Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:

- Flat-tire changes
- Vehicle lockouts
- Trip Interruption benefits
- Emergency fuel delivery
- Jump starts

*Roadside Assistance and Trip Interruption available during the first 3 years or 36,000 miles (whichever occurs first) after initial new vehicle delivery. Restrictions apply. TAKE ON the experience that’s designed around you. Say yes to a night out and the chance to turn heads. Reconnect with your real social network in the cushy lounge interior, perfect for relaxing or living it up. Tap in to technology that pumps the music from any seat and brings you closer together. The evening starts up when Murano® does. The 2017 Nissan Murano, the dynamic crossover that enhances your LIFE.
EXPECT THE EXCEPTIONAL

INTUITIVE ALL-WHEEL DRIVE
Take on more. Murano’s available AWD tackles a variety of terrains, while helping to keep you confident on the road. The 260-hp, 3.5-liter V6 engine provides impressive power without sacrificing efficiency.

NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES
Murano’s available features have your back. And the rest of you, too. Whether you’re changing lanes on the highway, making your way in traffic, or deftly maneuvering your way into a parking spot, Murano’s Nissan Intelligent Safety Shield Technologies act as a second set of eyes, giving you a whole new way to double check.

A UNIQUE SOCIAL SPACE
Murano’s lounge-like interior is designed to bring people together. The wider center console allows everyone to mingle without leaning or straining. And with meaningful available technology within arm’s reach of any seat, Murano® makes every drive an all-inclusive trip.

EXPERIENCE THE NEW MURANO
INTELLIGENT CRUISE CONTROL
Unlike traditional systems that only maintain a set speed, the available Intelligent Cruise Control also helps maintain an adjustable set distance between you and the car in front of you. As traffic slows down or speeds up, Murano can respond accordingly.

Available Technologies

- Predictive Forward Collision Warning1
- Forward Emergency Braking2
- Blind Spot Warning3
- Rear Cross Traffic Alert4

1. Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See owner’s manual for details.

2. Not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you.

1. Genuine Nissan Accessories are covered by Nissan’s Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details.

2. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

3. Driving is serious business and requires your full attention. Only use Nissan WiFi and Apps Services powered by Autonet Mobile when safe to do so. Only available on select models. See Nissanwifi.com for complete availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Nissan WiFi and Apps Services requires compatible cellular network provided by Autonet, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability of the Nissan WiFi and Apps Services. Cellular network and GPS signals are not available in all areas or on all phones. Technology is evolving, and changes to cellular networks provided by independent companies or other third party changes that impact Nissan WiFi and Apps Services are not within Nissan’s control. Should a third party or Autonet Mobile terminate or make changes that impact the service, service may be terminated without notice and Nissan shall have no liability. The Apps Services requires compatible smartphone or personal computer, not included with vehicle. Enrollment and Subscription Agreement is required to receive full suite of Nissan WiFi and Apps Services through Autonet Mobile. The 90 day trial period for Apps Services begins when the unit is registered with Autonet Mobile; subsequently the respective paid subscription for WiFi is at the then current rate to continue to receive the respective services. Terms and conditions of Subscription Agreement then apply. Text rates and/or data usage may apply. “HomeLink®” is a registered trademark of Gentex Corporation.

4. State laws may apply; review local laws before using. Blind Zone Mirrors are not a substitute for proper lane change procedures. May not display every vehicle or object around you.
