QUALITY IS NOT AN ACT, IT IS A HABIT.

— Aristotle
Meet the 2014 Mitsubishi Outlander Sport, the compact crossover that proves utility doesn’t have to be dull. Its smart size makes it practical around town, yet pulse-quickening around corners. Inside, it’s spacious and versatile, yet loaded with upscale appointments. And when it comes to technology, the Outlander Sport is brimming with leading-edge features. So, make sure you get plenty of vitality with your versatility in the 2014 Outlander Sport.
BUILDING INTEGRITY

One of the most advanced automotive manufacturing facilities in the world, the Manufacturing Division of Mitsubishi Motors North America, Inc. (MMNA), in Normal, Illinois, has produced more than 3,000,000 vehicles since the first car rolled off the assembly line in 1988. The facility employs nearly 1,300 people, approximately 1,000 of whom are members of the United Auto Workers union, and they currently assemble the Outlander Sport. MMNA Manufacturing and its employees are committed to building world-class vehicles in an environmentally and socially responsible manner. In fact, the plant received ISO 14001 certification, a global environmental quality process standard, in 2001.
Log on to our website and browse our full lineup of new vehicles, get Manufacturer's Suggested Retail Price (MSRP) and customer rebate information and “build” the Mitsubishi that’s right for you.
DESIGN

Color LCD Multi-Information Display • Panoramic Glass Roof
Designer Cabin • LED Combination Taillights
Super-Wide Range HID Headlights
18” Alloy Wheels
**STYLING THAT STARES BACK AT YOU**

Don’t be intimidated by Outlander Sport’s sophisticated exterior. Despite its bold front grille, its shape achieves aerodynamic efficiency. With its distinctive headlights, sharp LED combination taillights, and scalloped sides, Outlander Sport’s styling has received soaring acclaim.

**COLOR LCD MULTI-INFORMATION DISPLAY**

An easy-to-read trip computer provides you with helpful information like average speed and gas mileage, instant fuel economy, cruising range to empty, outside temperature and even maintenance reminder information.

**PANORAMIC GLASS ROOF**

By day, the available panoramic glass roof creates a fresh, open-air feeling throughout the interior. By night, the roof’s LED lighting sets the mood for endless evening drive possibilities.

**DESIGNER CABIN**

The Outlander Sport’s interior is an agreeable environment, indeed. High contrast meter gauges are sharp and clear. The seats have been tailored with embossed upholstery. The upper door trim and dashboard feature soft touch material with a rich pebble-texture, while subtle silver accents add that touch of class.
LED COMBINATION TAILLIGHTS
Outlander Sport has got your back with LED combination taillights. These high-quality units not only look sharp, they also light up faster, are more visible and last longer than traditional taillights.

SUPER-WIDE RANGE HID HEADLIGHTS
Outlander Sport is full of bright ideas, like its available Super-wide Range High Intensity Discharge Headlamps (S-HID). Using xenon gas, they project a beam that’s 35% brighter than normal lights. What’s more, the light they emit more closely mimics that of the sun, making for better definition and less eye fatigue.

18” ALLOY WHEELS
Standard on every Outlander Sport, these striking aluminum-alloy wheels add a sporty touch to an already attractive profile. What’s more, the 225/55R18 tires provide a large contact patch with the road to help improve traction.
ACCOMMODATION

Tilt and Telescoping Steering Wheel • FAST-Key Passive Entry System
FUSE Hands-Free Link System® with USB Port
Automatic Climate Control
60/40 Split Rear Seats
With automatic climate control, heated front seats and heated side mirrors, the Outlander Sport SE certainly has your comfort covered. But inside its spacious interior you’ll feel more than just comfortable, you’ll feel a connection. Literally. Its FUSE Hands-Free Link System® with USB port not only lets you play music from your iPod®, it even allows you to operate your mobile phone with voice commands.\(^1\)
TILT AND TELESCOPING STEERING WHEEL
Those who share their Outlander Sport with other drivers will appreciate the tilt and telescoping steering wheel. It makes finding that perfect driving position a quick and easy operation.

