on the 2014 Nissan Armada®

WOULDN'T IT BE COOL IF_
EVERY DAY WAS A BIG ADVENTURE?

Looking for a vehicle that can live up to your lifestyle? Nissan Armada® has what it takes: a whole lot of muscle and finesse where it counts. Let your passengers stretch out in style with available second-row captain's chairs, or go huge with bench seating and room for eight. Can't decide which toys to bring? Why not bring them all with a 317-hp V8 and up to 9,000-lb. towing capacity?¹ And to make sure the good times keep rolling, avoid gridlock with updates from available NavTraffic.² No matter where your life takes you, Armada® will be there for you in a big way.

¹4WD SL and Platinum models. See Nissan Towing Guide and Owner's Manual for proper use. ²SiriusXM Satellite Radio and NavTraffic require subscriptions sold separately after trial period. Subscriptions governed by Customer Agreement at siriusxm.com. Fees and programming subject to change. Available only to those 18 or older in the 48 contiguous states and D.C. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc.

Nissan Armada® Platinum shown in Pearl White.

Full-size, yes, but Nissan Armada® is designed for individual comfort. The available Memory System allows you and another driver to save your preferred positions. That means the class-exclusive Nissan Intelligent Key® recognizes who is who, then moves the driver's seat, the power adjustable pedals and outside mirrors accordingly. Add in available heated front and second-row seats and steering wheel, and you'll find yourself in surroundings that feel as personal as they do grand.¹

Nissan Armada® Platinum with Platinum Reserve Package shown in Chocolate/Almond Leather.

¹Ward's Large Sport/Utility Market Segmentation. MY14 Armada® vs. 2013 Large Sport/Utility Class.

Seating for seven in high style. With the available second-row captain's chairs you can stretch out, relax and enjoy first-class accommodations. There's even a center console with plenty of storage and convenient cup holders. More than just a luxurious ride, Nissan Armada® is extremely practical too – the third row and captains' chairs easily fold flat to carry large, oversize items with ease.

Nissan Armada® Platinum with Platinum Reserve Package shown in Chocolate/Almond Leather.

Nissan Armada® Platinum shown in Graphite Blue.

Nissan Armada® Platinum shown in Almond Leather.

Seating for eight with second-row bench seating. Nissan Armada® pumps up the volume with comfortable room for eight adults. The 40/20/40 second-row seats tip up for easy entry to the third row, and fold flat to maximize cargo space. And with the available power flat-folding, third-row seats and power liftgate, bringing everything you need along has never been easier.

Nissan Armada® Platinum shown in Almond Leather.

MAKING HAPPY CAMPERS, ALL AROUND.

The same screen that displays the available Nissan Navigation System – including the 3-D Birdview™ feature that gives you a three-dimensional image of major buildings – also lets you see and control all your audio options. With clear roads ahead and highly accessible playlists at the ready, it's easy to remember that the journey really is half the fun.¹

Keep everyone entertained for hours. Maybe even days. Follow your hometown team on SiriusXM Satellite Radio or plug in your iPod® through the USB input and listen to your own tunes.^{2,3} You can even let the kids play DJ from the back seat with available Bluetooth® streaming audio.⁴ And whatever you're listening to, the available Bose® system – custom-tuned for this interior – will make it sound superb.

Avoid traffic and get there smoothly. The available Nissan Navigation System not only helps you find the best family-style Italian restaurant in town with ratings and reviews from Zagat Survey®, it also points out the best way to get there with NavTraffic. This feature displays color-coded, real-time traffic advisories to help keep you away from the gridlock. And with up-to-the-minute weather advisories from NavWeather, you can decide if you'll be dining al fresco before you even get there.^{1,2}

Nissan Mobile Entertainment System. In addition to watching movies, you can play your camcorder through the available DVD system's USB inputs or plug in your video game system on the large, 7" dual head restraint monitors.³

Smart parking. Armada®'s standard Rear Sonar System and optional Front Sonar System beep when they sense an object up to six feet away, and increase in frequency the closer you get to help you maneuver into tight spaces. You can also choose the available RearView Monitor, which helps you see objects directly behind you when parking. It automatically activates whenever you're in reverse and is also ideal for lining up your approach to a boat trailer.^{5,6}

¹ Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ³Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁴Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your

phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁵The Front and Rear Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. ⁶Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. Bose® is a registered trademark of The Bose Corporation. Zagat Survey® is a registered trademark of Zagat Survey LLC Ltd.

