Thumbs Off Your Phone While Driving!

Every year, too many people die because we can’t put our phones down while driving. That’s why Nissan is supporting the Red Thumb Movement as part of our ongoing commitment to help reduce fatalities on the road. So paint your thumbnail red as a reminder not to pick up your phone when you’re behind the wheel. Find out more at NissanUSA.com/redthumb

ONE UNSHAKABLE COMMITMENT. Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you, and it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 140° and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vehicles on them nonstop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on it to do your job. That's the motivation for us to do ours.

America's Best Commercial Van Warranty
5 YEARS/100,000 MILES³
BUMPER-TO-BUMPER LIMITED WARRANTY

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce America’s Best Commercial Van Warranty. A bumper-to-bumper limited warranty for 5 years or 100,000 miles, which ever comes first. And that means we’ve got your back, so you can keep moving forward. For more details of the warranty, please go to NissanCommercialVehicles.com or ask your Nissan Business Certified Dealer.²

¹Roadside Assistance and Trip Interruption available during the first four years after initial new vehicle delivery. Restrictions apply. See Dealer for details.

NISSAN NV® CARGO
LOADED WITH SPACE, INNOVATION AND AN ALL-AMERICAN WORK ETHIC.

Whether you run a single van operation or manage an entire fleet, it’s important to have the right vehicle for the job. And with the U.S.-built 2016 NV® Cargo High Roof and NV® Cargo Standard Roof, you’ve got a great range to choose from. These are the kinds of vehicles you need to do business today: smarter, tougher, and more comfortable, with state-of-the-art technology and safety. NV® Cargo even makes it easy to fit the special needs of your business with integrated reinforced cargo-mounting points that help ensure easy and durable upfitting, and a smart flat-wall interior design that maximizes floor space and opens up room at the top of cargo containment systems.
