10 REASONS TO MAKE AN ALTIMA® YOUR OWN.

1. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations.

3. Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving.

4. Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See dealer for details. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod not included.

5. Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

6. Availability of specific features is dependent upon the phone’s Bluetooth® support. Please refer to your phone Owner’s Manual for details. Cell phone not included. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. 2011 Nissan North America, Inc.

7. VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.

8. Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger’s seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See your Owner’s Manual for more details.
Go ahead, choose sedan or coupe. You’ll get thrilling performance and exceptional quality with both. Start your engine with a push of a button, then make a quick getaway with the outstanding response and smoothness of a virtually gearless CVT transmission or a sporty 6-speed manual. A fuel-efficient 4-cylinder or potent V6 make getting to your destination a blast. This isn’t just innovation. This is innovation that lasts.
Nissan Altima 2.5 S Sedan shown in Winter Frost with optional equipment.

MY GIFT
TO THE CARPOOL.

Nissan Altima 3.5 SR Sedan shown in Brilliant Silver with optional equipment.

ONE MORE LOOK
AND I’LL CALL IT A NIGHT.
so much to share

GOING SOLO FEELS ALMOST SELFISH.

True, it’s very spacious, but before you invite your friends in, take a moment to admire your Altima’s refined interior. Available heated front seats make it hard to leave, while unexpected touches, like stitched leather, wood-tone details or patterned metallic accents, are options that beg you to stay. And with stylish details all around, going solo won’t happen often.
EVEN THE DETAILS GIVE YOU
THE GOOSEBUMPS.
Looking for a true coupe? This is it. A lower roofline and agile shorter wheelbase deliver sleek styling and solid performance. Even the ride height has been reduced to give you exceptional handling through every turn.
CALL IT YOUR SPOT

IN THE UNIVERSE.

From perfectly placed controls to sculpted lines, your Altima Coupe’s interior is all about style with purpose. Unique to coupe, red sport bucket front seats with large bolsters give you lateral support in curves, while a special pouch in the lower seat cushion lets you stash important items out of sight.
WE LOOK AT THINGS DIFFERENTLY.

NOW YOU CAN TOO.

The next few pages will help fill you in on what it’s like to have an Altima Sedan or Coupe in your life. From an available 270-hp V6 that is sure to spice up your daily commute to an advanced navigation system that not only gets you to your destination with ease, but recommends places to eat along the way. As you get to know Nissan Altima a little better, we hope you find what you’re looking for – plus a few surprises.

*Never program while driving. GPS mapping may not be detailed in all areas or reflects current road regulations.
Puts fun through its paces.

Feel like taking on the open road? Altima Sedan and Coupe have what you need with an advanced engine lineup and enough performance features to satisfy that inner enthusiast.

Z®-inspired suspension – Those curves won’t know what hit them. Your Altima’s Z®-inspired suspension features a lightweight multi-link design for quick response, and a level ride through the twisty stuff.

Vehicle-speed-sensitive steering – Light when navigating a parking lot, more weighted when tackling the turns. That’s a win-win. More boost at low speeds makes maneuvering easier, and less boost at higher speeds helps give you a secure, confident feel.

Vehicle Dynamic Control (VDC) – A slick spot in a corner can have you suddenly going in a direction you didn’t want. VDC monitors steering and braking in comparison to the vehicle’s actual path and reduces engine power and/or applies appropriate brake pressure to specific wheels to help keep you on your steered path.*

Traction Control System (TCS) – Altima’s power is wasted if all it does is spin the tires, so when the standard Traction Control System senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

Electronic Brake force Distribution (EBD) – When you have a car full of passengers, EBD senses the extra weight and sends additional force to the rear brakes for even greater confidence behind the wheel.

Standard Anti-lock Braking System (ABS) – The standard ABS pumps the brakes faster than you possibly can in panic-braking situations. This helps prevent wheel lockup, so you can continue to steer around obstacles while braking heavily.

Two engine choices – Go for the high-energy 175-hp 4-cylinder engine and you’ll get friction-reducing technology like molybdenum-coated pistons and microfinished components. What’s that all mean? You can have V6-like smoothness and performance, while still achieving up to 32 mpg. Or opt for Nissan’s legendary VQ3.5-liter V6 and you’ll find that even the carpet lane can be a thrill. Thanks to a Continuously Variable Valve Timing Control System (CVTCS) that optimizes the opening of intake valves, you’ll always have power on tap – off the line, or passing. And even with all that power at your disposal, you’ll still get impressive fuel economy.

