It’s everything you’re looking for, and more. Versa features Nissan Intelligent Mobility technology that can help keep you safe and connects you to your world like never before: Want personalization? You got it. Interior tech lets you customize everything, from the available digital gauges to your perfect temperature. And when it comes to performance, merge and maneuver with ease, while getting up to 40 highway MPG. This is tech that keeps you a step ahead. This is Nissan Intelligent Mobility.
INTELLIGENT CRUISE CONTROL
Go with the flow. Available Intelligent Cruise Control watches the flow of traffic to take the stress out of your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.3

ADVANCED DRIVE-ASSIST® DISPLAY
The innovative available Advanced Drive-Assist Display is at your command. The 7” color display can be customized to show everything from your tachometer to music to fuel economy history.4, 5

SMARTPHONE CONNECTIVITY
People to see? Places to be? Just ask Siri®. Equipped with Siri® voice control, Apple CarPlay® (shown on the right) brings on board your contacts, favorite messaging apps, iTunes® library, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go.12, 13

NISSAN SAFETY SHIELD® 360
Imagine being surrounded by confidence on every drive. Nissan Intelligent Mobility includes features that monitor in front of you, behind you, and on either side, and can step in to help keep you safe. These six advanced safety features are standard on Versa SV and above.1

Automatic Emergency Braking with Pedestrian Detection6
Rear Automatic Braking7
Rear Cross Traffic Alert8, 9
Blind Spot Warning10
Lane Departure Warning11
High Beam Assist

NISSAN INTELLIGENT MOBILITY™
GREAT MPG, PLENTY OF POWER, INFINITE CITY FUN

The all-new Versa® has the same exceptional 40 highway MPG* fuel economy as last year’s fuel-sipping model, but delivers more power. That means plenty of punch around town and when merging on the freeway — your ticket to serious city fun.

PASS-THROUGH TRUNK AND 60/40 SPLIT SEATBACKS

When you need more room for cargo, the available 60/40 split fold-down rear seats let you add some gear, with a passenger still aboard. Or fold both seats down and really pack it in.

IT’S OK TO SAY “WOW” EVERY TIME YOU GET IN

From the moment you get in, you’ll feel like you’ve been upgraded. Impressive fit and finish, smart design, and tech you might find in some luxury vehicles all add up to your everyday wow moment.

D-shaped steering wheel | 7” touch-screen display | Contrast dash stitching
Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local Nissan dealer.
