THE WORLD HAS CHANGED. SHOULDN'T YOUR SUV?

From climbing hills to climbing in, Pathfinder® redefines it all. There's the all-new Hybrid, delivering an impressive range of 488 miles on a single tank, while maintaining all the capability you expect from a Pathfinder®. Or choose the powerful V6, with the highest standard towing rating in its class.1,2 And on every Pathfinder®, you'll find a standard CVT transmission for seamless power and an available 4-Wheel Drive system with class-exclusive driver-selectable modes.3 Stretch out in the largest interior in its class, with a third row that's spacious and surprisingly easy to get into. And once the trail is behind you, an available class-exclusive Around View® Monitor helps you grab a parking space right out front.3,4 Welcome to the world as we know it. Welcome to the Next Gen SUV.

YOUR SUV WAS MADE FOR THE WAY YOU REALLY LIVE?

The world has changed. Shouldn't your SUV? From climbing hills to climbing in, Pathfinder® redefines it all. There's the all-new Hybrid, delivering an impressive range of 488 miles on a single tank, while maintaining all the capability you expect from a Pathfinder®. Or choose the powerful V6, with the highest standard towing rating in its class.1,2 And on every Pathfinder®, you'll find a standard CVT transmission for seamless power and an available 4-Wheel Drive system with class-exclusive driver-selectable modes.3 Stretch out in the largest interior in its class, with a third row that's spacious and surprisingly easy to get into. And once the trail is behind you, an available class-exclusive Around View® Monitor helps you grab a parking space right out front.3,4 Welcome to the world as we know it. Welcome to the Next Gen SUV.

1 488-mile estimated range calculated using 2013 EPA Fuel Economy Estimates 20 MPH city multiplied by 18.5 gallon capacity, not yet EPA tested. Actual mileage may vary with driving conditions – use for comparison only.

Wouldn't it be cool if your suv was made for the way you really live?
Enjoy 5-star accommodations, before you even get to the lodge. Pathfinder® surrounds you with premium comforts, including standard Tri-Zone Automatic Temperature Control and available heated and cooled front seats, heated 2nd-row seats, even an available class-exclusive heated steering wheel. With available navigation featuring Zagat Survey® restaurant recommendations and live weather updates, plus an available dual memory seating system and a Bose® premium audio system, you’ve got luxury accommodations – without any reservations.², ³, ⁴
Intuitive 4WD. With Pathfinder®’s All-Mode 4x4-i, you’ve got a system that’s capable on-road and off. Designed to work with both V6 and Hybrid models, it’s the only vehicle in its class with selectable driving modes. You can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice. And when your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline.

Balance of Power. The Advanced Drive-Assist™ Display shows how the intuitive 4WD system constantly adjusts power between the front and rear axles, helping to give you the available traction and control you need.

Click this link to see a short video on Pathfinder®’s capable 4WD system. Or go to bit.ly/nissan4wd
BECAUSE EVERYONE SHOULD COME ALONG.

In Pathfinder®, capability goes way beyond taking on rugged conditions, it's conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with best-in-class passenger room, including a 2nd row that slides over five inches for stretch-out room and the only 3rd-row reclining seat in its class.1 And with premium features like an available Dual Panorama Moonroof and standard rear A/C, this is one time where one size fits all beautifully.

Ward's Large Cross/Utility Market Segmentation. MY14 Pathfinder® vs. 2013 Large Cross/Utility Class. 2 Seats should not be in the reclined position when the vehicle is in motion.

Nissan Pathfinder® Platinum shown in Almond Leather with optional equipment.
NISSAN EZ FLEX™ SEATING SYSTEM

INNOVATION THAT GIVES EVERYONE AN OPEN INVITATION.

Wouldn’t it be cool if getting to any seat was easy? With the innovative EZ Flex™ Seating System, the 2nd row glides and tilts forward for easy access to the spacious rear seat. And once you’re in the 3rd row, you’ll find it’s exceptionally comfortable, thanks to class-exclusive reclining seats.¹ ² ³

Pathfinder®’s family-friendly, too. With Pathfinder®’s LATCH AND GLIDE™ technology, you can even tilt and slide the right side of the 2nd row with a child seat securely strapped in.¹

¹Slide forward function should not be performed with the GRS occupied. ²Ward’s Large Cross/Utility Market Segmentation. ³Pathfinder® vs. 2013 Large Cross/Utility Class. ⁴“Seats should not be in the reclined position when the vehicle is in motion. Cargo and load capacity limited by weight and distribution. Always secure all cargo.”

