Set off in a whole new direction. Unrivaled space means everyone gets in on the action. Now take on the road, or what they call a road, with legendary capability and Nissan Intelligent Mobility™ which gives you some of the most advanced available driver-assistance systems anywhere. The 2019 Nissan Pathfinder®. Tech that moves you.
REMOTE START FROM YOUR PHONE
With available NissanConnect Services, you can remotely start your vehicle from nearly anywhere your smartphone works. Need to unlock your vehicle for a friend? Just tap the unlock button on your phone. You can even check your vehicle’s location on a map at any time. Now that’s cool.3

ALL-TERRAIN CAPABILITY
Pathfinder’s available Intelligent 4x4 system lets you seamlessly choose between 2WD, 4WD, and Auto to give you the traction you need when you need it. There’s even a 4WD lock mode for when the going really gets tough.

HANDS-FREE ACCESS
Carrying everything at once? No problem. Just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. And there’s no more fumbling for keys, thanks to the available Nissan Intelligent Key® with Push Button Ignition. Just step inside, push a button, and away you go.2

THREE ROWS OF FLEXIBILITY
With the EZ FLEX® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place.8 And with so many possible seating configurations, Pathfinder is always ready for the next adventure.

ALERTS YOU CAN COUNT ON
Never forget something in the back seat again with the innovative Rear Door Alert system. If the system detects you may have left something, it gives you a visual and audible alert to remind you to check the rear seat.9

ADVANCED DRIVING TECHNOLOGIES
Whether you’re changing lanes on the highway, maneuvering out of a parking spot, or following stop-and-go traffic, Pathfinder’s available driver assistance features, including standard Automatic Emergency Braking, help you see more, sense more, and can even give you an assist when you need it most.1,4,5,6,7

WITH THE EZ FLEX® SEATING SYSTEM'S LATCH AND GLIDE® TECHNOLOGY, THE RIGHT SIDE OF THE 2ND ROW GLIDES AND TILTS FORWARD FOR 3RD-ROW ACCESS, EVEN WITH A CHILD SEAT IN PLACE.8 AND WITH SO MANY POSSIBLE SEATING CONFIGURATIONS, PATHFINDER IS ALWAYS READY FOR THE NEXT ADVENTURE.
Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your dealer.
