WELCOME TO THE 2014 NISSAN ALTIMA® SEDAN DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Altima® Sedan.

Click here to sign up for news and updates on the 2014 Nissan Altima® Sedan.
WOULDN'T IT BE COOL IF
YOUR DRIVE WAS THE
BEST PART OF YOUR DAY?

What if just taking an on-ramp gave you an adrenaline rush? Or if you could know you're free and clear before you change lanes. What if the design of your seat made long trips feel less so. And your customized radio station came along for the ride. What about getting a thumbs-up from the valet as you pulled away from the curb? Now it's all possible. The 2014 Nissan Altima®. Change the way you drive forever.
Altima’s deep creases and dramatic lines started on a designer’s sketchpad. Then it took an innovative metal-stamping process to bring them to life. Building something average would have been easier, but on any average day, isn’t it nice to have something that takes your breath away?
ZERO-GRAVITY SEATS FOR COMFORT
THAT’S OUT OF THIS WORLD.

Whether you’re on a cross-country road-trip or braving the daily commute, sitting in a car for too long can be fatiguing. To help you out, Nissan engineers looked to the cosmos where astronauts float weightlessly in zero-gravity conditions.

Zero-gravity Seats – In the weightlessness of space, humans tend to take a relaxed posture that minimizes stress on the body. To recreate this “neutral posture” when you’re behind the wheel, Nissan designed an articulated front seat that offers continuous support from the pelvis to the chest, along with seat cushions that flex in response to your unique pressure points. The result is a seat that’s amazingly comfortable and helps reduce fatigue, no spacesuit required.
Welcome to Altima®. It’s been waiting for you. That’s because Altima®’s available Remote Engine Start System lets you warm up or cool down the cabin from up to 196 feet away. Now when you open the car door, it’s as if Altima® was expecting you. And with details like available Dual Zone Automatic Temperature Control, and heated front seats and steering wheel, Altima®’s interior makes you want to stay. Ready? Just press the Push Button Ignition, and you’re on your way.

1 State laws may apply; review local laws before using.
NISSAN ADVANCED DRIVE-ASSIST® DISPLAY
INNOVATION THAT’S RIGHT IN FRONT OF YOU.

Traffic jams. Soy chai lattes. Dinner plans. With so much going on around you, it’s easy to lose sight of what’s most important: driving. From turn-by-turn directions to caller ID, the Advanced Drive-Assist® Display serves up info right in front of you – helping to minimize time looking away. Plus, its intuitive 3-D depth and tilt design helps you take it all in quicker. So you can focus on what really matters.

1 Information displayed is dependent on how vehicle is equipped. 2 Driving is serious business and requires your full attention. Even with Advanced Drive-Assist® Display, only use phone or other communication devices when safe. 3 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 4 Lane Departure Warning System operates only when the lane markings are clearly visible on the road. Speed limitations apply. See Owner’s Manual for details. 5 Tire Pressure Monitoring System is not a substitute for regular tire pressure checks.

Click the button to see a short video on Altima®’s Advanced Drive-Assist® Display. Or go to bit.ly/altimadisplay
NISSAN

INNOVATION YOU’LL FIND INCREDIBLY HANDY.

NissanConnect™ is smart technology that keeps your world within reach. And with NissanConnect™ Apps, your Altima® becomes your smartphone’s best friend. Music, information, and the apps that keep you connected to your world all work seamlessly together through Altima’s® audio system. And it keeps on getting better: the app alerts you with updates to the latest version, and the basic app package is free for the first three years.

NissanConnect™ Apps: for the music you love: Imagine the choices you have with Pandora®, iHeartRadio™, Slacker® and more. And it couldn’t be easier — download the app, and depending on your type of smartphone, you can stream the music wirelessly via Bluetooth® or use Altima’s® iPod/USB input. For more information, video demonstrations, smartphone compatibility, FAQs and enrollment assistance, go to www.NissanUSA.com/Connect.