9,000
LBS. MAX TOWING¹

GIVING NEW MEANING TO BOATLOAD.

Wherever you're headed, Nissan Armada® has the power and capability to help get you there. Its potent V8 engine is constructed of lightweight aluminum components to help provide an immediate response. Pair that with available All-Mode 4WD, and you'll have maximum control in varying weather and road conditions. And with an independent rear suspension and full-length fully boxed frame, all three rows can count on a smooth ride every time. There's even a Flexible Fuel Vehicle (FFV) feature that allows you to choose ethanol E85, standard gasoline or any mixture of the two fuels. These vehicles are not available in all states – please check with your local Nissan dealer.

¹4WD SL and Platinum models. See your Owner's Manual or Nissan Towing Guide for specific towing information.

NISSAN ALL-MODE 4WD®

INNOVATION THAT HAS A GRIP ON REALITY

2WD

For normal conditions on dry, paved roads.

AUTO

Automatically switches between 2WD and 4WD, depending on conditions.

4H

Greater traction for rocky, snowy and muddy roads.

4LO

For maximum torque on rocky and steep grades.

If the only thing constant in this world is change, you need a 4WD system that can keep up. Nissan's All-Mode 4WD® is so advanced, it responds instantly to changing road conditions and continuously adjusts the amount of power distributed to each axle to help maintain control. Keeping an eye on the situation as well as the bottom line, All-Mode automatically switches to 4WD to improve traction on lower friction surfaces, and switches back to 2WD for optimal fuel economy when more traction is available.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield® technologies are our way of looking out for you and yours.

MONITOR

Smart technologies are designed to help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're travelling on properly inflated tires.

- Tire Pressure Monitoring System¹
- Automatic On/off Headlights
- Rear Sonar System²
- Available RearView Monitor³
- Available Front Sonar System²

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

- Vehicle Dynamic Control helps you maintain your steered path.⁴
- Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect everyone on board.

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat belt and occupant-classification sensors⁵

Front seat-mounted side-impact supplemental air bags⁵

Roof-mounted curtain side-impact supplemental air bags⁵

LATCH System (Lower Anchors and Tethers for Children)

6 STANDARD AIR BAGS⁵

snugglykids® Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

Click the button to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/NissanSnugKids

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²The Front and Rear Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁵Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details.

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase.¹

A. Dual Head Restraint DVD Monitors

Head restraint-mounted DVD monitors offer rear seat occupants countless hours of entertainment.

B. Telescoping Tow Mirrors²

Because you deserve a better view.

C. Cargo Organizer³

Unleash your inner neat freak.

D. Roof Rail Crossbars³

Made of steel, so you know they're good.

E. Hatch Tent

It's an Armada. It's a campsite. It's both!

F. All-season Floor Mats

Neither rain, sleet nor snow will mess your ride.

G. Weight-distributing Hitch Ball Mount, Class IV²

Tow big or go home.

H. Cargo Net³

Because location is everything.

Additional Accessories:

- Hood Protector, Chrome- or Smoke-finished
- Moonroof Wind Deflector
- Carpeted Floor Mats
- Carpeted Cargo Mat
- Cargo Area Protector
- Full-length Vinyl Cargo Protector
- Towing Accessories²
- And More

¹Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²Armada with Tow Package, accessory Tow Hitch Receiver, 4WD SL and Platinum models. See Nissan Towing Guide and Owner's Manual for proper use. ³Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle.

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee.
