Thumbs Off Your Phone While Driving!

Every year, too many people die because we can't put our phones down while driving. That's why Nissan is supporting the Red Thumb Movement as part of our ongoing commitment to help reduce fatalities on the road. So paint your thumbnail red as a reminder not to pick up your phone when you're behind the wheel. Find out more at NissanUSA.com/redthumb

LOOKING FOR MORE INFO?

Go to NissanUSA.com, where you'll find a complete interactive digital brochure for every vehicle in our lineup. You'll get the full product story, enhanced with interactive demos and videos, plus an easy-to-use guide to trim levels, colors, accessories, and more. Or you can get the Interactive Brochure Hub and enjoy it on your tablet.

Available on the App Store* and Google Play.*

SENTRA®

Innovation that excites

12016 EPA Fuel Economy Estimate. 40 MPG for FE+® S models only. Actual mileage may vary - use for comparison only.

MPG HIGHWAY¹

Miles, performance, savings – get more of it every

day. Sentra® takes it to the next level with excellent

fuel economy. The 1.8-liter engine, teamed with a

virtually gearless CVT transmission, helps maximize efficiency and performance to give you the most out of each drive. And with up to 40 MPG highway, it

GOES THE DISTANCE.

helps keep you on the road longer.1

DARES TO HAVE FUN.

Beauty that is more than skin deep. Sentra® delivers with a sleek car that's lots of fun to drive. A redesigned aerodynamic exterior whispers through the wind as you grip the available 370Z®-inspired steering wheel. And the available 17" aluminum-alloy wheels amp up the fun, providing a touch of the track to your every day.

Redesigned aerodynamic exterior

17" Aluminum-

KEEPS YOU CONNECTED.

Stay connected with available NissanConnectSM with Navigation and Mobile Apps (featuring Voice Recognition), with features that keep your music, texts and calls flowing - without having to take your hands off of the wheel.^{3, 4}

Let our people look after you and your people. With available NissanConnectSM Services powered by SiriusXM,® you have an array of services, ranging from remote access on your phone to calling for help if the system senses there's been an accident. Hey, that's what friends are for.^{5, 6}

STAYS ON THE LOOKOUT.

Whether you're changing lanes, commuting on the highway or deftly maneuvering your way in or out of a parking spot, Sentra®'s available Safety Shield Technologies[™] act as a second set of eyes, giving

Blind Spot Warning^{2, 7}

12016 EPA Fuel Economy Estimate. 40 MPG for FE+®S models only. Actual mileage may vary with driving conditions — use for comparison only. 2Available feature. 3Driving is serious business. Only use features when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See NissanUSA.com/connect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Technology is evolving, and changes by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Should a third party provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See NissanUSA.com/connect for details. Thirty-six (36) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required (excluding Pandora, if Pandora app via NissanConnect is equipped on vehicle) at the then current rate to continue to receive services. Text rates and/or data usage may apply. Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ⁵Driving is serious business. Only use NissanConnect Services powered by SiriusXM® when safe to do so. Late availability for some features. Services, including automatic crash notification and SOS, are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability named ata, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnect Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or Sirius XM Radio Inc.'s control. Neither Nissan nor Sirius XM are responsible for associated costs that may be required for continue operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SiriusXM and/or their respective agents or affiliates. Certain services require a PIN for activation. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See NissanUSA.com/connect for details. Enrollment is required to receive full suite of services. Six (6) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required at the then current rate to continue to receive services. Text rates and/or data usage may apply. 6Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. See NissanUSA.com/bluetooth for details. 7Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. 8FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. 9FCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. 10Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. Subscriptions governed by Customer Agreement available at striusxm.com. © 2015 Sirius XM Radio Inc. Sirius,® XM® and all related marks and logos are trademarks of Sirius XM Radio Inc. 4 Driving is serious business. Only use NissanConnect® Services powered by Sirius XM® when safe to do so. Late availability for some features. Services, including automatic crash notification and SOS, are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnects Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or Sirius XM Radio Inc.'s control. Neither Nissan nor Sirius XM are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SiriusXM and/or their respective agents or affiliates. Certain services require a PIN for activation. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See NissanUSA.com/connect for details. Enrollment is required to receive full suite of services. Six (6) month rin for activation. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See NissanUSA.com/connect for details. Enrollment is required to receive services. Text rates and/or data usage may apply.

5Driving is serious business and requires your full attention. Only use feature when safe to do so. Compatible smartphone required. Availability of specific feature is dependent upon the phone's Bluetooth* support. Please refer to your phone Owner's Manual for details. Bluetooth* word mark and logos are owned by Bluetooth SIG, Inc. and any use of such marks by Nissan is under license. See NissanUSA.com/bluetooth for details. Text rates and/or data usage may apply. Certain services, including Siri,* are provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Siri® Eyes Free is a registered trademark of Apple, Inc. 6 Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. Availability of specific features is dependent upon the phone's Bluetooth support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. See NissanUSA.com/bluetooth for details.