NissanConnect™ Apps: everything that matters at your fingertips: You’re wired to your world with the NissanConnect™ App. Altima® lets you safely keep track of Twitter®, Facebook®, and more. And thanks to Altima’s® available navigation system and NissanConnect™’s compatibility with location-based services, including Online Search powered by Google® and Yelp®, getting around has never been easier.* You can find out more about the app and feature availability at www.NissanUSA.com/connect.

More than just apps, NissanConnect™ keeps you in the loop with:
• Nissan Navigation System – with voice recognition featuring one-shot destination entry, SiriusXM Traffic and Travel Link™
• iPod/USB input – search for a tune with enhanced voice recognition
• Streaming audio via Bluetooth®
• Hands-free text-messaging assistant**

Driving is serious business. Only use NissanConnect’s® services when safely and legally permitted. Customer Agreement required. Compatible smartphones required (all apps terms and conditions apply). Check your phone owner’s manual for details. 1 Phone please check your phone owner’s manual for details. 3 Google® and/or data usage may apply. 2 Availability of specific features is dependent upon the phone’s Bluetooth® compatibility. 4 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 5 Required SiriusXM Satellite Radio, SiriusXM Traffic and Travel Link subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. SiriusXM Traffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. 6 Points of Interest and/or Send-to-Car may require subscription and owner consent to activate. Certain services, including Facebook™, are provided by independent third parties and are subject to change without notice. Google is a registered trademark of Alphabet, Inc. 7 Streaming audio via Bluetooth® is not available through the NissanConnect™ App. Altima®’s audio system. And it keeps on getting better: the app alerts you with updates to the latest version, and the basic app package is free for the first three years. 8 Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. 4-cylinder Engine. Choose the 182-hp 4-cylinder engine and get more than just spirited performance. The advanced intake system optimizes the opening of intake valves at high rpm to keep the torque curve flat, giving you smooth power while contributing to the class-leading highway fuel economy. Xtronic CVT (Continuously Variable Transmission). Say goodbye to fixed gear ratios and hello to a new kind of CVT. In the newest version of our CVT, friction is reduced by up to 40% and the ratio coverage is increased to greater than that of some 8-speed automatics. What does that mean behind the wheel? Better acceleration and fuel economy, plus performance so smooth, it's like riding a continuous wave of power.

AMAZING ACCELERATION.

What if your daily drive got an adrenaline boost? Altima’s V6 engine not only gives you incredible acceleration, but its Xtronic CVT features three modes for a more customized driving experience, including paddle shifters for some Formula 1-style action. V6 Engine. Nissan's legendary 3.5-liter, 270-hp V6 engine treats you to sports-car like performance and a cool 31 highway MPG that keeps you right at home in the carpool lane. Part of the engineering magic is Continuously Variable Valve Timing Control System (CVTCS), which means power is always on tap — off the line, or passing — for a ride as thrilling as it is efficient.

Xtronic CVT with Paddle Shifters. Customize your ride with three modes: D3 Drive for every day, Ds for a sportier “shift” feel, or go hands-on with the paddle shifters. Unique to the V6, the available paddle shifters are mounted right on the steering column, putting precise shifting control at your fingertips. No clutch needed. Just pull a paddle and your “gear” changes on command, giving you an experience that’s the best of both worlds.

CLASS-LEADING HIGHWAY FUEL ECONOMY.

Extensive refinements to Altima’s 4-cylinder engine and Continuously Variable Transmission help ensure it’s as powerful and fuel-efficient as ever. With class-leading highway fuel economy, you’ll enjoy amazingly smooth power delivery as you breeze past the pump. PUREDRIVE™. The 2014 Altima® 2.5 wears the PUREDRIVE™ badge, meaning it meets or exceeds the industry-average US Federal CAFE standards for model-year 2016. The PUREDRIVE™ initiative is just one aspect of Nissan’s commitment to developing more environmentally friendly transportation for all of us.

