WOULDN'T IT BE COOL IF_ YOU HAD A DOOR TO MORE?

Imagine a car that not only fits your life, but takes it to the next level, with a whole new look and everything you want right inside. As practical as it is versatile, with seating for five and amazing storage space, too. Available technology like NissanConnectSM with Navigation and Mobile Apps puts tons of music and destinations right at your fingertips. There’s even an available class-exclusive Around View® Monitor that helps take the pain out of parking. Top it off with great fuel economy, and you’ll be ready for anything. Introducing the 2015 Versa® Note®. Open your door to more.
Wouldn’t it be cool if you could get excellent fuel economy in a roomy, comfortable car that’s lots of fun to drive? With Versa® Note®, you can. We got there by developing everything from exterior aerodynamics that whisper through the wind, to an advanced 1.6-liter 4-cylinder engine, to a virtually gearless Xtronic CVT® transmission that maximizes efficiency and performance. Nissan vehicles like the 2015 Versa® Note® that have an EPA fuel economy of 40 MPG carry the PUREDRIVE™ badge.3 And best of all, Versa® Note® is just one of a family of PUREDRIVE™ vehicles, reflecting Nissan’s commitment to developing more environmentally friendly transportation for all of us.
What’s style without substance? Hours of testing in the wind tunnel make Versa® Note® both eye-catching and aerodynamically efficient, helping achieve up to 40 MPG highway.¹ A low aero-drag underbody pairs with an available active grille shutter that closes at higher speeds to further reduce drag. Even the taillights are strategically designed, with special vents that help guide air away from the vehicle to minimize wind turbulence. Form and function meet in sweeping character lines that make cutting through wind a breeze, with a dramatically carved profile to complete the statement. What more could you ask for?

¹2015 EPA-Federal City Average 31 highway: 40 mpg for Versa® Note® with Xtronic CVT. Actual mileage may vary with driving conditions.
Surprisingly spacious and exceptionally accommodating, the Versa® Note® interior is the best of both worlds. Smart design minimizes structural interference with the cabin, giving everyone ample room to spread out. Enjoy seating for five and 38.3 inches of rear leg room for even your tallest friends. Up front, the bolstered driver’s seat hug you as you carve through the turns. Available features like a leather-wrapped steering wheel, double-stitched upholstery, and silver and chrome accents add a touch of class. Top it off with available heated front seats, and every trip will be as cozy as it is cool. Just don’t be surprised when your friends ask to carpool—again.
NISSAN DIVIDE-N-HIDE® ADJUSTABLE FLOOR
INNOVATION THAT GOES WITH THE FLOW.

Wouldn’t it be cool if your car could adapt in a snap? Say, for that vintage coffee table, or a day’s haul from the farmer’s market? When living in the moment is all part of the plan, Versa® Note® has your cargo needs covered with the super-versatile available Divide-N-Hide® Adjustable Floor. Get creative with multiple configurations and 18.8 cubic feet of cargo space.1 Rear 60/40 split seats let you bring friends, and oversized items. Or fold down both sides to create a flat cargo area. And you can fold down the front passenger seat to make room for long items – even a ladder or surfboard will fit. No matter what the plan is, Versa® Note® is ready when you are.

What if parallel parking was easier? A RearView Monitor is great when backing up — but when it comes to parking, it’s nice to see more than just what’s behind you. That’s why Versa® Note® offers the class-exclusive Around View® Monitor.1, 3 Four cameras give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.2 Now that’s smart.

Don’t bump your nose. In Drive, the display gives you both a front and overhead view, so you can pull all the way into your spot (or garage) — but not too far.

In Reverse, the display helps you see what’s directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

Save your wheels. In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

Complete the picture. Located under your driver’s side mirror, this camera helps round out your virtual 360° bird’s-eye view whether you’re in Drive or Reverse.2
PROTECT

When a collision is unavoidable, Nissan’s Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you’re rolling on properly inflated tires.

Tire Pressure Monitoring System with Available Easy-Fill Tire Alert1, 2

Let’s you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of lifting your tires, with a beep of the horn when you’ve reached the correct pressure.

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.4

Traction Control System helps prevent wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and sensors you are in an emergency situation.5

Nissan Versa® Note®

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranty. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/100,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusive apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date Genuine Nissan Parts.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF®; Improving fuel efficiency through our puredrive™ measures; and reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee.
