TAKE ON the streets in the ultimate sport crossover. Ready to stand out? Pick the accent colors that represent your style. Head to the city with your equally spontaneous crew. Want a change of pace? Cruise up the coast, saving gas with the push of a button. Own the day – no timeline, great tunes, and easily accessible navigation. Drive home as the sun sets with a smile on your face. The 2017 JUKE. Revel in THE THRILLS.
JUKE’s available I-CON system lets you change up your ride with the push of a button. Whatever mood you’re in, JUKE has a mode for it. You can keep stats on your performance and adjust the climate, all while you’re out and about.

ALL YOU, ALL THE TIME

JUKE® COLOR STUDIO: COLOR CHANGES EVERYTHING

The perfect way to make a personal statement and stand out from the crowd. From wheels to spoiler, headlight finishers and more – you can mix and match up to nine color choices, including the Carbon Fiber Look. Choose one accessory, or all of them. The possibilities are endless, and uniquely you.

SPORT ALL-WHEEL DRIVE

Instead of traditional All-Wheel Drive (AWD) systems that only distribute power from front to back, the torque vectoring AWD that’s available on JUKE® adjusts power side-to-side to the rear wheels. When cornering, this means the outside rear wheel gets more power, helping you rotate into the curve and accelerate out.