Just pull a paddle and your “gear” changes on command, giving you an experience that’s the best of both worlds.
What if your car knew when you were cornering—and how to react to your commands? That’s the kind of intuitive response we’ve engineered into every Altima®. So you can enter a corner with more confidence, and exit with a big grin.

Active Understeer Control. This innovative technology helps improve control when you take a corner. It reads the cornering situation and, if needed, will imperceptibly brake the appropriate wheel to help you steer through the turn.

Suspension. Altima®’s rear multi-link suspension is designed for exceptional agility. You’ll feel it especially in the corners, when the layout of the suspension allows the rear wheels to turn slightly to match the front—giving you the sensation of riding on rails.

Shocks. Altima®’s luxury sedan-inspired shocks significantly reduce vibrations for a smooth, flat ride. A rebound spring inside of each shock absorber makes for minimal roughness and more secure cornering, combining great performance with great ride comfort.

TAKING A CORNER WILL NEVER FEEL THE SAME.
NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on the vehicle’s systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield® technologies are our way of looking out for you and yours.

MONITOR

Smart technologies are designed to help monitor conditions. Like a warning to let you know you’re straying from your lane, or a system that helps ensure you’re travelling on properly inflated tires.

Standard Tire Pressure Monitoring System with Easy-Fill Tire Alert™

Let you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you’ve reached the correct pressure.

Available: Smart Auto Headlights, RearView Monitor®, Blind Spot Warning, Lane Departure Warning and Moving Object Detection™

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan’s Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat belt and occupant-classification sensors®

Front seat-mounted side-impact supplemental air bags®

Roof-mounted curtain side-impact supplemental air bags®

LATCH System (Lower Anchors and Tethers for Children)

snugkids.

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

1 Inch Usage

1 Tire Pressure Monitoring System is not a substitute for regular tire pressure checks.  2 Vehicle must be on for the Easy-Fill Tire Alert to operate.  3 Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.  4 The Blind Spot Warning System is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or objects. It may not detect every vehicle or object around you.  5 Lane Departure Warning System operates only when the lane markings are clearly visible on the road. Speed limitations apply. See Owner’s Manual for details.  6 Moving Object Detection cannot completely eliminate blind spots and may not detect every object. Always check your surroundings before moving vehicle. May not detect all objects under or in front of your vehicle. The system should always be used in conjunction with your mirrors and other safety devices.  7 VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.  8 Airbags are only a supplemental restraint system when used with your seat belt. Even with the occupant-classification sensors, rear-facing child restraints should not be placed in the front-passenger’s seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner’s Manual for more details. Inflated air bags shown for illustration purposes only; actual coverage area may differ. Air bags deflate after deployment.
NISSAN SAFETY SHIELD® TECHNOLOGIES

INNOVATION TO HELP DOUBLE CHECK YOUR DOUBLE CHECK.

Blind Spot Warning. If another vehicle is detected in your blind spot area, an indicator appears in the driver’s or front passenger’s doors and on the Advanced Drive-Assist® Display. Put your turn signal on, and the indicator flashes with a warning chime to alert you.

Lane Departure Warning. If Altima® detects that you’re straying from your lane, the Lane Departure Warning system will give both a visual and audible alert. The system is so smart, it’s designed to stop the warnings whenever your turn signal is engaged.

RearView Monitor with Moving Object Detection. Shift into Reverse, and the available next-generation RearView Monitor displays what’s behind you. If it detects something moving by the rear of the vehicle when you’re in Reverse, it gives a visual and audible alert. And whenever you want a wider rear view, just push the camera button.

 Wouldn’t it be cool if your car had your back? Whether you’re changing lanes on the highway or deftly maneuvering your way into a parking spot, Altima®’s available Safety Shield Technologies take advantage of the rearview camera and act as a second set of eyes, giving you a whole new way to double check.

