Thumbs Off Your Phone While Driving!

Every year, too many people die because we can’t put our phones down while driving. That’s why Nissan is supporting the Red Thumb Movement as part of our ongoing commitment to help reduce fatalities on the road. So paint your thumbnail red as a reminder not to pick up your phone when you’re behind the wheel. Find out more at NissanUSA.com/redthumb.

Los folletos de Nissan también están disponibles en español. Visita: NissanUSA.com/folletos-espanol

Always wear your seat belt, and please don’t drink and drive.
ADVENTURE has never been more possible. Set your sights somewhere new – there’s a whole world out there. Load up the entire family with best-in-class passenger space.¹ Destination? Unanimous. Now head down the road with confidence – make that nearly any road with the grip of available intuitive 4WD – while you tow over two tons of fun.² Push technology to mountainous heights and feel limitless. Then welcome peace of mind, courtesy of advanced driver assistance features. The 2016 Nissan Pathfinder®. Capability at this level is always WORTH SHARING.

Pathfinder®'s available intuitive 4WD gives you the capability you need with a class-exclusive choice of full-time 2WD for maximum efficiency, Auto for traction only when you need it, and 4WD lock mode for when the going really gets tough.

READY FOR TOUGH TERRAIN.

When your Pathfinder® is in Reverse, the available Rear Cross Traffic Alert and Rear Sonar System help you back out of tight parking spaces with confidence. On the road, the available Blind Spot Warning provides a watchful eye where you need it most.

ON THE LOOKOUT.

Blind Spot Warning
Rear Cross Traffic Alert
Rear Sonar System

Pathfinder® offers an available, class-exclusive Around View® Monitor. Four cameras give you a virtual 360º bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.

IT’S GOT YOUR BACK – AND THE REST OF YOU, TOO.

With the EZ Flex® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place.

THREE ROWS OF FLEXIBILITY.

With the EZ Flex® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place.

ADVENTURE

Class: “Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. Always use mirrors and turn signals to check that it is safe to move vehicle. Always check surroundings and turn to look behind you before moving vehicle.”

ENHANCED.

Class: “Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.”
Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local Nissan dealer. 

Additional cost options.
certain accidents; see your Owner's Manual for more details.

All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in appropriate backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. Caution at all times so full attention may be given to vehicle operation.

Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Parking aid/convenience feature. Cannot completely eliminate blind spots. The Rear Sonar System is a convenience, but is not a substitute for proper parking procedures. Always turn and check that it is safe to do so before backing up. May not detect every object beside you. Mirrors and camera display may be delayed upon the vehicle's activation.

Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. See NissanUSA.com/bluetooth for details.
Images may show additional available equipment. *See Nissan Towing Guide and Owner’s Manual for proper use.* Never program while driving. **GPS mapping may not be detailed in all areas or reflect current road conditions.** Always check surroundings and turn to look behind you before moving vehicle. ©2015 Sirius XM Radio Inc. Sirius,® XM® and all related marks and logos are trademarks of Sirius XM Radio Inc. Availability of specific features is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets.