Continuous Variable Transmission (CVT) – Say goodbye to gear hunting. Seamless, instant acceleration is yours with the work of Nissan’s virtually gearless CVT transmission.

6-speed manual transmission – Purist? A smooth-shifting 6-speed manual is available on Coupe to keep you close to the action.

*CA emissions (SULEV) equipment causes normal reductions in horsepower (from 175 hp to 170 hp) and torque (from 180 lb-ft to 175 lb-ft). SULEV vehicles are available in California and some northeastern states.

**2011 EPA fuel consumption estimate. Actual mileage may vary with driving conditions – use for comparison only.

**VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt turning, carelessness, or dangerous driving techniques. Always drive safely.
Looking to ratchet up your technology game? Your Altima has just what you need. Whether it’s entertaining or convenient, if it’s advanced and useful, you can bet it’s available on Altima.

**B. RearView Monitor** – Backing up in a crowded parking lot? Get a clearer picture of what’s directly behind you with the available RearView Monitor.

**C. Nissan Intelligent Key® with Push Button Ignition** – Forget fumbling to find your keys. Just leave the keys in your pocket or purse, walk up to your Altima and tap a button on the door to unlock it, then just push a button and go with standard Push Button Ignition.

**D. iPod®/USB Interface** – Would you like to be able to connect your iPod® or other portable MP3 player and listen to your own playlists or podcasts? Now you can. You can even control your iPod® through Altima’s stereo controls.

**E. Bose® Audio System** – With the available 9-speaker Bose® audio system at your disposal, you’ll actually feel like you’re at the concert. The 4.3” display shows what song is up next on your MP3 CDs and even lets you browse through your folders at the touch of a button.

**Bluetooth® Hands-free Phone System** – Your Altima keeps you connected. Make or receive calls with a touch of a button on the steering wheel. All while your phone stays tucked away.†

†Please program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Required XM Radio, XM NavTraffic, and XM NavWeather subscriptions sold separately. INSPIRES CONFIDENCE ON EVERY LEVEL.

With a comprehensive safety strategy that includes six standard air bags, and a long list of rigorous durability tests, a sense of security comes standard with every Altima.

Durability Tests – Your Altima is put through over 5,000 quality and durability tests to ensure it keeps performing mile after mile. This includes locking it in a chamber and baking it under 266 bulbs to reach extreme temperatures, as well as putting it through a battery of road tests where we replicate some of the worst road conditions possible.

Nissan Advanced Air Bag System – Incorporates seat belt sensors and an occupant-classification sensor to inflate the dual-stage supplemental front air bags according to crash severity and seat belt usage. Altima also has front side-impact supplemental air bags built into the seats, so they move with you. In addition, roof-mounted curtain supplemental air bags help protect you in the event of a side impact.

Front-seat Active Head Restraints – Designed to move up and forward in certain rear-end collisions to help cushion the blow if one should occur.

Snug Kids – Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

LATCH System – The Altima LATCH System (Lower Anchors and Tethers for CHildren) lets you secure LATCH-compatible child restraints in the rear seats without having to use seat belts or a locking clip.

Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front passenger’s seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See your Owner’s Manual for more details. Inflated air bags shown for illustration purposes only. Actual air bags deflate after deployment.
**SPECIFICATIONS**

**Engine**
- DOHC 2.5-liter 16-valve 4-cylinder
- Horsepower: 200 @ 6,000 rpm
- Torque: 180 lb-ft @ 4,400 rpm
- Emissions: Tier 2 Bin 5 (Fed)
- 3.5-liter (V6)
- Horsepower: 270 @ 6,000 rpm
- Torque: 180 lb-ft @ 5,600 rpm
- Emissions: Tier 2 Bin 5 (Fed)
- 3.5-liter (V6)
- Horsepower: 175 @ 5,600 rpm
- Torque: 180 lb-ft @ 4,400 rpm
- Emissions: Tier 2 Bin 5 (Fed)

**Transmission**
- CVT (Continuously Variable Transmission)
- 6-speed manual transmission with dual mass flywheel
- Xtronic CVT

**Exterior (continued)**
- Power sliding glass moonroof with one-touch operation
- Sport-tuned suspension
- Front and rear stabilizer bars
- Rear: Multi-link independent
- Electronic Brake force Distribution (EBD)
- 4-wheel Anti-lock Braking System (ABS)
- P235/45R18 all-season tires
- 18" x 8.0" 5-split-spoke aluminum-alloy wheels
- Xtronic CVT