The Blind Spot Warning System is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. Some Blind Spot Warning System operations stop when the lane markings are not visible on the road. Speed limitations apply. See Owner’s Manual for details. - Warning: addition of an accessory or change in vehicle configuration could affect performance. Cannot completely eliminate blind spots and moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

A. Remote Engine Start System
   It's like having secret powers.

B. Moonroof Wind Deflector
   Get your blue sky with less noise.

C. Rear Decklid Spoiler
   May the downforce be with you.

D. Trunk Protector
   Use your trunk, don’t abuse it.

E. Illuminated Kick Plates
   Fewer scuffs and a grand entry, every time.

F. In-mirror RearView Monitor
   For a better look at what’s directly behind you.

G. Splash Guards and Body Side Moldings
   Stay fresh. Stay stylish. (Sold separately.)

H. Interior Accent Lighting
   Add a warm glow to the mood.

Additional Accessories:
• 16” Aluminum-alloy Wheels
• Chrome Body Side Moldings
• All-season Floor Mats
• Carpeted Floor Mats
• Carpeted Trunk Mat
• Hideaway Trunk Net
• Clear Rear Bumper Protector
• Fog Lights
• Nose Mask
• Trunk Sub-floor Organizer
• And More

Covered by Nissan’s Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. 2 State laws may apply; review local laws before using. 3 Cargo and load capacity limited by weight and distribution. Always secure all cargo. 4 Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

TURN BRAND-NEW INTO ALL YOU.
4-CYLINDER ENGINE

2.5

2.5-liter DOHC 16-valve 4-cylinder engine, Xtronic CVT® (Continuously Variable Transmission), Active Understeer Control®, Vehicle Dynamic Control (VDC), Traction Control System (TCS), remote keyless entry with Push Button Ignition, Advanced Driver-Assist® Display, Bluetooth® Hands-free Phone System® and streaming audio via Bluetooth® wireless technology, Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert, AM/FM/CD audio system with six speakers, air conditioning with in-cabin microfilter, Smart Auto Headlights, cruise control with steering wheel-mounted controls, sun visors with illuminated vanity mirrors and etchings, driver’s seatback pocket

2.5 S

Includes 2.5 equipment plus:

- Nissan Intelligent Key®, 6-way power adjustable driver’s seat, Tire Pressure Monitoring System (TPMS) with individual tire pressure display and Easy-Fill Tire Alert, AM/FM/CD audio system with six speakers, air conditioning with in-cabin microfilter, Smart Auto Headlights, cruise control with steering wheel-mounted controls, sun visors with illuminated vanity mirrors and etchings, driver’s seatback pocket

KEY AVAILABLE PACKAGE: Display Audio Package®, Sport Value Package®

2.5 SV

Includes 2.5 equipment plus:

- 17” Aluminum-alloy wheels, Dual Zone Automatic Temperature Control (ATC), Remote Engine Start System, RearView Monitor, upgraded audio system with 5” color display and speed-sensitive volume control, USB connection port for iPod® interface, SiriusXM Satellite Radio®, NissanConnectSM Apps®, hands-free test messaging assistant, diversity antenna, leather-wrapped steering wheel

KEY AVAILABLE PACKAGE: Convenience Package, Navigation Package®, Technology Package®

2.5 SL

Includes 2.5 equipment plus:

- Leather-appointed seats, Bose® Premium Audio System with nine speakers, wood-tone trim (Beige interior) and metallic-tone trim (Charcoal interior), heated steering wheel, 8-way power adjustable driver’s seat, driver’s seat power adjustable lumbar support, heated front seats, LED taillights, manual folding outside mirrors with LED turn signal indicators, heated outside mirrors, fog lights, HomeLink® Universal Transceiver, auto-dimming inside rearview mirror, adjustable rear head restraints, leather-wrapped shift knob, passenger-side front-window one-touch auto-up/down, side cargo net

KEY AVAILABLE PACKAGE: Moonroof Package, Technology Package

V6 ENGINE

3.5

3.5-liter DOHC 24-valve V6 engine, 18” aluminum-alloy wheels, paddle shifters and manual shift mode, RearView Monitor, upgraded audio system with 5” color display and speed-sensitive volume control, USB connection port for iPod® interface, SiriusXM Satellite Radio®, NissanConnectSM Apps®, hands-free test messaging assistant, diversity antenna

