WELCOME TO THE 2015 NISSAN VERSA® SEDAN DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Versa® Sedan.

Click here to sign up for news and updates on the 2015 Versa® Sedan.
WOULDN’T IT BE COOL IF...
YOUR CAR SAID
EXACTLY WHAT YOU FELT?

Today, things are different. Small is big. Smart is sexy. And living richly isn’t about how much you spend. The perfect car for your fresh point of view? The 2015 Versa Sedan. With a spacious interior, advanced technology, and performance that’s as responsible as it is responsive. Change is good. Especially when it looks like this.
NISSAN PUREDRIVE™
INNOVATION THAT GIVES YOU THE BEST OF BOTH WORLDS.

Wouldn’t it be cool if you could get excellent fuel economy in a roomy, comfortable car that’s lots of fun to drive? With Versa®, we got there by developing everything from exterior aerodynamics that whisper through the wind to an advanced 1.6-liter 4-cylinder engine to a virtually gearless Xtronic CVT transmission that maximizes efficiency and performance. Best of all, Versa® is just one of a family of PUREDRIVE™ vehicles, reflecting Nissan’s commitment to developing more environmentally friendly transportation for all of us.

40
Miles per gallon highway, so you can breeze past the pump with ease.

.288
Drag coefficient, thanks to an exceptionally aerodynamic design.

4
Low rolling resistance tires that use less energy to roll, so you use less fuel.

1
2015 EPA Fuel Economy Estimates 31 city/40 highway MPG for Versa® Sedan 1.6-L with CVT. Actual mileage may vary with driving conditions – use for comparison only. “S Plus, SV and SL models.” .319 on S model.
Nissan Versa® Sedan SL shown in Titanium with optional equipment.

FREEDOM IS A FEELING
YOU CAN TAKE WITH YOU ANYWHERE.
A little bit of planning goes a long way. When designing Versa’s interior, we pushed the wheels to the corners, allowing the suspension to move out and away from the cabin. The result? Plenty of leg room. Carpool or road trip, looks like Versa is a star.
NISSANCONNECT™ WITH MOBILE APPS

INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH.

NissanConnect™ is smart technology that you'll find incredibly handy. And with NissanConnect™ with Mobile Apps, your Versa Sedan becomes your smartphone's best friend. Music, information, and the Mobile Apps that keep you connected to your world all work seamlessly together right through Versa Sedan's audio system. Even better – the basic app package is complimentary for the first three years.

NissanConnect™ with Mobile Apps: for the music you love. Imagine the choices you have with Pandora®, iHeartRadio® Slacker®, and more. And it couldn't be easier – download the NissanConnect™ app, and you can stream the music wirelessly via Bluetooth® or use Versa Sedan's iPod/USB input. For more information, video demonstrations, smartphone compatibility, FAQs and enrollment assistance, go to www.NissanUSA.com/connect

NissanConnect™ with Mobile Apps: everything that matters at your fingertips. You're wired to your world with the Mobile Apps. Versa Sedan lets you keep track of Twitter®, Facebook®, and more. And thanks to Versa Sedan's available navigation system and NissanConnect™, compatibility with location-based services, including Online Search powered by Google® and TripAdvisor®, getting around has never been easier.® You can find out more about the app and feature availability at www.NissanUSA.com/connect

More than just apps, NissanConnect™ keeps you in the loop with:
• Nissan Navigation System – with voice recognition featuring one-shot destination entry, SiriusXM® Traffic, and Travel Link™
• iPod®/USB input
• Streaming audio via Bluetooth®
• Hands-free text messaging assistant

Driving is serious business. Only use NissanConnect services when safe to do so. Subscription required. Certain services are dependent on cellular network availability. Not all features are available in all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Certain services require a compatible smartphone. Services, availability, and functionality may vary by phone and service provider. Services and functionality may require dealer assistance and applicable fee. Services may require acceptance of service agreement. Some services are delivered through third-party servers. These services are subject to change. Service may not be available in all areas. Services and functionality may be restricted or terminated at any time without notice or liability to Nissan, its dealers, or its affiliates. All service providers are independent third parties not affiliated or controlled in any way by Nissan or its affiliates. Service providers reserve the right to terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required to access or use certain services. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation due to service changes. 5

Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps are subject to change. Split Fold-down Seats. An available 60/40 split fold-down rear seat gives you real flexibility carrying people and cargo. The huge pass-through means tall and wide items are always welcome along for the ride.

Clever Storage. Keep the things you need close at hand yet out of sight with Versa’s spacious glove compartment. There are also convenient places designed especially for your phone and MP3 player.

Life is easier when you can bring everything you need. Versa’s Sedan’s oversized trunk means there’s no need to compromise. Jam session after work? No problem. Load your kit in and help keep it safe and out of sight. Inside, versatile storage options get things organized with places for all of your essentials — even those lucky drumsticks.

14.9 CU. FT. OF TRUNK SPACE

Cargo shown for display purposes only. Always secure all cargo. Cargo and load capacity limited by weight and distribution.
PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat belt and occupant-classification sensors

Front seat-mounted side-impact supplemental air bags

Roof-mounted curtain side-impact supplemental air bags

LATCH System (Lower Anchors and Tethers for Children)

MONITOR

Smart technologies help monitor conditions. Like an available rearview camera that helps you see something behind you, or a system that helps ensure you’re traveling on properly inflated tires.

Tire Pressure Monitoring System with Available Easy-Fill Tire Alert

Let's you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you’ve reached the correct pressure.

Available RearView Monitor

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Woudn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.
