**2010 NISSAN FRONTIER®**

**REFUSES TO COMPROMISE.** Forge your way with an efficient mid-size body hugging a fully boxed ladder frame. 261 hp and 281 lb-ft of grunt as your guide. Single-minded ruggedness married to advanced technology. A spray-on bedliner when the catch of the day is a 400-lb. boulder – tied down with Utili-track™ to make sure the rock doesn’t roll. 6,500-lb. towing capacity to handle the toys. Bluetooth® to handle the calls. Just load up the Rockford Fosgate with 1,000 songs and aim for the horizon. You’ll get there.
