WELCOME TO THE 2014 NISSAN MURANO® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Murano®.

Click here to sign up for news and updates on the 2014 Nissan Murano®.
Welcome to Nissan Murano®, where every detail has you in mind. Starting with your arrival—when Murano®’s innovative features welcome you, catering to your senses. Clever technology keeps you one step ahead, while being right at your fingertips. Your vehicle seems to know your next move, no matter the conditions. And with the Murano® CrossCabriolet, the world’s first and only AWD crossover convertible, you’ve got a liberating new way to see your world. Nissan Murano® and Nissan Murano® CrossCabriolet®.
The Murano® offers you the unmistakable smoothness and refined power of a V6 engine, and advanced suspension for confident handling. And whether you’re looking for efficient cruising or a quick rush of seamless acceleration, the Continuously Variable Transmission (CVT) eliminates gear hunting to keep you in the engine’s sweet spot.
Now, everyone can enjoy the view. Double the blue skies with an available glass Dual Panel Moonroof that extends to the back row. Press a button to close the power shades and create a private sanctuary. And when the sun goes down, ambient cabin lights add a soft glow.
An upgrade where innovation makes every day extraordinary. Step inside and get comfortable as the available Driver’s Memory System adjusts the driver’s seat, steering column and outside mirrors to your customized settings. Everyone stays comfortable with Dual Zone Automatic Temperature Control and available heated front and rear seats. And on wintry mornings, you’ll love the available heated steering wheel and outside mirrors. Enjoy additional touches, like the warm glow of accent lighting, available contrasting wood accents and metal trim, and available double-stitched leather-appointed seats. All this in an aerodynamic body designed to reduce noise and vibration, making your ride quiet and luxurious.
Generous space is now fingertip-close.

You can double your cargo volume to 64 cubic feet when you collapse the 60/40 split rear seats with the pull of a lever. Or for more passenger space, just push a button from the dash or cargo area to power the seats back up (available only in the SL and LD).

Life's easier with the space and flexibility of the Nissan Murano's easy-to-access cargo area. For simpler loading and unloading, control Murano's available power liftgate from your remote, the dashboard or a button on the hatch.

Cargo and load capacity limited by weight and distribution. Always secure all cargo.
Now, meet the Nissan Murano® CrossCabriolet® – the world's first and only AWD crossover convertible. Go anywhere with a convertible that offers you the all-weather capability of intuitive All-Wheel Drive. Get a clear view of what's behind you through a solid glass rear window, or watch the top glide away with the touch of a button. No matter what the conditions are, nothing gets in the way of your plans.
The outdoors are too great not to share. The Murano® CrossCabriolet® gives you spacious seating for four with easy access to the rear seat, where there’s all the rear-seat leg room you expect in a crossover. The trunk is roomy enough for two sets of golf clubs – even with the top down.

A strong foundation to go on. When we engineered the CrossCabriolet® we provided additional bracing to the chassis to help keep the structure tight and rattle-free. In the unlikely event of a rollover, a pop-up roll bar protection system is integrated behind the rear seats.
Find your way to a great night out with no more guesswork using the available Nissan Navigation System. By voice or touch, plan dinner using Zagat Survey® restaurant guide. Plot your path and check weather with NavWeather on the large 7" color monitor. Then stay ahead of traffic with real-time advisories from NavTraffic provided by SiriusXM. With Nissan Navigation standing by, your arrival can be a real breeze.
NISSAN TECHNOLOGY HAS YOU COVERED.

Murano’s built-in technology gets you there with easier maneuvering and hands-free technology. And, of course, seamless iPod® connectivity provides your soundtrack all the way there.

iPod®/USB input. An available USB Interface System for iPod® displays song info playlist-style, and lets you control your iPod® by touch-screen or steering wheel-mounted controls.

Bose® Premium Audio. Your music has never sounded better. The available Bose® audio system gives you nine speakers plus dual subwoofers for scintillating highs and deep, rich bass.

Bluetooth.® With the available Bluetooth® Hands-free Phone System, even your phone book is downloadable, so hands stay where they need to be. Then take calls through Murano’s speakers, which adjust music volume for each call.

RearView Monitor. Wouldn’t it be helpful to see what you might have missed behind you? The available RearView Monitor helps show you, anytime you’re in reverse.

IN CONTROL THE WHOLE WAY THERE.

Get to where you’re going on a wave of seamless power, with intuitive AWD that constantly adjusts for superior confidence and control.

All-Wheel Drive. The second you pull away, the AWD turns on, delivering power to both front and rear wheels for improved grip. Once you’re up to speed, no sense powering all four wheels, so Nissan Murano® efficiently sends the power all up front. Then, for enhanced cornering control and traction, AWD compensates by transferring some of that power from the front wheels to the rear.

Engine. Murano’s 260-horsepower 3.5-liter V6 engine keeps you ahead of the pack when you need to be. An efficient fuel economy of 24 MPG on the highway keeps it practical. Murano CrossCabriolet® exhilarates with 265 hp and 248 lb-ft of torque while returning 22 MPG on the highway.