3.5 S

Includes 2.5 equipment plus:

- Power sliding glass moonroof, Dual Zone Automatic Temperature Control (ATC) with rear passenger vents, Remote Engine Start System, manual folding outside mirrors with LED turn signal indicators, fog lights, HomeLink® Universal Transceiver, auto-dimming inside rearview mirror, leather-wrapped steering wheel, passenger-side front-window one-touch auto-updown, side cargo net

KEY AVAILABLE PACKAGE: Navigation Package®, Technology Package®

3.5 SV

Includes 3.5 equipment plus:

- Leather-appointed seats, Bose® Premium Audio System with nine speakers, High Intensity Discharge (HID) xenon headlights, wood-tone trim (Beige interior) and metallic-tone trim (Charcoal interior), heated steering wheel, 8-way power adjustable driver’s seat, driver’s seat power adjustable lumbar support, heated front seats, LED taillights, heated outside mirrors, adjustable rear head restraints, leather-wrapped shift knob

KEY AVAILABLE PACKAGE: Luxury Package®

3.5 SL

Includes 3.5 equipment plus:

- Leather-appointed seats, Bose® Premium Audio System with nine speakers, wood-tone trim (Beige interior) and metallic-tone trim (Charcoal interior), heated steering wheel, 8-way power adjustable driver’s seat, driver’s seat power adjustable lumbar support, heated front seats, LED taillights, heated outside mirrors, adjustable rear head restraints, leather-wrapped shift knob

KEY AVAILABLE PACKAGE: Technology Package®

### SPECIFICATIONS

**Engine**
- QR25DE – 2.5-liter DOHC 16-valve 4-cylinder
  - Horsepower: 182 hp @ 6,000 rpm
- VQ35DE – 3.5-liter DOHC 24-valve V6
  - Horsepower: 270 hp @ 6,400 rpm

**Drivetrain**
- Front engine/Front-Wheel Drive

**Suspension/Steering**
- Electronic hydraulic power-assisted steering

**Brakes**
- 11.7” Front vented disc/11.5” rear disc brakes
- Electronic Brake force Distribution (EBD)

**Wheels/Tires**
- 18” x 7.5” aluminum-alloy wheels
- 18” x 7.5” steel wheels with wheel covers
- 16” x 7.0” aluminum-alloy wheels
- 16” x 7.0” steel wheels with wheel covers
- 16” x 7.0” aluminum-alloy wheels
- 17” x 7.5” aluminum-alloy wheels

**Exterior Features**
- Smart Auto Headlights
- High Intensity Discharge (HID) xenon headlights
- Fog lights
- LED taillights
- Rear deck spoiler
- Dual chrome exhaust finishers
- Manual folding outside mirrors with LED turn signal indicators
- Heated outside mirrors
- Power sliding glass moonroof with one-touch open/close and tilt feature
- UV-reducing solar glass

**Comfort/Convenience**
- Advanced Drive-Assist® Display
- Nissan Navigation System with 7” color touch-screen monitor and voice recognition
- NissanConnectSM® Apps
- NissanConnectSM® Traffic and Travel Link
- RealView Monitor
- Hands-free text messaging assistant
- Bluetooth® Hands-Free Phone System®
- HomeLink® Universal Transceiver
- Dual Zone Automatic Temperature Control (ATC)
- In-cabin microfilter
- Rear passenger air conditioning vents
- Power windows with one-touch driver-side auto-up/down with auto-reverse
- Passenger-side front-window one-touch auto-up/down with auto-reverse
- Power door locks with auto-locking feature
- Remote keyless entry
- Nissan Intelligent Key®

**Drivetrain**
- Continuously Variable Valve Timing Control System (CVTCS)
- Variable induction system
- Nissan Direct Ignition System
- Electronic drive-by-wire throttle
- Paddle shifters and manual shift mode