**Audio/Video**
- NISSAN® Hard Drive Navigation System with 6.5" color touch-screen monitor and voice recognition
- Nissan Intelligent Key
- 6 Speakers
- XM radio with 9.3 GB Music Box
- Digital Bose® AM/FM/CD audio system with 4.3" color display and 9 speakers
- 6-speed manual transmission with dual mass flywheel
- Dual Zone Automatic Temperature Control (ATC)
- Cruise control with steering-wheel-mounted controls
- Power windows with one-touch & driver-side auto-up with auto-reverse
- Passenger-side front-window one-touch auto-up/ down with auto-reverse
- Remote front windshield wipers
- Key-operated windows up/down
- Dual Zone Automatic Temperature Control (ATC)
- Remote start feature
- Remote keyless entry with trunk release
- Remote unlocking feature
- Dual zone Automatic Temperature Control (ATC)
- Power driver's seat with auto-level feature
- Power front seats
- Heated front seats
- Leather-appointed seats
- Premium metallic trim (Charcoal Leather interior only)
- Stainless steel exhaust
- Dual zone Automatic Temperature Control (ATC)
- Power rearview mirror with home-link universal transceiver
- Push button ignition
- Nissan Hard Drive Navigation System with 6.5" color touch-screen monitor and voice recognition
- Nissan Intelligent Key
- Nissan Hard Drive Navigation System with 6.5" color touch-screen monitor and voice recognition
- Nissan Intelligent Key

**Interior (continued)**
- Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat belt and occupant classification sensors
- Driver and front passenger side impact supplemental air bags
- Bucket seats
- Rear: 60/40 split fold-flat rear seats with lock
- 6-way power adjustable driver’s seat
- Heated front seats
- Leather-wrapped shift knob
- Leather-wrapped steering wheel
- Dual Zone Automatic Temperature Control (ATC)
- Hands-free Phone System
- Power sliding glass moonroof with one-touch operation
- Adjustable power sun visors
- Power front seats
- Power driver’s seat
- Power rearview mirror with home-link universal transceiver
- Push button ignition
- Nissan Hard Drive Navigation System with 6.5" color touch-screen monitor and voice recognition
- Nissan Intelligent Key

**Technology**
- Nissan Hard Drive Navigation System with 6.5" color touch-screen monitor and voice recognition
- XM NavTraffic® and XM NavWeather®
- DVD playback capability
- Streaming audio via Bluetooth®
- Streaming audio via Bluetooth®
- XM NavWeather® and XM NavWeather®
- Streaming audio via Bluetooth®
- DVD playback capability

**COUPE PACKAGES**
- **3.5 S Convenience Package**
  - 8-way power adjustable driver’s seat with manual lumbar support
  - Automatic headlight and tail lamps
  - Rearview camera
  - Power sliding moonroof with tilt feature
  - Dual-zone automatic climate control
  - Power front seats
  - Power driver’s seat
  - Power rearview mirror with home-link universal transceiver
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

- **3.5 S Premium Package**
  - Power sliding glass moonroof with tilt feature
  - Dual-zone automatic climate control
  - Power front seats
  - Power driver’s seat
  - Power rearview mirror with home-link universal transceiver
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

- **3.5 SR Convenience Package**
  - Power sliding glass moonroof with tilt feature
  - Dual-zone automatic climate control
  - Power front seats
  - Power driver’s seat
  - Power rearview mirror with home-link universal transceiver
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

- **3.5 SR Premium Package**
  - Power sliding glass moonroof with tilt feature
  - Dual-zone automatic climate control
  - Power front seats
  - Power driver’s seat
  - Power rearview mirror with home-link universal transceiver
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

**Connectivity**
- Accessory Bluetooth audio interface
- Accessory SiriusXM® Traffic(TM)

**High Intensity Discharge (HID)**
- Xenon headlights

**Leather**
- Leather-appointed seats
- Leather-wrapped shift knob
- Leather-wrapped steering wheel
- Dual zone Automatic Temperature Control (ATC)
- Power rearview mirror with home-link universal transceiver
- Power sliding glass moonroof with one-touch operation
- Heated front seats
- Leather-wrapped shift knob
- Leather-wrapped steering wheel
- Dual zone Automatic Temperature Control (ATC)
- Power rearview mirror with home-link universal transceiver
- Power sliding glass moonroof with one-touch operation
- Heated front seats

