WOULDN'T IT BE COOL IF...
YOU COULD HAVE YOUR "SOMEDAY" CAR TODAY?

Some say patience is a virtue. We say you’ve waited long enough. Sentra® completely redefines what an affordable car can be and proves the good life is well within reach. With tasteful styling inside and out. Advanced available features you’ll love, including Pandora®-friendly audio and a huge interior with surprising luxuries like Dual Zone Automatic Temperature Control and Push Button Ignition. The drive’s special too, with a super-smooth Xtronic CVT® transmission and up to 40 MPG Highway. The 2014 Nissan Sentra®. You’ve arrived, and well ahead of schedule.
What if your car had a purpose in life? More than just a pretty face, Sentra’s design was perfected in the wind tunnel to create a ride that’s as refined as it is fuel-efficient. As enticing as each detail is, Sentra was designed as a complete vision of what a modern sedan should be.

*2014 EPA Fuel Economy Estimate 40 MPG City (FE+ models). Actual mileage may vary with driving conditions.
IT’S TIME YOU OWNED SOMETHING BEAUTIFUL.

At first glance, the Sentra® is an eye-catching design. But look closer and you’ll see even more. Deep character lines that sculpt the sides. Wide “shoulders” over the fender that require an innovative stamping technology. From an aerodynamic roof to 17” wheels, from boomerang-shaped headlights to LED taillights. And everything in between.

Nissan Sentra® SR shown in Brilliant Silver with optional equipment.
DESIGNED JUST FOR YOU.

It’s important to be surrounded by things you love. Like a flowing dashboard design inspired by a bird’s wing. Soft-touch materials throughout the cabin and unexpected available luxuries like rich wood-tone trim and perforated leather-appointed seats that come together to create a very personal space. Even little touches, like convenient storage pockets on the front of the driver’s and passenger’s lower seat cushions and an available sliding center armrest for a perfect fit. This is Sentra® exactly the way you want it.

Nissan Sentra® SL shown in Marble Gray Leather with optional equipment.
NISSANCONNECT™

INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH.

NissanConnect™ is available smart technology that you’ll find incredibly handy. With NissanConnect™ Apps, your Sentra® becomes your smartphone’s best friend. Music, information, and the apps that keep you connected to your world all work seamlessly together right through Sentra’s touch-screen. And it keeps on getting better: the latest apps are easily updated via your smartphone and the basic app package is free for the first three years!

NissanConnect™ Apps: for the music you love. Imagine the choices you have with Pandora®, iHeartRadio®, Stacker,” and more. It couldn’t be easier — once you download the app, you can listen to your favorite streaming audio apps and have control of common features via your audio system. You can find out how to download the app and more at www.NissanUSA.com/connect.

NissanConnect™ Apps: everything that matters at your fingertips. You’re wired to your world with the NissanConnect™ Apps. Sentra’s® touch-screen lets you keep track of Twitter®, Facebook®, and more. And with location-based services including online search powered by Google® and Yelp®, getting around has never been easier. In the near future, premium apps will be added, helping you find everything from low gas prices to movie tickets to parking — even letting you reserve a table at your favorite restaurant. You can find out more about the app and feature availability at www.NissanUSA.com/connect.

More than just apps, NissanConnect™ keeps you in the loop with:

- Nissan Navigation System® — with voice recognition featuring one-shot destination entry; SiriusXM® Traffic and Travel Link®
- iPod®/USB input — search for a tune with enhanced voice recognition
- Streaming audio via Bluetooth®
- Hands-free text messaging assistant

Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod not included.

NISSANNAVIGATION SYSTEM®

INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH.

Bose® Premium Audio.
Designed expressly for Sentra®’s interior with eight individually tuned speakers for unmatched sound quality.

Dual Zone Automatic Temperature Control.
You like it warm. Your front passenger likes it cool. No problem. Separate controls let each of you dial in your ideal setting.

Nissan Intelligent Key.*
Lets you lock and unlock the doors and trunk, start the engine, and drive away— all without removing it from your pocket or purse.

Push Button Ignition.
No fumbling for a key. Just a simple touch and away you go.

Smart Auto Headlights.
Automatically turn on when it starts getting dark. Also turn on after four swipes of the wipers, to help you see better in poor weather.

Fine Vision Electroluminescent Gauges.
Added depth gives a crystal-like quality. Easy to read at a glance.

ENTERING BONUS TERRITORY.
The perks that make it all worthwhile. The kind of available little touches you expect in a luxury car.
Goodbye cubicle, hello window office. It’s amazing what a change of scenery can do for your perspective. In Sentra, you have a bright, airy interior, with spacious rear seat leg room — even more than Civic, Elantra, Cruze, or Focus.1

1“2014 Nissan Sentra vs. 2014 Honda Civic Sedan, 2014 Hyundai Elantra Sedan, 2014 Chevy Cruze, and 2014 Ford Focus Sedan. Civic, Elantra, Cruze, and Focus are registered trademarks of other companies.”
Plenty of room for your loved ones. There’s no separation anxiety with Sentra’s™ smart storage, including a cavernous trunk with 15.1 cubic feet of cargo space – that’s comparable to some midsize sedans. Need more room? The 60/40 split fold-down rear seat gives you space that would make a hatchback jealous, with room to hold four golf bags, a bike, or just about anything you want to bring along.¹

¹Cargo shown for display purposes only. Please ensure all items that are shown are secure when transported. Cargo and load capacity limited by weight and distribution.
NISSAN PUREDRIVE™
INNOVATION THAT GIVES YOU THE BEST OF BOTH WORLDS.

