Intelligent Mobility™

Nissan Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting.

Whether it’s cars that assist in the driving task, or highways that charge your EV as you go along, it’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.

SEE PATHFINDER® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for Pathfinder and every Nissan model in the lineup. Available on desktop, smartphone, or tablet, it’s the full product story — including videos, demos, and complete info on trims, colors, and accessories.

Nissan Intelligent Mobility™

Innovation that excites

2020 PATHFINDER®
For a world with lots of challenges, the Pathfinder® has lots of answers. Rough terrain? Available Intelligent 4x4 can adapt.1 Driver assist features can add confidence to every drive.2 If you want to use your compatible smartphone, you can connect seamlessly.3 And when the whole crew wants in, Pathfinder grants comfort and cargo flexibility to all.4 This is the new way to adventure. This is Nissan Intelligent Mobility.
ROCK CREEK™ EDITION

Adventure has a bold new look. Over thirty years of rugged capability are behind your next family adventure, while distinctive touches inside and out pay homage to a legend. The Pathfinder® Rock Creek Edition. Forge ahead in style.

HANDS-FREE ACCESS

Carrying everything at once? No problem. Just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. And there’s no more fumbling for keys, thanks to the available Nissan Intelligent Key® with Push Button Ignition. Just step inside, push a button, and away you go.1

THREE ROWS OF FLEXIBILITY

With the EZ FLEX® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place.10 And with so many possible seating configurations, Pathfinder is always ready for the next adventure.

ALERTS YOU CAN COUNT ON

Never forget something in the back seat again with the innovative Rear Door Alert system. If the system detects you may have left something, it gives you a visual and audible alert to remind you to check the rear seat.11

REMOTE START FROM YOUR PHONE

If you forget to lock your Pathfinder, or need to unlock it, simply log in to the NissanConnect® Services app or Owner Portal to remotely lock or unlock your doors. You can even check your vehicle’s location on a map at any time, or start it remotely. It works nearly anywhere your compatible smartphone works. Now that’s cool.9

ADVANCED DRIVING TECHNOLOGIES

Whether you’re changing lanes on the highway, maneuvering out of a parking spot, or following stop-and-go traffic, Pathfinder’s available driver assistance features, including standard Automatic Emergency Braking, help you see more, sense more, and can even give you an assist when you need it most.6