CVT (Continuously Variable Transmission). Innovation beyond gears. Unlike conventional automatic transmissions, the virtually “gearless” Xtronic CVT® (Continuously Variable Transmission) makes gear hunting a thing of the past. Fully variable gear ratios mean the CVT keeps you in the sweet spot, so power is amazingly quick and smooth whenever you push the throttle.

Click the button to see a short video on Murano’s CVT. Or go to bit.ly/NissanCVT

PROTECT

When a collision is unavoidable, Nissan’s Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors

Front seat-mounted side-impact supplemental air bags

Roof-mounted curtain side-impact supplemental air bags

LATCH System (Lower Anchors and Tethers for Children)

Snug Kids

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you’re travelling on properly inflated tires.

Tire Pressure Monitoring System

Lets you know when a tire is low, so you don’t have to guess.

Available Smart Auto Headlights

Automatic on/off headlights that sense when light is needed.

Available Rain-sensing Wipers

Respond and adjust to rainfall so you can focus on driving.

Available Blind Spot Warning

Available RearView Monitor with Moving Object Detection

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

Nissan Safety Shield® Philosophy

Innovation that looks out for you.

Wouldn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make.

The Nissan Safety Shield® includes:

- Tire Pressure Monitoring System
- Available Smart Auto Headlights
- Available Rain-sensing Wipers
- Available Blind Spot Warning
- Available Lane Departure Warning
- Available RearView Monitor with Moving Object Detection

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.
Blind spot Warning. If another vehicle is detected in your blind spot area, an indicator appears in the driver’s or front passenger’s door. Put your turn signal on, and the indicator flashes with a warning chime to alert you. 

Lane Departure Warning. If Murano® detects that you’re straying from your lane, the Lane Departure Warning System will give both a visual and audible alert. The system is so smart, it’s designed to stop the warnings whenever your turn signal is engaged.

Moving Object Detection. Shift into Reverse, and the available RearView Monitor displays what’s behind you. If it detects something moving by the rear of the vehicle, it gives a visual and audible alert. And whenever you want a wider rear view, just push the camera button.

NISSAN SAFETY SHIELD® TECHNOLOGIES

INNOVATION THAT DOUBLE CHECKS YOUR DOUBLE CHECK.

Wouldn’t it be cool if extra reassurance was easy to spot? Whether you’re changing lanes on the highway or deftly maneuvering your way into a parking spot, Murano®’s available Safety Shield® Technologies take advantage of the rearview camera to act as a second set of eyes, giving you a whole new way to double check.

1 The Blind Spot Warning System is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you.

2 Lane Departure Warning System operates only when lane markings are clearly visible on the road. Speed limitations apply. See Owner’s Manual for details. Warning and convenience features. Cannot completely eliminate blind spots or warn of non-object. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. 

3 Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of non-object. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

4 Moving Object Detection cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.
TURN BRAND-NEW INTO ALL YOU.

GENUINE NISSAN ACCESSORIES.

For more information and to shop online for Genuine Nissan Accessories, go to parts.NissanUSA.com.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan’s 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase.

A. Cargo Area Protector**
   Heavy-duty material helps protect and preserve.
B. Dual Head Restraint DVD Monitors*
   Because an entertained guest is a happy guest.
C. All-season Floor Mats
   So your carpet can weather the weather.
D. Hatch Tent*
   It’s a Murano: It’s a campsite. It’s both!
E. Interior Accent Lighting
   With 20 hues, all for you.
F. Illuminated Kick Plates
   Let your doorsills play dress up.
G. Stainless Steel Rear Bumper Protector*
   Keep your bumper snazzy and scratch-free.
H. Roof Rail Crossbars**
   Made of steel, so you know they’re good.

Additional Accessories:
• Side-window Deflectors*
• Nose Mask
• Towing Accessories**
• Carpeted Floor Mats
• Carpeted Cargo Mat
• Retractable Cargo Cover*
• And More

1 Covered by Nissan’s Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information booklet for details. 2 Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. Not available for Murano® CrossCabriolet®. 3 See Nissan Towing Guide and Owner’s Manual for proper use.

Nissan Murano® SL shown in Gun Metallic with LED Daytime Running Lights, Hood Protector, Side-window Deflectors and Roof Rail Crossbars.

Nissan Murano® CrossCabriolet® shown in Pearl White with LED Daytime Running Lights, Hood Protector and Splash Guards.

## CHOOSE YOUR TRIM LEVEL

### S
- Intuitive All-Wheel Drive (AWD) or Front-Wheel Drive (FWD)
- 18" Aluminum-alloy wheels
- LED taillights
- Dual Zone Automatic Temperature Control (ATC)
- Nissan Intelligent Key® with Push Button Ignition
- 6-way manual driver's seat with manual lumbar support
- 6/40 Split fold-down rear seatbacks with cargo area-accessible releases
- In-dash 6-CD changer with MP3 CD capability and auxiliary audio input jack
- Six standard air bags
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)