Wouldn’t it be cool if you didn’t need a cramped car, a tiny engine, or a hybrid powertrain to save fuel? With Sentra®, you get excellent fuel economy in a roomy, comfortable car that’s lots of fun to drive. We got there by developing everything from exterior aerodynamics that whisper through the wind to a powerful, 1.8-liter engine teamed with a virtually gearless CVT transmission that helps maximize efficiency and performance. The PUREDRIVE™ badge also means that Sentra® meets or exceeds the industry-average US Federal CAFE standards for model-year 2016. And best of all, Sentra® is just one of a family of PUREDRIVE™ vehicles, reflecting Nissan’s commitment to developing more environmentally friendly transportation for all of us.

A smarter way to drive. In Sentra®, an Eco Pedal Indicator in the instrument cluster gives you instant feedback on how you’re driving, helping you become a smarter, more efficient driver.

*2014 EPA Fuel Economy Estimates. 40 MPG for FE+ models only. Actual mileage may vary with driving conditions — use for comparison only. Adaptation criteria above are based upon US Federal CAFE standards as of July 2011 for MY 2016. Federal standards subject to change by US government.
LIKE HAVING THREE DIFFERENT CARS AT YOUR FINGERTIPS.

With the simple push of a button, you can custom-tailor Sentra® to match your mood. So what will it be today? Eco, Normal, or Sport?

ECO
Feeling thrifty? In Eco mode, Sentra® adjusts engine and transmission response to maximize fuel efficiency and even adjusts the air conditioning for less draw on the power.

NORMAL
Something for everybody. Normal mode gives you a perfect blend of efficiency and response.

SPORT
Curvy roads ahead? Sport mode sharpens engine and CVT transmission response to rev up your senses.
NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn’t it be cool if you had the confidence you needed for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on your vehicle’s systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield® technologies are our way of looking out for you and yours.

PROTECT

When a collision is unavoidable, Nissan’s Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect everyone on board.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you’re travelling on properly inflated tires.

Tire Pressure Monitoring System with Available Class-exclusive Easy-Fill Tire Alert1, 2, 3 Lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you’ve reached the correct pressure.

Available RearView Monitor4 Helps you see what’s directly behind you when you engage Reverse.

Available Smart Auto Headlights

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.5

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors6

Front seat-mounted side-impact supplemental air bags6

Roof-mounted curtain side-impact supplemental air bags6

LATCH System (Lower Anchors and Tethers for Children)

Guarding the Future

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids.

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is backed by Nissan’s 3-year/36,000-mile (whichever occurs first) limited warranty and can be financed when installed by dealer at time of purchase.¹ See your Nissan dealer for more information on accessories, or log on to parts.NissanUSA.com.

A. Fog Lights
   Help you cut like a knife through pea soup.

B. Hideaway Trunk Net²
   Catch of the day – no mess!

C. All-season Floor Mats
   Neither sleet, snow, nor mud shall mess your ride.

D. External Ground Lighting (Sentra SR only)
   Lights. Sentra. Action!

E. Rear Decklid Spoiler
   Leave a stylish lasting impression.

F. Illuminated Kick Plates
   Fewer scuffs and a grand entry, every time.

G. Interior Accent Lighting
   Bring the bling with 20 pre-programmed color options.

H. Clear Rear Bumper Protector
   It’s see-through, but it’s not naughty.

Additional Accessories:

- 16" Silver Aluminum-alloy Wheels
- Carpeted Floor Mats
- Splash Guards
- Chrome Body Side Moldings
- Body Side Moldings
- Nose Mask
- Moonroof Wind Deflector
- Trunk Protector
- Carpeted Trunk Mat
- Auto-dimming Rearview Mirror with HomeLink® and Compass
- BlueConnect® Bluetooth® Hands-free Phone System³
- And More

### Purchasing Information

**New Vehicle Limited Warranties.** Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions, and exclusions apply. See Warranty Information Booklet for complete details.

**Security+Plus.** For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

**Maintenance+Plus.** This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

**Genuine Nissan Parts.** When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they’re the only parts to carry Nissan’s factory-backed limited warranty.

**Nissan Mobility Assist.** This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

### Environmental Action Plan

Nissan’s environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF® – Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green.

### New Vehicle Information

- **Base total:**
  - Manual transmission: 2,832 Lbs.
  - Xtronic CVT (CA emission models): 2,838 Lbs.
  - FE+ S and FE+ SV models not available with California emissions.