**Wheels/Tires (continued)**
- P215/55VR17 All-season tires
- P215/60TR16 All-season tires
- 18” x 7.5” aluminum-alloy wheels
- 17” x 7.5” aluminum-alloy wheels

**Seating/Appointments**
- 6-way manual adjustable driver’s seat
- 6-way manual adjustable driver’s seat
- 8-way power adjustable driver’s seat
- Driver’s seat power adjustable lumbar support
- Adjustable rear head restraints
- Heated front seats

**Brakes**
- 4-wheel Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD)

**Suspension/Steering**
- Multi-link independent rear suspension
- Electronic hydraulic power-assisted steering

**Exterior Features**
- P235/45VR18 All-season tires
- LED taillights
- Fog lights
- High Intensity Discharge (HID) xenon headlights
- Rear deck spoiler
- Dual chrome exhaust finishers
- Manual folding outside mirrors with LED turn signal indicators

**Wheels/Tires**
- 215/55R17 All-season tires
- 18” x 7.5” aluminum-alloy wheels

**Comfort/Convenience**
- Advanced Drive-Assist® Display
- Nissan Navigation System with 7” color touch-screen monitor and voice recognition
- NissanConnectSM® Apps
- NissanConnectSM® Traffic and Travel Link
- RealView Monitor
- Hands-free text messaging assistant
- Bluetooth® Hands-Free Phone System®
- HomeLink® Universal Transceiver
- Dual Zone Automatic Temperature Control (ATC)
- In-cabin microfilter
- Rear passenger air conditioning vents
- Power windows with one-touch driver-side auto-up/down with auto-reverse
- Passenger-side front-window one-touch auto-up/down with auto-reverse
- Power door locks with auto-locking feature
- Remote keyless entry
- Nissan Intelligent Key®
- Push Button Ignition
- Remote trunk release
- Remote Engine Start System
- Cruise control with steering wheel-mounted controls
- Fine Vision electrochromic gauges
- Tilt and telescoping steering column
- Variable intermittent speed-sensitive flat-blade windshield wipers
- Sun visors with vanity mirrors
- Sun visors with illuminated vanity mirrors and extensions
- Auto-dimming inside rearview mirror with digital compass
- LED map lights and rear reading lights
- Mood lighting
- Overhead sunglasses holder
- Lockable glove compartment
- Dual-level center console
- Four cup holders
- Front/rear door map pockets with bottle holders
- Driver seatback pocket
- Front-passenger seatback pocket
- Height-adjustable 3-point front seat belts
- 12-volt DC power outlets (two)
- Side cargo net

**Drivetrain**
- Front engine/Front-Wheel Drive

**Suspension/Steering**
- Electronic hydraulic power-assisted steering
Seating/Appointments (continued)

- Heated steering wheel
- Leather-wrapped steering wheel
- Leather-wrapped shift knob
- Piano black trim

**Buying/Owning**

Nissan Motor Acceptance Corporation. Whether you’re buying or leasing, you’ll find attractive rates and flexible terms to make your purchase more accessible.

**College Grad Program.** Ask about our special new vehicle pricing available to individuals up to two years after graduation.

**Active and Reserve US Military Program.** Ask about our fixed discount on new vehicle pricing available to those serving our country.

**New Vehicle Limited Warranty.** Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

**Security+Plus®** For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

**Maintenance+Plus®** This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

**Genuine Nissan Parts.** When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they’re the only parts to carry Nissan’s factory-backed limited warranty.

**Nissan Mobility Assist.** This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

Nissan’s environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF Improving fuel efficiency through our PUREDRIVE® measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green

**Offer Details:**

- In most states, you’ll find actual product demonstrations, a way to “build your own Nissan,” a whole list of dealers and more information about Nissan approved service. Or if you’d like, call 1-800-NISSAN-3 (1-800-647-7262) for answers to specific questions about Altima. Contact or any other Nissan dealer. For Nissan owners, log, product names, feature names, and models are trademarks of Nissan Motor Co., Ltd. All other trademarks are those of Nissan North America Inc.
