivering a generous amount of storage and legroom. Flexible, functional and comfortable, the available combination leather and fabric seating offers room for up to 5 passengers. But it's not just about who's coming with you – Mirage G4 is ready to handle all your stuff too, with **12.6 cubic feet of trunk space**. On the other hand, the Mirage Hatchback provides an incredible **17.1 cubic feet of cargo space behind the rear seat** and **47 cubic feet of cargo space** for plenty of storage configurations. Pack easy and take whatever you need along for the ride.

➤ **STEER TOWARDS COMFORT.**

Mirage is full of thoughtful details that are designed to elevate the everyday journey. The available leather finished steering wheel puts luxury within your grasp, letting you cultivate a driving experience that's exhilarating, sporty and uniquely you.

> **COZY DOES IT.**

EXPLORE
MIRAGE
INT. DESIGN

On a cold day, you need something to heat you up quickly. That's why the available **heated seats** in the Mirage are sure to become your new favorite feature.