FAST-KEY PASSIVE ENTRY SYSTEM
Outlander Sport’s FAST-Key (Free-hand Advanced Security Transmitter) makes vehicle entry easy. Lock or unlock the doors by simply pressing the button on either front door or the trunk lever. You can even start or stop the engine with the keys tucked away in a pocket or purse.
FUSE HANDS-FREE LINK SYSTEM® WITH USB PORT
Incorporating Bluetooth® 2.0 technology, FUSE allows you full use of your Bluetooth-enabled phone and lets you play music from your iPod® or other MP3 player and USB devices, hands free. Along with buttons on the steering wheel and navigation screen, FUSE also utilizes advanced speech recognition technology, so you can operate selected features with voice commands. FUSE recognizes up to seven different mobile phones, syncing up with contact lists from each phone that’s been paired with the system and keeping the lists private to each user.

AUTOMATIC CLIMATE CONTROL
This available comfort feature helps keep the cabin temperature, fan speed and air source to your liking, so you can keep your hands on the wheel and not on the AC controls.

60/40 SPLIT REAR SEAT
Outlander Sport gives you versatility your way. Its 60/40 split folding rear seat not only accommodates cargo and passengers alike, it features a handy lever that drops the seatbacks quickly and easily.
TECHNOLOGY

Mitsubishi Multi-Communication System (MMCS)
6.1” Touch Panel Display Audio System
Rockford Fosgate Premium Audio System®
The forward-looking Outlander Sport is a veritable clinic in efficient engineering. With new weight-saving materials, as well as energy-saving technologies, it achieves an EPA-estimated 31 mpg highway rating, when equipped with FWD and CVT. It also offers features to enhance your own efficiency, such as touch-screen navigation and voice-activated command of both your smartphone and your music. In Outlander Sport, you’ll soon be a master multi-tasker.

Mitsubishi Multi-Communication System (MMCS)
Boasting a 7 in. high-definition touch-panel display, the intuitive Mitsubishi Multi-Communication System (MMCS) offers a host of advanced features, including mapping, expanded Point of Interest (POI) information and road speed limit display, ECO routing and subscription-free Real-time HD Traffic with Diamond Lane Guidance.
6.1” TOUCH PANEL DISPLAY AUDIO SYSTEM
Equipped with a 6.1 in. touch screen, this sleek system sports a high-gloss black finish and uses app-like icons for easy navigation. Features include HD Radio®, SiriusXM® Satellite Radio and a rear view camera system. With the FUSE Hands-free Link System®, connected via Bluetooth®, it also offers a phone dial screen and contact list importing.

ROCKFORD FOSGATE® PREMIUM AUDIO SYSTEM
Outlander Sport’s available Rockford Fosgate® 710-watt audio system powers eight premium speakers and a 10 in. dual-voice coil subwoofer. The system incorporates an advanced Digital Signal Processor (DSP) and offers the listener Punch Control® over the subwoofer, sound field control over the image and staging of the system, and the latest DTS Neural Surround® technology. The system is also equipped with state-of-the-art technologies, such as Dolby® Volume, PremiDIA HD® and PremiDIA-Wide® for dynamic audio performance.
ECOLOGY

ECO Lamp Indicator
Continuously Variable Transmission (CVT)
ECO LAMP INDICATOR
This helpful feature illuminates at a given vehicle speed and engine RPM range to let you know that your Outlander Sport is operating at maximum fuel efficiency. The longer you drive with the ECO lamp activated, the better your fuel economy.

CONTINUOUSLY VARIABLE TRANSMISSION (CVT)
One of the smoothest and most efficient transmissions available, a CVT operates on a pulley system, allowing infinite variability between the highest and lowest ratios. Instead of shifting gears, it adapts to changing vehicle speeds and helps keep the engine operating efficiently.
PERFORMANCE

2.0L MIVEC Engine
Paddle Shifters
2.0L MIVEC ENGINE
Powering Outlander Sport is a 2.0-liter engine that features resin coated pistons and smoother surface camshafts for reduced friction and improved fuel economy. The dual overhead cam, 16-valve engine produces 148 horsepower at 6,000 rpm and 145 lb.-ft. of torque at 4,200 rpm. As with all Mitsubishi engines, it enjoys the efficient breathing of Mitsubishi Innovative Valve-timing Electronic Control (MIVEC).