Click this link to see a short video on Pathfinder®’s EZ Flex™ Seating System. Or go to bit.ly/ezflexseating.
Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Making Room for Unforgettable Moments.

Fold Flat Rear Seats
Pathfinder® makes easy work of it, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 79.8 cubic feet of cargo space.

Under-floor Storage
There’s also an under-floor storage area that keeps valuables out of sight. It’s easily accessed even when the 3rd row is upright for extra cargo space when you’ve got seven on board.

Power Liftgate
Easy loading comes at the touch of a finger. Pathfinder®’s available power liftgate can be opened from a button located on the liftgate, on the dashboard near the driver, or on your Intelligent Key.
GETTING A GREAT VIEW WHEREVER YOU LOOK.

Tri-Zone Entertainment. If you’ve ever taken a trip with kids, you probably know it’s hard to please everyone. But with Pathfinder’s available Tri-Zone Entertainment System, you actually can.1 The rear monitors can play individually, giving a choice of DVDs, video games, photos and more that you can control from the audio system’s 8” VGA screen. And with those in back wearing wireless headphones, you can adjust the 13-speaker Bose® audio system to play only in front, letting you enjoy your own choice of entertainment in perfect harmony.

Advanced Navigation. So much more than just maps, Pathfinder’s available touch-screen Nissan Navigation System gives you live traffic and weather updates to keep you in the know. Hungry? There’s even Zagat Survey® restaurant recommendations.2, 3

iPod® Integration. Your music at your fingertips. Just plug in to Pathfinder’s available USB input and control your iPod® through the audio system, including the remote controls mounted on the steering wheel. Rock on!

Advanced Drive-Assist™ Display. From trip computer to 4WD torque distribution, the Advanced Drive-Assist™ Display serves up info right in front of you – helping to minimize time looking away. Its intuitive 3-D depth and tilt design help you take it all in quicker.

1 Tri-Zone operation requires compatible auxiliary media system. See Owner’s Manual for details. 2 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 3Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Prices, programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. 4 Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. Bose ® is a registered trademark of The Bose Corporation. iPod® is a registered trademark of Apple, Inc. Outstanding fuel economy with best-in-class towing – that’s one great catch.¹,²

Efficiency, brought to you by the Next-Generation Xtronic CVT.® With Pathfinder’s class-exclusive Xtronic CVT® transmission, you have a virtually gearless wonder. It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don’t. Proof? Best-in-class fuel economy in city (20 MPG), combined (22 MPG) and highway (26 MPG).¹,³

Power, courtesy of a 3.5-L V6 Engine. Seven on board, a big beautiful boat in tow. This is the stuff that tests what an SUV is made of. Pathfinder takes it on with 260 hp of 3.5-L V6 muscle and a CVT that knows the engine’s sweet spot for the power you need, giving a standard 5,000 lbs. towing rating – the highest in its class.® And if you tow frequently, consider the available Towing Package (see Specifications).

¹World’s Largest Crossover/Suv Market Segmentation. MY14 Pathfinder® vs. 2013 Large Crossover/Suv Market. ©2013 Nissan North America, Inc. ²See Nissan Towing Guide and Owner’s Manual for proper use. ³EPA fuel economy estimate of 20 city, 26 highway and 22 combined MPG for MY14 Pathfinder® 2WD. Actual mileage may vary with driving conditions – use for comparison purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

NISSAN HYBRID TECHNOLOGY

INNOVATION THAT LOVES TO TRAVEL OFF THE BEATEN PATH.

