NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into assistants. Together, the journey is more connected, comfortable, and exciting.

Whether it’s cars that assist in the driving task, or highways that charge your EV as you go along, it’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.

GET A ROGUE SPORT™ DIGITAL BROCHURE

Go to NissanUSA.com and find a digital brochure for Rogue Sport and every Nissan model in the lineup. Available on desktop, smartphone, or tablet, it’s the full product story – including demos, videos, and complete info on trims, colors, and accessories.

Available feature. Intelligent All-wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. Using in a serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times.

Intelligent Parking Feature can provide assistance with parallel parking. The system does not replace your attention and judgment. The system will not prevent collisions or other accidents.

Intelligent parking feature cannot predict or prevent every parking situation. Always monitor traffic conditions and exercise caution. See Owner's Manual for safety information.

Apple Maps is a trademark of Apple, Inc. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and may be used by Nissan under license. Android™ is a trademark of Google LLC. The Google Play Store and Google Play are trademarks of Google LLC.

Intelligent Blind Spot Warning may not detect all vehicles, objects or moving obstacles. Always monitor traffic conditions. See Owner's Manual for safety information.

Apple, the Apple logo, Siri, iPod, iPhone, iPad, and CarPlay are trademarks of Apple Inc.; and the Intel® inside design logo is a trademark of Intel Corporation.

Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be used rearward-facing in the front seat. See Owner's Manual for safety information.

Vehicle shown is for illustrative purposes only. Not representative of brochure's model year/model.
Cross over to progressive new style and a commanding view of downtown.
Commute with the confidence of driver assistance technologies¹ that can respond to trouble before it messes with your plans. Rain? Snow? Available Intelligent All-Wheel Drive is ready to react.² Seamlessly access podcasts, group chats, and more with available compatible smartphone integration.³
The new 2020 Nissan Rogue Sport.™ This is tech that conquers the city. This is Nissan Intelligent Mobility.⁴
NISSAN ProPILOT ASSIST
Feel free to let go of driving stress. With available Nissan ProPILOT Assist, Rogue Sport™ helps out with daily highway driving—following the car ahead at a preset distance, or helping keep you centered in your lane. It can even bring your Rogue Sport to a full stop based on the traffic flow, and can bring you back up to speed when traffic starts moving again. 5

NISSAN SAFETY SHIELD® 360
Nissan Intelligent Mobility reinvents the way you move. You’ll drive with greater awareness, and even get an assist when you need it. Standard on every Rogue Sport, these advanced safety features help monitor in front, behind, and all around you for 360° of confidence. 4

INTELLIGENT AROUND VIEW® MONITOR
The available Intelligent Around View Monitor helps you squeeze into that spot with your pride and wheels intact. It also gives you an on-screen heads-up when it detects moving objects near your vehicle. 6

SEAMLESS CONNECTIVITY
Know where you’re going and when with Android Auto for your Rogue Sport. Google Maps helps you navigate to your next appointment while Google Assistant keeps you on top of your schedule. Choose a song, change your destination, or respond to a text with your hands on the wheel using the hundreds of available voice commands. 3

APPLE CARPLAY®
People to see? Places to be? Just ask Siri. Equipped with Siri® voice control, Apple CarPlay® (shown on left) brings on board to your Rogue Sport your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go. 3

ANDROID AUTO™
Know where you’re going and when with Android Auto for your Rogue Sport. Google Maps helps you navigate to your next appointment while Google Assistant keeps you on top of your schedule. Choose a song, change your destination, or respond to a text with your hands on the wheel using the hundreds of available voice commands. 3