PADDLE SHIFTERS
Available with the Continuously Variable Transmission are race-inspired paddle shifters that offer real hands-on performance. Simply pull the right paddle to upshift and the left paddle to downshift.
SAFETY

All-Wheel Control (AWC) • Rear View Camera
Seven Standard Airbags
RISE Unibody Construction
Active Stability Control and Traction Control
Many of our most impressive advancements often go virtually unnoticed such as our active and passive safety features. The Outlander Sport is so well equipped, it earned a 2013 Top Safety Pick + award from the Insurance Institute for Highway Safety.

**ALL-WHEEL CONTROL (AWC)**
Our advanced AWC combines the grip of a electronically controlled four wheel drive with the intelligence of our Active Stability and Traction Control system to regulate torque from front to rear. The result is greatly enhanced performance and traction under a variety of road conditions.

**REAR VIEW CAMERA**
With visibility compromised, backing up a vehicle is always a safety concern. Outlander Sport’s available rear view camera provides a measure of assurance by displaying on the screen an image of the area directly behind the vehicle.

**SEVEN STANDARD AIRBAGS**
Outlander Sport’s standard Supplemental Restraint System (SRS) features seven airbags, including dual-stage front airbags with a driver’s seat position sensor, driver and passenger seat-mounted side airbags, side curtain airbags and a driver’s knee airbag. Outlander Sport also offers head-impact absorption roof and pillar trim, as well as a new Brake Pedal Recession Protection Structure to reduce driver leg injury in the event of a frontal collision.
RISE UNIBODY CONSTRUCTION
Utilizing high-tensile strength steel, RISE (Reinforced Impact Safety Evolution) engineering helps provide occupant protection in the event of a collision. RISE combines energy-absorbing front and rear structures with a rigid occupant cell, along with reinforcing bars in the doors and energy-absorbing materials in the side pillars and roof rails.

ACTIVE STABILITY CONTROL AND TRACTION CONTROL
One of the most significant advancements ever developed, Active Stability Control and Traction Control helps drivers maintain control in adverse conditions and during emergency maneuvers. Sensors monitor traction and work with the anti-lock braking system to counteract slipping. Applying the brakes on specific wheels, the system helps the vehicle track in the driver's intended direction.

**FOOTNOTES**

6. Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, always wear your seat belt, sit upright in the middle of the seat, and do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear-facing infant restraint in the front seat. See your Owner’s Manual and instructions provided with your child restraint for additional information.

7. EPA estimates are to be used as a standardized comparison with other vehicles. Your actual mileage will vary depending on how you drive and maintain your vehicle.
# Specifications

## ES FWD

### Engine
- **Type**: 2.0L MIVEC DOHC 16-valve Inline 4-cylinder
- **Engine code**: 4B11
- **Materials**: Aluminum block/aluminum cylinder heads
- **Bore x stroke**: 86.0 mm x 86.0 mm
- **Compression ratio**: 10.0:1
- **Displacement**: 2,081 cc
- **Horsepower**: 148 @ 6,000 rpm
- **Torque**: 145 lb-ft @ 4,200 rpm
- **Redline RPM**: 6,500
- **Emissions**: Tier 2 bin 5
- **Engine oil**: 0W-20
- **Recommended fuel**: Regular unleaded

### Transmission
- **5-speed manual transmission**: STD
- **CVT automatic with INVECS-III**: OPT
- **Sportronic® steering-wheel paddle shifters**: OPT (CVT only)

### Suspension
- **Front**: MacPherson strut with stabilizer bar
- **Rear**: Multi-link with stabilizer bar

### Steering
- **Type**: Electric Power Steering
- **Turns, lock to lock**: 3.3
- **Turning circle (curb to curb)**: 34.8 ft.

### Brakes/Wheels/Tires
- **Brakes**:
  - **Front**: Ventilated disc, 11.6 in. (294 mm)
  - **Rear**: Piston disc, 11.9 in. (302 mm)
- **ABS**: 4-wheel, 4-channel, 4-sensor with Electronic Brake-force Distribution (EBD) and Brake Assist
- **Wheels**: 18 x 7.0 aluminum alloy
- **Tires**: P225/55 R18

### Capacities
- **Passenger seating**: 5
- **Fuel**: 15.3 gallons
- **Engine oil (CVT/5MT)**: 4.5 quarts (4.3 liters) / 4.2 quarts (4.0 liters)