27
MPG HWY

250
TOTAL HORSEPOWER

243
LB-FT TORQUE

488
MILES PER TANK

The road to most hybrids is paved with compromise. Sure, you get better fuel economy, but it often comes with compromises on capability and comfort—and costs a lot more, too. How about a smarter solution? Pathfinder® Hybrid is thrifty from the word go, with auto-stop/start technology that can shut the engine down when you’re at a stoplight, and starts instantaneously as you pull away. It’s also efficient at higher speeds where it can “coast”, reducing engine idle and disconnecting from the transmission when power isn’t needed. The result is an impressive range of 488 miles on a single tank of gas and up to 27 MPG highway. A supercharged 4-cylinder engine combined with an electric motor provides strong acceleration, while available All-Mode 4x4-i 4WD gives the go-anywhere capability you expect from a Pathfinder. And with a rear-mounted battery pack that’s smaller and slimmer than other hybrids, there’s virtually no loss of rear leg room or cargo space. Pathfinder® Hybrid’s even designed to be affordable—another road that most other hybrids don’t like to travel.

Pathfinder®’s Advanced Drive Assist Display lets you monitor the power flow of the electric motor and the gas engine. You can also track MPG history and even learn how to be a more efficient driver. For the big-screen experience, you can view Hybrid information on the available Nissan Navigation System’s 8” VGA display.

*Targeted 2011 Pathfinder® Hybrid EPA Fuel Economy Estimate of 27 highway MPG. EPA data not available at time of printing. Actual mileage may vary with driving conditions – see the fuel economy ratings only. 488-mile estimated range calculated using 2013 EPA Fuel Economy Estimate 25 MPG city multiplied by 19.5 gallon capacity, not yet EPA tested. Actual mileage may vary with driving conditions. See your fuel economy guide for more information. Driving habits can affect mileage. See your fuel economy guide for more information. With Advanced Drive Assist Display, only 2 of 10 driver distraction devices were in view. Always wear your seat belt. Even with Advanced Drive Assist Display, only one can see or hear containerization device when it’s in use. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations.

Nissan Pathfinder® Hybrid Platinum shown in Moonlight White with optional equipment. Pathfinder® Hybrid will have late and limited availability. Please see your dealer for details.
What if parallel parking was easier? A rearview monitor is great when backing up – but when it comes to parking, it’s nice to see more than just what’s behind you. That’s why Pathfinder® offers the class-exclusive available Around View® Monitor.® Four cameras give you a virtual 360° bird’s-eye view of your vehicle,® with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. Now that’s smart.

Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors
Front seat-mounted side-impact supplemental air bags
Roof-mounted curtain side-impact supplemental air bags with rollover sensor
LATCH System (Lower Anchors and Tethers for Children)

Click this link to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/NissanSnugKids

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

NISSAN SAFETY SHIELD® PHILOSOPHY
INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield technologies are our way of looking out for you and yours.

PROTECT
When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

MONITOR
Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're traveling on properly inflated tires.

Tire Pressure Monitoring System with available Easy-Fill Tire Alert
Lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.

Available Smart Auto Headlights
Available Around View® Monitor
Available RearView Monitor
Available Rear Sonar System

RESPOND
Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path
Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake Force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

The Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you.

Vehicle Dynamic Control helps you maintain your steered path. Traction Control System helps reduce wheelspin in low-traction situations. Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

TAKE READY TO THE NEXT LEVEL.

Genuine Nissan Accessories.
Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan’s 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase.1

A. Auto-dimming Rearview Mirror with HomeLink® and Compass
   Brights on behind you? Here’s the answer.

B. Cargo Area Protector®
   Use your cargo area, don’t abuse it.

C. Illuminated Kick Plates
   For a grand entry, every time.

D. All-season Floor Mats (4-piece set)
   Happiness is carpet that looks brand new.

E. Dual Head Restraint DVD Monitors
   Happy campers are quiet campers.

F. Remote Engine Start System®
   Heat or cool your Pathfinder® before you get in.

G. Roof Rail Crossbars®
   Great for bringing along your skis or bike.

H. Splash Guards
   Unexpected mud bath? No problem.

Additional Accessories:
- Fog Lights
- Underfloor Storage Dividers
- Rear Cargo Cover
- Cargo Net
- Interior Accent Lighting
- Towing Accessories®
- Hatch Tent
- Stainless Steel Rear Bumper Protector
- And More

1 Covered by Nissan’s Limited Warranty on genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details.

State laws may apply; review local laws before using.

Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle.