- **3.5 S Convenience Package**
  - 8-way power adjustable driver’s seat with manual lumbar support
  - Automatic headlight and tail lamps
  - Rearview camera
  - Power sliding moonroof with tilt feature
  - Dual-zone automatic climate control
  - Power front seats
  - Power driver’s seat
  - Power rearview mirror with home-link universal transceiver
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

- **3.5 S Premium Package**
  - Power sliding glass moonroof with tilt feature
  - Dual-zone automatic climate control
  - Power front seats
  - Power driver’s seat
  - Power rearview mirror with home-link universal transceiver
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

- **3.5 SR Convenience Package**
  - Power sliding glass moonroof with tilt feature
  - Dual-zone automatic climate control
  - Power front seats
  - Power driver’s seat
  - Power rearview mirror with home-link universal transceiver
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

- **3.5 SR Premium Package**
  - Power sliding glass moonroof with tilt feature
  - Dual-zone automatic climate control
  - Power front seats
  - Power driver’s seat
  - Power rearview mirror with home-link universal transceiver
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

- **3.5 SR Technology Package**
  - Nissan Hard Drive Navigation System with 6.5" color touch-screen monitor and voice recognition
  - XM NavTraffic® and XM NavWeather®
  - 9.3 GB Music Box®
  - Hands-free Phone System
  - Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat belt and occupant classification sensors
  - Driver and front passenger side impact supplemental air bags
  - Bucket seats
  - Rear: 60/40 split fold-flat rear seats with lock
  - 6-way power adjustable driver’s seat
  - Heated front seats
  - Leather-wrapped shift knob

  - Dual zone Automatic Temperature Control (ATC)
  - Hands-free Phone System
  - Power sliding glass moonroof with one-touch operation
  - Heated front seats

**Connectivity**
- Accessory Bluetooth audio interface
- Accessory SiriusXM® Traffic(TM)
**2.5 S Premium Audio Package**

- Digital Bluetooth® audio system with 4.3" color display and 9 speakers
- Nissan Hard Drive Navigation System with 6.5" color touch-screen monitor
- XM Satellite Radio®
- USB connection port for iPod® and XM® NavTraffic, and voice recognition

**3.5 SR Premium Package**

- Leather-appointed seats and heated front seats
- Driver's and front passenger lumbar support
- Leather-wrapped steering wheel
- Digital Bose® audio system with 4.3" color display and 9 speakers
- Nissan Hard Drive Navigation System
- Rear auto-dimming inside rearview mirror with compass
- HomeLink Universal Transceiver
- Dual Zone Automatic Temperature Control (ATC)

**4.3" color display and in-mirror compass are deleted with this package.**

**5.5" color touch-screen monitor and voice recognition** are deleted with the 3.5 SR Package.

**6.5" color touch-screen monitor and voice recognition** are deleted with the 2.5 S Package.

**Technology Package (2.5 S, 3.5 SR)**

- Nissan Smart Key®
- Nissan Voice Recognition System with 4.3" color touch-screen monitor and voice recognition
- XM Satellite Radio®
- XM NavTraffic and Zagat Survey® restaurant reviews
- 9.9 GB Music storage and playback
- Streaming audio via Bluetooth®
- Nissan Hard Drive Navigation System
- Streaming vehicle-mounted navigation menu controls
- DVD playback capability

**2.5" color display and in-mirror compass are deleted with this package.**

**Junior/Senior Accessories**

- Rear passenger upper vents
- Dual Zone Automatic Temperature Control (ATC)

**ACCESSORY PRICING**

- See your Nissan dealer for details, or go to www.NissanUSA.com/about

**Buying and owning a Nissan is like driving one:**

- **Quick, convenient, confidence-inspiring.**

**Nissan Motor Acceptance Corporation.** Whether you’re buying or leasing, you’ll find attractive rates and flexible terms to make your purchase more accessible.

**New Vehicle Limited Warranties.** Protection for your new Nissan includes 3-year/36,000-mile “bumper to bumper” basic coverage and 5-year/60,000-mile powertrain coverage.

**SecurityPlus®** For additional peace of mind, a variety of extended service plans let you tailor the coverage to your driving habits.

**Nissan Green Parts.** When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they’re the only parts to carry Nissan’s factory-backed limited warranty.

**Nissans’ philosophy toward the environment, “Seeking a symbiosis of people, vehicles and nature,” describes our ideal for a sustainable mobile society, now and in the future. We launched the Nissan Green Program with specific objectives to reach this goal, and we are pursuing it energetically. For more information, log on to NissanUSA.com/great.