### Weights
- **Curb weight (CVT/5MT)**: 3,098 lbs. / 3,021 lbs.
- **GVWR (CVT/5MT)**: 4,343 lbs. / 4,343 lbs.
- **Weight distribution (% f/r)**: 60/40

### Fuel Economy
- **City (CVT/5MT)**: 24 / 24
- **Highway (CVT/5MT)**: 31 / 30
- **Combined (CVT/5MT)**: 27 / 27

### FEATURES AND OPTIONS

#### EXTERIOR FEATURES
- Super-wide high intensity discharge (HID) headlights
- Halogen headlights
- Auto-offheadlights
- Fog lights
- Rear combination taillights
- Side fender turn-signal indicators
- Color-keyed front bumper
- Color-keyed rear bumper
- Color-keyed side view mirrors
- Color-keyed door handles
- Roof carrier plug-in accommodation
- Chrome beltline molding
- Chrome front grille surround
- Short pole antenna
- 4-WD decal
- Color-keyed outer door handles
- Color-keyed side view mirrors
- Side fenders turn-signal indicators
- Fog lights
- Halogen headlights

### INTERIOR FEATURES
- Chrome-plated interior door handles
- Full-color LCD multi-information display
- High contrast meter gauge cluster
- Dual-visor vanity mirrors with illumination
- Dual-visor vanity mirrors
- Rear dome light (n/a with Premium Package)
- Rear cargo area light
- Up/down shift indicator light (MT only)
- ECO driver indicator light (CVT)
- Drive mode-selector (FWD/AWD AUTO/AWD LOCK)
- 5-passenger seating
- Leather seating surfaces
- Standard embossed fabric trimmed seating
- Premium embossed fabric trimmed seating
- Heated driver and front passenger seats
- 6-way manually adjustable driver’s seat
- 60/40 split fold-down rear seatback
- Rear seat adjustable head restraints (x3)
- Driver’s side seat back pocket
- Manual climate control
- Automatic climate control
- Micro air filtration
- Rear heater ducts
- Tilts/telescoping steering wheel
- Leather-wrapped steering wheel and shift knob
- Soft-touch upper instrument panel and door trim
- Chrome-plated instrument panel

### INTERIOR FEATURES (Cont.)
- Floor mats
- Remote hood and fuel door release lever
- MIMC Navigation system with 7” high definition touch panel, voice command, 3D mapping, point-of-interest information, real-time traffic, and Mapcare® (includes two map updates, replaces standard audio system head unit)
- 710-watt Rockford-Fosgate® premium sound system with 9 speakers including 10 in. dual-voice coil subwoofer with Punch Control®, DTS Neural Surround®, PremiDIA-WIDE® surround, and Dolby® Volume 3
- 6.1 in. touch panel display audio system (replaces standard, audio system head unit)
- 140-watt AM/FM/CD/WMP audio system with 6 speakers
- 140-watt AM/FM/CD/WMP audio system with 4 speakers
- SiriusXM® Satellite Radio with 3-month subscription
- Digital HD RadiO®
- Fuse Hands-Free Link System with Bluetooth® technology, USB port, and steering wheel controls
- Color multi-information display (trip meter and odometer, outside temperature, average fuel consumption and driving distance, drive mode indicator, transmission position indicator (CVT), water temperature warning light, low fuel warning)
- Rear view camera system
- Steering wheel mounted cruise control and audio controls
- FAST-Key passive entry system with panic alarm feature
- Remote keyless entry with panic alarm feature
- Engine switch
- Cruise control
- Power door locks and side mirrors
- Power windows with driver’s side auto up/down feature
- Auto-dimming rear view mirror
- Daynight rear view mirror
- 12-volt accessory outlets (x2)
- Center console box with armrest and cup holders (x2)
- Center slide-adjustable armrest
- Instrument panel lower-center storage
- Front storage pockets with bottle holders
- Glove box
- Pocket tissue and pen holder
- Rear seat center armrest with cup holders (x2)
- Rear cargo compartments
- Cargo tie-down utility hooks (x4)
- Retractable assist grips (x4)