### SL
- Dual Panel Moonroof with power retractable sunshades
- Heated outside mirrors with memory position
- Rain-sensing variable intermittent windshield wipers
- Leather-appointed seats with driver’s seat memory position
- Intuitive All-Wheel Drive (AWD)
- Power convertible soft-top with glass window
- 20" 7-spoke aluminum-alloy wheels
- LED taillights
- Bluetooth® Hands-free Phone System
- Vehicle Information Center with 7” QVGA monitor
- RearView Monitor
- Dual Zone Automatic Temperature Control (ATC)
- HomeLink® Universal Transceiver
- Nissan Intelligent Key® with Push Button Ignition
- Intuitive All-Wheel Drive (AWD) or Front-Wheel Drive (FWD)
- 18" Aluminum-alloy wheels
- LED taillights
- Dual Zone Automatic Temperature Control (ATC)
- Nissan Intelligent Key® with Push Button Ignition

### SV
- Includes S Equipment Plus:
  - Bluetooth® Hands-free Phone System
  - Vehicle Information Center with 7” QVGA monitor
  - RearView Monitor
  - Auto-dimming rearview mirror with digital compass
  - 8-way power driver’s seat and 4-way power front-passenger’s seat

### LE
- Includes SL Equipment Plus:
  - 20" Aluminum-alloy wheels
  - High Intensity Discharge (HID) bi-functional xenon projector headlight
  - Silver-accented roof rails
  - Heated rear seats
  - Heated steering wheel
  - Power-tilt and power-telescoping steering column with memory position
  - Wood tone trim

### LE PLATINUM EDITION PACKAGE
- Includes LE Equipment Plus:
  - Nissan Hard Drive Navigation System with 7" VGA touch-screen monitor and voice recognition
  - NavTraffic and NavWeather by SiriusXM®
  - Zagat Survey® restaurant reviews
  - Streaming audio via Bluetooth® wireless technology
  - Blind Spot Warning System (BSW)
  - Lane Departure Warning (LDW)
  - Moving Object Detection (MOD)
  - 20" 7-spoke aluminum-alloy wheels
  - Rear bumper protector
  - Unique Platinum Edition badging

### MURANO CROSSCABRIOLET
- Includes SV Equipment Plus:
  - Leather-wrapped steering wheel with illuminated audio controls
  - AM/FM/CD audio system with auxiliary video input jacks
  - SiriusXM Satellite Radio
  - Black roof rails
  - Automatic on/off headlights with fog lights
  - Nissan Hard Drive Navigation System with 7" VGA touch-screen monitor and voice recognition
  - NavTraffic and NavWeather by SiriusXM®
  - Zagat Survey® restaurant reviews
  - Streaming audio via Bluetooth® wireless technology
  - Dual pop-up roll bar

#### Safety/Security

**Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat belt and occupant-classification sensors**

- Driver and front-seat-mounted side-impact supplemental air bags
- Roof-mounted curtain supplemental air bags for front and rear-seat outboard occupants
- Door-mounted curtain supplemental air bags for side-impact and rollover head protection for front occupants
- Dual pop-up roll bars
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Active Brake Limited Slip (ABLS)
- Blind Spot Warning System (BSW)
- Lane Departure Warning (LDW)
- Moving Object Detection (MOD) – SL only
- 3-point ALR/ELR passenger seat belt system (ELR for driver)
- Front seat belts with pretensioners and load limiters
- Front-seat Active Head Restraints
- LATCH System (Lower Anchors and Tethers for Children)
- Energy-absorbing steering column
- High-strength steel side-door guard beams
- Zone Body construction with front and rear crumple zones; hood-buckling creases
- Tire Pressure Monitoring System (TPMS)
- Nissan Vehicle Immobilizer System
- Vehicle Security System

#### Packages

**SV Value Package**

- Nissan Hard Drive Navigation System with 7" VGA touch-screen monitor and voice recognition
- NavTraffic and NavWeather provided by SiriusXM
- Zagat Survey® restaurant reviews
- Streaming audio via Bluetooth® wireless technology
- Bose® audio system with AM/FM/CD
- Nine speakers plus dual subwoofers
- Power liftgate

**Navigation Package (SL, CrossCabriolet™)**

- Nissan Hard Drive Navigation System with 7" VGA touch-screen monitor and voice recognition
- NavTraffic and NavWeather provided by SiriusXM
- Zagat Survey® restaurant reviews
- Streaming audio via Bluetooth® wireless technology
- Blind Spot Warning System (BSW) – SL only
- Lane Departure Warning (LDW) – SL only
- Moving Object Detection (MOD) – SL only

**LE Platinum Edition Package**

- Nissan Hard Drive Navigation System with 7" VGA touch-screen monitor and voice recognition
- NavTraffic and NavWeather provided by SiriusXM
- Zagat Survey® restaurant reviews
- Streaming audio via Bluetooth® wireless technology
- Blind Spot Warning System (BSW)
- Lane Departure Warning (LDW)
- Moving Object Detection (MOD)
- 20" 7-spoke aluminum-alloy wheels
- Rear bumper protector
- Unique Platinum Edition badging

2014 EPA Fuel Economy Estimates

| Murano® | City/hwy/Combined MPG | FWD 18/24/20 | – | AWD 18/23/20 | 17/22/19 |

Actual mileage may vary with driving conditions – use for comparison only.

Nissan’s environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF®. Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee.
