WOULDN'T IT BE COOL IF_ YOU HAD A DOOR TO MORE?

Imagine a car that not only fits your life, but takes it to the next level, with a whole new look and everything you want right inside. As practical as it is versatile, with seating for five and amazing storage space, too. Available technology like NissanConnectSM with Navigation and Mobile Apps puts tons of music and destinations right at your fingertips.¹ There's even an available class-exclusive Around View[®] Monitor that helps take the pain out of parking.^{2, 3} Top it off with great fuel economy, and you'll be ready for anything. Introducing the 2015 Versa[®] Note[®]. Open your door to more.

¹Driving is serious business. Only use NissanConnectSM services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Cellular network not available in all areas. Cellular network, apps, and services, including Google[®] services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate (except Pandora[®]). Standard text rates and/or data usage may apply. See retailer and check www.NissanUSA.com/connect for details. ²AutoPacific Economy Compact Class. 2015 Versa[®] Note[®] vs. in-market competitors at time of printing. ³Available feature. Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.

NISSAN PUREDRIVE™

INNOVATION THAT GIVES YOU MORE CAR AND MORE SAVINGS.

40
MPG Miles per gallon highway,
so you can breeze past
the pump with ease¹

4 Low rolling resistance
tires that use less energy
to roll, so you use less fuel

.298
CD Drag coefficient, thanks
to an exceptionally aero-
dynamic design²

Wouldn't it be cool if you could get excellent fuel economy in a roomy, comfortable car that's lots of fun to drive? With Versa® Note®, you can. We got there by developing everything from exterior aerodynamics that whisper through the wind, to an advanced 1.6-liter 4-cylinder engine, to a virtually gearless Xtronic CVT® transmission that maximizes efficiency and performance. Nissan vehicles like the 2015 Versa® Note® that have an EPA fuel economy of 40 MPG carry the PUREDRIVE™ badge.³ And best of all, Versa® Note® is just one of a family of PUREDRIVE™ vehicles, reflecting Nissan's commitment to developing more environmentally friendly transportation for all of us.

What's style without substance? Hours of testing in the wind tunnel make Versa® Note® both eye-catching and aerodynamically efficient, helping achieve up to 40 MPG highway.¹ A low aero-drag underbody pairs with an available active grille shutter that closes at higher speeds to further reduce drag. Even the taillights are strategically designed, with special vents that help guide air away from the vehicle to minimize wind turbulence. Form and function meet in sweeping character lines that make cutting through wind a breeze, with a dramatically carved profile to complete the statement. What more could you ask for?

Surprisingly spacious and exceptionally accommodating, the Versa® Note® interior is the best of both worlds. Smart design minimizes structural interference with the cabin, giving everyone ample room to spread out. Enjoy seating for five and 38.3 inches of rear leg room for even your tallest friends. While up front, the bolstered driver's seat hugs you as you carve through the turns. Available features like a leather-wrapped steering wheel, double-stitched upholstery, and silver and chrome accents add a touch of class. Top it off with available heated front seats, and every trip will be as cozy as it is cool. Just don't be surprised when your friends ask to carpool – again.

NISSAN DIVIDE-N-HIDE® ADJUSTABLE FLOOR

INNOVATION THAT GOES WITH THE FLOW.

Wouldn't it be cool if your car could adapt in a snap? Say, for that vintage coffee table, or a day's haul from the farmer's market? When living in the moment is all part of the plan, Versa® Note® has your cargo needs covered with the super-versatile available Divide-N-Hide® Adjustable Floor. Get creative with multiple configurations and 18.8 cubic feet of cargo space.¹ Rear 60/40 split seats let you bring friends, and oversized items. Or fold down both sides to create a flat cargo area. And you can fold down the front passenger seat to make room for long items – even a ladder or surfboard will fit. No matter what the plan is, Versa® Note® is ready when you are.

¹Cargo shown for display purposes only. Always secure all cargo. Cargo and load capacity limited by weight and distribution.

Load it all in.

With the rear seats folded down, the available Divide-N-Hide® Adjustable Floor creates a flat cargo area.

Stow on the go.

Lower the floor to accommodate taller items at a moment's notice – no removal required.

Protect from prying eyes.

Lift up the adjustable floor and you'll find a convenient hiding place that helps keep valuables out of sight.

NISSANCONNECT™ WITH MOBILE APPS¹

INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH.

NissanConnect™ with Mobile Apps is smart technology that you'll find incredibly handy.¹ And with NissanConnect™ with Mobile Apps, your Versa® Note® becomes your smartphone's best friend. Music, information and the Mobile Apps that keep you connected to your world all work seamlessly together through Versa® Note®'s audio system. And it keeps on getting better: the basic app package is complimentary for the first three years.

NissanConnect™ with Mobile Apps: for the music you love.¹ Imagine the choices you have with Pandora®, iHeartRadio™, Slacker® and more. And it couldn't be easier – download the NissanConnect™ app, and you can stream the music wirelessly via Bluetooth® or use Versa® Note®'s iPod®/USB input.^{2,3} For more information, video demonstrations, smartphone compatibility, FAQs, and enrollment assistance, go to www.NissanUSA.com/connect

NissanConnect™ with Mobile Apps: everything that matters at your fingertips.¹ You're wired to your world with Mobile Apps. Versa® Note® lets you keep track of Twitter®, Facebook®, and more. And thanks to Versa® Note®'s available navigation system and NissanConnect™'s compatibility with location-based services, including Online Search powered by Google® and TripAdvisor®, getting around has never been easier.^{4,5} You can find out more about the app and feature availability at www.NissanUSA.com/connect

More than just apps, Versa® Note® also keeps you in the loop with:

- Available Nissan Navigation System – with voice recognition featuring one-shot destination entry; SiriusXM® Traffic and Travel Link^{8,4,6}
- iPod®/USB input – search for a tune with enhanced voice recognition⁹
- Streaming audio via Bluetooth^{8,2}
- Hands-free text messaging assistant^{7,8}

NISSAN AROUND FOUR CAMERAS

What if parallel parking was easier? A RearView Monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's behind you. That's why Versa® Note® offers the class-exclusive Around View® Monitor.^{1,3} Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.² Now that's smart.

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ²Virtual composite 360° view. ³AutoPacific Economy Compact Class. 2015 Versa® Note® vs. in-market competitors at time of printing. Available feature.

VIEW® MONITOR¹ ONE 360° VIEW²

Don't bump your nose. In Drive, the display gives you both a front and overhead view, so you can pull all the way into your spot (or garage) – but not too far.

Complete the picture. Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view whether you're in Drive or Reverse.²

Save your wheels. In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

Look out below. In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're rolling on properly inflated tires.

Tire Pressure Monitoring System with Available Easy-Fill Tire Alert^{1,2}
Lets you know when a tire is low. And Easy-fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.

Available Around View® Monitor³

Available RearView Monitor³

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.⁴

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.⁵

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

6 STANDARD AIR BAGS⁶

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors⁶

Front seat-mounted side-impact supplemental air bags⁶

Roof-mounted curtain side-impact supplemental air bags⁶

LATCH System (Lower Anchors and Tethers for Children)

snug4kids® Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at **NissanUSA.com/SnugKids**.

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²Vehicle must be on for the Easy-Fill Tire Alert to operate. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁵Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. ⁶Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment.

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to **NissanUSA.com/mobility** for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green