### SAFETY & SECURITY
- Hill Start Assist (HSA)
- Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD) and brake assist
- Active Stability Control (ASC)
- TrackTron Control Logic (TCL)
- Tire Pressure Monitoring System (TPMS)
- Front and rear side-impact SRS curtain airbags
- Front seat-mounted SRS side airbags
- Driver’s side SRS knee airbag
- Advance dual-stage SRS front airbags with occupant Sensation sensors
- Height-adjustable front shoulder belts with pretensiors
- Three-point seatbelts and head restraints for all seating positions
- Active front seat headrests
- LATCH child restraint system
- Child safety rear door locks
- Anti-theft security alarm system
- Anti-theft engine immobilizer
- RISE body construction
- Side-impact door beams
- Collapsible steering column and foldaway brake pedal assembly

### FACTORY PACKAGES

#### SE Touring Package
- Panoramic glass roof with adjustable LED mood lighting
- MIMC Navigation system with 7” high definition touch panel, voice command, 3D mapping, point-of-interest information, real-time traffic, and Mapcare® (includes two map updates, replaces standard audio system head unit)
- 710-watt Rockford-Fosgate® premium sound system with 9 speakers including 10 in. dual-voice coil subwoofer with Punch Control®, DTS Neural Surround®, PremiDIA-WIDE® surround, and Dolby® Volume 3
- Leather seating surfaces
- 6-way power adjustable driver’s seat
- Automatic dimming rear view mirror
- Black roof rails

#### SE Premium Package with Panoramic Roof
- Panoramic glass roof with adjustable LED mood lighting
- MIMC Navigation system with 7” high definition touch panel, voice command, 3D mapping, point-of-interest information, real-time traffic, and Mapcare® (includes two map updates, replaces standard audio system head unit)
- 710-watt Rockford-Fosgate® premium sound system with 9 speakers including 10 in. dual-voice coil subwoofer with Punch Control®, DTS Neural Surround®, PremiDIA-WIDE® surround, and Dolby® Volume 3
- 6-way power adjustable driver’s seat
- Automatic dimming rear view mirror
- Black roof rails

#### SE Premium Package
- 710-watt Rockford-Fosgate® premium sound system with 9 speakers including 10 in. dual-voice coil subwoofer with Punch Control®, DTS Neural Surround®, PremiDIA-WIDE® surround, and Dolby® Volume 3
- 6-way power adjustable driver’s seat
- Automatic dimming rear view mirror

### Exterior Package
- Large rear spoiler
- Front corner extensions
- Front and rear undercovers
- Alloy fuel door
**SPECIFICATIONS**

**Interior Package (CVT Only)**
- Piano black audio surround overlay
- Piano black shift panel overlay
- Aluminum-alloy and leather combination shift knob

**LED Illumination Package**
- Floor illumination (blue LED)
- Tailgate light (blue LED)
- Interior lights

**Protection Package Plus**
- Scuff plates
- Tailgate protector
- Rear bumper plate

**Cargo Package**
- Reversible cargo mat
- Cargo net
- Tonneau cover

**All-Weather Package**
- Remote engine start
- All-weather floor mats (4)

**Navigation**
- MMCS Navigation system with 7 in. high definition touch panel, voice command, 3D mapping, point-of-interest information, real-time traffic, and Mapcare® (includes two map updates; replaces standard audio system head unit)

**ACCESSORIES**

- Leather seating surfaces (black): Available on all trims
- Leather seating surfaces (two-tone black and gray): Available on all trims
- LED daytime running lights and front corner extensions: Available on all trims
- Black wheel arch moldings: Available on all trims
- Alloy fuel door: Available on all trims
- Roof rack crossbars: Available on all trims
- Front and rear mudguards: Available on all trims
- All-weather floor mats (4): Available on all trims
- Body side moldings (color-keyed): Available on all trims
- Fog lights: Available on ES
- Rear park assist sensors: Available on all trims
- Wheel locks: Available on all trims

Colors may vary due to the printing process. Exterior and interior lights on vehicles shown may be illuminated for illustrative purposes only. Vehicles are shown with optional equipment. Not all equipment is available on every model. For more complete details about equipment configuration and Mitsubishi Genuine Accessories, please contact your Mitsubishi Retailer.
At Mitsubishi, we believe not all drivers are created equal. So we build our vehicles for a different breed of driver, the fearless ones who take pride in what they drive, and refuse to drive more of the same. It’s obvious to us that people who truly want distinctive styling and the latest technology see past the procession of bland imitations. We believe that every vehicle we make should stand for something. Something more than expected. And that’s why we don’t build Mitsubishi cars for stereotypes. We build them for you.
