2009 NISSAN TITAN

PURPOSE–BUILT. FOR ANY PURPOSE. Nissan’s full-size truck is powered by a standard 5.6-liter V8 churning out 317 hp and 385 lb-ft of torque, giving you the brute strength to pull up to 9,500 lbs of just about anything. But there’s more to Titan than power. A lot more. Its available Utili-track Bed Channel System, which includes tie-down cleats you can position where you need them most. Its rugged, fully boxed all-steel frame that delivers greater load-bearing ability and improved ride quality. Not to mention its available 4-wheel Limited Slip (ABLS) and switch-on-demand electronic locking rear differential for more confident traction. Titan is available as a King Cab, with revolutionary Wide Open rear doors that open a full 188°, or Crew Cab, with the Longest Crew Cab Bed in its class. See for yourself why size matters. Ask for a test drive today.

1King Cab with Max Utility Package.
22009 Titan Crew Cab vs. 2008 full-size crew cabs (Ford F-150 Super Crew, Chevy Silverado Crew Cab, GMC Sierra Crew Cab, Dodge Ram 1500 Mega Cab, Toyota Tundra Crew Max).
## FEATURES

- Part of Max Utility Package
- Part of Popular Package
- Part of Driver’s Convenience Package
- Part of Technology Package
- Part of Popular Equipment Package
- Part of Side Air Bags with VDC Package

1The optional rear sonar system is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The rear sonar system may not detect every object behind you. Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio input jack while driving. 2XM® Satellite Radio requires subscription sold separately after first three trial months. All fees and programming subject to change. Subscriptions subject to Customer Agreement available at xmradio.com. XM service only available in the 48 contiguous United States and Canada. The XM name is a registered trademark of XM Satellite Radio. 3VDC cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. 4HomeLink is a registered trademark of Johnson Controls, Inc. 5The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.
**ENGINE**
VK56DE – Endurance 5.6-liter DOHC 32-valve V8 engine
- 317 hp @ 5,200 rpm
- 385 lb-ft of torque @ 3,400 rpm
