1. Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. iPod charge through the Interface System may only be supported via use of FireWire® devices. See Dealer for details. 2. Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio input jack while driving. 3. XM Satellite Radio and XM NavTraffic® require subscriptions sold separately after three-month trial period. Fees and taxes apply, including any installation costs and a one-time activation fee. XM NavTraffic available in select markets and XM radio service not available in Canada, AK and HI. Subscriptions governed by Customer Agreement, at xmradio.com. Fees and programming subject to change. ©2009 XM Satellite Radio Inc. XM name and XM are registered trademarks of XM Satellite Radio Inc. All other trademarks and channel names are property of their respective owners. 4. The optional RearView Monitor is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The RearView Monitor may not detect every object behind you. 5. Compass is deleted when equipped with Navigation Package. 6. VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. 7. Bose is a registered trademark of The Bose Corporation. 8. CompactFlash is a registered trademark of SanDisk Corporation. 9. iPod and FireWire are registered trademarks of Apple Inc. All rights reserved. iPod® not included. 10. 9 Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. iPod® charge through the Interface System may only be supported via use of FireWire® devices. See Dealer for details. 2The optional RearView Monitor is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The RearView Monitor may not detect every object behind you.

VERDICT: The optional RearView Monitor is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The RearView Monitor may not detect every object behind you. Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio input jacks while driving. 4XM® Satellite Radio and XM NavTraffic® require subscriptions sold separately after three-month trial period. Fees and taxes apply, including any installation costs and a one-time activation fee. XM NavTraffic available in select markets and XM radio service not available in Canada, AK and HI. Subscriptions governed by Customer Agreement, at xmradio.com. Fees and programming subject to change. ©2009 XM Satellite Radio Inc. XM name and XM are registered trademarks of XM Satellite Radio Inc. All other trademarks and channel names are property of their respective owners. 5 Use regular unleaded fuel with 87 octane. For maximum power, use premium fuel.

WARRANTY
Every Nissan is backed by a 36-month/36,000-mile limited vehicle coverage and a 5-year/60,000-mile limited powertrain coverage. (For complete information, see your Nissan dealer and read the actual limited warranty.) For extra protection, you can also add Security+Plus®, the only extended service agreement approved by Nissan.
