NISSAN ROADSIDE ASSISTANCE
Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:

- Flat-tire changes
- Jump starts
- Trip Interruption benefits
- Vehicle lockouts
- Emergency fuel delivery

NISSAN ROADSIDE ASSISTANCE and Trip Interruption available during the first 36 months or 36,000 miles (whichever occurs first) after initial new vehicle delivery. Restrictions apply. See Owner’s Manual for details. The App Store® logo is a registered trademark of Apple Inc. All rights reserved. Facebook® is a registered trademark of Facebook, Inc. Google Play® is a registered trademark of Google Inc. Twitter® is a registered trademark of Twitter, Inc. YouTube® is a registered trademark of Google Inc.
TAKE ON big plans. The destinations are endless. And unrivaled space means everyone gets in on the action. Where to next? Put it to a vote. Now take on the road, or what they call a road, with available All-Mode® 4x4-i, while you tow up to 6,000 lbs.¹ Then feel secure with some of the most advanced driver-assistance systems anywhere. Capability at this level always makes for memorable ADVENTURES.

¹ Towing capability varies by configuration. See Nissan Towing Guide and Owner’s Manual for additional information.
With the EZ Flex® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place. And with so many possible seating configurations, Pathfinder® is always ready for the next adventure.

THREE ROWS OF FLEXIBILITY
With the EZ Flex® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place. And with so many possible seating configurations, Pathfinder® is always ready for the next adventure.

HANDS-FREE ACCESS
Carrying everything at once? No problem. With the Nissan intelligent key® in your pocket, just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. You can even set it to open to a specific height, so it always stops just where you want it to.

Cargo overload capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

ALL-TERRAIN CAPABILITY
Pathfinder’s available All-Mode® 4x4-i intuitive 4WD system gives you the capability you need with a class-exclusive choice of full-time 2WD for maximum efficiency.® Auto for traction only when you need it, and 4WD lock mode for when the going really gets tough.

NISSAN INTELLIGENT SAFETY SHIELD TECHNOLOGIES
Available advanced technologies are your partner in everyday travels. When in Reverse, you’ll have plenty of help backing out of tight parking spaces, while out on the road, feel more secure when changing lanes or following stop-and-go traffic.

EQUIPPED FOR ADVENTURE

*Auto feature is a reminder and should not be relied upon when making safety decisions. It provides extra assistance to the driver by evaluating the situation and providing visual and/or audible alerts when required. See Owner’s Manual for details.

**Available advanced technologies may not detect all moving vehicles. Speed and other limitations apply. See Owner’s Manual for details.

***Not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ***FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply.

Rear Cross Traffic Alert®
Blind Spot Warning®
Forward Emergency Braking®

Ward’s Segmentation. Model year 2017 Pathfinder® and vs. in-market 2017 & 2016 Large Crossover/Utility vehicle class competitors.

Images may show additional available equipment. *Driving is serious business. Only use NissanConnect™ Services powered by SiriusXM® when safe to do so. Late availability for some features. Services, including automatic crash notification and roadside assistance, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation data, and the availability of wireless data, including mobile telephone, the absence of which can limit or prevent the ability to reach NissanConnect™ Customer Care or receive support. Non-progressive on-demand emergency communications charge may apply. See our Customer Agreement for details. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start in a vehicle with a demanding need for power due to cellular network termination (including equipment upgrades, if available), or exceeding the vehicle's maximum temperature. Satellite radio service, SiriusXM Travel Link® and Traffic service is available only to those 18 or older in the 48 contiguous states and D.C. A SiriusXM Service Subscription may be required and is subject to term. SiriusXM services may terminate if a connected device is disabled. SiriusXM services require a service plan (subscription sold separately). See 1080x67Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite radio service is available only to those 18 or older in the 48 contiguous states and D.C. Satellite radio service is subject to term and is provided by SiriusXM Radio Inc. ©2016 Sirius XM Radio Inc. Sirius®, XM® and all related marks and logos are trademarks of Sirius XM Radio Inc.

New features, subsequently, a paid subscription is required at the then current rate to continue to receive services. Text rates and/or data usage may apply. Nissan Pathfinder SV shown in Cayenne Red with Fog Lights (standard on Pathfinder SV), Splash Guards, Hood Protector, Side-window Deflectors, Running Boards, and Roof Rail Crossbars.

powered by Autonet Mobile when safe to do so. Only available on select models. See AutonetMobile.com for complete availability details. Never program while driving. For complete availability details, visit Nissanwifi.com. Nissan WiFi and Apps Services requires compatible cellular network provided by Autonet, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability of the Nissan WiFi and Apps Services. No cellular network or GPS signals not available in all areas and/or at all times. Technology is evolving, and changes to cellular networks provided by independent companies or other third party changes that impact Nissan WiFi and Apps Services are not within Nissan’s control. Should a third party or Autonet Mobile terminate or make changes that impact the service, service may be terminated without notice and Nissan shall have no liability. The Apps Services requires compatible smartphone or personal computer, not included with vehicle. Enrollment and Subscription Agreement is required to receive full suite of Nissan WiFi and Apps Services through Autonet Mobile. The 90 day trial period for Apps Services begins when the unit is registered with Autonet Mobile; subsequently the respective paid subscription for WiFi is at the then current rate to continue to receive respective services. Terms and conditions of Subscription Agreement then apply. Text rates and/or data usage may apply. State laws may apply; review local laws before using. HomeLink® is a registered trademark of Gentex Corporation.
