Innovation
that excites

EMBRACE the rush. An unmistakable connection between driver and machine. Fire up that 3.7-liter V6 and hear 332 hp sing through dual exhaust pipes. Take it into a turn and feel the dynamically balanced chassis just grip and grip. Revel at the world's first available rev-matching manual transmission. The drive of your life is waiting – because no other sports car can match the legendary Z® for pure **EXHILARATION**.

Nissan 370Z® Touring Sport Roadster shown in Chicane Yellow and Nissan 370Z® Sport Coupe shown in Brilliant Silver.

THE ONE,
THE ONLY

Z[®]

A 7,500 RPM HEARTBEAT.

As long as there has been a Z, there has been a soulful 6-cylinder leading the way. In this case, the 4th generation of the VQ V6 engine. This 332-hp dynamo features advanced Variable Valve Event and Lift (VVEL) technology that continuously tunes valve lift and timing for quicker response and a broader torque curve, while optimizing fuel efficiency and reducing emissions. And while all this engineering may sound intriguing on paper, the exhilaration is pure, pulse-pounding magic.

THE DOWNSHIFT, PERFECTED.

A world's first. Included on the Sport models, SynchroRev Match[®] technology – the first in any production car – monitors the 6-speed manual's clutch pedal, shift lever, and vehicle speed. As you shift to a lower gear, the system will "blip" the throttle to the ideal engine rpm for a supremely smooth downshift as you let out the clutch. The system also works when upshifting to give you a smooth flow of power when accelerating.

THE DRIVER. FIRST AND FOREMOST.

In a sports car, every detail has to be right. That's why you'll find the main gauges adjust with the steering column, to help make sure you have a clear view. The center console controls are located within easy reach, and are easily identifiable by touch. There's even a uniquely bolstered driver's seat for enhanced support, featuring anti-slip material on the seat cushion to help hold you in place.

A PERFECT BALANCE OF CONFIDENCE AND CONTROL.

Designed to conquer every corner, the Nissan 370Z[®] starts with a low center of gravity and a short wheelbase for quick response. Bring it all together with an enthusiast's wish list of high-performance componentry, and you'll find pure joy as the 370Z elevates handling science into pure performance art.

INSPIRATION COMES STANDARD.

THE FEELING OF UNLIMITED POSSIBILITIES.

Expanding the definition of “convertible weather.” The 370Z[®] Roadster is designed to let you enjoy top-down driving longer – whether it’s just later in the day, or later in the season.¹ Available heated and cooled seats help keep you comfortable even when there’s a chill in the air. Aerodynamic design helps minimize air buffeting in and around the cabin, for a quieter ride. And when it’s time to put up the top, a double-insulated roof helps keep the cabin warmer on cool days, and reduces interior noise, making this one roadster you’ll want to enjoy year-round.

¹Do not drive the vehicle with the top partially opened. Always make sure the top is either fully opened or closed before driving. See Owner's Manual for proper use.

nismo®

What happens when the fanatical engineers at NISMO are let loose on the 370Z®? You get 350 horsepower surrounded by a NISMO-tuned suspension and a driver-focused interior, all wrapped in a jaw-dropping NISMO-designed aerodynamic body. Obsessive? Perhaps. Extraordinary? Most definitely.

350_{HP}

Competition-tuned handling. Competition-inspired design. Serious grip starts with specially tuned springs, shocks, and stabilizer bars designed to satisfy the most demanding enthusiast. Extra braces on the front strut tower bar and special vibration dampers on the front body frame rail and rear subframe are added for impressive overall body rigidity and the feel of a controlled ride. A true work of performance art, the 370Z NISMO entices the eye with its 19" RAYS® forged alloy wheels, high downforce body, aggressive front and rear fascias, and rear diffuser.

COUPE

370Z®

- 332 hp, 270 lb.-ft. of torque
- 3.7-liter V6, twin-intake system
- 6-speed manual transmission
- Optional 7-speed automatic transmission with manual shift mode and Downshift Rev Matching
- Ripple-control and sport-tuned shock absorbers
- 3-point front strut tower brace
- 18" Black-finish aluminum-alloy wheels
- Yokohama® ADVAN Sport® high-performance W-rated tires
- High Intensity Discharge (HID) bi-functional xenon headlights
- LED Daytime Running Lights
- LED taillights
- Z® fender emblems
- Bluetooth® Hands-free Phone System¹
- Nissan Intelligent Key® with Push Button Ignition
- Upshift indicator light (manual transmission only)
- 8-way adjustable driver's seat
- Driver-shaped bucket seat with thigh support
- 4-way adjustable passenger's bucket seat
- Driver and passenger knee support
- Cloth seat trim
- USB connection port for iPod® interface and other compatible devices²
- Six standard air bags

SPORT

INCLUDES 370Z EQUIPMENT PLUS:

- SynchroRev Match® (manual transmission only)
- Paddle shifters (automatic transmission only)
- Nissan sport brakes – 14.0" 4-piston front brakes/13.8" 2-piston rear brakes with red brake calipers
- Viscous Limited-Slip Rear Differential
- 19" RAYS® forged alloy wheels
- Bridgestone® Potenza® RE050A high-performance W-rated tires
- LED illuminated Z® side marker emblems
- Front chin aero deflector
- Body-color rear spoiler
- Bose® Premium Audio System with eight speakers, including two subwoofers
- Active Noise Cancellation
- Active Sound Enhancement

SPORT TECH

INCLUDES 370Z SPORT EQUIPMENT PLUS:

- Nissan Hard Drive Navigation System with touch-screen monitor and Voice Recognition³
- NavTraffic® and NavWeather® provided by SiriusXM®⁴
- RearView Monitor⁵
- HomeLink® Universal Transceiver
- Auto-dimming rearview mirror
- Streaming audio via Bluetooth® wireless technology¹
- SiriusXM® Satellite Radio⁴

TOURING

INCLUDES 370Z EQUIPMENT PLUS:

- Paddle shifters (automatic transmission only)
- LED illuminated Z side marker emblems
- Nissan Hard Drive Navigation System with touch-screen monitor and Voice Recognition³
- NavTraffic® and NavWeather® provided by SiriusXM®⁴
- RearView Monitor⁵
- HomeLink® Universal Transceiver
- Auto-dimming rearview mirror
- Driver's adjustable lumbar support
- Leather-appointed, power heated sport seats with synthetic suede inserts
- Aluminum-trimmed pedals
- Bose® Premium Audio System with eight speakers, including two subwoofers, streaming audio via Bluetooth® wireless technology¹
- Active Noise Cancellation