### Specifications

#### Engine
- 3.5-liter DOHC 24-valve V6 engine
- Horsepower – 260 hp @ 6,400 rpm
- Torque – 240 lb-ft @ 4,400 rpm
- Emissions – LEV2 ULEV

#### 2.5-liter DOHC 16-valve 4-cylinder SuperCharged engine and electric motor utilizing Intelligent Dual Clutch System and lithium-ion battery
- Hybrid System Net Power – 250 hp
- Engine Horsepower – 230 hp @ 5,600 rpm
- Engine Torque – 243 @ 3,600 rpm
- Electric Motor Power – 15 kW
- Emissions – LEV2 ULEV

#### Drive Train
- Front engine/Front-Wheel Drive
- All-Mode 4x4-i intuitive 4WD system
- Hill start assist
- Nissan X-tronic CVT® (Continuously Variable Transmission)

#### Brakes
- 4-wheel vented disc brakes
- Anti-lock Braking System (ABS)
- Electrically driven regenerative brakes
- Nissan Brake force Distribution (EBD)
- Brake Assist

#### Suspension/Steering
- Front struts with front suspension
- Independent multi-link rear suspension
- Dual Flow Path™ shock absorbers
- Electronic hydraulic power-assisted speed-sensitive steering

#### Wheels/Tires
- 18" x 7.5" aluminum-alloy wheels
- 20" x 7.5" aluminum-alloy wheels
- P235/65R18 all-season tires
- P235/55R20 all-season tires

#### Exterior Features
- Smart Auto Headlights
- Fog lights
- LED taillights
- Roof rails
- Front tow hook
- Towing hitch receiver with 7-pin wiring harness
- Chrome body side moldings
- Front UV-reducing solar glass and rear privacy glass

#### Comfort/Convenience
- Advanced Drive-Assist™ Display
- Information Center with 7" QVGA color monitor
- Nissan Hard Drive Navigation System with 8" VGA touch-screen monitor
- NavTraffic and NavWeather provided by SiriusXM
- Zagat Survey® restaurant reviews
- Rear Sonar System
- RearView Monitor
- Around View® Monitor
- Power liftgate with position memory
- Remote Engine Start System
- Bluetooth® Hands-free Phone System
- HomeLink® Universal Transceiver
- Tri-Zone Automatic Temperature Control (ATC)
- In-cabin microfilter
- Power door locks with auto-locking feature
- Power windows with driver's one-touch auto-down
- Cruise control with steering wheel-mounted controls
- Variable intermittent speed-sensitive flat-blade windshield wipers
- Spacious interior

- AM/FM/CD audio system with in-dash 6-CD changer
- Bose® audio system with AM/FM/CD
- Tri-Zone Entertainment System with dual head restraint-mounted 7" monitors, remote control and two wireless headphones
- SiriusXM Satellite Radio®
- MP3/WMA CD playback capability
- DVD video playback capability
- Auxiliary audio input jack
- Rear auxiliary audio/video input jacks
- USB connection port for iPod® interface and other compatible devices
- Streaming audio via Bluetooth® wireless technology
- Six speakers
- 13 Speakers, including Bose® Acoustic Waveguide technology

Audio/Entertainment (continued)
- Radio Data System (RDS)
- Speed-sensitive volume control
- Illuminated steering wheel-mounted audio controls

Safety/Security
- Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat belt and occupant-classification sensors
- Driver and front-passenger seat-mounted side-impact supplemental air bags
- Roof-mounted curtain side-impact supplemental air bags with rollover sensor for outboard occupant head protection for all three rows
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Active Brake Limited Slip (ABLS)
- 3-point ALR/ELR passenger seat belt system (ELR for driver)
- Adjustable front, outboard 2nd- and 3rd-row head restraints
- LATCH System (Lower Anchors and Tethers for Children)
- Zone Body construction with front and rear crumple zones
- Hood-buckling creases, energy-absorbing steering column and pipe-style steel side-door guard beams
- Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert
- Tire Pressure Monitoring System (TPMS) with individual tire pressure display and Easy-Fill Tire Alert
- Nissan Vehicle Immobilizer System
- Nissan Vehicle Security System

### BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you’re buying or leasing, you’ll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicles Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/100,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus. For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus. This extended plan ensures your Nissan will receive up to 17 different services and over 53 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they’re the only parts to carry Nissan’s factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

### NISSAN ASSURANCE

Nissan’s environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF. Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee.
