NISSAN INTELLIGENT MOBILITY™
Nissan intelligent Mobility guides every journey we do. We’re using new technologies to transform cars from mere driving machines into assistants. Together, the journey is more confident, connected, and exciting. Whether it’s cars that assist in the driving task, or highways that charge your EV as you go along, it’s all in the very near future. And it’s all about already taking shape in the Nissan you drive today.

SEE KICKS® COME TO LIFE
Go to NissanUSA.com and find an interactive brochure for Kicks® and every Nissan in the lineup. Available on desktop or smartphone, it’s the full product story – including demos, videos, and complete info on trims, colors, and accessories.

Or download the Interactive Brochure Hub app on your tablet. Free on the App Store® and Google Play™.
OWN YOUR MOMENT

Take in the city from an elevated perspective. Push dramatic styling to the edge, then revel in a premium interior. Advanced technologies keep you ahead of the game, while dynamic handling puts you in charge. Statement time? Express yourself with a new level of personalization. The brand-new 2018 Nissan Kicks. The moment is all yours.
Welcome to a place that puts you, and your ambitions, first. From the D-shaped steering wheel to the “floating” head unit to the distinctive contrast stitching, Kicks® makes you, and your crew, feel like the center of attention. Where you all belong.

GRAB A SEAT AT THE CENTER OF ATTENTION
With Kicks Color Studio, you can make your Kicks one of a kind. Choose from a large selection of accents and finishes, including the distinctive interior accents shown above. Your ride, your choice.

Available accent color options. Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your dealer.

Available Apple CarPlay™ and Android Auto™ seamlessly connect you to your compatible phone, and your world, while a unique “floating” head unit puts your every move on full display.

Whether confronting city traffic or navigating a crowded parking lot, available Nissan Intelligent Mobility features give you the confidence and capability to handle the task.
